Goodbye

Another American citizen has gone over to the Soviet Union—this time hook line and sinker. He was employed at the American exhibit in Moscow, fell in love with the country—or at least one pretty citizen thereof, according to one of his ex-co-workers—and applied for and was granted Soviet citizenship.

In another similar case, an American applied for Soviet citizenship but before action could be taken, recanted his renunciation of the U. S. and was permitted to come home and be a good boy again.

As far as we are concerned any American citizen, male or female, who renounces his citizenship in favor of the Soviet Union, is entitled to the protection of this government in two particulars only. The State Department should ask him two questions: Was he drunk or sober when he did it? Did he seem to have all his marbles with him at the time?

Having settled these questions to its own satisfaction, the government and people of the United States should wave him goodbye and see to it that his name is wiped off our national books forever, and he never be allowed to set foot in this country again, dead or alive.

The attached Washington news ticker dated October 31, 1959, relates that Oswald, a 20-year-old former U. S. Marine, advised United Press International during a press conference in his room at the Metropole Hotel, Moscow, that he had applied to renounce his American citizenship and become a Soviet citizen for "purely political reasons." Oswald refused to give any other reasons for his decision to give up his American citizenship and live in the Soviet Union, but stated "I will never return to the United States for any reason."

A review of Bureau files discloses no information identifiable with Oswald. A service fingerprint card was located by Paul Kupferschmidt of the Identification Division which appears to relate to Oswald. This card indicates that Oswald, a white male, born October 18, 1939, at New Orleans, Louisiana, enlisted in the U. S. Marine Corps on October 24, 1956, at Dallas, Texas, and holds U. S. Marine Corps Number 1653230.

The "Washington Capital News Service" dated 10/31/59, announced that subject, a 20-year-old former United States Marine, advised the United Press International during a press conference in his room, Metropole Hotel, Moscow, that he had applied to renounce his American citizenship and become a Soviet citizen for "purely political reasons." He refused to give any other reasons for his decision but stated "I will never return to the United States for any reason."

State Department telegram from Moscow dated 10/31/59, advised that subject is age 20, unmarried, who was issued U. S. passport on 9/10/59, appeared at the American Embassy that date to renounce his U. S. citizenship, stating he applied in Moscow for Soviet citizenship following his entry into Russia from Finland on 10/15/59. Subject advised the Embassy that he contemplated taking this action for the last two years; that the main reason for his action was "I am a Marxist." His attitude was described as arrogant and aggressive. Subject was described as having recently been discharged from the U. S. Marine Corps, and he has said that he has offered the Soviets any information he has acquired as enlisted radar operator. Subject's mother's address and his last home address in the U. S. was given as 4936 Collinwood Street, Fort Worth, Texas. The American Embassy in Moscow proposes delaying executing subject's renunciation of his U. S. citizenship until Soviet action is known or until advice is received from the State Department.

Bureau files contain no information identifiable with subject. Service fingerprint card in the Identification Division which appears to relate to subject shows that he is a white male born 10/18/39, at New Orleans, Louisiana, and he enlisted in the U. S. Marine Corps on 10/24/56, at Dallas, Texas, and that he holds U. S. Marine Corps number 1653230.

Memorandum Branigan to Belmont
Re: LEE HARVEY OSWALD

On 11/2/59, it was determined through Liaison with the Navy Department that the files of ONI contained no record of subject. However, subject's record at the headquarters with the U. S. Marine Corps shows the following: He was born 10/18/39, at New Orleans, Louisiana, and entered the U. S. Marine Corps at Dalas, Texas, on 10/24/56, to serve for three years. He was released to inactive duty at El Toro, California on 9/11/59, and has obligated service until 12/8/62. He speaks, reads, and writes Russian very poorly. While in the service of the U. S. Marine Corps he attended the Aviation Fundamental School and completed the Aircraft Control and Warning Operators' Course. He was released from active duty because his mother depended upon him for support. Serial #1653230.

ONI advised that they contemplated taking no action in this matter. No derogatory information was found in the files of the U. S. Marine Corps concerning subject, and there is no indication of any Soviet contacts involving subject.

RECOMMENDATION:

Since subject's defection is known to Department of the Navy, and since subject apparently has no knowledge of any strategic information which would be of benefit to the Soviets, it does not appear that any action is warranted by the Bureau in this matter.

It is recommended however, that this memo be referred to the Identification Division so subject's service fingerprints can be placed in the criminal files and that a stop be placed against the prints to prevent subject's entering ~~into~~ the U. S. under any name. Espionage Section should be advised if subject again enters the U. S.

SUBJECT: CITIZENSHIP: Lee Harvey OSWALD - US-R

Mr. Lee Harvey OSWALD, an American citizen, appeared at this Embassy October 31, 1959 and stated to Second Secretary Richard E. Snyder that he wishes to renounce his American citizenship and that he had applied to become a citizen of the Soviet Union. He presented to the interviewing officer his passport and the following signed, undated, handwritten statement, the original of which is retained by the Embassy (misspellings are as in original):

"I Lee Harey (cq) Oswald do hereby request that my present citizenship in the United States of America, be revoked.

"I have entered the Soviet Union for the express purpose of appling for citizenship in the Soviet Union, through the means of naturalisation.

"My request for citizenship is now pending before the Surprem Soviet of the U.S.S.R.

"I take these steps for political reasons. My request for the revoking of my American citizenship is made only after the longest and most serious considerations.

"I affirm that my allegiance is to the Union of Soviet Socialist Republics."

s/ Lee H. Oswald

Oswald is the bearer of Passport No. 1733242, issued September 10, 1959 (retained at the Embassy). The passport shows that he was born in New Orleans, Louisiana, on October 18, 1939, and gives his occupation as "shipping export agent". Oswald gave his last address in the United States as that of his mother at 1936 Collinwood Street, Fort Worth, Texas. A telegram subsequently received at the Embassy for him indicates that a brother, Robert L. Oswald, resides at 7313 Davenport, Fort Worth, Texas. He stated that he was discharged from the U. S. Marine Corps on September 11, 1959. Highest grade achieved was Private. Oswald evidently applied for his passport to the Agency at San Francisco while still in service. He stated that he had contemplated the action which he took for two years before his discharge. He departed from the United States through New Orleans with the intent of traveling to the Soviet Union through Northern Europe. He states that he first applied for a Soviet tourist visa in Helsinki on October 14.

that he applied for Soviet citizenship by letter to the Supreme Soviet on October 16 in Moscow. He stated that he did not mention his intent to remain in the Soviet Union to the Soviet Embassy in Helsinki at the time of his visa application.

Throughout the interview Oswald's manner was aggressive, arrogant, and uncooperative. He appeared to be competent. He insisted that he did not wish to waste time in discussion or answering questions concerning his "personal" affairs beyond what was directly related to divesting himself of his American citizenship. He was contemptuous of any efforts by the interviewing officer in his interest, made clear that he wanted no advice from the Embassy. He stated that he knew the provisions of U. S. law on loss of citizenship and declined to have them reviewed by the interviewing officer. In short he displayed all the airs of a new sophomore party-liner.

Oswald gave as the "principal reason" for his decision that "I am a marxist", but declined any further elaboration of his motives. However, other remarks bearing on his attitude were made during the interview. At one point he alluded to hardships endured by his mother as a "worker" and stated that he did not intend to have this happen to him. He also referred to himself several times as a "worker", but admitted that he had never held a civilian job, having entered the Marine Corps directly from junior year of high school. (He claimed to have completed high school while in service.) He stated that his service in Okinawa and elsewhere "gave me a chance to observe American imperialism." At another point he reacted sensitively when asked, in connection with his rank in the Marine Corps, whether he felt he should have had a higher grade.

Oswald categorically refused to discuss his family beyond stating that he was not married and that he has a mother in Texas. He had obliterated the address written on the inside cover of his passport and steadfastly refused to give any last home address until it was elicited by the "threat" that nothing could be done about his request to renounce his citizenship without this information. After giving the address noted above, he then confirmed that it was his mother's address. He would not say whether he had informed his mother and rebuffed any suggestion of concern for her.

Oswald offered the information that he had been a radar operator in the Marine Corps and that he had voluntarily stated to unnamed Soviet officials that as a Soviet citizen he would make known to them such information concerning the Marine Corps and his speciality as he possessed. He intimated that he might know something of special interest.

Oswald is presently residing in non-tourist status at the Metropole Hotel in Moscow awaiting the Soviet response to his application for citizenship. As his Soviet visa and militia registration expired on October 22, 1959, and have not been renewed, he is patently in a technically illegal residence status with the tacit consent of the Soviet authorities.

For what significance it may have, the foregoing was also the pattern in the Nicholas PETRULLI case (our Despatch 111, September 11, 1959). Having

evidently concluded, after allowing Petrulli to languish "illegally" in a local hotel for a month, that he was no asset as a Soviet citizen, the Soviets suddenly invited him to depart, pointing out that he had "overstayed" his visa.

In view of the Petrulli case and other considerations, the Embassy proposes to delay action on Oswald's request to execute an oath of renunciation to the extent dictated by developments and subject to the Department's advice.

Re report of SA JOHN W. FAIN, Dallas, 5/12/60.

Interview of Mrs. MARGUERITE C. OSWALD reveals that her son, LEE HARVEY OSWALD had gone to Moscow, Russia, had renounced his US citizenship and had apparently sought Soviet citizenship. She recently received a letter addressed to her son from the Albert Schweitzer College in Switzerland indicating that LEE OSWALD was expected at the college on 4/20/60. She stated that LEE OSWALD had taken his birth certificate with him when he left home. The fact that she had sent three letters to her son in Moscow since 1/22/60, which were returned undelivered, has caused her to fear for his safety.

There appears to be a possibility of locating LEE OSWALD outside the USSR at the Albert Schweitzer College in Switzerland. Furthermore, since OSWALD had his birth certificate in his possession, another individual may have assumed his identity.

The info furnished by Mrs. OSWALD may be of interest to the US State Department and it is suggested for the consideration of the Bureau, that a copy of her interview be furnished to the State Department for any action they deem appropriate.

Reference is made to Foreign Service Despatch number 234 dated November 2, 1959, concerning subject's renunciation of his American citizenship at the United States Embassy, Moscow, Russia, on October 31, 1959.

It is noted that among other items, subject surrendered his United States passport Number 1733242 to an American Embassy official. His last known residence as indicated in your despatch was The Metropole Hotel, Moscow, where he was residing in a non-tourist status.

Your attention is directed to the report of Special Agent John F. Fain, Dallas, Texas, dated May 12, 1960, entitled "Funds Transmitted to Residents of Russia; Internal Security - R," a copy of which was furnished to the Department of State on May 24, 1960.

In that report you will note that subject's mother, Mrs. Marguerite C. Oswald, Fort Worth, Texas, advised that she recently received a letter addressed to her son from the Albert Schweitzer College in Switzerland indicating that Lee Oswald was expected at the college on April 20, 1960. She stated subject had taken his birth certificate with him when he left home. She was apprehensive about his safety because three letters she had written him since January 22, 1960, have been returned to her undelivered.

Since there is a possibility that an imposter is using Oswald's birth certificate, any current information the Department of State may have concerning subject would be appreciated.

Rereport of SA JOHN W. FAIN dated 5/12/60 at Dallas, Texas, in the matter captioned "FUNDS TRANSMITTED TO RESIDENTS OF RUSSIA, IS - R" (Bufile 100-353496, Dallas file 100-976) setting forth background information re OSWALD.

On 5/9/61 the files of the Passport Office, U.S. Department of State, were reviewed by SA VINCENT P. DUNN and the following information was noted:

A State Department memorandum of conversation dated 1/26/61 reflecting that Mrs. MARGUERITA OSWALD, mother of the subject, appeared at the U.S. Department of State in Washington, D.C., (date not indicated). She said she had come to Washington to see what could be done to help her son. She expressed the thought that perhaps her son had gone to the Soviet Union as a "secret agent" and that the State Department was not doing enough to help him. She was advised that such was not the case and efforts were being made to help her son.

On 2/13/61 the U.S. Embassy in Moscow, USSR, received an undated letter from LEE HARVEY OSWALD postmarked Minsk 2/5/61. In this letter OSWALD indicated that he desired the return of his U.S. Passport as he wished to return to the United States if "we could come to some agreement concerning the dropping of any legal proceedings against me". He also said that he could not leave Minsk without permission and therefore was writing instead of visiting the American Embassy.

On 3/20/61 the U.S. Embassy in Moscow received a letter from OSWALD postmarked Minsk 3/5/61. In this letter OSWALD said he found it inconvenient to come to Moscow for an interview at the American Embassy and that he could not leave Minsk without permission. He asked that in place of a personal interview he be sent a questionnaire.

ROBERT LEE OSWALD also stated that he had never known the subject to have had any sympathy for or connection with communism before this incident occurred.

ROBERT OSWALD stated that he has had no contact in any manner or form with any individual known by him to be a Soviet official or affiliated in any way with Soviet establishments. He also stated that so far as he knows, neither his mother nor any other member of this family have had any contact whatsoever with Soviet officials or with Soviet establishments.

ROBERT LEE OSWALD stated that he would immediately contact the FBI in the event he were contacted by Soviet officials. He also stated that neither he nor his mother has been requested to furnish any items of personal identification to the subject in Russia and that in the event he were to receive such a request he would immediately contact the FBI.

DL 100-10461

On April 28, 1960, Mrs. MARGUERITE C. OSWALD, who was then employed at Methodist Orphans Home, 1111 Herring Avenue, Waco, Texas, volunteered the following information:

Mrs. OSWALD stated that she has been very much upset and uneasy concerning her son, LEE HARVEY OSWALD, since she learned during the Fall of 1959, with much to her surprise that he had gone to Moscow, Russia, where he had renounced his United States citizenship and had apparently sought Soviet citizenship. She stated that following his discharge from the U. S. Marine Corps in September, 1959, he visited her for a few days in Fort Worth and left town stating that he was going to New Orleans, Louisiana, to resume his employment with an export-import company at New Orleans. She stated that subject had engaged in export-import employment for a brief period of time prior to his enlistment in the U. S. Marine Corps. Mrs. OSWALD also stated that subject had mentioned something about his desire to travel and said something also about the fact that he might go to Cuba.

Mrs. OSWALD stated that shortly after subject arrived in New Orleans, she received the following letter postmarked at New Orleans, Louisiana, from subject:

"Dear mother:

"Well I have booked passage on a ship to Europe. I would of had to sooner or later, and I think its best that I do now. Just remember above all else that my values are very different from Roberts or yours.

"It is difficult to tell you how I feel. Just remember this is what I must do. I did not tell you about my plans because you could hardly be expected to understand. Lee."

Mrs. OSWALD stated that she was very much shocked and surprised later to learn that he had gone to Moscow, Russia. She stated that she had no idea as to how he arrived there but that she does know that he had saved up about $1600 from his services in the U. S. Marine Corps. She stated that he did not previously discuss with her any intention to go to Moscow, Russia. She also stated that he had never shown any proclivities for the ideologies of communism. She stated that he had never expressed any sympathy for Russia or the communist system. She stated that subject was always a studious type of individual and that he read books that were considered "deep." Mrs. OSWALD stated that she would not have been surprised to have heard that subject had gone to, say, South America or Cuba, but that it had never entered her mind that he might go to Russia or that he might try to

become a citizen of Russia. Mrs. OSWALD stated that she felt strongly that subject has a right as an individual to make his own decisions, however, she stated that she was very greatly surprised and disappointed that he had taken this action.

Mrs. OSWALD stated that she made application on January 22, 1960, at the First National Bank of Fort Worth, Texas, for a foreign draft and upon payment of $26.65 she was issued a "foreign money transfer No. 142,688" by which instrument she sent $25.00 by air mail to subject, LEE HARVEY OSWALD, in care of Hotel Metropole, Moscow, Russia.

Mrs. OSWALD explained that she was indebted to subject in the amount of $100 as a result of a loan which she had made to her previously.

She stated that on December 18, 1959, she had mailed a personal check of $20.00 by way of part payment on this debt to "LEE OSWALD, Metropole Hotel, Moscow, Russia." She made this check payment to LEE OSWALD. However, on or about January 5, 1960, this check was returned to her by mail containing a note scratched on a piece of paper in pencil by subject, stating he "could not use the check, of course." In this note he requested her to put $20.00 in cash in an envelope and send it to him inasmuch as he was "also short of cash and needed the rest. LEE." She stated that she then mailed a $20 bill and expressed her reluctance in sending cash through the mail. In this letter to subject she requested him to let her know if he received the $20 bill and also to furnish her with his correct address. She stated that she added in this letter her hope that he liked Russia. She added "if you don't and want to come back, I believe it can be arranged. Are you working?" She stated that she addressed this letter to Mr. LEE H. OSWALD, Metropole Hotel, Moscow, Russia. She also advised that the envelope containing the $20 was returned to her on February 25, 1960, stamped, "Retour Departi." She stated that on the reverse side of this envelope was stamped "Mockban Noytant, Moscow, Russia," January 18, 1960," and also the following lettering "МЕЖДУНАРОДКО."

Mrs. OSWALD advised that since January 22, 1960, she had sent three different letters to her son but that all had been returned to her undelivered. She stated that she feared that he might have become stranded and in danger. She stated that she has had correspondence with reference to subject with her Congressman and with the U. S. State Department inasmuch as she has been very much alarmed for fear that something might have happened to subject. Mr

Mrs. OSWALD stated that she would gladly report any contacts made with her by Soviet officials. She volunteered her eagerness to cooperate in any way possible. She stated that she had not been requested to furnish any items of personal identification to subject in Russia. She volunteered the information that subject had taken with him his birth certificate when he left Fort Worth. She promised to advise the FBI immediately in the event any contacts were made with her by Soviet officials or by Soviet establishments in this connection.

A check of the files of Office of Naval Intelligence, Eighth Naval District, U. S. Naval Station in Algiers, Louisiana, on April 18, 1961, revealed that this file contained a Photostat of a telegram from the Department of State, Moscow, Russia, dated October 31, 1959, at 7:59 A.M. This telegram stated in part that subject who was twenty years of age and unmarried, carrying passport No. 1733242, issued September 10, 1959, had appeared at the Embassy to renounce his American citizenship and had applied in Moscow for Russian citizenship following his entry into the USSR from Helsinki. This telegram advised further that subject's mother's address in the United States was 4936 Collingwood Street Fort Worth, Texas. This telegram quoted subject as having said he had contemplated this matter during the last two years. Main reason "American Marxist"; attitude arrogant and aggressive. Subject had recently been discharged from the U. S. Marine Corps. Subject was further quoted as having offered the Soviets any information he had acquired as enlisted radio operator.

On June 28, 1961, Mrs. JAMES E. TAYLOR, 4936 Collingwood Street, Fort Worth, Texas, stated that on or about July 1, 1956, she rented her upstairs west, partly furnished, apartment, to Mrs. MARGUERITE OSWALD. With Mrs. OSWALD were her two sons, ROBERT and the subject of this case. Mrs. TAYLOR stated that she had never known the third son. Mrs. TAYLOR stated also that she had never known any member of this family prior to July 1, 1956.

Mrs. TAYLOR stated that subject was a student in Arlington Heights High School and was only about 16 or 17 years of age when the OSWALDS moved to this address. She stated that ROBERT later married and moved with his wife to another address. Mrs. TAYLOR stated that subject was a peculiar boy inasmuch as he read a great deal and kept very much to himself. She stated that she has heard Mrs. OSWALD state that subject read books which were "over his head." Mrs. TAYLOR explained this to mean that the books he read were "deep" books. She stated that she does not know the titles of any of this material which he read. Mrs. TAYLOR stated that she got the impression that subject obtained some of this reading material through the mail. Mrs. TAYLOR stated that she actually

felt sorry for the subject inasmuch as it appeared to her that he had few if any friends and no social life. She stated that she pitied the boy because he had never known his father who had died before his birth. She stated that Mrs. OSWALD worked continuously in an effort to support her two boys. Mrs. TAYLOR remarked that she has never seen any one stay at home more closely than did the subject. She stated that Mrs. OSWALD often quarrelled at him for staying at home so closely and on occasion urged him to get out and seek employment but that he preferred to sit at home and read.

Mrs. TAYLOR stated that Mrs. OSWALD was in poor health and extremely nervous and that she often quarrelled very loudly with both ROBERT and the subject.

Mrs. TAYLOR stated that the OSWALDS came to Fort Worth from New Orleans, Louisiana. Mrs. TAYLOR stated that both ROBERT OSWALD and Mrs. OSWALD were extremely shocked and hurt by the action which subject took disavowing his United States citizenship and claiming citizenship in Russia.

Mrs. TAYLOR stated that subject enlisted in the U. S. Marine Corps while he was residing at 4936 Collingwood Street. She advised that Mrs. OSWALD moved from this address on or about May 1, 1957, and that she has had no contact with the OSWALDS in recent years.

On June 30, 1961, JAMES P. MEEK, 3120 West Fifth Street, Fort Worth, stated that for a period of several months three or four years ago Mrs. MARGUERITE OSWALD resided at 3124 West Fifth Street. He stated that so far as he knows subject had never resided at 3124 West Fifth and MEEK was unable to furnish any information of value to this investigation.

On June 23, 1961, Dallas Confidential Informants T-3 and T-4 advised that their knowledge of subject is limited to newspaper accounts reporting subject's defection to Soviet Russia. Dallas T-3 and T-4 advised that subject was not a member of the Communist Party (CP) at Fort Worth and that they have never heard his name mentioned in connection with CP membership.

It is noted that the Communist Party, USA (CP), has been designated by the Attorney General of the United States, pursuant to Executive Order 10450.

DL 100-10461

A review on May 9, 1961, of the files of the Passport Office, U. S. Department of State, Washington, D. C., revealed that on or about January 26, 1961, Mrs. MARGUERITE OSWALD, mother of subject, appeared at the U. S. Department of State in Washington, D. C. She advised that she had come to Washington to see what could be done to help her son, the subject. She expressed the thought that perhaps her son had gone to the Soviet Union as a "secret agent" and that the State Department was not doing enough to help him. She was advised that such was not the case and that efforts were being made to help her son.

On February 13, 1961, the U. S. Embassy in Moscow, USSR, received an undated letter from LEE HARVEY OSWALD postmarked Minsk, February 5, 1961. In this letter OSWALD indicated that he desired the return of his U. S. passport as he wished to return to the United States if "we could come to some agreement concerning the dropping of any legal proceedings against me." He also said that he could not leave Minsk without permission and therefore was writing instead of visiting the American Embassy.

On March 20, 1961, the U. S. Embassy in Moscow received a letter from OSWALD postmarked Minsk, March 5, 1961. In this letter OSWALD said he found it inconvenient to come to Moscow for an interview at the American Embassy and that he could not leave Minsk without permission. He asked that in place of a personal interview he be sent a questionnaire.

Re Washington Field letter to Bureau, 9/1/61.

On 9/5/61 the following inquiries were made at Fort Worth, Texas, by SA JOHN W. FAIN:

JERALD M. PLUMMER, 1612 Burley Street, advised that Mrs. MARGUERITE OSWALD, subject's mother, resided at 1612 Burley Street, Fort Worth, for several weeks following her return to Fort Worth from Boyd, Texas, beginning about April 1, 1961. She was employed for a short period for the Ables' Cleaners, but is understood to have left Fort Worth three or four months ago for employment on a ranch somewhere in the vicinity of Munday or Benjamin, Texas, exact address unknown to Mr. PLUMMER.

LOUISE ABLES, Ables' Cleaners, 1621 - 8th Avenue, stated that Mrs. OSWALD worked as an alterations employee for approximately one or one and a half weeks during about April 1961, but she resigned three or four months ago and went to a ranch located somewhere in northwest Texas in the Wichita Falls, Texas, area, where she had prospects for keeping house for some unknown couple on a ranch.

Mrs. DOROTHY REEDER (protect identity), Assistant Superintendent of Mails, U. S. Post Office, Fort Worth, advised that on 6/3/61 Mrs. MARGUERITE OSWALD, 1612 Burley Street, Fort Worth, left a forwarding address of "General Delivery, Crowell, Texas."

On 9/18/61, R. L. OSWALD, 7313 Davenport, Fort Worth, where he continues to be employed as a sales coordinator, Marketing Department, Acme Brick Company, stated that he had just received a letter, dated 9/10/61, from his brother, the subject, wherein

subject mentioned that he was working in an electrical shop at Minsk, Russia. Subject mentioned that he owns a shot gun and occasionally goes hunting. According to R. L. OSWALD, subject has been married to a Russian girl, an orphan, by the name of MARINA, age about 18 or 19. Subject has written R. L. that MARINA was a nurse. According to R. L. OSWALD, MARINA seems to be very intelligent and from her photograph appears to be nice looking. This girl, prior to her marriage resided with her uncle and aunt. R. L. OSWALD stated MARINA desires to come to the United States with subject. R. L. OSWALD stated subject's letter was not too optimistic for his chances of getting to come back to the United States at an early date and subject indicated his belief that the Russians were "holding up" his return to the United States. R. L. OSWALD stated that subject has been severely critical of the Russians in his letter and he was surprised that the Russians would allow him to make criticisms. Oswald; Mrs. Lee Harvey Oswald

R. L. OSWALD stated that his mother is residing at Crowell, Texas, but that he has no information as to the name of the people with whom she is residing and that on her letter of 7/19/61 she merely placed a return address of "Crowell, Texas."

Re Washington Field letter to Bureau, 9/1/61, and Dallas letter to Bureau, 9/29/61.

Mrs. MARGUERITE C. OSWALD, 1808 Eagle Street, Apartment 3, Vernon, Texas, on 10/3/61, advised SA JARRELL H. DAVIS that about two months or so ago she received from her son, LEE HARVEY OSWALD, a letter in which he advised that he and his wife had been to Moscow to contact the American Embassy to secure a renewal of his passport and permission to return to the United States. She added that in this letter he indicated that the prospects were good for him to be allowed to return to the United States, but he did not know whether his wife would be able to return with him, and he indicated he would not return unless she was allowed to accompany him. She said that she did not receive a letter from him for a period of about six weeks and began to think he might be on his way home, even though he had not told her for sure he was going to come home or the date he might arrive. She advised, however, that about a week before she had received another letter from her son, which made no reference whatsoever to his trip to Moscow or to his returning home, but just merely stated he was OK and contained the usual information.

Mrs. OSWALD further advised she has no further information as to whether or not her son and his wife are going to be allowed to return to the United States and has no idea when they might come when they are allowed to come.

1. Reference (A) indicated that on 31 October 1959 OSWALD visited the U. S. Embassy, Moscow, where he signed a handwritten statement requesting that his U.S. citizenship be revoked, stated he had applied for Soviet citizenship, and affirmed his allegiance to the USSR. He allegedly told Embassy he had advised unnamed Soviet Officials that as a former Marine radar operator, he would make available to them information about his Marine Corps specialty when he became a Soviet citizen.

2. By personal letter to Secretary of the Navy CONNALLY dated 30 January 1961, received in February 1962, OSWALD advised he was preparing to return to the USA and wished to have rectified the "gross injustice" done to him by the USMC in giving him a "belated dishonourable discharge." He stated he had received an honorable discharge after three years service on September 11, 1959. In this letter, OSWALD asserted he was still a U.S. citizen and alleged he had gone to the Soviet Union to reside only for a "short time." Records of the Office of Naval Intelligence do not indicate what OSWALD's citizenship is.

SUBJECT: LEE HARVEY OSWALD

ReWFOlet to Bureau and Dallas under above caption dated 2/19/62.

On 2/28/62 Mr. HENRY KUPIEC, Foreign Adjudications Division, Passport Office, U. S. Department of State (USDS), furnished SA KENNETH J. HASER a copy of a USDS Operations Memorandum dated 1/24/62 from the American Embassy in Moscow to the State Dept. This memorandum reflected that OSWALD, by letter to the American Embassy in Moscow dated 1/16/62, advised he would not consider returning to the U. S. alone for any reason as it appeared to him that his passport would be confiscated upon his return. OSWALD also forwarded to the American Embassy an affidavit for support of his wife.

On 3/27/62 Mrs. FRANCES VAN COTT, Office of Special Consular Services, USDS, advised SA HASER that OSWALD filed an application for a repatriation loan at the American Embassy in Moscow on 2/24/62. OSWALD was at that time residing in Minsk, USSR, and he indicated he desired to return to the U. S. with his alien wife and one month old child.

Mrs. VAN COTT advised that the Embassy in Moscow reported to the State Dept. that OSWALD had $200 of his own money, and whereas he asked for a sizable loan for repatriation, the USDS has approved a loan for the subject of $500 for minimum accommodation, such approval being about 3/1/62. Mrs. VAN COTT advised that the subject's wife, MARINA NIKOLAEVNA PRUSKOVA, is having difficulty obtaining American visa.

State Department communication dated 5/17/62 furnished the following information concerning subject:

"It has been determined that Oswald, the ex-Marine, is still an American citizen; both he and his Soviet wife now have exit permits, and the Department has given approval for their travel with their infant child to the U.S.A. There is a problem with his wife, however, in that SOV in the Department is trying to get a waiver of 243G, which requires that Oswald's wife pick up her visa for entry into the U.S.A. in Western Europe. As soon as this question has been settled, they will be free to travel."

You should be alert for subject's return to the United States and immediately upon his arrival you should thoroughly interview him to determine whether he was recruited by Soviet Intelligence or made any deals with Soviets in order to obtain permission to return to the United States.

Bufiles reveal that subject apparently did not have access to classified information. However, he is a former Marine Corps enlisted man; and according to information received from the Navy Department, he had service with the Marine Air Control Squadrons in Japan and Taiwan with duties involving Ground-Control Intercept. Dallas report 7/3/61 contained information to the effect that when subject appeared at the American Embassy, Moscow, in 1959 he was arrogant and aggressive; and he was quoted as having offered the Soviets any information he had acquired as an enlisted radio operator.

In your interview with subject, you should attempt to ascertain exactly what information he furnished to the Soviets. If any doubt exists as to subject's truthfulness during such interview, you should consider requesting his consent to a polygraph examination and, thereafter, obtain Bureau authority for such an examination. Results of interview with subject should be submitted in form suitable for dissemination.

Ex-Marine Applies To Be Soviet Citizen

Texan, 20, Cites Step As 'Purely Political'

From the Herald Tribune Bureau

MOSCOW, Oct. 31.—Lee Harvey Oswald, twenty-year-old former Marine from Ft. Worth, Tex., said here today he has asked to become a Soviet citizen "purely for political reasons" and added, "I will never return to the United States."

The slender, sober-faced Oswald declined to say what prompted his action "until after I receive my Soviet citizenship." American Embassy officials said Mr. Oswald told them he arrived in the U. S. S. R. on Oct. 15 and wrote a letter the next day to the Supreme Soviet (Parliament) asking for Soviet citizenship.

Told to Wait

The officials said the young man had asked to renounce his American citizenship, but that they told him to wait until he had a reply to his letter requesting Soviet citizenship. They said he promised to advise them of developments, but was adamant about the action he was contemplating.

Mr. Oswald is the third American recently to apply for Soviet citizenship. Nicholas Petrulli, of Valley Stream, N. Y., changed his mind and returned to the United States. Robert E. Webster, of Cleveland, a plastics technician who worked at the American Exhibition in Moscow, was granted Soviet citizenship and now is said to be working in Leningrad.

Won't Discuss It

Mr. Oswald told reporters in his Metropole Hotel room he would not discuss his case with them because "I am afraid what I say may be distorted by some newspapers." Asked if he had been a student of political economy, he replied, "Absolutely not."

He also said he thought Soviet authorities "might not want me to say anything" about this action. He added he expects a reply from Soviet officials soon on his application for citizenship in this country.

Embassy officials said Mr. Oswald stated he was released recently from the Marine Corps and never had a regular job. He declined to tell reporters what he wants to do here.

Was an Average Guy

FORT WORTH, Tex., Oct. 31 (UPI).—"I always thought he was an average guy, but I sure don't now," said Mrs. R. L. Oswald today when she learned that her brother-in-law, Lee Oswald, had decided to become a Soviet citizen.

Mrs. Oswald said he "never talked much about politics, or Russia or anything." She added that he had attended Arlington High School here "but I don't think he graduated."

make available to them information about his Marine Corps speciality when he became a Soviet citizen.

On June 5, 1962, a review of the files of the Passport Office of the U. S. Department of State (USDS), revealed that by a personal letter dated January 30, 1961, addressed to the Secretary of the Navy, subject advised he was preparing to return to the United States of America and wished to have rectified the "gross injustice" done to him by the U. S. Marine Corps (USMC) in giving to subject a "belated dishonorable discharge." Subject also stated in his letter he had received an honorable discharge after three years service on September 11, 1959. In his letter, subject asserted he was still a citizen and alleged he had gone to the Soviet Union to reside only for a "short time."

The files of the Passport Office further revealed that subject had been released under honorable conditions to inactive duty in the U. S. Marine Corps Reserve on September 11, 1959, with obligated reserve service until December 8, 1962. On August 17, 1960, subject was given an undesirable discharge from the U. S. Marine Corps Reserve by reason of unfitness.

This review of the files of the Passport Office also revealed a USDS memorandum dated May 4, 1962, stating that on the basis of evidence, subject had not expatriated himself under the pertinent laws of the United States.

A review of the files of the Passport Office of the USDS, Washington, D. C., on August 22, 1961, concerning subject revealed the following information:

By letter dated May 1961 to the American Embassy, Moscow, USSR, subject advised he had no intention of returning to the United States unless he were given a guarantee that he would not be prosecuted for any act pertaining "to this case." Subject also indicated he had married a Russian girl born in Leningrad, Russia, and wanted to bring her to the United States with him.

This review of the files of the Passport Office also revealed that on July 8, 1961, subject appeared at the American Embassy in Moscow at which time he stated he was employed in the Belo Russian Radio and Television Factory, Minsk, Russia, as a metal worker, in the research shop. Subject stated he took no oath of allegiance of any kind to the Soviet Union nor was he required to sign any paper in connection with his employment. He gave his earnings as 90 rubles a month. Subject also stated he was married on April 30, 1961, to MARIAN NIKOLAEVNA PUSAKOVA, a dental technician. Subject stated his intention to apply for an exit visa immediately upon his return to Minsk. He said he

desired to bring his wife with him to the United States.

This review of the files of the Passport Office also revealed that on July 10, 1961, subject executed an "Application for Renewal of Passport," at the American Embassy in Moscow. His residence at that time was USSR, Ulipsa Kalinina 4, Apartment 24, Minsk. This renewal application indicated that subject was issued U. S. Passport No. 1733242 on September 10, 1959, at Washington, D. C. Subject's renewal application was referred to the State Department for consideration and decision.

This review of the files of the Passport Office also reflected that by memorandum dated August 18, 1961, the State Department had authorized the American Embassy in Moscow to renew subject's passport for direct travel to the United States.

A review of the files of the Passport Office on the USDS, Washington, D. C., on January 29, 1962, revealed the following information:

In a letter of July 15, 1961, to the American Embassy in Moscow, subject advised he was continuing his efforts to obtain an exit visa for his wife and for himself.

By letter dated "August 1961," to the American Embassy in Moscow, subject furnished a copy of his marriage certificate and a copy of his wife's birth certificate.

By letter dated August 8, 1961, to the American Embassy in Moscow, subject inquired if it would be permissible for him to travel through Poland by train after leaving Minsk. Subject pointed out he could not afford to fly from Moscow to New York City. He added he believed he could catch a military flight to the United States from Berlin, Germany.

By letter dated October 4, 1961, to the American Embassy, in Moscow, subject asked the Embassy to assist him in obtaining exit visas from the Soviet authorities.

U. S. Department of State Operation's memorandum dated January 16, 1962, at the American Embassy in Moscow, pointed out that a letter dated January 5, 1962, was received from subject stating he expected to receive an exit visa within 45 days. This memorandum also pointed out that the American Embassy in Moscow had been formally notified by the Soviet Ministry of Foreign Affairs of the issuance of a foreign passport and an exit visa to subject's wife.

DL 100-10461

On September 18, 1961, ROBERT LEE OSWALD, the subject's brother at 7313 Davenport Street, Fort Worth, who is a sales coopdinator, Marketing Department of Acme Brick Company, Fort Worth, stated he had received a letter dated September 10, 1961, from subject who mentioned that he was working in an "electrical shop" at Minsk, Russia. Mr. OSWALD advised that subject had stated in this letter he owned a shot gun and occasionally went hunting. Mr. OSWALD also advised that subject had married a Russian girl, an orphan, first name MARINA, age 18 or 19. Subject had told his brother that she was a nurse. This girl prior to her marriage to subject resided with an uncle and aunt. Mr. OSWALD stated that from description of subject's wife furnished by subject she seems to be a very intelligent and attractive girl. According to Mr. OSWALD, subject's wife desired to come to the United States with subject. Mr. OSWALD also stated that subject's letter was not too optimistic as to his chances of getting to return to the United States at an early date. Mr. OSWALD indicated his belief that the Russians were "bolding up" subject's return to the United States. Mr. OSWALD also advised that subject has been "critical of the Russians" in his letters and he, Mr. OSWALD, was surprised that the Russians would allow subject to make such criticisms.

On October 13, 1961, Mrs. MARGUERITE C. OSWALD, 1808 Eagle Street, Apartment No. 3, Vernon, Texas, advised that about two months previously she had received from her son, the subject, a letter in which he advised that he and his wife had been to Moscow to contact the American Embassy in order to obtain renewal of his passport and obtain permission to return to the United States. In this letter subject indicated that the prospects were good for him to be allowed to return to the United States but he did not know whether his wife would be able to return with him. Subject indicated he would not return unless she were allowed to accompany him. Mrs. OSWALD advised she had not received a letter from subject for a period of about six weeks and had begun to think he might be on his way home even though he had not told her for sure he was going to return home nor had he furnished the date on which he might arrive. Mrs. OSWALD also stated she had received another letter about a week before October 13, 1961, from her son, the subject, who made no reference whatever to his trip to Moscow or to his returning home. In this letter subject stated he was "Okey." Mrs. OSWALD stated she had no information as to whether or not subject and his wife were going to be allowed to return to the United States. She had no idea when they might be permitted to leave the Soviet Union.

By letter dated October 19, 1961, L. A. MACK, Officer in Charge, Immigration and Naturalization Service (I&NS), 1100 Main Street, Dallas, Texas, advised that subject, of Apartment 24

No. 4 Kalinin Street, Minsk, Russia (File No. A12530645), had filed a petition for a non-quota immigrant visa in behalf of his wife, MARINA N. P. OSWALD, a native and citizen of Russia. According to Mr. MACK, subject had listed his occupation as electrical technician and his former address as 7313 Davenport, Fort Worth, Texas.

On February 28, 1962, HENRY KUPIEC, Foreign Adjudications Division, Passport Office, USDS, advised that subject, by a letter dated January 16, 1962, to the American Embassy in Moscow had advised he would not consider returning to the United States alone for any reason as it appeared to him that his passport would be confiscated upon his return. Subject also forwarded to the American Embassy an affidavit for support of his wife.

On March 27, 1962, Mrs. FRANCES VAN COTT, Office of Special Consular Services, USDS, advised that subject had filed an application for a repatriation loan at the American Embassy in Moscow on February 24, 1962. Subject indicated his desire to return to the United States with his alien wife and a one-month old child. Subject had $200.00 of his own money. The USDS approved a loan about March 1, 1962, for subject in the amount of $500 for minimum accommodations. Mrs. VAN COTT also advised that subject's wife, MARINA NIKOLAEVNA PRUSKOVA, was having difficulty obtaining an American visa.

On March 29, 1962, WILLIAM ABBOTT, Office of Security, USDS, advised his files reflected information to the effect that Staff Sergeant JOHN EDWARD PIC, AF 11313239, had on February 12 and 16, 1962, reported receipt of a letter from his half-brother, ROBERT L. OSWALD, 7313 Davenport, Fort Worth, Texas, concerning subject of this case. Sergeant PIC reported subject was expected to return to the United States in the Spring of 1962 and subject would be traveling with his Russian wife who had recently acquired a visa to enter the United States. Sergeant PIC stated he was unable to determine from ROBERT OSWALD's letter whether the purpose of subject's travel to the United States was to re-establish a permanent residence or to visit on a temporary basis. Sergeant PIC advised that he, PIC, is scheduled to return to the United States in July of 1962 but he does not know the location of his next assignment. Sergeant PIC also advised that subject might possibly visit him at his next duty station and that if this occurred, Sgt. PIC would notify his superiors at his station concerning the visit. Sergeant PIC also advised that his cousin, MARILYN MURRETT, U. S. citizen, formerly employed in Japan as a school teacher in 1959, has since departed Japan. Sergeant PIC did not know the current address of MURRETT, or whether she had been corresponding with the subject.

DL 100-10461

A review conducted on June 5, 1962, of the files of the Special Consular Services, USDS, revealed that by a telegram dated March 7, 1962, the USDS had authorized the American Embassy in Moscow to furnish a repatriation loan to subject to cover the cost of his passage to New York only.

On May 4, 1962, R. McC. TOMPKINS, Brigadier General, U. S. Marine Corps, advised that subject wrote the following letter dated March 22, 1962:

A review on May 5, 1962, of the files of the Security Office, USDS, revealed that the Office of Security had advised the Director of Naval Intelligence, Department of the Navy, Washington, D. C., that subject had not ex-patriated himself under the pertinent laws of the United States.

On May 18, 1962, Mrs. ROBERT L. OSWALD, subject's sister-in-law, 7313 Davenport, Fort Worth, advised she had received a postal card from subject on about May 15, 1962, which had been dated April 10, 1962. On this card, subject stated he had nothing to report concerning his move to the United States; that they were waiting for the Embassy to finish its paper work which had been "very slow". Mrs. OSWALD stated she did not know

when subject and his family would arrive in Fort Worth. She stated that subject had first set the date for his arrival as May, 1962, but that he had changed it to June, 1962. Mrs. OSWALD advised that her husband had written to subject and invited him to come to Fort Worth. Subject replied to this invitation that he did not know where they would be going. Mrs. OSWALD stated that she got the impression from subject's letters and cards that subject desired to return permanently to the United States. Mrs. OSWALD promised to advise the local FBI office immediately upon subject's arrival at Fort Worth.

On June 4, 1962, Mrs. FRANCES VAN COTT, Office of Special Consular Services, USDS, advised that by a telegram dated May 31, 1962, the U. S. Embassy in Moscow had informed the Department of State that subject, his wife and child planned to depart Moscow, Russia, on June 1, 1962, for Rotterdam, Holland, where they would board "Maasdam" on June 4, 1962. The SS "Maasdam" was scheduled to arrive in New York, New York, June 6, 1962. The Department of State had notified subject's mother by letter relative to this schedule.

In the "Fort Worth Star Telegram," evening edition, a daily newspaper, Fort Worth, Texas, on June 8, 1962, there appeared a photograph of subject and a headline, "Ex-Marine Reported on Way Back from Russia." This article stated that subject, a former U. S. Marine, who denounced his American citizenship to become a Russian, was reported June 8, 1962, to be en route home. This article went on to state that subject had turned in his American passport October 31, 1959, at the Embassy in Moscow, saying he would "never return to the United States for any reason." This article further quoted subject as having later told American newspaper men that leaving the United States "was like getting out of prison." This article also contained the following information: It quoted subject's sister-in-law, Mrs. R. L. OSWALD, 7313 Davenport, as saying her husband had received frequent letters from his brother indicating he was anxious to return to this country. She said she and members of the family had not learned that subject was en route home. This article stated that subject's mother, Mrs. MARGUERITE OSWALD, could not be reached for comment.

This article also stated that subject's appearance at the American Embassy in Moscow came as a shock to his mother and brother; that he had left Fort Worth following his discharge from the Marines, telling his family he was going to New Orleans in search of a job.

In the "Fort Worth Press," a daily newspaper, Fort Worth, Texas, issue of June 8, 1962, carried a front-page story to the effect that subject, a former Fort Worth Marine, who once vowed he would "never return to the United States for any reason," was on his way home from Russia.

This article stated further that United Press International had reported on June 8, 1962, that subject, along with his Russian wife and child had left the Soviet Union within the past ten days and was en route to the United States.

This article further stated that subject's brother, R. L. OSWALD, 7313 Davenport, Fort Worth, told the press that he and his mother, Mrs. MARGUERITE OSWALD, have been hearing from subject regularly. R. L. OSWALD was quoted as saying that subject had wanted to come back for sometime but that he had not heard that subject had left Russia.

This article further stated that subject had arrived in Moscow in November, 1959, two months after his release from active duty in the Marine Corps; that subject had been refused Soviet citizenship at the time but that he was allowed to live in Russia as a "resident alien." Subject was reported to have been a student while in the Soviet Union, possibly at Minsk.

This article went on to say that subject was never granted Soviet citizenship and that he is believed to have retained his American citizenship. This article stated that several days after subject arrived in Moscow in 1959, his mother called him long distance and at that time subject refused to talk to her. She did not hear from him again until a letter came January 6, 1960. According to this article, when subject first went to Russia he told newsmen he was a worker and wanted to live in a workers country.

This article further quoted that subject said "I would not want to live in the United States and be either a worker exploited by capitalists or a capitalist exploiting workers or become unemployed." This article also quoted subject as having said "I could not be happy living under capitalism."

This article went on to quote subject as saying that his own personal experiences in civil and military life had shown him the correctness of communist theories.

This article also quoted subject as having said he began studying communism when his family was living in New Orleans, Louisiana; that he had discovered a book in the library titled "Das Kapital," by KARL MARX. This article also quoted subject as having stated that he had joined the Marine corps at age 17 because

he felt he could not get a job and because he wanted to relieve the financial burden of the family. This article also quoted subject as having said that when he left America it was like "getting out of prison." This article concluded by saying that when subject had visited his family shortly after his release from the Marine Corps he had talked optimistically about the future and that some of his plans had included going to college, writing a book or joining CASTRO's Cuban Army.

On June 22, 1962, ALISTAR McDONALD, Assistant Manager, Cabin-Tourist Department, Holland-America Line, 29 Broadway, New York, New York, advised that the records of Holland-America Line reflect that subject, his wife and child arrived in the United States on June 13, 1962, aboard the SS Maasdam at Hoboken, New Jersey. Subject, his wife and child traveled tourist class and were destined to 7313 Davenport, Fort Worth, Texas.

On June 22, 1962, the records of Immigration and Naturalization Service (I&NS), 20 West Broadway, New York, New York, revealed that subject, his wife and child, I&NS file No. A12386726, arrived in the United States aboard the SS Maasdam on June 13, 1962. This file reflected that subject had U. S. Passport No. 1733242, that his daughter, JUNE, born February 15, 1962, at Minsk, USSR, had the same passport and that subject's wife, MARINA NIKOLAEVNA OSWALD, had Russian Passport KY 37790. Subject was admitted as a U. S. citizen with a renewed U. S. Passport. MARINA NIKOLAEVNA OSWALD was admitted with an M-1 Immigrant Visa as the spouse of a U. S. citizen. This M-1 Immigrant Visa was issued at Moscow on May 24, 1962.

On June 22, 1962, FREDERICK J. WIEDERSHEIM, Inspector, I&NS, advised he had interviewed subject upon the latter's arrival in the United States and that subject had said that he was employed as a mechanic in Russia; that he had threatened to renounce his U. S. citizenship but never carried through with the threat, never voted in Russia and held no position in the Russian Government.

On June 26, 1962, Mrs. ROBERT L. OSWALD, sister-in-law to subject, 7313 Davenport, Fort Worth, stated the subject, his wife and child had arrived in Fort Worth on June 14, 1962, and that they were currently residing at 7313 Davenport, Fort Worth. Mrs. OSWALD stated she had not notified the local FBI office of subject's arrival in Fort Worth for the reason that the family had been harrassed by newspaper reporters and that for that reason subject did not desire to leave his residence.

FD-302 (Rev. 1-25-60) FEDERAL BUREAU OF INVESTIGATION

Date 7/6/62

LEE HARVEY OSWALD currently resides at 7313 Davenport, Fort Worth, Texas, with his wife, MARINA and daughter JUNE LEE OSWALD. OSWALD is unemployed but is seeking work at Fort Worth.

OSWALD and his family arrived in Fort Worth on June 14, 1962. He stated they left Holland June 4, 1962, by the SS Maasdam, and arrived in New York City June 13, 1962, and flew to Love Field, Dallas, Texas, where they arrived on June 14, 1962.

OSWALD stated that he borrowed approximately $435.00 from the American Embassy with which to make the trip to the United States. OSWALD declined to answer the question as to why he made the trip to Russia in the first place. In a show of temper he stated he did not care to "relive the past."

During most of the interview, OSWALD exhibited an impatient and arrogant attitude. OSWALD finally stated that Soviet officials had asked him upon his arrival why he had come to Russia. OSWALD stated that he told them, "I came because I wanted to." OSWALD added that he went to Russia to "see the country."

OSWALD advised that newspaper reports which have appeared in the public press from time to time are highly exaggerated and untrue. He stated that the newspaper reports had pictured him as out of sympathy with the United States and had made him look attractive to the Russians. OSWALD stated that by reason of such newspaper reports he had received better treatment by the Soviets than he otherwise would have received.

OSWALD stated that upon his arrival in Russia in October, 1959, he was sent immediately to Minsk, Russia, where he was given a job as a metal worker in a television factory. He stated that he spent his time reading blueprints and translating blueprint instructions into the finished product. the U. S. Marine Corps in California he had studied and mastered the Russian language by self instruction.

OSWALD denied that he has ever been a member of the Communist Party in the United States. He denied that he went to Russia because of his lack of sympathy for the institutions of the United States or because of an admiration for the Russian system. He admitted that he had read books by KARL MARX while a resident of New Orleans, Louisiana, but he stated that he was merely interested in the economic theories.

OSWALD declined to explain what he meant when he wrote his mother while en route to Russia that his "values" and those of his mother and brother were different.

OSWALD stated he does not know where his birth certificate is and he denied that he took same to Russia with him.

OSWALD denied that he had renounced his United States citizenship and stated that he did not seek Soviet citizenship while in Russia. OSWALD stated that he was never approached by the Soviet officials in an attempt to pull information from him concerning his experiences while a member of the U. S. Marine Corps. OSWALD also stated that he was not recruited at any time while in Russia by the Soviet Intelligence. He stated that he made no deal with the Soviets in order to obtain permission to return to the United States. He stated that the Soviets made it very difficult for him to obtain permission for his wife to leave Russia, and that the process of obtaining permission for her to leave was a long, difficult course requiring much paper work. He stated that no attempt was made by the Soviets at any time to "brainwash" him. OSWALD stated that he never at any time gave the Soviets any information which would be used in a detrimental way against the United States. He stated that the Soviets never sought any such information from him. OSWALD denied that he at any time while in Russia had offered to reveal to the Soviets any information he had acquired as a radar operator in the U. S. Marines.

OSWALD stated that his wife's passport, a Russian passport, No. KY37790, requires that she give notice to the Soviet Embassy in the United States as to her address while in the United States. OSWALD stated that the passport also requires her to make reports as to her whereabouts periodically. OSWALD stated that he plans to contact the Soviet Embassy in Washington, D. C., within a few days for the purpose of notifying the Soviet Embassy of his wife's current address.

OSWALD stated that in the event he is contacted by Soviet Intelligence under suspicious circumstances or otherwise, he will promptly communicate with the FBI. He stated that he holds no brief for the Russians or the Russian system.

OSWALD stated that his wife, MARINA, speaks no English whatsoever. By occupation she is a pharmacist. He advised that they were married April 30, 1961, at Minsk, Russia. He advised that she resided with an uncle and an aunt at Minsk, Russia. He advised that she has a half-brother and two half-sisters in Leningrad, Russia; however, OSWALD declined to furnish the names of any of his wife's relatives, stating that he feared that some harm might come to them in the event he revealed their names.

Rerep SA JOHN W. FAIN, 7/10/62, Dallas, in the case entitled "LEE HARVEY OSWALD, IS-R", and prior communications in that matter. The subject in the captioned case is OSWALD's wife, married to him in the Soviet Union, and, along with their infant daughter, brought by him to the United States upon his return to this country.

A file has been opened in the Dallas Field Division on subject under the SOBIR program. The files of INS, Dallas, have been checked. These revealed no information not already known and reported in referenced report on subject's husband.

The case on LEE HARVEY OSWALD is in pending status and he is to be reinterviewed. It is not believed any active investigation of his wife or interview of her under the SOBIR program is logical or advisable at this time. It is felt her activities can be sufficiently followed at this time in connection with the case on her husband. It is noted there are no subversive references on any member of the husband's family, and, under present circumstances she will be closely and intimately associated with them. According to INS records she is proficient presently only in the Russian language.

In view of the foregoing, the case on subject will be maintained in a pending inactive status in the Dallas Field Division for a period of six months, UACB. At the expiration of that time, it will be reopened and considered for further warranted or advisable action.

DL 100-10461

At Fort Worth, Texas

On August 14, 1962, ROBERT L. OSWALD, 7313 Davenport Street, advised his brother, LEE HARVEY OSWALD, and family had moved to an apartment on Mercedes Street, house number unknown to ROBERT; however, he volunteered this particular street is only about two blocks in length, and his brother could easily be located. MR. OSWALD also advised his brother, LEE, had recently gone to work as a machinist for a company located in White Settlement Village, but MR. OSWALD stated he did not have the name or address of this concern.

Inquiries conducted in the vicinity of the 2700 block of Mercedes Street on August 15, 1962, revealed LEE HARVEY OSWALD was residing at 2703 Mercedes Street, Fort Worth.

Date August 23, 1962

LEE HARVEY OSWALD, reinterviewed near his residence, 2703 Mercedes Street, Fort Worth, Texas, stated he has resided at this address since about the middle of July, 1962 with his wife, MARINA, and daughter, JUNE LEE OSWALD. He stated he has been employed as machinist for LESLIE'S MACHINE SHOP, 200-E North Vacek (White Settlement Village), Fort Worth, since about July 15, 1962.

OSWALD stated contact had been made by letter with the Soviet Embassy in Washington, D.C., to advise the Embassy of his wife's current address, saying this is something that is required by Soviet law. He stated she would continue to make reports periodically to the Soviet Embassy in instances where they moved to another address.

OSWALD advised the matter of his having been given an undesirable discharge on August 17, 1960, from the U. S. Marine Corps Reserve by reason of unfitness has not been reviewed, and, he did not know when the matter would be heard.

OSWALD volunteered he had never enjoyed his service in the U. S. Marine Corps. He also stated he had not enjoyed his trip to the Soviet Union any more than he had enjoyed his service in the U. S. Marine Corps.

OSWALD stated positively no individual had made any contact with him since his arrival in Fort Worth in the interest of the Soviet Union.

OSWALD denied he had on October 31, 1959, or any other time, requested his U. S. citizenship be revoked. He denied he ever took any steps to apply for Soviet citizenship. He advised he never at any time affirmed allegiance to the Soviet Union, or indicated a willingness to do so.

OSWALD advised when he first arrived in the Soviet Union, and also when he started to leave, he was interviewed by representatives of the MVD, which he characterized as being the secret police, who, for the most part handle criminal matters among the population generally. He stated their operation is widespread. He denied he ever made any "deals" with the MVD, and stated he was never asked to undertake anything or do anything for them.

On 8/16/62 at Fort Worth, Texas File # DL 100-10461

by SAs ARNOLD J. BROWN and JOHN W. FAIN (HM) Date dictated 8/22/62

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

He advised no representative of the Soviet Union, the MVD, or any intelligence agent of the Soviet Union ever attempted to recruit him in any way. He stated no one in the Soviet Union ever attempted to elicit any secret information concerning the United States or its defense from him.

OSWALD denied he ever told the Soviets at any time he would make available to them information concerning his U. S. Marine Corps speciality.

OSWALD advised in about May 19, 1961, he became fearful some reprisals might be taken against him for having made the trip to the Soviet Union. He stated he then inquired of the American Embassy in Moscow, Russia, as to the possible legal complications. He stated the Embassy assured him they were aware of no evidence which would warrant prosecution against him, should he return to the United States. In this connection, OSWALD stated the American Embassy tried to persuade him to return to the United States alone, and without his wife, MARINA. He told the Embassy he could not do that.

The Embassy reportedly pointed out to OSWALD it would be a difficult matter to obtain a passport for OSWALD's wife, who was a Russian. The Embassy tried to influence him to come back alone, find a job, get established, and later send for his wife. OSWALD stated he refused to follow this course. He told the American Embassy he feared he would never see his wife again if he left her in Russia. OSWALD stated he finally furnished a "document of support" in the interest of his wife and the passport was eventually granted. OSWALD stated he was his wife's sponsor, and only sponsor.

OSWALD stated he has had no contact with his half brother, JOHN EDWARD PIC, a Staff Sergeant, in the USAF, and, so far as he knows, PIC is still stationed in Japan.

OSWALD stated he might have to return to the Soviet Union in about five years in order to take his wife back home to see her relatives. He stated no definite plans have been formulated to this end.

OSWALD still declined to answer questions as to why he went to the Soviet Union in the first instance. He stated he considers it "nobody's business" why he wanted to go the Soviet Union. OSWALD finally stated he went over to Russia for his "own personal reasons." He said it was a "personal matter" to him. He said "I went, and I came back!" He also said "It was something that I did."

DL 100-10461

3

OSWALD was asked to explain a statement which he was quoted in the press as having made to his mother in a letter to the effect his and his mother's (and brother's) values had been different. OSWALD stated he had written something to that effect as he prepared to leave for Russia or while on the way. OSWALD admitted he might have referred to a difference in political ideologies, however, he declined to go into further detail.

In this connection, OSWALD criticized the newspaper reports which were issued concerning his trip to Russia. He stated most of the newspaper stories were "only about ten per correct."

OSWALD stated he did not take his birth certificate to Russia. He thinks it is packed in a trunk at his mother's home.

OSWALD declined to furnish the names of his wife's relatives because they are on file in the American Embassy in Moscow, Russia, and he thinks it "safer for their welfare to let the names remain on file there."

During the entire interview, OSWALD appeared to downgrade the possibility the Soviet intelligence service might at any time attempt to use him or obtain any information through him. He agreed to contact the FBI if at any time any individual made any contact of any nature under suspicious circumstances with him. OSWALD stated his employer has no government contracts, and is not engaged in any kind of sensitive industry or manufacturing. He stated he could see no reason why the Soviets would desire to contact him; however, he promised his cooperation in reporting to FBI any information coming to his attention.

6

On August 17, 1962, Dallas Confidential Informants T-1 and T-2, who are familiar with some Communist Party (CP) activities at Fort Worth, Texas, advised neither LEE HARVEY OSWALD nor MARINA OSWALD are members of the Communist Party at Fort Worth, and neither name has been mentioned in connection with CP membership or CP activities at Fort Worth.

ReDLlet 3/25/63 setting forth lead to determine present employment of subject after which a determination would be made relative to interview of Marina Oswald, subject's wife, in connection with the SOBLE program.

FBI Identification Record Number 327 925 D dated 8/14/63 reveals Lee Harvey Oswald was arrested by the New Orleans, Louisiana, Police Department on 8/9/63 for disturbing the peace by creating a scene.

"The Times Picayune," New Orleans, Louisiana, carried an article on page three, section one in their 8/13/63 edition captioned "Pamphlet Case Sentence Given" indicating that Lee Oswald, aged 23, of 4907 Magazine, was sentenced to pay a fine of $10 or serve ten days in jail on a charge of disturbing the peace by creating a scene. It was indicated that Oswald was arrested by First District Police in the 700 block of Canal while distributing pamphlets asking for a "fair play for Cuba." Police reportedly were called to the scene when three Cubans reportedly sought to stop Oswald from distributing the above pamphlets.

Dallas is instructed to promptly advise status of investigation as set forth in relet.

New Orleans ascertain facts concerning subject's distribution of above-mentioned pamphlet including nature of pamphlet following which contact should be made with established sources familiar with Cuban activities in the New Orleans area to determine whether subject involved in activities inimical to the internal security of the U. S. Submit results in letterhead memorandum form suitable for dissemination with appropriate recommendation as to further action.

Letter to SAC, New Orleans
Re: LEE HARVEY OSWALD

For the information of New Orleans, previous investigation by the Dallas Office reveals subject attempted to defect to Russia in October, 1959, at which time he was a member of the U. S. Marine Corps Reserve. He was given an undesirable discharge from this service 8/17/60. Subject was born 10/18/39, New Orleans, Louisiana, his father, Edward Lee Oswald, having died before his birth. Subject moved with his mother to Fort Worth, Texas, from New Orleans, Louisiana, in 1945. Subject originally enlisted in U. S. Marine Corps 10/24/56 and received an honorable discharge on 9/11/59 re-enlisting as a private in the U. S. Marine Corps Reserve on the same date. Subject's mother subsequently received a letter from New Orleans indicating subject had booked passage on a ship to Europe and he later renounced U. S. citizenship and sought to become a citizen of Russia. At this time subject advised U. S. Embassy in Moscow that "I am a Marxist." Subject was unsuccessful in his attempt to obtain Russian citizenship later returning to the U. S. Subject during interview with Bureau Agents at Forth Worth, Texas, 8/16/62 declined to explain why he went to the Soviet Union stating he considers it "nobody's business."

It is noted subject has also been described as an individual who drinks to excess and beats his wife. Subject and wife were last known to have been separated.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contained a full-page advertisement captioned "What Is Really Happening in Cuba," placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself and ROBERT TABER as organizers of the FPCC. He also testified he and TABER obtained funds from the Cuban Government which were applied toward the cost of the afore-mentioned advertisement.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. However, during the past year this source observed there has been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that today their influence is negligible.

On May 20, 1963, a second source advised that the National Headquarters of the FPCC is located in Room 329 at 799 Broadway, New York City. According to this source, the position of National Office Director was created in the Fall of 1962 and was filled by VINCENT "Ted" LEE, who now formulates FPCC policy. This source observed LEE has followed a course of entertaining and accepting the cooperation of many other organizations including the CP and the SWP when he has felt it would be to his personal benefit as well as the FPCC's. However, LEE has indicated to this source he has no intention of permitting FPCC policy to be determined by any other organization. LEE feels the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and support the right of Cubans to manage their revolution without interference from other nations, but not support the Cuban revolution per se.

The CP and the SWP have been designated pursuant to Executive Order 10450.

On August 9, 1963, Lt. William Gaillot, First District, New Orleans, Louisiana Police Department, advised that the following persons had been arrested on Canal Street between Baronne and Carondelet Streets on that date and charged with disturbing the peace: Lee H. Oswald, Carlos Jose Bringuier, Celfo Macario Hernandez and Miguel Mariano.

Lt. Gaillot said that Oswald, who claimed to be a member of the "Fair Play For Cuba Committee", was passing out literature and became involved in an argument with three Cuban refugees, namely Bringuier, Hernandez and Mariano, who were affiliated with the Cuban Student Directorate. The following material was being disseminated by Oswald: a yellow leaflet captioned, "Hands Off Cuba", an application to join the "Fair Play For Cuba Committee" and a pamphlet entitled, "The Crime Against Cuba" by Corliss Lamont.

The records of the New Orleans Police Department under Arrest Number 112-723 were examined on August 27, 1963. These records showed that Oswald was arrested on August 9, 1963, by Lt. William Gaillot and Patrolmen F. Hayward and F. Wilson of the First District. He was charged with "disturbing the peace by creating a scene". The records showed that Oswald claimed to be a member of the "Fair Play For Cuba Committee" and was passing out circulars in the 700 block of Canal Street and became involved in an argument with three Cuban immigrants.

Joseph Lesslie, Office of the Clerk of Court, Municipal Court, 501 North Rampart Street, advised on August 28, 1963, that Oswald appeared before Second Municipal Court Judge Edwin A. Babylon on August 12, 1963, and entered a plea of guilty to the charge of disturbing the peace by creating a scene and was sentenced to pay a fine of $10.00 or serve ten days in jail. Oswald elected to pay the fine. Mr. Lesslie advised that the three persons arrested with Oswald were discharged.

LEE HARVEY OSWALD

Confidential Informant NO T-1 who is familiar with Cuban activities in the New Orleans area advised on September 9, 1963, that Oswald was unknown to the informant.

Frank Bartes, 1608 Mason Smith Avenue, New Orleans, Louisiana, who is a delegate to the Cuban Revolutionary Council in New Orleans, advised on September 10, 1963, that Oswald was unknown to him.

CORLISS LAMONT

On September 28, 1953, Louis F. Budenz testified before the United States Senate Permanent Investigations Subcommittee that Earl Browder, as head of the Communist Party (CP) in the United States, had referred to Corliss Lamont as one of the "four prides" of the CP because Corliss Lamont was ready to cooperate with any Communist front or any Communist cause. Browder made this reference at a National Committee meeting of the CP in the early 1940's. Budenz also recalled that Lamont was a member of the CP when he, Budenz, was a member.

"Rights", self-identified as a publication of the Emergency Civil Liberties Committee (ECLC) April - May, 1962 issue, reveals Corliss Lamont is Vice-Chairman of the ECLC.

APPENDIX

EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. * * * The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

EMERGENCY CIVIL LIBERTIES COMMITTEE (CONT'D)

'Disputing the non-Communist claim of the organization, the committee finds that a number of other individuals connected with the ECLC also have been identified under oath as Communists.
* * *
(Committee on Un-American Activities, Annual Report for 1958, House Report 187, March 9, 1959, pp. 34 and 35.)

'To defend the cases of Communist Law-breakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Confidential Informant NO T-6 advised on August 9, 1963, that at about 1:15 pm. that date the informant observed an unknown individual handing out leaflets on Canal Street. Some of these leaflets were white in color and others were yellow in color. The informant was unable to obtain a leaflet but advised that the yellow leaflet contained in large printing "Hands Off Cuba, Viva CASTRO". The informant advised that this individual was passing out these leaflets on the uptown side of Canal Street between Baronne and Carondelet Streets. She described this individual as white male, age 25 to 30, 5'10", 140 pounds, slender build, light complexion, sandy hair, wearing an off white or light gray shirt and medium colored trousers.

On August 9, 1963, Lt. WILLIAM GAILLOT, First District, New Orleans Police Department, advised that the following persons had been arrested on Canal Street on that date and charged with disturbing the peace:

1. LEE H. OSWALD, white male, age 23, born October 18, 1939, New Orleans, residence 4709 Magazine, New Orleans, lower center apartment. OSWALD informed arresting officer that he is a member of the New Orleans Chapter of the Fair Play For Cuba Committee with headquarters at 799 Broadway, New York City. Lt. 4. MIGUEL MARIANO CRUZ, white male age 18, 2526 Mazant, Apartment C, who advised he is also a member of the Cuban Student Directorate.

According to Lt. GAILLOT, all four individuals were arrested for disturbing the peace when OSWALD became involved in an argument with BRINGUIER, HERNANDEZ and CRUZ and that a crowd developed. Lt. GAILLOT informed that he had no further information at this time.

Lt. FRANCIS MARTELLO, First District, New Orleans Police Department, advised on August 10, 1963, that LEE HARVEY OSWALD had been arrested on August 9, 1963, and charged with disturbing the peace. He said that OSWALD had been distributing literature for the Fair Play For Cuba Committee in the 700 block of Canal Street and was desirous of seeing an Agent of the FBI.

FD-302 (Rev. 1-25-60)

FEDERAL BUREAU OF INVESTIGATION

Date 8/15/63

LEE HARVEY OSWALD was interviewed at the First District Station, New Orleans Police Department, at his request. OSWALD said that he had been picked up on August 9, 1963, by the New Orleans Police Department and was charged with disturbing the peace in the 700 block of Canal Street during the time he was distributing "Fair Play For Cuba Committee" literature.

OSWALD stated that he was unemployed at the present time, his last employment being terminated July 17, 1963, as a mechanic with the William B. Riley Company, 640 Magazine Street. He said he was born October 18, 1939, at New Orleans, Louisiana. He had attended Warren Easton High School in New Orleans until 1956 at which time he joined the United States Marine Corps. He had only completed two years of high school at this time. From 1956 through 1959, he was a member of the Marine Corps at which time he received an honorable discharge. Following his discharge he moved to Fort Worth, Texas, where he lived with his mother, MARGUERITE OSWALD. He could not recall her address in Fort Worth, but remarked that she was living now in Arlington, Texas, and was a practical nurse by profession.

About four months ago he and his wife, MARINA OSWALD nee Prossa, whom he met and married in Fort Worth, moved to New Orleans.

After coming to New Orleans he said he began reading various pieces of literature distributed by the "Fair Play For Cuba Committee," and it was his understanding from reading this material that the main goal and theme of the committee is to prevent the United States from invading or attacking Cuba or interfering in the political affairs of that country. Further, that the people of this country should be given an opportunity to go visit Cuba, and in this way they could make up their own minds as to what the internal conditions of Cuba are like at the present time. He says he does not consider the "Fair Play For Cuba Committee" to be communist or a communistic-controlled group. OSWALD said that inquiry in New Orleans developed the fact that there

apparently was a chapter of the "Fair Play For Cuba Committee" in New Orleans, but he did not know any of the members or where their offices were located. He said he sent a letter to the headquarters of the "Fair Play For Cuba Committee," 799 Broadway, New York City, together with $5.00 and told them he wished to join this committee. During the latter part of May of this year he received a membership card in this organization which bore a date of May 28, 1963, and was made out in the name of LEE H. OSWALD and was signed by V. L. LEE. He described this card as being gray in color and signifying membership in the national organization. A short time thereafter he said he received in the mail a white card which showed that he was made a member of the New Orleans Chapter of the Fair Play For Cuba Committee. This card was dated June 6, 1963. It was signed by A. J. Hidell, and it bore in the lower right hand corner the number 33 which he said indicated membership number. OSWALD had in his possession both cards and exhibited both of them.

Since becoming a member of the national committee, OSWALD said that he has been receiving the monthly circular of the committee which is about seven pages in length. He claimed that he could not recall the name of this publication.

Since receiving his membership card in the New Orleans chapter of the committee he said that he had spoken with HIDELL on the telephone on several occasions. On these occasions, HIDELL would discuss general matters of mutual interest in connection with committee business, and on other occasions he would inform him of a scheduled meeting. He said he has never personally met HIDELL, and he knows HIDELL did have a telephone, but it has now been discontinued. He claimed that he could not recall what the number was.

OSWALD said that the committee did not have any offices in New Orleans, and whenever meetings were held they were held in residences of various members. He maintained that he had attended only two meetings of this committee, and at each of the meetings there were about five different individuals. At each of these meetings the persons present were different. He did not know the last names of any of these individuals and claimed he was only introduced to them by first names. He maintained that he could not recall any of the first names. From what he understands there are no regularly scheduled times for meetings, and the only way he knows about them is when somebody gives him a call and tells him there will be a meeting. At these meetings he said the general conversation

deals with Cuba and the latest news on the internal affairs of Cuba. OSWALD admitted that on one occasion he held a committee meeting at his home, but he declined to elaborate on how he got word to the various members that it would be held.

Last Wednesday, August 7, 1963, OSWALD said he received a note through the mail from HIDELL. The note asked him if he had time would he mind distributing some Fair Play literature in the downtown area of New Orleans. He said HIDELL knew that he was not working and probably had time. HIDELL also knew that he had considerable literature on the committee which had been furnished to him by the national committee in New York. Since he did not have anything to do, OSWALD said he decided he would go down to Canal Street and distribute some literature. He denied that he was being paid for his services, but that he was doing it as a patriotic duty.

About one p.m. on August 9, 1963, OSWALD said that he went down on Canal Street by himself and started distributing committee literature. He said he had made up a placard which he hung around his neck with a piece of string. The placard was made up of brown cardboard. On the placard were several pieces of literature which expressed the aims and purposes of the committee. At the bottom of the cardboard placard he said he had printed in black capital letters the words "Viva FIDEL." From this time until around four p.m. he said he distributed a throwaway which was prepared on yellow paper, 6" x 9" in size, which contained the following: "Hands Off Cuba! Join The Fair Play For Cuba Committee, New Orleans, Charter Member Branch, Free Literature, Lectures, Location: A. J. HIDELL, P. O. Box 30016, New Orleans, Louisiana, Everybody Welcome!" In addition, OSWALD said he had on his person membership applications which he would pass out to anyone he thought desired one. This membership application was prepared on a white piece of paper 3½" wide by 8½" in length, and it contained the following information:

"To: The Fair Play for Cuba Committee
New Orleans, La.

A. J. HIDELL
P. O. Box 30016
New Orleans, La.

____I wish to join the Committee, Enclosed is my Initiation Fee of $1.00 and dues are $1.00 a month.

____I cannot participate as an active member of the Committee, but wish to become a subscriber to mailings. Enclosed find $5.00 for one year.

____I would like to have a more active part in supporting the cause of FPCC. Enclosed is my contribution for ...____

Name_____

Address_____

City_____Zone____State_____"

OSWALD stated in addition to this he had on his person several copies of a thirty-nine page pamphlet entitled "The Crime Against Cuba" by CORLISS LAMONT, which he carried with him as it contained all of the information regarding the committee, and he would be in a position to refer to it for proper answers in the event someone questioned him regarding the aims and purposes of the committee.

OSWALD had in his possession at the time of interview a copy of the above three described documents and made available a copy of each to the Agent.

Around 4 p.m. while standing in the immediate vicinity of Walgreen's Drug Store at Canal and Baronne Streets, OSWALD said three Cubans approached him, and he gave each one of the above-described throwaways. These individuals became very angry, tore up the throwaways, threw them down on the sidewalk and began arguing with him. This created quite a disturbance and shortly thereafter the police arrived, and he, as well as the other individuals whom he understood to be Cuban exiles, was arrested.

OSWALD said it was his understanding that around one p.m. on August 12, 1963, he was to be taken into City Court, New Orleans, and charged with disturbing the peace.

For further identification OSWALD exhibited a U. S. Marine Corps, Inactive Reserve, IV-5 Identification Card, which showed that LEE HARVEY OSWALD, USM Serial No. 1653230, had served on active duty from period of October 24, 1956, to September 11, 1959. This ID card had been signed by Lt. A. G. Ayers, USMCR.

From observation and questioning, OSWALD is described as follows:

Race	White

Date of birth	October 18, 1939
Place of birth	New Orleans, Louisiana (at time of arrest claimed from Cuba)

The records of the New Orleans Police Department under Arrest Number 112-723 were examined on August 27, 1963. These records showed that OSWALD was arrested on August 9, 1963, by Lt. WILLIAM GAILLOT and Patrolmen F. HAYWARD and F. WILSON of the First District. He was charged with "disturbing the peace by creating a scene". The records showed that OSWALD claimed to be a member of the "Fair Play For Cuba Committee" and was passing out circulars in the 700 block of Canal Street and became involved in an argument with three Cuban immigrants.

JOSEPH LESSLIE, Office of the Clerk of Court, Municipal Court, 501 North Rampart Street, advised on August 28, 1963, that OSWALD appeared before Second Municipal Court Judge EDWIN A. BABYLON on August 12, 1963, and entered a plea of guilty to the charge of disturbing the peace by creating a scene and was sentenced to pay a fine of $10.00 or serve ten days in jail. OSWALD elected to pay the fine. Mr. LESSLIE advised that the three persons arrested with OSWALD were discharged.

Mrs. JEANNE RODGERS, Secretary to the Manager, Radio Station WDSU, 520 Royal, New Orleans, Louisiana, made available on August 22, 1963, a transcript of the radio broadcast of a program called "Conversation Carte Blanche" which was broadcast from Radio Station WDSU on August 21, 1963. This transcript revealed that on August 21, 1963, LEE HARVEY OSWALD appeared on the above-mentioned program along with EDWARD SCANNELL BUTLER, Staff Director of The Information Council of the Americas which organization specializes in the distribution of anti-Communist educational material to Latin American countries. During the program OSWALD stated that the Fair Play For Cuba Committee is not Communist-controled and that he, OSWALD, is a Marxist.

On August 30, 1963, BILL STUCKEY, Ross Agency, 525 Gravier Street, New Orleans, Louisiana, advised that he had a conversation with OSWALD after the carte-blanche broadcast at which time the subject said that he had met his wife in Russia and had married her there. He claimed that she was the daughter of a Russian Army Colonel. OSWALD claimed that he had worked in a factory in Russia earning eighty rubles per month. OSWALD stated that the

Russians had "gone soft" on Communism and that Cuba is the only real revolutionary country in the world today.

A Confidential Informant NO T-7, who is familiar with Cuban activities in the New Orleans area, advised on September 9, 1963, that OSWALD was unknown to informant.

FRANK BARTES, 1608 Mason-Smith Avenue, New Orleans, Louisiana, who is a delegate to the Cuban Revolutionary Council in New Orleans, advised on September 10, 1963, that OSWALD was unknown to him.

A Confidential Informant NO T-8, who is acquainted with some phases of Communist Party activity in the New Orleans area, advised on October 1, 1963, that OSWALD was unknown to the informant.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contained a full-page advertisement captioned "What Is Really Happening In Cuba," placed by the Fair Play For Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself and ROBERT TABER as organizers of the FPCC. He also testified he and TABER obtained funds from the Cuban Government which were applied toward the cost of the aforementioned advertisement.

"On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. However, during the past year this source observed there has been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that today their influence is negligible.

On May 20, 1963, a second source advised that the National Headquarters of the FPCC is located in Room 329 at 799 Broadway, New York City. According to this source, the position of National Office Director was created in the fall of 1962 and was filled by VINCENT "TED" LEE, who now formulates FPCC policy. This source observed LEE has followed a course of entertaining and accepting the cooperation of many other organizations including the CP and the SWP when he has felt it would be to his personal benefit as well as the FPCC's. How-

ever, LEE has indicated to this source he has no intention of permitting FPCC policy to be determined by any other organization. LEE feels the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and support the right of Cubans to manage their revolution without interference from other nations, but not support the Cuban revolution per se.

The CP and the SWP have been designated pursuant to Executive Order 10450.

CORLISS LAMONT

On September 28, 1963, LOUIS F. BUDENZ testified before the United States Senate Permanent Investigations Subcommittee that EARL BROWDER, as head of the Communist Party (CP) in the United States, had referred to CORLISS LAMONT as one of the "four prides" of the CP because CORLISS LAMONT was ready to cooperate with any Communist front or any Communist cause. BROWDER made this reference at a National Committee meeting of the CP in the early 1940's. BUDENZ also recalled that LAMONT was a member of the CP when he, BUDENZ, was a member.

"Rights", self-identified as a publication of the Emergency Civil Liberties Committee (ECLC), April - May, 1962 issue, reveals CORLISS LAMONT is Vice-Chairman of the ECLC.

EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. *** The committee finds that the Emergency Civil Liberties Committee,

established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

'Disputing the non-Communist claim of the organization, the committee finds that a number of other individuals connected with the ECLC also have been identified under oath as Communists.
* * *
(Committee on Un-American Activities, Annual Report for 1958, House Report 187, March 9, 1959, pp. 34 and 35.)

'To defend the cases of Communist Lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the * * * Emergency Civil Liberties Committee. When the Communist

Party itself is under fire these fronts offer a bulwark of protection.'
(Internal Security Subcommittee of the Senate Judiciary Committee, Handbook for Americans, S. Doc. 117, April 23, 1956, p. 91.)"

DEATH OF PRESIDENT KENNEDY

At 3:15 p.m., November 22, 1963, Lt. Colonel ROBERT E. JONES, Operations Officer, 112th INCT Group, San Antonio, advised that through news broadcasts they had learned that Lee Harvey Oswald had been arrested after killing a Police Officer in a theater and that Oswald was a suspect in President Kennedy's death.

Jones stated Oswald reportedly is married to a Russian woman and has traveled extensively in Russia. When arrested today in Dallas, according to information Col. Jones has, Oswald was carrying a Selective Service card bearing the name of Alex Hidell. Jones stated that INCT records here reflect reference to an A. J. Hidell who reportedly had been distributing "Hands Off Cuba" literature.

Records of INCT in New Orleans reflect that Oswald has been arrested in New Orleans for distributing pro-Cuban literature.

The records of the Corpus Christi INCT Group contained the following newspaper articles:

Corpus Christi Caller, 1 November 1959.

"EX-MARINE DEFECTS TO RUSSIA

"Texan Asks Russia to Become Citizen.

"Moscow A.P.

"An ex-Marine from Texas told the United States Embassy Saturday that he was applying for Soviet citizenship.

"'I have made up my mind I'm through', said Lee Harvey Oswald, 20, of Fort Worth Texas, slapping his passport on the desk.

105

"The Embassy suggested that he withhold signing papers renouncing United States citizenship until he is sure the Soviet Union will accept him.

"Oswald's decision on the suggestion was not known. He has been staying at the Metropole Hotel but he was unavailable when reporters tried to get in touch with him.

"Oswald is a third American in recent months to apply for Soviet citizenship upon arriving in Moscow.

"Nicholas Petrulli of Valley Stream, New York, filed a renunciation form then changed his mind and decided to keep his United States citizenship. Robert Webster of Cleveland, Ohio, completed formalities for adopting Soviet citizenship ten days ago. He went into the Marines October 24, 1956.

"'He's just a kid", said a brother R. L. Oswald, milk route driver. 'I don't know of any trouble he ever had in the Marines or before he went in.'

"Mrs. James E. Taylor at whose Fort Worth home Oswald lived with his mother, Mrs. Marguerite Oswald, said the youth seemed to prefer staying in his room instead of making friends and running around with boys and girls. His father died before he was born. The former Marine was described as a lonely boy 'who seemed tickled to death when anyone paid any attention to him.'

"His sister-in-law, Mrs. R. L. Oswald of Fort Worth said he had gotten out of the Marines about a month ago and returned to Fort Worth for a visit."

San Antonio Light, dated June 8, 1962.

"RED ABOUT FACE

"Moscow UPI.

"A former United States Marine who once vowed he would 'never return to the United States for any reason' was reported Friday on his way home with his Russian wife and child.

"A reliable source stated Lee Harvey Oswald, 23, a one-time Fort Worth resident, had left the Soviet Union where he has lived for three years within the past ten days and was en route to the United States.

"Oswald was a third American in two months to grow disenchanted with the Soviet way of life and to decide to return to the United States.

"Robert E. Webster, Bellenople, Pennsylvania, who gave up his American citizenship, left for the United States as an immigrant last month.

"Philadelphia railroad worker David Johnson and his wife and twin sons returned to the United States after disillusioned in Russia where they had intended to settle.

"Oswald who came here in October 1959 shortly after being discharged from the United States Marine Corps, was reported to have been a student while in the Soviet Union.

"Unlike Webster, Oswald was believed to have retained his United States citizenship while here.

"When he first came here, Oswald told a news man, he was a worker and wanted to live in a worker's country.

"'I would not want to live in the United States and be either a worker exploited by Capitalists or a Capitalist exploiting workers or become unemployed,' Oswald said. 'I could not be happy living under Capitalism'.

"Oswald said he had studied Communism for five years before coming to the Soviet Union. His own personal experiences in civilian and military life he stated, had shown him the correctness of Communist theories.

"Oswald said he had joined the Marine Corps at the age of 17 because he felt he could not get a job and because he wanted to relieve the financial burden of his family.

"'I saved my money — $15,000 — to come to the Soviet Union and thought of nothing else. When I left America it was like getting out of prison.'"

TO : Mr. Belmont

DATE: 11/23/63

FROM : A. Rosen

SUBJECT: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY - Lee Oswald

At 11:07 p.m., 11/22/63, Mr. Adam Yarmolinsky, the Special Assistant to the Secretary of Defense, telephonically furnished the identity of certain defectors during the Korean War. Mr. Yarmolinsky said he had an idea that possibly the following individuals, who had a similar background to Lee Harvey Oswald, might have been in Dallas on November 22, 1963, and might possibly be involved in the assassination of the President. He furnished the names of Libero Picciardelli, Robert E. Webster, and Nicholas Petrulli as the Korean War defectors he had in mind.

Mr. Yarmolinsky was thanked for bringing this matter to our attention, and was advised the matter would receive appropriate attention.

We are checking further on this.

Bureau files contain no information concerning Libero Picciardelli, however, both Webster and Petrulli are the subjects of Bureau cases. Neither were defectrs in the Korean War, but both were defectors to Russia in 1959.

Webster was born on 10/23/28, Tiffin, Ohio, and served as an enlisted man in the U. S. Navy from 8/5/47 to 5/17/50, and received an honorable discharge. In October, 1959, Webster, while employed by the Rand Development Corporation at the U. S. Exhibition in Moscow, renounced his American Citizenship. He returned to the U. S. on 5/20/62. Subsequent to his return, he was interviewed by Bureau Agents, by the Secret Service and appeared before the Senate Subcommittee to Investigate the Administration of the Internal Security Act. At the time of his return, he was residing at 311 East Beaver Street, Zelienople, Pennsylvania, with his parents. The latest information available in Bureau files showed an employment in May, 1963, with the Wesco Manufacturing Company, 2000 Main Street, Wellsville, Ohio, and a residence in the In-City Motel, Main Street, Wellsville, Ohio.

At this time he was residing with his brother, Dominick Petrulli, 354 N. Central Avenue, Valley Stream, Long Island. Bureau files reveal that Petrulli's ex-wife was living in Los Angeles. There was no information in Bureau files of either Webster or Petrulli indicating any connection with Oswald, although Oswald was in Russia at approximately the same time as Webster.

SUBJECT: ASSASSINATION OF THE PRESIDENT

Late on the evening of 11/22/63, a bullet was received from the Secret Service, White House Detail, by Agents of the Washington Field Office of this Bureau. This bullet was reported as having been secured from a stretcher in the emergency room of the hospital in Dallas. Early on the morning of 11/23/63, Liaison Section, delivered to the Laboratory two pieces of bullet jacket fragments obtained by Secret Service as a result of the search of the President's automobile upon the return of the automobile to Washington, D. C., on 11/22/63.

Work began immediately upon receipt of evidence and has progressed continuously since.

A detailed search of the President's automobile was immediately undertaken by Laboratory personnel. This search located three small metal fragments on the rear floor carpet of the automobile. In addition, metallic residues from the inside surface of the windshield at the cracked area of the windshield were located and removed for Laboratory examination. A dented area was located in the windshield chrome molding, at the top near the center, which was possibly produced by a bullet or bullet fragment.

At approximately 7:30 a. m., this date, an Agent of the Dallas Office delivered the following items of evidence to the Laboratory: two cartridge cases from a room in the Dallas Public School Book Depository, a metal fragment from the right arm of Governor Connolly, the bullet from the body of Dallas Police Officer Tippett, a large paper bag, the suspect's shirt, a blanket, a paper sample from the shipping department of the Dallas Public School Book Depository, a .38 Special Smith and Wesson revolver obtained from the arrest of the suspect, a 6.5 MM Mannlicher - Carcano rifle and a 6.5 MM cartridge from the rifle.

The bullet from the stretcher, the bullet fragments from the President's automobile and the two cartridge cases from the scene were identified as having been fired in the submitted rifle.

SECRET

The Identification Division determined that the latent prints appearing in the photograph taken of the gun by the Dallas Police Department are too fragmentary and indistinct to be of any value for identification purposes. Photographs of the weapon taken by the Bureau also failed to produce prints of sufficient legibility for comparison purposes.

A latent fingerprint developed by the Identification Division on the brown paper bag recovered at the scene and marked "found next to 6th floor window gun fired from. May have been used to carry gun. Lt. J. C. Day" was identified with the left index finger impression of Lee Harvey Oswald. In addition, one latent palm print developed on this paper bag was identified with the right palm print of Oswald.

Several black cotton, orange-yellow cotton and gray-black cotton fibers, which matched similar fibers composing the suspect's shirt, were removed from the gun. No fibers were found on the gun that could be associated with the green blanket. A single brown viscose fiber and several light green cotton fibers which match similar fibers present in composition to the blanket were found on the paper bag. The above fibers could have originated from the indicated sources.

The cotton fibers found on the gun are the same colors as the cotton fibers composing the shirt; however, due to the limited number of colors in the shirt (3), it is not possible to state the shirt is positively the source of these fibers.

The remaining examinations of the physical evidence are being expeditiously handled and you will be advised of the results immediately upon completion.

(CO:DALLAS)

On 11/23/63, Mr. JOHN VICTOR MC VICKAR, Foreign Service Officer, Department of State, 1650 Avon Place, N. W., advised he was one of two Consuls in the American Embassy, Moscow, Russia, from 6/59 to 9/61. He shared an office with RICHARD E. SNYDER, who is now serving outside the U. S. MC VICKAR stated that LEE HARVEY OSWALD came into the Embassy in about 10/59 and talked to SNYDER. He said OSWALD was arrogant, "mad" and threw his passport on the desk and stated he wanted to renounce his American citizenship. OSWALD told SNYDER in the presence of MC VICKAR he had learned of the capitalistic system of government while in the Marines and had seen the way it operated. MC VICKAR stated OSWALD appeared rational but angry about something. He said from conversation it appeared OSWALD had studied Marxism before coming to the Soviet Union and appeared reasonably intelligent from his understanding of the study. MC VICKAR said OSWALD spoke as a trained communist as he repeated "the party line" and appeared independent and self reliant.

MC VICKAR said OSWALD came back to the Embassy in the Summer of 1961 and wanted his passport back and to make a deal regarding any prosecution he may have against him if allowed to return to the U. S. MC VICKAR said he assumed the deal referred to the fact that OSWALD had told Soviet intelligence authorities he was willing to furnish them any

information of value which he learned while in the U. S. Marines. OSWALD, at that time, had his wife and child, which he wanted to bring back to the U. S.

MC VICKAR said it was a Department of State policy to proceed slowly in processing anyone who desired renounce American citizenship in order to give the person time to "cool off" in that they were temporarily angered by something in the U. S. He said OSWALD had not completely divested himself of American citizenship, had not taken up Soviet citizenship under Soviet law, when he was in the Embassy in 1961.

MC VICKAR stated he recalled the case of ROBERT EDWARD WEBSTER who had renounced his American citizenship after arriving in the Soviet Union but said he knew of no connection or association between OSWALD and WEBSTER. He said they lived and worked in widely separated cities in the USSR.

MC VICKAR stated both OSWALD and WEBSTER were given employment in factories in the USSR and said WEBSTER was definitely a target of Soviet intelligence. He said he felt OSWALD and WEBSTER were both used by Soviet intelligence for interrogation only for what possible valuable information could be elicited from them and the Soviet authorities had no further use for them after such information, if any, was obtained.

MC VICKAR said OSWALD stayed in the Metropol Hotel in downtown Moscow for about a week after first coming to the American Embassy in 1959. While there he was interviewed by PRISCILLA JOHNSON, who was then a correspondent in Moscow for North American Newspaper Alliance. Miss JOHNSON reportedly had a lengthy interview with OSWALD regarding his being in the Soviet Union. Miss JOHNSON, according to MC VICKAR, is located at the Brattle Inn, Cambridge, Massachusetts, and on 11/23/63, telephonically contacted a Mr. OHEN on the Soviet Desk, Department of State, to furnish him her recollections of the interview.

ASSASSINATION OF PRESIDENT JOHN F. KENNEDY
DALLAS, TEXAS, NOVEMBER 22, 1963

President John F. Kennedy was shot and killed by an unknown assailant at approximately 12:30 p.m., November 22, 1963, in Dallas, Texas. Investigation was immediately instituted in an effort to identify and apprehend the person responsible for this assassination.

At approximately 2:00 p.m., information was received that a suspicious person had entered the Texas Theater which is located about six tenths of a mile from the four hundred block of East 10th Street in Dallas where J. D. Tippitt, a Dallas Police Department patrolman had been shot and killed about 1:13 p.m. Officers of the Dallas Police Department and FBI Agents converged on the theater and took into custody Lee Harvey Oswald who resisted arrest and attempted to fire a .38 caliber revolver which was taken from his person.

State complaints were filed on November 22, 1963, charging Oswald with the murder of President Kennedy and Patrolman Tippitt.

Investigation has established that Oswald was employed at the Texas School Book Depository which has been identified as the building from which the fatal shots were fired at the President. A fellow employee stated he took Oswald to work on the morning of November 22, 1963, at which time Oswald was carrying a package of sufficient length to contain a disassembled rifle and which Oswald said consisted of curtain rods. Oswald was observed on the fifth floor of the building in which he was employed at approximately 11:50 a.m., November 22, 1963. Oswald was again observed inside the building shortly after the shooting but could not be found thereafter. Another fellow employee stated shots were fired "right over his head" while this employee was watching the car occupied by President Kennedy passing in front of the building. A witness to the shooting stated that the shots were fired by

a white man from a window on the sixth floor of the building in which Oswald was employed. This witness later selected Oswald in a line-up as the person who resembled the individual he observed fire the rifle from the window. The witness could not make a positive identification. Mrs. Earlene Roberts, 1026 North Beckley Street in Dallas, stated Oswald, using the name of O. H. Lee, had lived at her residence since October 14, 1963, and at about 1:00 p.m., November 22, 1963, came to her residence, picked up a jacket and left hurriedly.

A 6.5 caliber Italian carbine rifle with a four-power scope was found on the sixth floor of the building in which Oswald was employed and from which the shots at the President were fired. Investigation by our Chicago Office has revealed that a weapon of this description and identical serial number was sold to one A. Hidell, Post Office Box 2915, Dallas, Texas, on March 20, 1963, for $21.45. This Post Office Box at that time was rented by Mrs. Lee H. Oswald, believed to be the mother of suspect. Oswald, at the time of his arrest, had in his possession a Selective Service card in the name of Alex Hidell. The recovered rifle as well as the .38 caliber revolver taken from Oswald, were immediately brought to the FBI Laboratory for examination.

It was determined that a bullet found on one of the stretchers at the hospital following the admittance of President Kennedy had been fired from the rifle referred to above. Examination also identified two bullet fragments found in the Presidential car as having been fired from this same weapon. Other examinations in the FBI Laboratory are continuing.

A brown paper bag possibly used to carry the rifle was found near the window on the sixth floor of the building from which the shots were fired. A latent fingerprint developed on this bag by the FBI Identification Division was identified with the left index finger impression of Lee Harvey Oswald.

Assassination of President John F. Kennedy

With respect to background information concerning Oswald, his birth date has been verified at New Orleans, Louisiana, as October 18, 1939. He attended high school at Fort Worth, Texas, and according to records of the Office of Naval Intelligence, enlisted in the United States Marine Corps at Dallas, Texas, on October 24, 1956, for a three-year term. He was released to inactive duty on September 11, 1959, but his military obligation continued until December 8, 1962.

According to information received from the State Department, he indicated to the American Embassy in Moscow on October 31, 1959, that he wished to renounce his American citizenship. He claimed at the time that he had been a radar operator in the Marine Corps and had told Soviet officials that if he were granted Soviet citizenship, he would make known information concerning the Marine Corps, which was in his possession. On this occasion he declared, "I am a Marxist." The United Press on November 15, 1959, reported that Soviet authorities had refused to grant Oswald Soviet citizenship, but would permit him to live in Russia as a resident alien.

Office of Naval Intelligence reported that Oswald had been undesirably discharged from the Marine Corps Reserve on August 17, 1960.

On January 30, 1961, Oswald corresponded with the then Secretary of the Navy John B. Connally, with respect to his undesirable discharge requesting that appropriate action be taken to change his status and indicating he intended to return to this country. This was followed by a letter dated March 22, 1962, directed to Assistant Director of Personnel, Brigadier General Tompkins, United States Marine Corps, at which time he made a similar complaint.

Information has likewise been received from the Office of Senator John G. Tower (Republican - Texas) that during 1961 Oswald had requested that Senator Tower intercede in his behalf with Soviet authorities, so that they would allow him to return to the United States.

According to information received from the State Department on May 17, 1962, Oswald and his wife, a Soviet citizen, had been granted exit permits to leave Russia, and the State Department had given approval for their travel to the United States accompanied by an infant child.

Assassination of President John F. Kennedy SECRET.

Oswald was interviewed by Special Agents of this Bureau at Fort Worth, Texas, on June 26, 1962, at which time he was curt, sullen and arrogant. He declined to answer questions as to why he made the trip to Russia or his experiences while there. He indicated that he had been employed as a sheet metal worker in a television factory and admired the Russian form of Government. He claimed familiarity with the theories of Karl Marx, but denied being a member of the Communist Party or having renounced his United States citizenship. According to Oswald, the Soviets never attempted to obtain information from him nor did he make any deals with the Soviets in order to obtain permission to return to the United States. He disclaimed any affiliation with Soviet intelligence.

Upon reinterview on August 16, 1962, he acknowledged recently visiting the Soviet Embassy in Washington, D. C., but indicated his visit was solely to register his wife's current address as required by Soviet law. He again denied requesting revocation of his United States citizenship or allegiance to the Soviet Government.

According to information developed by this Bureau, Oswald was arrested on August 9, 1963, for disturbing the peace in New Orleans, Louisiana, as a result of distributing a pamphlet for an organization known as "Fair Play for Cuba." He pleaded guilty and elected to pay a fine of $10.

Oswald was interviewed on August 10, 1962, at which time he indicated he was unemployed and had been in New Orleans for approximately four months. While there he read literature distributed by the Fair Play for Cuba Committee which he considered not to be communist dominated or controlled. He corresponded with the Committee at 799 Broadway, New York City, and paid a $5.00 membership fee. He received a membership card in the New Orleans chapter dated June 6, 1963, signed A. J. Hidell.

The Fair Play for Cuba Committee is a pro-Castro organization founded during the Spring of 1960, whose function is to propagandize the Castro regime.

Oswald during previous interviews with FBI Agents claimed to have married his wife, Marina Nikolaevna Oswald, nee Prusakova, at Minsk, Russia, on April 30, 1961. He likewise claimed an American passport, number D092526, issued at New Orleans, Louisiana, on June 25, 1963, for proposed travel of three months to one year as a tourist to England, France, Germany, Holland, USSR, Finland, Italy, and Poland. He indicated an intention to depart from New Orleans during the latter part of 1963.

Additional information developed by this Bureau indicated one Lee Oswald during September, 1962, was a subscriber to "The Worker" an east coast communist newspaper.

A memo from Mr. Belmont to Mr. Tolson 11-22-63 advised that the files were being reviewed concerning Lee Harvey Oswald, a suspect in captioned matter.

Oswald first came to our attention on 10-31-59 when a news clipping indicated that he had held a press conference in his room at the Metropole Hotel, Moscow, in which he advised he had applied to renounce his American citizenship and become a Soviet citizen. He was described as a 20-year-old former U.S. Marine and received considerable publicity. We checked with the Office of Naval Intelligence (ONI) and were advised that Oswald had entered the Marine Corps at Dallas, Texas, 10-24-56 to serve 3 years, was released to inactive duty on 9-11-59 but had obligated service until 12-8-62. We had an Identification Division record on his service fingerprints which showed no criminal arrests and placed a stop against the prints so that any subsequent arrest in the U.S. would be brought to our attention.

State Department advised 11-22-59 that Oswald had applied at the American Embassy 10-31-59 advising he wished to renounced his American citizenship and gave as the principal reason for his decision, "I am a Marxist." He stated that he had been a radar operator in the Marine Corps and had told Soviet officials that if he was granted Soviet citizenship, he would make known information concerning the Marine Corps which was in his possession. He again got publicity on 11-15-59 when the United Press reported that he had said that Soviet authorities would not grant him citizenship although he could live in Russia as a resident alien.

ONI advised 11-15-60 that Oswald had been given an undesirable discharge from the Marine Corps Reserve on 8-17-60.

On 5-17-62 State Department advised that it had been determined that Oswald was still an American citizen, was married to a Soviet citizen and that both had exit permits to leave Russia; the State Department had given approval for their travel with their infant child to the U.S. On 5-31-62 the Bureau instructed Dallas to interview Oswald in detail upon his arrival. He returned to Ft. Worth, Texas, on 6-14-62 and was interviewed by Bureau agents on

6-26-62. He was very curt and short in answering many questions and gave the impression of being cold and arrogant. He advised that he was not willing to take a polygraph test. He declined to answer the question as to why he had made the trip to Russia and stated he did not care to relive the past, then added that he went to Russia to see the country. He said that he had been given a job as a sheet metal worker in a television factory and denied that he had gone to Russia because of admiration of the Russian system. He stated that he had read books by Karl Marx because of interest in his economic theories but denied that he had ever been a member of the Communist Party. He also denied that he had renounced his U.S. citizenship and stated that he did not seek Soviet citizenship. He advised that the Soviets never attempted to obtain information from him concerning the Marine Corps; that he was not recruited at any time by Soviet intelligence and made no deals with the Soviets to obtain permission to return to the U.S. He said that he had not given the Soviets any information which could be used against the U.S. He also denied that he had offered to reveal any information to the Soviets obtained as a result of being a radar operator in the Marines.

Oswald was reinterviewd on 8-16-62 and advised that he had made contact with the Soviet Embassy in Washington, D. C., to advise the Embassy of his wife's current address which was required by Soviet law. He said she would report subsequent changes of address to the Embassy. He stated that he had never enjoyed his service in the U.S. Marines but had not enjoyed his trip to the Soviet Union any more than his Marine service. He again denied requesting revocation of his U.S. citizenship and stated that he had never affirmed allegiance to the Soviet Union. He denied that he had made any deals with Soviet intelligence organizations and that he had been assured by the U.S. Embassy that Embassy officials were aware of no evidence which would warrant prosecution of him should he return to the U.S. He advised that he might have to return to the Soviet Union in about 5 years to take his wife to see her relatives. He declined to answer questions as to why he went to the Soviet Union and stated that he considered it "nobody's business." At the end of the interview he agreed to contact the FBI if any person ever contacted him in the U.S. under suspicious circumstances.

An article in "The Times Picayune" New Orleans, Louisiana, 8-13-63 indicated that Oswald had been sentenced to pay a fine of $10 or serve 10 days on a charge of disturbing the peace as a result of distribution of a pamphlet for "Fair Play for Cuba." New Orleans by letter 8-21-63 was instructed to ascertain the facts concerning

Oswald's distribution of the pamphlet and determine if he was engaged in subversive activities.

Investigation in New Orleans disclosed that Oswald had been arrested as reported in the newspaper (it is noted that this is the only arrest disclosed in the Identification Division records). He claimed to be a member of the "Fair Play for Cuba Committee" (FPCC) and became involved in an argument with 3 Cuban emigrants while passing out circulars. He entered a plea of guilty and elected to pay the fine of $10. The 3 other persons arrested with Oswald were discharged. The arrest took place on 8-9-63.

Oswald was interviewed on 8-10-63 by agents of the New Orleans office and advised that he was unemployed and had come to New Orleans about 4 months previously. There he began to read literature distributed by the FPCC which he considered was not a communist or communist-controlled group. He had sent a letter to the headquarters of this Committee at 799 Broadway, New York City, with $5 advising that he wished to join the Committee. During the latter part of May, 1963, he received through the mail a card made out in his name and signed by V. L. Lee which showed that he was a member of the national organization. A short time later he received a white card which made him a member of the New Orleans chapter. This card was dated 6-6-63 and was signed A. J. Hidell. He had not seen Hidell but talked to him on the phone and had attended meetings of the local committee but did not know any of the other persons who attended because they were known only by their first names.

Investigation also disclosed that on 8-21-63 Oswald appeared on a radio program called "Conversation Carte Blanche" on radio station WDSU in New Orleans with Edward Scannell Butler, staff director of the Information Council of the Americas which organization specializes in distribution of anticommunist educational material to Latin American countries. During the program, Oswald stated that the FPCC is not communist-controlled and that he, Oswald, is a Marxist.

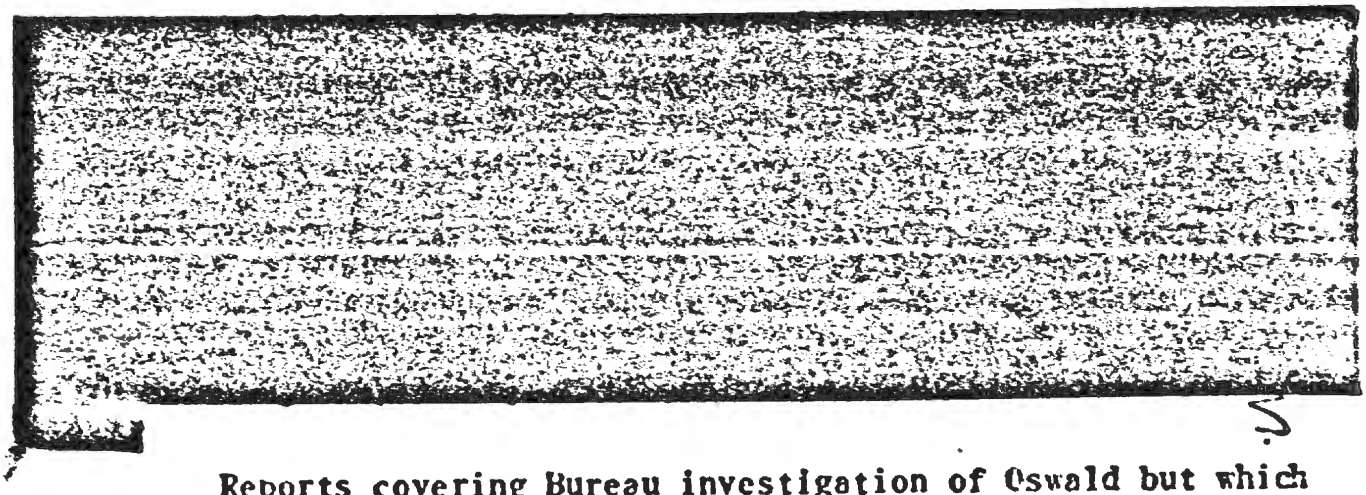
Memo for Mr. Sullivan
RE: ASSASSINATION OF THE PRESIDENT SECRET

On 11-1-63 Mrs. Michael R. Paine, 2515 West Fifth Street, Irving, Texas, advised that Oswald was then employed by the Texas School Book Depository, 411 Elm Street, Dallas, Texas, as a laborer, was rooming at an unknown address in Dallas and when he obtained enough money he would move his family to an apartment in Dallas.



Reports covering Bureau investigation of Oswald but which did not contain the information pertaining to the contacts with the Soviet Embassy in Mexico and Washington were disseminated to the State Department and on the evening of 11-22-63 the attention of State Department was called to these reports. The same reports were disseminated to Secret Service by liaison on the evening of 11-22-63.

OBSERVATIONS

Other than the connection with the FPCC, investigation developed no subversive data regarding subject except that during September, 1962, a confidential informant advised that Oswald was a subscriber to "The Worker" an east coast communist newspaper. Another informant advised that in June, 1963, Oswald wrote a letter to "The Worker," 23 West 26th Street, New York City, claiming to be a long-time subscriber and advising that he was forming an FPCC in New Orleans. He requested some of "The Worker's" literature and forwarded honorary membership cards for "these fighers for peace, Mr. Gus Hall and Mr. B. Davis." Hall is general secretary of the Communist Party, USA, and Davis is the national secretary.

The investigation disclosed no threats by Oswald against the President but did indicate that he drank to excess while residing in Ft. Worth, Texas, after his return from Russia and beat his wife.

The file reflected that based on recommendation of the board at the Headquarters, Marine Air Reserve Training Command, U. S. Naval Air Station, Glenview, Illinois, on 8/17/60, he was discharged by reason of unfitness with undesirable discharge. The effective date of this discharge was 12/13/60, and OSWALD's address was listed as Kalinina Street, 4-24, Minsk, Russia, USSR. The basis for this recommendation was that OSWALD had requested that he be given citizenship in Soviet Russia.

During the period that OSWALD was in the U. S. Marine Corps he received training in the use of the M-1 Browning Automatic Pistol, Riot Gun and .45 Caliber Pistol.

Disciplinary Action

The record reflected that OSWALD was tried before a Summary Court-Martial on on 4/11/58, for having in his possession a privately owned weapon and which was not registered. On 4/29/58, he was sentenced to be confined at hard labor for 20 days, to forfeit $25 per month for a period of two months and to be reduced to the grade of private. SHE THEN SWITCHED TO CHANNEL NINE, A LOCAL TRAVERSE CITY STATION, AND WATCHED AN INTERVIEW WITH A BAIL BONDSMAN WHO IS A FRIEND OF JACK RUBY AND WHO IS ATTEMPTING TO RAISE BAIL FOR RUBY. SHE STATED THAT THIS BAIL BONDSMAN, NAME UNKNOWN, IS THE SAME PERSON SHE SAW IN THE FIRST PROGRAM ACCEPTING SOME LITERATURE FROM OSWALD. SHE ADVISED SHE WAS FURNISHING THE ABOVE INFO IN THE EVENT THAT THE ABOVE BAIL BONDSMAN IS CONNECTED WITH OSWALD AND RUBY.

Memorandum

TO : Mr. Conrad

DATE: 11/25/63

FROM : W. D. Griffith

SUBJECT: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY

By letter 11/24/63, Dallas furnished an enlarged copy of a photograph of suspect Oswald holding a rifle and wearing a pistol strapped to his hip. This enlargement was furnished by Dallas Police Department, the original photograph having been found in the residence of Mrs. Michael R. (Ruth) Paine in Irving, Texas, where suspect's wife has been living. Because the photograph of Oswald shows very little detail, a comparison between the rifle in the picture and the photographs made by us of the murder rifle does not permit definite determination that the gun held by Oswald is the murder weapon. However, based on this comparison it has been determined that the gun shown in the photographs is similar in all respects and possibly depicts the same gun. There is a rather long cut mark on the stock of the murder weapon just above the trigger guard and by use of highlighting we have located a mark on the gun in the photograph of Oswald holding the gun which supports the "possibility" that they are one and the same.

A copy of the photograph of Oswald referred to above is attached.

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

Deputy AG Katzenbach handed to me this morning the attached memorandum which he has sent to Bill Moyers, who will be the principal assistant to President Johnson in the White House. Katzenbach said that this memorandum was prepared by him after his discussions with the Director yesterday.

It is Katzenbach's feeling that this matter can best be handled by making public the results of the FBI's investigation. He thought time was of the essence, but that the report, of course, had to be accurate. He said he was thinking in terms of its release by the end of the week if at all possible.

Katzenbach further pointed out that he is having no success in selling the White House on the idea that this report should be released there. He understands that President Johnson has expressed himself as feeling this should be handled on a Department of Justice level. It is Katzenbach's belief that it would be most inappropriate for Robert Kennedy to issue this report. Katzenbach asked that the Director be informed of his feeling that, if the report is not released by the White House, then it should be made available publicly by the Director, pursuant to Presidential instructions.

MEMORANDUM FOR MR. HOYERS

It is important that all of the facts surrounding President Kennedy's Assassination be made public in a way which will satisfy people in the United States and abroad that all the facts have been told and that a statement to this effect be made now.

1. The public must be satisfied that Oswald was the assassin; that he did not have confederates who are still at large; and that the evidence was such that he would have been convicted at trial.

2. Speculation about Oswald's motivation ought to be cut off, and we should have some basis for rebutting thought that this was a Communist conspiracy or (as the Iron Curtain press is saying) a right-wing conspiracy to blame it on the Communists. Unfortunately the facts on Oswald seem about too pat--too obvious (Marxist, Cuba, Russian wife, etc.). The Dallas police have put out statements on the Communist conspiracy theory, and it was they who were in charge when he was shot and thus silenced.

3. The matter has been handled thus far with neither dignity nor conviction. Facts have been mixed with rumour and speculation. We can scarcely let the world see us totally in the image of the Dallas police when our President is murdered.

I think this objective may be satisfied by making public as soon as possible a complete and thorough FBI report on Oswald and the assassination. This may run into the difficulty of pointing to inconsistencies between this report and statements by Dallas police officials. But the reputation of the Bureau is such that it may do the whole job.

ENCLOSURE

ENCLOSURE

The only other step would be the appointment of a Presidential Commission of unimpeachable personnel to review and examine the evidence and announce its conclusions. This has both advantages and disadvantages. I think it can await publication of the FBI report and public reaction to it here and abroad.

I think, however, that a statement that all the facts will be made public property in an orderly and responsible way should be made now. We need something to head off public speculation or Congressional hearings of the wrong sort.

SIGNIFICANT RADIO REPORTAGE—— 26 November 1963

PRESIDENT KENNEDY'S ASSASSINATION--President Kennedy's death and the subsequent related developments dominated world radios over the weekend, with Peking and other pro-Peking communist sources excepted. The initial reaction was one of shocked disbelief and regret. Praise of the assassinated President was fervent and pervasive, and expressions of condolence reported the sentiments of world leaders and the world public. The general assessment from both communist and noncommunist sources was that little immediate change could be expected from the administration of President Johnson, but that the new President was in many respects untried in the international field and that no present judgment was possible. The murder of President Kennedy's assassin raised new issues.

Both communist and noncommunist radio and press commentators lamented Mr. Kennedy's death, praised his foreign and domestic policies and particularly his efforts to achieve an East-West detente. From the beginning, however, Moscow interlarded praise of the dead president with references to the "extreme rightwing elements" alleged to have been responsible for his assassination. This charge was accentuated in the wake of Oswald's murder, said to have been perpetrated by "the same people" who assassinated the President. The East European radios, with the exception of Tirana, also purveyed this theme. The Cuban radio reported the assassination promptly but withheld interpretive comment until Castro, in a lengthy speech the night of 23 November, set the general tone. Mr. Kennedy's death, he said, would have a negative effect on Cuba since it "could only benefit those ultrarightist and ultrarevolutionary circles, among which President Kennedy could not be counted."

Limited and delayed reportage by the Peking radio and NCNA set the pattern for the Pyongyang and Hanoi radios as well. NCNA carried a lengthy biographical sketch of President Johnson depicting him as an advocate of "intensified arms expansion and war preparations" with a "frenzied, hostile attitude against Cuba." A clandestine Pathet Lao radio commentary concluded that Mr. Kennedy's death is another sign of "the total collapse of imperialism."

Early comments concerning U.S. policies under President Johnson suggested that major problems would be "temporarily pigeonholed," as the French paper COMBAT put it, and that in the months required to renew confidence among U.S. allies and between East and West the impetus of the test-ban treaty toward a detente might be lost. Cautious Moscow comments indicated hope that President Kennedy's "peaceful coexistence policy" would be continued. Extensive Prague commentaries suggested that "a certain move to the right" in both foreign and domestic policies was likely under Mr. Johnson.

BLOC AFFAIRS--TASS reports that Soviet Premier Khrushchev and other Soviet leaders held talks in Moscow with a Czechoslovak party and government delegation headed by President Novotny. The clandestine Oggi in Italia radio says that the discussions will include the international situation following President Kennedy's death. AFP reports that a French-Belgian communist party communique urges steps to convene a world communist party conference to reaffirm the general line and denounces the Chinese Communist Party line.

ILLIA'S STATEMENT ON KENNEDY'S DEATH

Buenos Aires Radio Splendid in Spanish 2320 GMT 22 November 1963--W

(Summary) The Argentine presidential press secretary called reporters to his office to give them a statement by President Illia on the death of President John Fitzgerald Kennedy. The statement said: The weakness of sectarianism, in its hopeless defeat, always resorts to aggression. The death of President Kennedy is another testimony to the fact that selfish persons try to overthrow the principles of a perfect and universal exponent of a just international coexistence. Tribute is offered to the illustrious ruler and citizen whose death moves the free world.

Foreign Minister's Statement

Buenos Aires Radio Splendid in Spanish 0120 GMT 23 November 1963--W

(Text) Argentine Foreign Minister Miguel Angel Zavala Ortiz made public the following message:

"A splendid and young fighter of the free world, a passionate defender of human beings and of social justice, a courageous promoter of the development of all nations, a friend of America, a heroe in war and peace, and a great president of the United States, has died from an assasin's bullets. He had given his intelligence and his heart to the cause of freedom. Now he has given his life. Just as Abraham Lincoln, he died as a standard bearer of the best ideals of humanity. Like Abraham Lincoln, he becomes a martyr, not only of his own people but a martyr of all the peoples, because we all know that he has not fallen for his own cause; he fell for the cause of all.

"The Argentine people, who saw him reach the presidency of the United States with hopeful joy and followed him in his struggle against tyranny, in his call for justice, in his defense of peace, and his affirmations of security of human beings, weep his death.

"President Illia, interpreting the painful shock of the Argentine people, makes it known, through me, that we accompany the people and the Government of the United States and join with them in their sorrow and make their mourning ours, too. We pray to God to give the United States consolation and courage to (one word indistinct) the passing of the great President, John Fitzgerald Kennedy."

Communists Statements

Balbin's Statement

Buenos Aires Radio Belgrano Network in Spanish 0000 GMT 23 November 1963--P

(Excerpt) As chief of the People's Radical Civic Union Party, Ricardo Balbin issued the following statement on the tragic death of President John Kennedy:

"The report of the event seems ridiculous, and reason refuses to admit it is true. It was a brutal crime lacking any possible justification," he said. He added: "We would unhesitatingly declare it the crime of the century if we could erase from our memory the tremendous wars the world has experienced. The youthful personality of the deceased president had awakened the hopes of all peoples. A deep-rooted democrat, he waged a stubborn struggle for peace, progress, and liberty, as ideals of the free world, as against the backwardness, misery, and ignorance imposed by retrogressive dictatorships."

Mourning Decreed

Montevideo Radio El Espectador Network in Spanish 0000 GMT 23 November 1963-

(Text) The Argentine Government has decreed three days of official mourning in connection with the death of U.S. President Kennedy. Foreign Minister Zavala Ortiz has decided to change the text of his scheduled radio and television speech on international policy.

Surveillance Measures Adopted

Buenos Aires Radio Belgrano Network in Spanish 0000 GMT 23 November 1963--P

(Text) Buenos Aires--In the wake of the attempt that cost the life of the U.S. President, police headquarters ordered the adoption of rigid surveillance and precautionary measures in various points of the capital. At several key points assault vehicles were posted as a precaution against possible popular demonstrations. Similar measures were taken at the U.S. and the Soviet Embassies. The chief of police also held over the policemen who terminated their watches at 1600 hours as another precautionary step for coping with spossible disturbances.

Supreme Court Tribute

Brasilia Agencia National Domestic Service in Portuguese 2200 GMT 25 November 1963--W

(Summary) Brasilia--Speaking at a special session of the Brazilian Supreme Court on 25 November in tribute to the late President John Kennedy, the president of the Supreme Court, Lafayette de Andrade, said:

The Brazilian Supreme Court joins the world in expressing the feelings of sadness at the tragic death of the chief of government of the United States, President John Kennedy. Men of today would incur justified criticism if they did not acknowledge the work of the late President Kennedy as one of the most noble and most responsive to the best aspirations of humanity. His activity was not only devoted to the interests of his own nation, but also to the cause of peace and to the development and improvement of the most distant regions of the globe. He always looked toward the attainment of common good, for the appreciation of human dignity, and was the precursor of a new era in which peace and freedom, individual guarantees, and social service would prevail. His political credo can be summed up as: to work with justice, according to law and freedom.

(Editor's Note--BRASILIA AGENCIA NACIONAL DOMESTIC SERVICE IN PORTUGUESE 2200 GMT 25 November reports on a special session of the Brazilian Senate devoted to the memory of the late President Kennedy and cites Senate President Auro de Moura Andrade and Senators Jefferson de Aguiar, Milton Campos, Catete Pinheiro, Guido Mondim, Nogueira da Gama, and Eurico Rezende as having eulogized the late President. (Text) Belo Horizonte--Governor Magalhaes Pinto of Minas Gerais has definitely decided to become candidate for the presidency of the republic. He will begin preparations for his campaign as soon as he returns from Espirito Santo where he is now resting on the advice of his physician.

If his nomination by his party, the National Democratic Union (Uniao Democratica Nacional-UDN) cannot be secured, he will be the candidate of the Republican Party (Partido Republicano--PR), whose president, Bernardes Filho, has already begun talks with party members not only in Minas Gerais but also in other states. The PR support for Magalhaes Pinto will be based on greater participation of that party in the state government of Minas Gerais. (Editor's Note--Rio de Janeiro Radiopress in Portuguese 2345 GMT 25 November quotes Bevilaqua as saying that he has not received an invitation from Sao Paulo Governor Adhemar de Barros to accept the nomination for the presidency of the republic, and if this were done, he would not accept. In the meantime, rightwing newspapers continue publishing numerous reports favoring General Bevilaqua. Leaders of the Federation of Industrialists of Sao Paulo, the Trade Association of Sao Paulo, and the Stock Market of Sao Paulo have visited the General to express their support and have praised his activities as commander of the Second Army as those of a man moved by deep feelings of dignity and love of institutions.)

ALESSANDRI DEPLORES KENNEDY'S DEATH

Santiago Chile Domestic Service in Spanish 0110 GMT 23 November 1963--W

(Statement by President Alessandri after visit to U.S. Embassy, read by the announcer)

(Text) In the face of the surprising and tragic news of the death of the President of the United States of America, John F. Kennedy, the President of Chile is certain that in expressing his profound and intimate grief he is conveying the feelings of all Chileans.

President Kennedy had brought into the world a new concept of peace, justice, freedom and democracy. His idealistic and constructive principles represented for the people the hope of a more just and a more free tomorrow. His tragic death is not only a sorrow for the people of the sister republic of the United States of America; at this time when the whole world feels the sorrow for an irreparable loss, Chile joins them in solidarity, because Chile has always found in him a profound understanding for all Chilean problems and willingness to help us.

Foreign Minister's Statement

Santiago Chile Domestic Service in Spanish 0110 GMT 23 November 1963--W

(Statement by Chilean Foreign Minister Enrique Ortuzar, read by announcer)

(Text) Chile is stricken with grief over the death of the illustrious President of the United States of America. His name has become a symbol of democracy, freedom, and social justice. He was a man who profoundly understood the necessities of the less fortunate groups and was a strong supporter of equality among men. He showed special concern for the situation of the people of Latin America and he worked resolutely to strengthen the ties of fraternal solidarity with them that made possible the improvement of their social and economic conditions. His death is a severe blow to those who saw in him the incarnation of the most noble ideals and his example will continue to guide humanity for a long time in its search for peace and justice.

(Ed. note: Santiago Chile Emisoras Nuevo Mundo in Spanish 0100 GMT 24 November says that the Chilean Supreme Court sent a cable to the U.S. Supreme Court expressing condolences at the tragic death of President John F. Kennedy.

The executive board of the executive committee of the Unity Committee of the Chilean workers (Comite Unitario de los Trabajadores de Chile) issued the following declaration: "Upon the tragic death of the President of the United States, John F. Kennedy, our movement expresses its profound grief. With his death the democracies of the world have lost a man who gave his life for peace and freedom. Latin America has lost a real friend. It is hoped that the new deal policy toward Latin America which he started will be continued by the new authorities of the United States. The document is signed by several labor and peasant organizations.)

Allende Statement

Montevideo Correspondent's Dispatch in Spanish to PRENSA LATINA Havana 0002 GMT 23 November 1963--E (OFFICIAL USE ONLY)

(Text) Santiago de Chile--Senator Salvador Allende made the following public statement this afternoon:

"Political assassination is abominable, and all the more so in this case because of its cold-bloodedness and cynical preparation. This is surely the result of a mentally disturbed person, or of hatreds stirred up by racists and ultrareactionaries who could not forgive President Kennedy his personal stand against threats of war and in behalf of peace and his understanding position on racial segregation. Mankind protests. I do so as a tribute to the deceased president and the North American people on behalf of the popular forces I represent.

EL SIGLO Comment

Havana PRENSA LATINA in Spanish 0147 GMT 26 November 1963--E (OFFICIAL USE ONLY)

(Excerpt) Santiago, Chile--EL SIGLO, which today prints this complete television talk delivered by Cuban Prime Minister Fidel Castro, says in its editorial that President Kennedy's assassination is "paving the way for a sinister provocation directed against democratic forces in Latin America."

The editorial says the President's tragic death "has moved the world," and then cites the statements made in condemnation of the political crim by the Soviet Prime Minister, the U.S. Communist Party, the Cuban Prime Minister, and other figures of world socialism. It goes on to say that "the world has a right to know the motives behind the crime, and the case cannot be closed with the murder of Lee Oswald by a night club owner who seems to be connected with the shadiest Maffia gangs of the United States."

Maj. Fidel Castro will now speak to you.")

Whenever an important event has taken place, national or international, we have believed it opportune to speak to the people to express our opinions on each one of those circumstances and to give the orientation of our government and of our party, and to let everyone know what attitude we must adopt toward each of those situations. It is true that we are somewhat accustomed to face always some type of unexpected event, important serious events, because since the victory of the revolution our country has had to confront a number of problems, a series of situations which have been tempering the nerves of the people to carry out their victorious revolution.

That is why, because of the incidents which took place in the United States yesterday, which led to the assassination of the President of that country, because of the repercussions those events may have, and because of the role that the North American nation plays in the problems of international politics, we must make an especially objective and calm analysis of the events and their possible consequences.

The government of the United States, the previous administration, that of Eisenhower, as much as the Kennedy administration, did not practice a policy precisely friendly toward us. The policies of both administrations were characterized by their aggressive, hostile, and implacable spirit against our country. Our country was the victim of aggressions of an economic type with the purpose of provoking the ruin of our economy and bring hunger to our people. It was the victims of attacks of all types, attacks which cost us blood, and hundreds of our fellow citizens have lost their lives defending themselves from the attacks of Yankee imperialism.

This was not all. Their hostility and their aggression against us took our country to the very brink of war which fortunately was avoided. It carried the world to the brink of thermonuclear war and even when that alternative was not considered as it was during the October crisis when the invasion of Giron took place, we are all perfectly aware that if the plans that were made had been carried out against our country, that is if imperialism had been able to establish a beachhead on our coasts, that fight would have costs tens of thousands and perhaps hundreds of thousands of lives of our people.

We have been victims of constant hostility on the part of the United States and among the government leaders, the leaders of the United States. Kennedy had an important responsibility in those events. Nevertheless the news of the assassination of the President of the United States is serious and bad news. We must analyze this well in order to understand it and above all analyze it calmly and dispassionately, which is how we revolutionaries must analyze these things.

It is bad news, setting to one side the human problem, because man's sensibilities, any man's, are affected by an act of this nature, by a crime, a murder--I say that leaving those problems aside--I always react and I am sure that it is the reaction of the immense majority of human beings, we always react with repudiation to murder and crime. We cannot consider it as a correct weapon of struggle. We must not consider it--and above all under the conditions in which it took place, because like all things they must be judged by the circumstances the background, the conditions. There are sometimes cases in the midst of a civil war, in the midst of a fierce repression during which the revolutionaries see themselves forced to defend themselves, they find themselves forced to kill to defend themselves.

In other situations, under other circumstances--however it may be--in a situation of normality, of peace, at any time, an event of this nature is unjustifiable, particularly amid the crowd, in the presence of women--all these things. Above all, I say, it is the circumstances which permit us to make a condemnatory judgment of anything and of whether some events of a political nature, some attempts of a political nature can or cannot be justified.

From the circumstances that surround the assassination of the President of the United States, we understand it to be unjustified. But, analyzing the matter from the political point of view, objectively, I said also that it was a serious and bad piece of news. Some may ask "how can the Cubans, who have received so many [illegible] from the United States, from the Kennedy administration itself, say that it is a bad piece of news? How can they have that kind of a reaction to the report?"

In the first place, we Cubans must react like revolutionaries. In the second place, we Cubans, as conscientious revolutionaries, must not confuse systems and men, and we must begin by considering that we do not hate men, we hate systems. We hate the imperialist system. We hate the capitalist system, but this does not mean that we hate men as men, as individuals who are more or less important parts of a system. That is why we must not confuse hatred of the system with the feelings we have and should have toward men, which is a different feeling. It is not a feeling of hatred and, even less, a feeling of hatred that in this case would be a feeling of base hatred.

As Marxist-Leninists we know that the role of men is a relative role within each historic era, within each society, within each particular period. And we must know the role that men play within each society. Moreover, it is a matter of basic principle, we do not hate men, we hate systems: We would be pleased with the death of a system. The disappearance of a system would always make us jubilant. The triumph of a revolution always makes us jubilant. The death of a man, even if that man were our enemy, cannot make us happy. In the first place, as a matter of principle, that must be our position. Moreover, because of a trait of us Cubans, of the Latins, of the Spanish-Americans, of us, who are a mixture of races with certain characteristics, we always cease our belligerancy at death. We always bow with respect at death even if it has to do with an enemy.

Well, I was saying that the event itself may have very very negative repercussions with regard to the interests of our country; but it has nothing to do with the interests of our country in this case, but rather the interests of the entire world. We must know how to place the interests of mankind above the interests of our country. We feel that with regard to the interests of mankind it is a negative event, and I am going to explain why. Because in certain international political situations at a given moment there can be situations that are bad or worse. The death of Kennedy has all the prospects of leading from a bad situation to a worse situation. It has prospects of developing from a given situation to another which can be highly prejudicial to the interests of peace and the interests of mankind. Why?

Is it because we feel that the United States has a politically defendable position on the international level? No. The international policy of the United States cannot be defended. Its policy of aggression, its imperialist policy of violation of the rights of other nations, of intervention in the internal affairs of other countries, of domination, of repression, of blood, of alliance with the most reactionary sectors of the world, of participation in bloody wars

against the peoples who are struggling for their liberation, as in the case of South Vietnam, its attitude toward the Latin American peoples, its attitude toward us, in short, its international policy is in no way defendable from the moral point of view. Very well, nevertheless, within the American society and within the policy of the United States there are elements that support a policy that is even more reactionary, of an even much more aggressive policy, of a much more warlike policy.

This means that within a certain situation there are various degrees, and within a bad policy there are various degrees from bad to worse to intolerable and even within a bad policy there may be more negative and less negative aspects and there may even exist positive aspects within a policy which is bad overall. All the circumstances of the internal policy of the United States, the internal squabbles for power within the United States, the currents which struggle within the United States, the murder of President Kennedy tend to convert the policy of the United States into a worse policy and to aggravate the evils of the United States policy.

We can say that there are elements within the United States who defend an ultrareactionary policy in all fields, in international and internal policy. Those are the only elements who will benefit from the incidents which took place yesterday in the United States. Why? In the United States a number of forces have developed, a series of organizations, very powerful within United States society, very much influenced by the great interests within the United States. There is not the slightest doubt that a president with a maximum of authority within the United States means a less serious situation than a president without maximum authority within that situation.

A president is a political man who must take many factors, advices, opinions, factors affecting his opinions into consideration. An eminently political man, he doubtless in general acts differently from those who are not politicians by profession, we might say, but those who have another profession and other interests have reactions in politics which are always the worst reactions.

Within the United States there are a number of powerful economic, political, military forces. Many of them favor a certain policy and we more than once have spoken on that problem, the clash for instance between the political currents of the State Department with the military currents of the Pentagon.

Many times we have seen the manifestations of that struggle in Latin America, how there are currents in the United States which support the policy of military coups, especially the military currents, and there are political currents which defend another type of policy, not a good type of policy or anything like that. It is also a reactionary proimperialists policy but cloaked with the mantle of civil authority and even a pseudoliberalism. Unquestionably where there is an authority within the United States which is an acknowledged authority, obeyed, a strong authority, the dangers that arise from the fights among a number of reactionary currents within powerful organizations of the United States, are much less than when that authority does not exist, and without any question of doubt Kennedy had that authority within the United States.

For the time being a new situation is created of a president who, because of the circumstances under which he occupies the presidency--that is, he was vice president of the republic and because of an unexpected circumstance occupies the presidency of the republic, regardless of what his character may be because this is not a question of the character of the person or personage, but of circumstances--does not assume the presidency with the same personal authority which President Kennedy had. Because of this a question and a problem is presented with respect to the influence within all those forces of the new authority that assumes power, the new president who takes over the reins of government.

Within the United States there are some very reactionary currents, racist currents which are against the civil and social demands of the Negro population, people of the Ku Klux Klan, people who lynch, exterminate, use dogs; who savagely hate the black citizens of the United States, who feel an animal-like hatred--elements that are, naturally, ultrareactionaries.

There are in the United States economic currents, that is to say, powerful economic interests, that are equally ultrareactionary and have a completely reactionary position on all international questions. There are in the United States currents that support a greater intervention by the United States in international problems, a greater use of United States military forces in international problems. There are currents, for example, in the United States that are much more in support, intransigently in support, of a direct invasion of our country. There are in the United States currents that support the application of drastic measures against any government that may adopt the slightest measure of a nationalist nature, of an economic nature that benefits the country.

In short, there are series of sectors that can be summed up in a single concept: the ultraright of the United States, the ultrareaction in the United States. That ultrareaction, in each and every one of the internal and external problems of the United States, supports the worst procedures of the policy that is most aggressive and most dangerous to peace and most adventurist.

Within the United States there are also liberal currents, more liberal, more advanced, less advenced. There are rightists who are more radical and others more moderate. There are certain intellectual sectors that are not constantly thinking of the function of power, who are thinking of diplomacy, if you like, rather than force, who have a less aggressive policy, who have a more moderate policy.

That is to say, there is a gamut of political points of view in the United States which extends from the men of the extreme right to the men of the extreme left, the men farthest to the left in political views. And in that situation there is an entire variety of views, positions that are more or less moderate. There are liberal people in the intellectual sectors of the United States who understand the mistakes of the United States policy, who are not even in accord with many of the things the United States has done in international policy.

An event like yesterday's could only benefit those ultrarightist and ultrareactionary sectors, among which President Kennedy could not be counted. And several of the men who collaborated with him cannot be placed in the extreme reaction, in the extreme right. And even with the position of the United States, with the policy of the United States, which is undefendable as a whole, Kennedy was strongly attacked by most reactionary, most bellicose, most warmongering circles. You will remember that on the eve of the October crisis there was a campaign, enormous pressure, even laws, and resolutions in Congress, pushing the Kennedy administration toward war, trying to create a situation of imperative action.

Everyone will recall that we, on other occasions, have declared that one of the errors of the Kennedy policy with regard to Cuba is having played the game of his enemies, for example, taking up those plans of invasion against us which had been organized by the Republican administration. And all that led to the introduction in the United States of a policy of blackmail on the part of the Republicans. That means that Kennedy placed the weapon of Cuba in the hands of the Republicans by having followed the aggressive policy of the Republicans. And they used it as a political weapon against him.

On occasion there were very powerful campaigns of force, powerful movements within the United States Congress pressuring the administration for a more aggressive policy against us. And, finally, all those factors and all those forces, being on the most radical extreme of the right in the United States, fought Kennedy harshly precisely in those things that did not agree with the more aggressive policies those sectors supported.

And so we have a series of things that were the motive for constant criticism by those ultrarightist sectors. For example, the problem of Cuba. The commitment not to invade Cuba, which resulted from the October crisis, was one of the points of Kennedy's policy that was most constantly attacked by the ultrareactionary sectors. The agreement on the cessation of nuclear tests was also another of the very debated points in the United States. It had the resolute and fierce opposition of the most ultra-reactionary elements of the United States.

Everybody knows that our position was on this problem, everybody also knows what reasons were responsible for our position although we considered this a step forward which could, if advances were continued, which could mark the beginning of a policy in favor of a true peace, in favor of true disarmament. However that policy was never applied with respect to us, because while that nuclear test-ban agreement was being signed the policy of aggression against us was accentuated. However we are not analyzing the problems in the light of what was happening with us but in the light of what was happening in the world and above all in the light of what some were doing and others were thinking within the United States. Within the United States there were many sectors, many ultra-reactionary elements who carried out a fierce campaign against the agreement on cessation of nuclear tests.

There are other elements, sectors of the people in the United States who for example also fiercely oppose the legislation on civil rights proposed by Kennedy with respect to the Negro problem in the United States. This was not because it was revolutionary legislation. It was not because it was a great effort, because that great effort has not been made in the United States in favor of equality and civil rights and above all in favor of the United Stetes Negro. Be what it may, it was legislation which contained some measures which from the legal point of view tended to protect the rights of the Negro, legislation which was stymied, legislation which was mired by the strong opposition of the most reactionary sectors, the sectors in favor of discrimination in all the United States.

In such fashion on a number of points of the international policy there are in the United States even some elements who are partisans of preventive nuclear war. That means that they are in favor of unleashing a surprise war, nuclear war, because they obstinately think that that is the policy the United States must carry out. Reactionary elements, neofascists without any consideration of the most basic rights of nations or the interests of humanity. That is something which is strictly objective. There are types of capitalists, types of reactionaries, and there is no doubt, for example, that the worst type of capitalism was nazi-ism and the most criminal mentality was that of imperialism in its nazi form.

There are a number of degrees in these problems. Objectively analyzing this matter, from the moment that a stronger authority is lacking, a heeded personal authority in the situations, in the forms in which the policy of the United States is made, all these reactionary forces may find a magnificent opportunity, and as a matter of fact they are already finding a magnificent opportunity, to unleash their unbridled and ultrareactionary policy. These could be the sectors, the currents, the only ones who will emerge benefited by an event such as the one that took place in the United States yesterday. Well and good, this is analyzing the automatic results of that event.

Aside from other aspects of the problem, what is there behind the assassination of Kennedy? What were the true reasons behind the assassination of Kennedy? What forces, factors, circumstances, moved behind this unexpected, surprising event which took place yesterday? It was a report that absolutely surprised the entire world. It was something that had not even entered anyone's mind. As yet, at this precise moment, there is nothing that is absolutely clear. At these moments there are many things that are unclear and many confusing things about the incidents which led to the assassination of the President of the United States. There are some other things which are obvious symptoms of all that I was saying previously that the most reactionary forces are breaking loose within the United States.

For example, the worst symptom is the use they are making of the event to unleash within the United States a state of anti-Soviet and anti-Cuban hysteria. That is in the first place. That means that the new administration taking possession can find itself faced with a state of hysteria unleashed within the United States, precisely by the most reactionary sectors of the country, the most reactionary press of the country with the powerful resources that powerful political currents have within the United States that means that they are already combining to create a picture in the mind of United States public opinion and the worse aspect of it is that they are creating a campaign of the worst McCarthyite spirit, of the worst anticommunist spirit.

When the assassination of President Kennedy took place the thing that passed through the minds of the immense majority of people and, certainly, through the minds of the immense majority of North American citizens--and logically so--was that the assassination of President Kennedy was the work of some of the elements that disagreed with his international policy, that is, his nuclear pact policy, his policy toward Cuba which they did not consider aggressive enough but weak, his policy on civil problems of the United States. Not many days ago United States representative Stevenson, in the city of Dallas, was attacked by ultraconservative elements of the John Birch Society and counterrevolutionary elements conspiring with them. That deed caught the attention of the entire world. I even wondered what degree of reaction those people had reached when they believe that Stevenson deserves to be attacked over his international policy. As reactionary as the international policy of the United States has been there are elements who physically attack Stevenson because they feel that it is a weak and bad policy. That it is not sufficiently reactionary.

That passed through the mind of everyone. Did that, perchance, pass through the mind of a leftist? No, that did not pass through anyone's mind (as heard). Why? Because the polemic in the United States today, the furious polemic was being waged between the most ultrareactionary elements, the ultrarightist elements, and the most moderate elements of United States policy. The internal polemic was not characterized as the clash of the United States communists with the United States Government. It was characterized as the clash of the elements of the left or the elements of the liberals. This did not mean that the leftist elements supported the Kennedy policy, but the no-quarter struggle, the battle was being waged in the United States between the extreme right, the extreme reaction, and the most moderate elements in the Congress, the press, the streets, everywhere.

International tension had lessened considerably in recent months. These were not the months of the October crisis or the months after the October crisis. They were not the months when the cold war was more acute, more intense, the so-called cold war which many times approaches the hot war. No, the United States was not experiencing one of those periods of McCarthyism which are characterized by frenzied persecution of the most progressive elements of the United States.

No, there have been other periods in which that type of hard battle did exist, in which the struggle was waged by the reactions and the principal task of the reaction was the persecution of the progressive elements and in which it could be thought that those, who were being persecuted with blood and fire, a fanatic, persecuted because of his views, was capable of reacting in that manner. No, that period was not being experienced in the United States. It was not a period of frenzied McCarthyism.

It was a period of fierce polemic between the most moderate sectors, in which many of Kennedy's collaborators could be included, and the ultrareactionary sectors of North American society. That is why it was not logical or sensible for anyone to think that it could be a leftist fanatic. If it were a fanatic at all, it had to be a rightist fanatic. But of course... it was hardly possible that, in view of an event of this type, people as unscrupulous as are many North American politicians, people as immoral, as dishonest and shameless as are many of these elements that represent the reactionary, cynical sectors of the United States--warmongers, irreconcilable enemies of Cuba, supporters of the invasion of Cuba even at the expense of thermonuclaer war--it was hardly possible that they would not try to take advantage of these circumstances to turn all their hatred, all their propaganda, and their campaign against Cuba.

That did not surprise us. I have already said that we are accustomed to these things. The struggle, life, all this has made our people one, with nerves of steel, and a calm people. We have just survived the cyclone and we have faced the test in a worthy and honorable way. We have faced many tests in a worthy and honorable way. We foresaw that as a result of these events the cycle might begin again, the ambush, the Machiavellian plan against our country; that on the very blood of their assassinated president there might be people unscrupulous enough to begin immediately to draw up an aggressive policy against Cuba--if that aggressive policy were not previously linked to the assassination, if it were not linked because it might have or might not have. But there is no doubt that that policy is being built on the still warm blood and the still unburied body of their own president who was tragically assassinated.

They are people who have not one iota of morality. They are people who have not one iota of scruple. They are people who have not one iota of shame, who perhaps think that in the shadow of tragedy they can unsheath their daggers against our country, believing that they can take us unprepared, demoralized, weak, one of those beliefs into which the imperialists erroneously always fall.

Only yesterday at 1400, the first cable, (reads from paper) "22 November UPI"--and observe this, among the cable agencies there has been one that has been more moderate, more objective, AP, and there has been one that has been immoderately and wildly lying, brazen, shameless laying the ground for a campaign of defamation against Cuba: UPI, but wild, and not only this, before this there were some very interesting UPI reports, and a number of UPI campaigns, including some against President Kennedy himself, which link it with the ultrareactionary currents interested either in profiting from this situation for their hazardous and warmongering policy or because those circles have responsibility in the assassination of President Kennedy. And here we can see this clearly in the cables--"22 November UPI". The police today arrested Lee H. Oswald identified as the president of the Committee for Fair Play for Cuba as the primary suspect in the assassination of President John F. Kennedy." Immediately Cuba. Immediately the Soviet Union.

They have dedicated themselves to unleashing an anto-Soviet and anti-Cuban campaign. Cable: "The United States Embassy today confirmed that Lee H. Oswald was in Russia. An official of that embassy said that Oswald visited it in November 1959 and that according to available information, he left the Soviet Union in 1962. He added that it was not known when the suspected slayer of President John F. Kennedy had gone to Russia, the purpose of his visit, and how long his visit to Russia lasted. There were unconfirmed reports that Oswald requested Soviet citizenship but was unable to acquire it."

This means that the first cables already are trying to insinuate a Soviet responsibility and a Cuban responsibility. As if it would enter anybody's head who has two inches of forehead and a little commonsense that a government, the Government of the Soviet Union or the (snickers) Government of Cuba (leaves thought uncompleted--ed.)--and if they do not want to believe us let them not. That is the least of it.

Perhaps they think that we are overly hotheaded. Perhaps they think that they have committed many aggressions against us. Perhaps they have (word indistinct). But the Soviet Union, to insinuate that the Soviet Union could have had some responsibility in this. Could this be believed? To insinuate that we have (some responsibility--ed.). Could this be believed? Someone with two fingers of forehead, or with elementary commonsense, who knows when men are working for a cause and knows the paths through which a cause is carried to victory (thought uncompleted--ed.).

However this is the first thing that they could try to insinuate. To insinuate, just observe that cable. They did not know what the purpose of his visit was or how long his visit lasted to Russia. This was the first insinuation and that was what began to make the whole thing suspect, because there was the coincidence that the most unexpected thing, as unexpected as the vile assassination, that a culprit immediately appeared, what a coincidence! He had gone to Russia, and what a coincidence! He was linked with a Committee for Fair Play for Cuba. That is what they began to say. A culprit immediately appeared. A culprit who had been in the Soviet Union and a culprit who was a sympathyzer with Cuba.

Of course although it is extrordinarily difficult to fabricate a package of this nature, it is possible that they for the moment are not pursuing this objective: They are at this moment pursuing another objective, because it is impossible under any circumstances to invent any type of responsibility. They are pursuing the objective of organizing a campaign of hysteria, to arouse exitement, and unleash hysteria within the United States, an anticommunist hysteria, an antiprogressive hysteria, an antiliberal hysteria, an anti-Soviet hysteria, an anti-Cuban hysteria, that means hazardous hysteria, a reactionary hysteria, a warmongering hysteria within the United States, because if they had an atom of responsibility and seriousness or good faith they would not unleash a campaign of this nature as they have and as is seen in all the cables.

They began to declare: "22 November, UPI, the assassin of President Kennedy is a confessed Marxist who spent three years in Russia trying to renounce his United States citizenship but had a change of heart and obtained a return ticket to North America paid for by the United States Government." This was an insinuation by imputation against the Soviet Union. "He was identified as Lee H. Oswald 24 years of age, former marine infantryman and president of a Committee for Fair Play for Cuba." This was immediately after an imputation against Cuba. And in this manner they have begun all their cables. All of them of the UPI, all their reports. Through their reports they have repeated the same idea and the same thing 20 times using a well-known technique, at which they are very able, to insinuate what they wish to, to sow the suspicion they wish to sow on this matter, to defame the Cuban revolution, to defame the Soviet Union, to create a hysteria against our countries.

It says: "Oswald was captured in a gun battle when he hid in a movie."--they gave thousands of reports on this, many of them contradictory--"the police say that Oswald worked in the Texas School Book Depository building. After the crime the police found a Mauser rifle in the building." It tells where he was born, it says that on 30 October he appeared at the United State Embassy in Moscow, on 30 October 1959, "telling officials that

he wanted to renounce American citizenship. According to reports, he told the embassy officials 'I am a Marxist.' The FBI confirmed that Oswald went to Russia and requested Soviet citizenship. Oswald told embassy officials that he intended to tell Soviet authorities all he learned during the three years he was enlisted in the marines."

Notice, Oswald told Embassy officials that he intended to tell Soviet authorities all he learned during the three years he spent in the marines. "The embassy officials said that Russian never granted Oswald the citizenship he requested." They already have in their hands a real or false suspect. They have already manufactured their criminal, they already have him. Now listen and you will see the course being followed by this campaign. He told the officials that he intended to reveal all the secrets he knew . . . yes, I will refer to that later.

"In February of 1962 Oswald apparently changed his mind and returned to the United States. In the meantime he had married a Russian, (Marina Nocholeyevna--phonetic), a hospital employee in Minsk, who bore him a child." This man who is being accused of more than deserting, of spying, of confessing that he is going to give military secrets, returns calmly to the United States. It says: "Officials of the embassy reviewed his case. Since he had not been granted Soviet citizenship, it was decided to give him a passport for the United States." Can any one who has said he is going to reveal military secrets return easily to the United States without being jailed, without being tried, without being sent to jail?

It says: "The Government records show that he left Moscow with 435 dollars for expenses given him by the United States Government. This year Oswald requested another passport. He told the State Department that he wanted to visit England, France, Germany, Holland, Finland, Italy, and the Soviet Union. He said that he planned to make the trip in October of 1963 and December and January of 1964 (as heard). The passport was issued in New Orleans on 25 June but it is not known whether Oswald returned the money loaned him for his first return trip to the United States. If he did not repay it, the new passport should not have been issued him."

That is what they say. We are going to use their own reports. Here is another cable. "Dallas, November 22--President Kennedy died today, shot to death. The police arrested a Castroite North American because they consider him the prime suspect for the assassination."

A Castroite, Castroite. It comes out that the gentleman who murdered Kennedy is a Castroite. We know that there are very few Castroites, what they call Castroites, in the United States. They call Castroites--they hand the title of Castroite on anybody they feel like according to their propaganda and their affairs. Now we discover that yesterday he was a member of Fair Play in the first cable and now he is an American Castroite who on one occasion had tried to obtain Soviet nationality. Yes. That is the way all the cables are as you will see. "Kennedy, who was 46 years of age, was mortally wounded, etc." That was one cable.

Another one: "Dallas, 22 November UPI--The police today jailed Lee Harvey Oswald, a Marxist sympathizer of the Cuban Prime Minister, Fidel Castro." There is not one cable in which they have not begun to associate the incident, the name of the individual they declare is guilty, with the Cuban revolution, with the Soviet Union, with Fidel Castro, "Castroite, sympathizer of the Prime Minister, admirer of the Prime Minister."

Another one: "A sympathizer of the Cuban Minister Fidel Castro, who attempted to acquire citizenship in the Soviet Union, where he lived several years, denied all knowledge about the criminal assault. Oswald killed a policeman, and so forth." More: "Although Oswald who heads the Committee of Fair Play for Cuba, a pro-Castro organization in this city, acknowledged being the owner of the revolver which killed, and so forth." It is repeated in each of its parts.

This continues later, but the first strange thing that appears here is the lie that this gentleman was president of a Committee for Fair Play. A lie. We gathered all the reports, statements, publicity to see if there was a Fair Play for Cuba Committee in that area of Texas and New Orleans. They declared that this gentleman--where did they get this?--presented himself as the secretary of a sectional organization for the Committee for Fair Play for Cuba in New Orleans or Dallas. In some cables they say that in the month of August, in other cables that it was last week. That is what they declare. That is the origin of the so-called "pro-Castroite," and that there is a radio station he had defended the Cuban revolution. This is all strange. We had no reports of any statements of that type. But we looked for reports from cities where there were committees for Fair Play for Cuba of which we know: in New York, Los Angeles, Cleveland, Baltimore, Chicago, Tampa, Johnstown, Washington, San Francisco, Minneapolis, Philadelphia, and Detroit, and nowhere does there appear a Committee for Fair Play for Cuba in Dallas or New Orleans.

Good. Immediately, the national director of Fair Play for Cuba declared that Lee Harvey Oswald, prime suspect in the assassination of President Kennedy did not head any regular representation of that organization. He added that he did not recall that Oswald was ever president of a committee representation previously dissolved."

In Miami the Revolutionary Student Directorate (DRE) made up of anti-Castro Cuban youths declared that Oswald had been president of the Fair Play Committee in New Orleans and had debated on the communist conquest in Cuba with a representative of the DRE on a radio program. It is said: "According to the DRE Oswald attempted to infiltrate in this organization." Some other strange things begin to appear. It appears they say that this was an American Castroite who wanted to infiltrate into a Castroite (as heard, presumable meant "anti-Castro"--ed.) organization

And why the devil would an alleged sympathizer of the Cuban revolution want to enter any anticastro organization of pirates and that kind of element, without having any contact with us, without knowing anybody? What sense can there be in making anybody believe that an American wanted to infiltrate a Cuban (organization?)? He wanted to infiltrate; how queer. Because they are overinfiltrated with Americans and agents of the CIA and the FBI, no? because everything is proven, that is done over there by the CIA and FBI men.

And then they said something else. Here (presumably reads from news item--ed) it also says: the chairman of the national committee said: The Fair Play for Cuba Committee never has issued statutes for any city in either Texas or Louisiana. I can say that Lee Harvey Oswald has never been either secretary or president of any Fair Play for Cuba Committee in any U.S. city. You see. And yet, from the first they began spreading the poisonous idea through the world that a Fair Play for Cuba Committee was involved. Afterward other things appear. Later we will try to analyze, it may well be, is this the real guilty person or not, and we must confine ourselves to the same things that they say, and base our opinion on the things they say.

Well then. That was the 22nd. Now the 23rd. Dallas, 23 November; UPI; the procommunist Lee Harvey Oswald was today accused of assassinating President Kennedy. The police said the paraffin tests run of Oswald's hands gave a positive result, and showed signs of powder, and so-on. Dallas, 23rd, UPI; results are not known from the tests on Oswald's face. Such traces could be present only in case the suspect had fired a rifle.

In the first paragraph they say "procommunist." In the second paragraph they speak of something else. Third paragraph; Oswald, Marxist and sympathizer of the Cuban communist regime, ate a breakfast of oatmeal--that is, to tell what he ate for breakfast it repeats that he is a Marxist and a sympathizer of Fidel Castro's communist regime in Cuba. Do you understand? It is clear for those of us who know these people well; we are almost experts at knowing these shameless people. It says: he had a breakfast of oatmeal, apricots, bread, and coffee and sat down comfortably to wait for the authorities to go on questioning him.

Dallas, 23 November, UPI: The local police have proof that President John F. Kennedy was assassinated by the Castro-communist Lee Harvey Oswald, it was announced officially today. So then, he was assassinated by the Castro-communist. The man was no longer an American; it was no longer a marine taught to shoot and kill in the Marine Corps; it was no longer a marine whom they made an expert marksman and had at all the imperialist bases the United States has throughout the world; no. It was no longer even an American. He was a Castro-communist, even though we never in our life heard of him.

Just see how the propaganda works, and all (word indistinct) things. An American, legitimately American, born over there, educated by American society in American schools, seeing American movies, in the American armed forces, everything American. And now, he is not that in the dispatches. Now they call him the Castro-communist. Captain Will Fritz said he was sure and so on. That was yesterday. And today--no, that was today, in the afternoon, the Dallas police chief, Jess Curry, said today that Lee Harvey Oswald admitted that he is a communist. Now he admits that today. Yesterday he had admitted nothing, and now he turns up admitting that he is a communist. Curry added that Oswald admitted to police officials questioning him last night that he was a member of the Communist Party. Now the man is a member of the Communist Party, As the hours pass they find more and more names for him, true or invented, (few words indistinct).

So then, this is to say one obvious thing connected with the assasination is the launching of a campaign of defamation against the Soviet Union and Cuba, and a series of perfidious insinuations which for the time being have no purpose other than to repeat 1,000 times their scheme and their scurrility in order to create in the U.S. public mind, in the mind of the U.S. citizenry, a state of anti-Soviet and anti-Cuban hysteria. These gentlemen are staging a very queer scene, and a very queer game, and nobody knows what sinister plans may be behind it.

In addition, there is an official statement issued from the State Department, made public today, which says: State Department authorities said today they have no evidence to indicate that the Soviet Union or any other power is implicated in the assassination of President Kennedy. Lee Harvey Oswald, former marine who spent three years in Russia, has been charged with the crime. When Oswald, who is 24 (sic), went to Russia, he declared his intention of renouncing U.S. citizenship. At the U.S. Embassy in Moscow he said he was a Marxist. After changing his mind and returning to the United States last year, Oswald allegedly became a sympathizer of Cuban Prime Minister Fidel Castro.

So even in the dispatches announcing, where they issue a denial, they repeat. It says: The State Department authorities say they likewise have no evidence that Cuba is implicated in what Oswald may have done. Of course Cuba has no need for them to make excuses for her. She has no need for them to exonerate her, nor does she ask anybody to excuse her or forgive her or exonerate her, because the very idea that we might have to defend ourselves against such infamy is repugnant, it is repugnant in itself. We have no need for anybody to defend us or exonerate us.

But why does the State Department have to come out today with this statement? What does this reveal? It reveals, to the U.S. authorities themselves, to some people in the United States, the danger of the anti-Soviet and anti-Cuban campaign being waged by the most reactionary circles and the warmongering circles of the United States. That is, the State Department itself understands the danger of such a policy and the extremely perilous dead-end that such a campaign of slander and hysteria could produce for the United States. This shows that there are people in the United States who have realized the need to head it off. This does not mean the danger is checked, because what is behind the Kennedy assassination is not known. At present, it is not known what is behind the Kennedy assassination.

This statement does not halt the danger of what they can concoct there, but it does indicate that some people in the United States have understood the trend and the danger of such a campaign, and it indicates that in the United States there may be people who do not go along with that adventure, with that madness, and that foolishness that is being perpetrated in such an irresponsible, criminal fashion. The State Department has found itself obliged to head it off. That policy, that campaign, who knows where it leads. Other things have appeared, too, but all this is very mysterious.

Another dispatch; this one from the AP. It says: A letter from 1961--the UPI does not speak of this, because the UPI has oriented its campaign in just one direction, in one sense. But it is not just the UPI. Yesterday we were listening to U.S. broadcasts, and on the radio there was exactly the same comapign. The name of Castro almost appeared more than the name of this man they charge with the assassination; it was ceaselessly repeated over the radio and all that over there in the United States. Just see how those gentlemen operate and how much hatred they have for the revolution, and how should we not suspect that these these gentlemen are capable of anything, from the assassination of Kennedy to what they are doing right now, people motivated by such hatred and people who operate with such absolute lack of scruples.

Its says: A letter from 1961 found in Pentagon files causes doubts as to whether Governor John Connally of Texas, rather than President Kennedy, was not the chief victim in the plans of the murderer who shot both in Dallas yesterday. The letter, dated 31 January 1961, was written by hand from Minsk, USSR, by Lee Harvey Oswald, a former marine, who is charged with assassinating Kennedy and wounding Connally. Oswald came back a year ago, after spending three years in the Soviet Union. The letter was addressed to Connally, then secretary of the navy, asking revocation of Oswald's undesirable discharge.

But the request was not granted, and if he is proven to be the man who shot Kennedy and Connally the question might arise as to whom he had the greater motive for wanting to kill. A copy of the letter from Oswald was sent to the then Secretary Connally, who left the department on 20 December 1961. He replied to Oswald briefly on 23 February 1962 informing him that he was no longer with the Navy and had referred his letter to the new secretary. A copy of Connally's letter was sent to the new secretary, Fred Korth, who referred it to the marine (word indistinct). From there it was sent to a Marine Corps appeals court, which confirmed the undesirable discharge. Oswald's letter maintained that type of discharge in his case was a gross error and an injustice.

Here are other dispatches talking about a threat--dispatches saying that in the letter he threatened the then secretary of the navy with using any means to avenge himself for the injustice. And that secretary of the navy was the man who was with Kennedy. So, they have taken it on themselves to offer another possible version.

Here is a statement which says that District Attorney Henry Wade said today that he was certain that he will obtain the death sentence for Lee Harvey Oswald, the former marine, who has been formally charged with the assassination of President Kennedy, according to the U.S. news agencies. The report adds that Wade has acted as attorney in 24 murder cases, and he obtained the death sentence 23 times. It looks like this attorney general is a henchman. He obtained a life sentence for the other case.

Wade said that he had material proof against Oswald, but he would not say what the charges are. He added that it has not been established that the Mauser discovered was the crime weapon. During the questioning Oswald denied any participation in the assassination. Yesterday Capt. Willy Fritz, chief of police of Dallas, spoke to the press and said that he was of the opinion that Oswald killed President Kennedy, and that for him the case is clear. Now here is data as to the identity of the man they are accusing. However, we do not want to speak about a campaign which the UPI, the news agency, the UPI (he does not finish the sentence--ed.). Let us take a look at these notes. Well, now.

It so happens that these events took place just when Kennedy was being severely attacked by those who thought that he was pursuing a weak policy toward Cuba. It is not we, but precisely the enemies of the revolution, the interested people, and the enemies in general of a more moderate policy, of a less belligerent policy, the enemies of such a policy, who could have been the only ones interested in President Kennedy's death, and the only ones who may have been pleased to hear the news of President Kennedy's death.

Several days ago my attention was drawn by an incident which happened during the IAPA conference, a scandalous thing, because several governments were severely attacked, crudely attacked--such as the Government of Brazil, by a certain Mezquita, who said horrible things about the President of Brazil, and even mentioned and advocated a coup in Brazil. Statements were also made against other Latin American presidents there in the United States.

I noticed that the cables carried long articles with a whole series of opinions against Kennedy's speech in Florida. Kennedy's speech in Florida was disappointing for an entire group of elements who favor an aggressive policy against Cuba. It was disappointing to the revolutionary elements, and it was disappointing to the U.S. warmongering circles. That is the way many cables ran. Here is one: Miami, Florida. It was in vain that the exiles this evening waited for President Kennedy to make a definite promise that he would take strong measures against Fidel Castro's communist government, thus, it was in vain that they expected a definite promise this evening. Many of them met in the office of the revolutionary organization and in homes to listen to Kennedy's speech on the radio, as translated in Spanish over the exile radio.

They heard the President say that we on the continent must use every resource at our disposal to prevent the establishment of another Cuba on this hemisphere. They did not tolerate the reference to preventing the establishment of another Cuba. They thought that it implied the idea that a Cuba does exist. Many exiles had hoped for a stronger statement to rid Cuba of communism. Nevertheless, some were certain that the U.S. Government was taking action against Castro in a secret war of infiltration which can not be revealed. The report says that thousands of exiles attended an open air meeting on the eve of Kennedy's arrival and listened to criticism of what they called a weak U.S. policy toward Cuba.

Jose Ignacio Rivera, director in exile of the DIARIO DE LA MARINA--is it still alive there?--Havana's oldest newspaper, and Emilio Nunez Portuondo, the chairman of the U.N. Security Council, asked for more positive action by the United States. Rivera, a member of the Inter-American Press Association, at which Kennedy spoke, expressed doubts about a sinister intrigue among international politicians. (word indistinct) an intrigue, because they wanted to co-exist with us.

Nunez Portuondo also said at the meeting that the U.S. weak policy toward Cuba and toward other American nations is an international disgrace. Said Rivero, Ignacio Rivero--of LA MARINA and you all know what it is: ultra-ultra, and has to be connected with the ultra-ultras of the United States--said (does not finish this sentence--ed.) They openly said that the U.S. weak policy toward Cuba and toward other American countries is an international disgrace. See, how irritated they were toward the U.S. Government, toward Kennedy's policy.

Here is something else: the Latin American editors and directors in general applauded President Kennedy's speech this evening, however many thought that he had not adopted a strong enough position against Fidel Castro's communist government. Thus the UP and AP reports say that there, where the representatives of the most reactionary press in and outside the United States met, many thought that he had not adopted a sufficiently hard attitude toward Fidel Castro's communist government. Agustin Navarro of EL ESPEJO of Mexico said that the speech was extremely weak and that the President's statements on Cuba were not enough.

See, it is not only the U.S. gorillas, but their partners, the little gorillas of Latin America, who dare to protest and to criticize the U.S. police even while in the United States. The least they could be expected to do is to shut up. But no, they feel they have the right to assume the position of the U.S. ultra-deluding elements and of the gorillas. He added that it is necessary to ransom Cuba now under Fidel Castro--must be ransomed and the status quo must not be maintained. They are against any coexistence.

Other owners of Cuban newspapers in exile spoke in similar terms. (Castro shuffles papers--ed). A series of dispatches started to arrive here. (Castro reads one--ed.) the president of the Cuban Medical College in Exile, Enrique Huerta, said that his (Kennedy's--ed.) speech does not clarify any of the basic issues connected with the Cuban problem, and launched a unanimous attack, a unanimous criticism against Kennedy. (Castro shuffles papers again--ed.). Well not only Latin American but many American editors, too.

Here we have one--New York, October 29, ASSOCIATED PRESS, the DAILY NEWS says in today's editorial that President John F. Kennedy seems to be concerned, among other things, for the presence of a communist Cuba and for the fact that scores of Americans are still infuriated, still infuriated, or alarmed because of the existence of this Kremlin beachhead in the American continent. Referring to the speech delivered by the president at the Inter-American Press Association meeting on Monday night, the editorial recalls that Kennedy urged the Cuban people to overthrow Fidel Castro, and that once this was done, the American people would gladly help the regime which takes over.

The daily continues: The problem is that the weak policy followed by Kennedy's government in connection with Castro--an aftermath of the policy followed by his predecessor Eisenhower--made it possible for Castro and Khrushchev to turn Cuba into a police state, in which the people practically have no hopes of rising successfully without help from the outside.

The newspaper continues: Kennedy now refuses to permit the Cuban exiles to launch attacks against Cuba from U.S. territory. In fact, he uses the nation's air and naval power to maintain Castro in power. See what some gorillas think; see what some ultrarightists think. And see if there is any difference between thinking along this vein and assassinating their president--assassinating a president. The difference between thinking along these lines and taking advantage of their president's assassination to carry out that policy. Because here we have absolutely no doubt. (loses through here--ed.) See what some reactionary circles thought of Kennedy.

It says: Kennedy now refuses to permit Cuban exiles from launching attacks against Cuba from U.S. territory, and in fact, uses the nation's air and naval power to maintain Castro in power. They accuse Kennedy of using the air and naval power to maintain Castro in power. There is quite a difference, the newspaper says, between this attitude and the bold words uttered by Kennedy in connection with Cuba during the 1960 presidential campaign. We doubt that many voters were confused by President Kennedy's views in reference to Cuba expressed day before yesterday.

The newspaper says many voters were not confused, and that is not the same as was said before. That is, a current of unanimous criticism was being observed against what the ultrareactionary sectors--considered a soft policy against Cuba. And that is the way this people think. Well, dispatches on top of more dispatches. Because they never wrote so many dispatches.

It is strange that news agencies gave a tremendously wide coverage to all criticisms made against Kennedy for his Cuban policy. UPI publicized these reports as never before. And all of these articles reported criticisms against Kennedy because of his Cuban policy. It says: Miami Beach, Florida -Today, six editors of Latin American newspapers criticized Kennedy's weak stand in the liquidation of Castro's communist regime in Cuba while expressing their negative opinion on his speech at the Inter-American Press Association. Julio Mesquita Filho, a shameless reactionary, who spoke there against the Brazilian President, who staged a campaign against Brazil, and who advocated a reactionary and fascist coup against Brazil. It says, pay attention, Julio Mesquita (Filho?), editor of ESTADO DE SAO PAULO who yesterday moved the IAPA editors with his analysis of the economic and political situation in his country, said that the United States made a mistake in not recognizing in time the danger which Cuba posed for all the continent.

Mesquita advocated collective armed action by the hemisphere in Cuba, because "I am a defender of the nations' self-determination." That Mesquita, Mosquito, Mezquino (watchea--ed.), all the same. See how reactionary he is. However, the Brazilian editor underscored the way President Kennedy conceived the hemispheric agrarian problem, and said that the agrarian problem could not be measured with the same yardstick in all of the hemispheric nations. Why? because he represents the oligarchy, the latinfundium. in Brazil. And as I was referring precisely to a gamut of currents, Kennedy's policy. promoted a type of agrarian reform which is not revolutionary, which is not revolutionary, but which clashed with oligarchic interests.

It is very strange that in the days prior to Kennedy's assassination, a coincidence of opinions is noted as never before among reactionary sectors within and without the United States--the campaign waged at IAPA (against?) that, the coincidence of unanimous and aggressive opinions in reference to a series of issues connected with Kennedy's international policy. And he (Mesquita--ed.) speaks here of Kennedy's way of conceiving the agrarian problem. That is to say, (he was speaking for--ed.) groups of ultrarightist and oligarchic gorillas from within and without. Then this man continues to expound his anti-Brazilian policy.

Then in conclusion, he said something quite interesting, very interesting, very odd, which called my attention when I read it. For that reason, I remembered about it and looked up the papers. He says: The third editor to express his opinion was (Sergio?) Carbo, a famous man whom you all know, director of what--it is scratched out here--it seems that, what is that called (addressing question to someone in the audience--ed.). Teleprinter (someone answers--ed.). We can't call that in Spanish--teleprinter went haywire, who (Castro picks up the thought concerning Carbo--ed.) referring to President Kennedy said: "His speech did not give a categorical conclusion." Carbo emphasized that he is the director of executive council, director of the executive council of the Inter-American Press Association--a very important post within all intellectual sectors of the reactions and oligarchy--that no strong statements were made in favor of Cuba's liberation, like those made in previous speeches by President Kennedy, especially the one he delivered after the heroic Playa Giron battle--the heroic battle where everyone ended up by surrendering and becoming a prisoner.

While forcasting the crisis of the communist regime in Cuba he added: "In Cuba the situation borders on insolubility in economic, political and international (matters--ed.) as Castro is not even good business for Russia. But the most important of all--see how the statements of the man who fills an important post in intellectual circles of the reaction within the U.S. and without, as director of the executive council of the Inter-American Press Association, end. See how his statements end--and that was what called by attention--the editor of the intervened Havana daily ended by saying: "I feel that a serious event, which will happen soon, will force Washington to change its peaceful coexistence policy. What does that mean?

What did this man mean--three days before Kennedy's assassination? What did this man, who holds an important post in the ultrarightist circles within and without the United States--director of the IAPA executive council--mean to say? He says this in a dispatch which does not come from PRENSA LATINA. In this case, the dispatch was filed by ASSOCIATED PRESS. The dispatch is dated on the 19th ASSOCIATED 254. What does that number mean? (asks someone in the audience--ed.) sequence number (answers someone in the audience--ed.). A dispatch dated on 19 November--three days before Kennedy's assassination--Miami Beach, referring to this man, said: "The intervened Havana daily editor said: "I feel that an serious event, which will happen soon, will force Washington to change its policy of peaceful coexistence." What does this mean, three days before Kennedy's assassination? Because when I read this dispatch, it called my attention, it intrigued me, it seemd odd to me.

Was there an understanding, was there a thought, was there a plot in the reactionary circles in which the so-called Kennedy's Cuban soft policy was fought, in which the policy connected with the cessation of nuclear tests was fought, in which the policy on civil rights was fought, in specific circles--civilian and military--in the most reactionary U.S. circles? Is it not possible that a plot against President Kennedy's life existed among these circles? How odd that President Kennedy is assassinated when there is unanimous concert of opinion on several aspects of this policy--a furious criticism against his policy. How odd. And this man, who now appears guilty, who was he, who is he?

Is he really guilty? Is he a scapegoat? Is he a psychopath, ill? That is, is he a sick man? He could be one or the other. Or is he perhaps a tool of the most reactionary U.S. circles; who is this man? Why did he go into action precisely when surrounding circumstances were least favorable for a leftwing fanatic to assassinate the U.S. President? They were the least favorable circumstances. And if the circumstances for an attempt at this assassination by the reactionary and the rightwing circles of the United States. (sentence as received)

Here is an item from the New York TIMES. The New York TIMES reports on Oswald and says that last July he made efforts to become a member of the so-called directorio--just see what the TIMES reports, the New York TIMES. It reports that last July he made efforts to become a member of the so-called directorio estudiantil de Cuba (Cuban student directorate), attempting to take part in the plan to overthrow the revolutionary regime of Fidel Castro in Cuba. Now it was no longer Castroites. Now, according to the New York TIMES, he had made moves to become a member of a counter-revolutionary organization to overthrow the Cuban revolution. The paper cites sources among Cuban refugees in New Orleans and Miami as its basis for this report. According to the report Oswald returned to the United States 18 months ago after two-and-a-half years in the Soviet Union, where he tried vainly to obtain Soviet citizenship.

Oswald returned, thanks to a loan of 435.71 dollars from the U.S. Government. He obtained it after having appealed to Republican Senator John G. Tower of Texas. That is, he comes back from the Soviet Union on money from the U.S. Government, thanks to the intercession of a Republican Senator from Texas. Oswald currently had a U.S. passport, which he obtained on grounds that he is a photographer and wanted to make a trip abroad in October, November, and December of this year, to visit the Soviet Union, Holland, Britain, France, (Finland?), Italy--very queer, isn't it?

Since he was arrested in Dallas as a suspect the U.S. radio and television have been stressing that Oswald is president of the Dallas charter of the Fair Play for Cuba Committee. In this city, questioned about this point, Vincent Lee, executive secretary of the Fair Play for Cuba Committee, denied that Oswald was any such thing, and said that the organization has no chapter in Texas.

In explaining Oswald's contacts with the Cuban counterrevolutionaries, the New York TIMES says that Jose Antonio Llanusa, spokesman for the so-called Cuban student directorate, said in Miami that Oswald approached the anti-Castro group's delegate in New Orleans last July.

So then, Jose Antonio Llanusa, spokesman for the so-called Cuban student directorate, said in Miami that Oswald approached the delegate of that anti-Castro group in New Orleans last July. Llanusa, the TIMES continues, said that Oswald declared he wanted to help the Cubans in their battle against communism and that he offered a donation of 10 dollars and his aid in giving military training for an invasion. The delegate of the aforementioned counterrevolutionary organization, Carlos Bringuier, told the TIMES that at first he was suspicious of Oswald, "But frankly, I though he might be an FBI or CIA agent trying to find out what we were doing."

Here we have Cuban counterrevolutionaries saying that when he tried to join their organization they did not accept him because they thought he was with the CIA or the FBI and was trying to find out what they were doing. How odd. And this is not what they print, but "pro-Castro, Castroite, procommunist, admirer of Fidel Castro, sympathizer of Fidel Castro's." And here it turns out that he tried to join an organization and was rejected because they thought he was with the FBI or the CIA. They must know, because they have many dealing with them, what FBI and CIA agents look like.

But as of now, without our making any affirmation, because we cannot, because he can just as well be guilty as innocent; we cannot say; he can be an agent for the CIA or the FBI, as those people suspected; he can be a tool of the most reactionary sectors who may have been hatching a sinister plan, who may have plotted the assassination of Kennedy because they disagreed with his international policy; or he can be a sick person, being used now by the reactionary sectors of the United States.

But there are a number of queer things about this man whose guilt is assumed, who presented himself to counterrevolutionary organizations to join them; and yet afterward they say he was seen distributing pro-Castro propaganda, they say he appeared on television. How queer, is it not, since he lacked personality, because in the White States radio and television stations do not call just anybody in from the street and put him on. Much less do they call people from the Fair Play for Cuba Committee to make propaganda for Cuba. No. They shut the doors of newspapers, they shut the doors of the radio and television stations to those people. How odd that this Oswald, who first tried to join a counterrevolutionary organization, should now be given the facilities of television to defend us. How odd! How odd

that this former member of the marines should go to the USSR; should want to become a Soviet citizen, and not be accepted by the Soviets; should say in the U.S. Embassy that he intends to reveal all the secrets he learned in the service to the Soviet Union; and that despite that statement he should be given passage home by a Texas Republican--Texas is considered, as is stated here by the--(Fidel rustles through papers, fails to find what he wants--ed.)--they themselves consider Texas--it seems a paper will not turn up--but there is a dispatch here in which they themselves say that Texas is the bulwark of reaction, Texas is the bulwark of the reactionary spirit.

And yet this man, who says at the embassy, who states at the embassy that he intends to reveal the secrets he knows to the Soviet Union, comes back afterward with money provided thanks to the intercession of a Republican senator from Texas. He returns to Texas and finds work. How odd all this is! He is not tried, he is not condemned. He is given money to return. He is supported by a Texas senator. And afterward they give him a passport again so he can leave the country. How queer this is!

What is behind all this? What sinister maneuver are they hatching behind all this? Who can be responsible for the assassination of Kennedy, and who benefits from that assassination? Who could be the only ones benefited by the assassination? Those who favor an invasion of Cuba? Those who favor a brink of war policy? And those who favor war? enemies of peace, the enemies of disarmament? The worst enemies of the rights of U.S. Negroes, the worst enemies of progressive elements and liberal thought in the United States.

Who can benefit from this, from this act, this assassination except the worst of reaction, the worst elements of North American society? Who could be the only ones interested in this assassination? Perchance a true leftwinger, a leftwinger, a leftwing fanatic, at a time when tension had decreased, when McCarthyism was being left behind or had at least moderated, when an agreement was signed for a halt to nuclear testing, when speeches were being made pointed out as soft on Cuba?

These are a few dispatches (since?) the appearance. Here it says, and they begin to (word indistinct) more things. By Arthur (Evers--phonetic), Dallas, Texas: All his life he has been a solitary fellow, introverted, with communist ideas, but he was not considered a trouble-maker; in the depths of his inverted personality, there was ingrained a (leaning?) for a foreign ideology enunciated a century ago by Karl Marx. That is the picture that emerges today of Lee Harvey Oswald, 24 years of age, who is accused of an infamous historic deed in the assassination of President Kennedy yesterday. Police Chief Jesse Curry said that Oswald admitted willingly--admitted willingly--that he is a communist.

How odd! such contradictions! He does not confess that he committed the assassination. It is supposed that a fanatic, if he commits such an assassination, will say so, or as some one said, fanatics fired their revolver in the presence of everybody, fanatics fired their revolver in the presence of everybody (repetition by Fidel--ed.), they would go out to meet the procession with a revolver. It is a strange case of fanaticism, for a man to deny he committed the assassination, while on the other hand he willingly admits that he is a communist, as the dispatches say. Apparently he is proud of being one, Curry added. He makes no effort to hide the fact.

These are new things. They did not appear yesterday; they are from today. Although he has been charged with the assassination, Oswald has resisted every effort by the authorities to make him confess and has told newsmen: I did not kill President Kennedy; I did not kill anybody.

What kind of person was Oswald before his arrest? He was born in New Orleans, 18 October 1939. "My father died before I was born," he said. His widowed mother took the family to Fort Worth. A Fort Worth policeman, who asked that his name not be revealed, said he has known Oswald since both were in the fifth grade, until he entered the Worth High School. The policeman (word or two indistinct) recalled the following: He was always opposed to any kind of discipline; he seemed to have something against the people there, against all authority; he never was like the other boys; he hardly associated with the others, but he did not look for trouble; in high school he talked a lot about how things should be.

Oswald said he began getting interested in communism at the age of 15, when a Marxist leaflet came into his hands. Later he read Das Kapital by Karl Marx, the bible of communism. At the age of 17 Oswald quit his studies 23 days after entering high school and wasted no time in joining the Marines. His military career was a failure. Twice he was brought up before a court martial for violating regulations. His skill was that of electronics operator. He served in Japan but never rose above private first class. His career in the marines came to an end 11 September 1959, when he was discharged to help provide for his mother. He was put on active reserve duty, but later they discharged him dishonorably.

A month later Oswald arrived in Moscow, 30 October 1959, at the U.S. Embassy, and announced his intention of renouncing U.S. citizenship. He told the officials, "I am a Marxist." In February 1962 after studying his case they came to the conclusion that he had not become a Russian citizen, and upon his request he was given a U.S. passport, and lent funds to return home.

Upon his return to the United States he went to his home town of New Orleans. Last June he requested a passport to return to the Soviet Union.

He offered himself (does not finish sentence) meanwhile he was involved in an argument with an anti-Castro Cuban by the name of Carlos Bringuier who said: He offered his services as a Marine to train Cubans for an invasion. From the beginning I was suspicious of him. Frankly, I thought he may have been an FBI or CIA agent trying to get into the country and find out what he were doing. Thus, this is more or less what I have read here. So, already, new ingredients appear. Finally, this is an entire chain of propaganda distributed in small doses: first he belongs to the Fair Play for Cuba Committee, which is not true; then he had been to the Soviet Union; and there follow an entire series of insinuations and a serice of cables; and today not only is he a communist, but he is a willing communist; he admits it. Finally, all this is very strange.

The shots were fired not as fanatics would do. Everything is characteristic, like a ring on a finger, of the worst U.S. policy. It all seems to have been created expressly for this. It seems that the (individual?) was expressly fabricated for definite purposes, to create hysteria, to unleash an anti-Soviet, anti-Cuban, anti-communist, anti-progressive, and anti-liberal atmosphere in the United States; to get rid of a president whose policy violently clashes with the policy advocated by the most reactionary circles following the argument of the nuclear test ban, following certain speeches which were unanimously opposed because they were considered to represent a weak attitude toward Cuba.

What could have been the motives for the assassination of President Kennedy; what could be behind all this? We cannot tell. We have nothing upon which to base a judgement. Both the personality of the individual is suspect, as is the propaganda. Everything is suspect. We cannot categorically declare what is behind all this, but we do say that it is suspect, that we must be cautious, and vigilant, and alert. It may be a case of an innocent person turned into a scape-goat in a well prepared plan, by people who know how to prepare such plans. He may be sick, in which case the only honest thing to do was to have him examined by the doctors, and not to wage an entire campaign which would endanger peace and the world.

Perhaps he is an instrument very well chosen and well prepared by the extreme rightwing, by the ultraconservative reactionaries of the United States, for the definite purpose of getting rid of a president who, in their opinion, was not pursuing a policy they felt was necessary, but rather a more belligerent, more aggressive, more adventurist policy.

And all people, not only those in Cuba, but everywhere, including the people of the United States, must demand what is behind Kennedy's assassination. It is in the interest of the people of the United States and of the entire world to know, to demand what is really behind Kennedy's assassination, and to have the facts explained.

As to whether the man is innocent, or a sick man, or an instrument of the reactionaries, the agent of a macabre plan to pursue a belligerent and aggressive policy in order to place the U.S. Government at the mercy of the most aggressive circles, of the monopolies, of the militarists, and of the worst agencies in the United States, we must demand this in our own interest and in that of the people of the United States, and we expect that the intellectuals and the lovers of peace to understand the seriousness of such a policy, of such a campaign, of such a nature, and the turn which events are taking, and the dangers which maneuvers of this type, a conspiracy of this type, a Machiavellian policy of this type can mean to the peace of the world.

This is the analysis and views which we really wanted to express, to present the opinion of our party and of our government in order to guide the people; to present things objectively as they are; to tell of the strong antagonisms which existed between ourselves and the U.S. Government, and what was more moderate, less belligerent, and less aggressive than the policy advocated by other U.S. groups, so that as revolutionaries, as conscientious men and women, we can analyze such problems--difficult problems, delicate problems, and complex problems.

Because the policy of a country like the United States is very complex. Numberless factors enter into the formulation of policy in that country--often times contradictory factors. But there is no doubt that the things we have been mentioning about the campaign are some of the means, immoral means to be sure, through which a policy is formulated. What are these circles trying to do? Impose a new policy on the new administration. What are these circles trying to do? Place before the administration a fait accompli, to place before it a public opinion exasperated by propaganda, by the campaigns, to place before it a public opinion moved by deep hatred towards the Soviet Union, towards Cuba, towards progressive ideas, and even towards liberal ideas. That campaign tends to place the United States in the worst international positions, in the most reactionary international positions, and that, to be sure, is a serious and grave threat for peace.

We do not worry for ourselves; we worry more than for our own selves, we are concerned for humanity's interests. We know that the fate of our country depends also on the fate of all humanity, that the fate of our country is closely related to the fate of humanity. We do not fear for ourselves. We are and will always be calm. We are concerned for peace; and we are concerned with calling attention to these events.

We are concerned with pointing out the dangers posed by these events. We are concerned with the people being oriented and calm as ever, firm as ever, and ready as ever to defend the revolution, ready as ever to defend the homeland, with the morale as high as ever--as high as the Turquino, as Camilo once said--to be always ready, attentive and vigilant in view of the snares, in view of the dangers, whatever they may be, whether they be of greater or small degree, whether these campaigns be infamous, whether these campaigns be criminal. Let the enemies of the homeland know that they will also find us determined, alert, and that they will always find us with head high, ready to fulfill our slogan: fatherland or death, we will win!

STATEMENT BY CUBAN U.N. REPRESENTATIVE

Havana in Spanish to the Americas 1400 GMT 23 November 1963--E

(Text) Ambassador Carlos Lechuga, Cuba's permanent U.N. representative, issued the following statement last night in connection with the death of U.S. President John Kennedy: "Despite the antagonisms existing between the U.S. Government and the Cuban revolution, we have received with deep displeasure the news of the tragic death of President Kennedy. All civilized men will always grieve over events such as this. Our delegation to the United Nations wishes to say that this is the feeling of the people and the Government of Cuba.

HOY Editorial

Havana in Spanish to the Mediterrancan 1925 GMT 25 November 1963--E

(Excerpt) Today, the newspaper HOY publishes an eight-column headline on its first page saying: "All Peoples Should Demand that the Case Surrounding Kennedy's Death be Explained." HOY also publishes a smaller eight-column headline stating: "We Must be on the Alert, the Case Is Serious and Bad, said Fidel." Both statements were made by Premier Fidel Castro while appearing on radio and television last Saturday to explain--or rather to clarify--to the Cuban people all of the malevolent interpretations and possible causes for President Kennedy's assassination--serious charges which U.S. news agencies and warmongering and ultra-conservative circles insist on linking with Cuba.

HOY's article echoes Fidel Castro's denunciation over the cynical anti-Soviet, anti-Cuba, antiprogressive, and anti-liberal campaign unleashed by U.S. bellicose and ultrarightist circles because of the suspicious murder of President Kennedy, whom the most rabid elements such as the worms and southern fascists fought with great ferocity.

YOUTH RALLY IN MEMORY OF
PRESIDENT JOHN F. KENNEDY
11/26/63 AT SEATTLE

On November 26, 1963, [redacted] advised meeting of King County Youth Club (KCYC) of CP was held evening of November 22, 1963, at residence of [redacted] Seattle. Informant's report stated in part:

"Before the meeting began, there was discussion of the death of President Kennedy. The attitude of those present was that it was a shocking and sorrowful event. [redacted] remarked that he believed that everyone found it difficult to absorb the fact that it had actually happened. All agreed that it was entirely possible that LEE OSWALD had committed the assassination. [redacted] said that he, OSWALD, was probably a Trotskyite. [redacted] categorized him by saying that he was a FPCC member - [redacted] tone was derogatory. [redacted] said that OSWALD was a nut. The group felt that OSWALD's political beliefs would afford the ultraright an excellent opportunity for further attacks on the left. They expressed distress over this possibility. [redacted] said

that the hope at first had been that it could be shown that the ultra-right was behind the assassination and that this would greatly hamper the ultra-right's effectiveness. She said that if OSWALD were found to be guilty, the opposite would occur. Later on during the meeting, one of the club members remarked that the government had found a man to blame for the shooting and was only too happy to stop searching regardless of whether OSWALD was guilty or not.

"There was some discussion of the possible effect of having JOHNSON become President. Most members of the club felt that he could be pressured to carry on KENNEDY's program. [redacted] expressed this type of feeling. It was agreed, however, that the civil rights movement may be set back under JOHNSON's direction.

[redacted] said that [redacted] had stopped by before the meeting began. He came to tell the club members that the campus section was having its meeting that evening at [redacted] and that they would be planning a demonstration in respect for the late JOHN KENNEDY and as a plea to LYNDON JOHNSON to carry on KENNEDY's program. He invitied all the non-campus club members to come to their meeting after they had finished to discuss plans for the demonstration. In discussing this, non-campus club members said that they felt that such a demonstration may prove to be a way to unite civil rights, peace and labor people in a way that had never before been possible. They hoped for a massive turn out. At this time, the date which seemed to be projected was about two weeks away."

[redacted] are all identified by [redacted] as current active members of the KCYC of the CP.

On November 25, 1963, [redacted] reported on a visit at [redacted] residence, November 22, 1963, prior to above meeting at which time a brief conversation was carried on regarding the death of the President and "how stupid it was for someone from the left to do it." [redacted] left [redacted] and about 11:30 PM attended a meeting at residence of [redacted] where the main

topic was how to organize the demonstration referred to above by [redacted] It was agreed that some should contact "interested progressive people" [redacted] was to contact a preacher named "MINAO." Others were to find interested people in the Democratic Party and young Democrats. The early part of the week was considered the best time for the demonstration although it might be held as late as Friday.

In connection with the above, the Seattle Post Intelligencer of November 26, 1963, carried an article on Page 20, Columns 1 & 2, announcing a youth rally in memory of the late President JOHN F. KENNEDY to be held at 5:30 PM, November 26, 1963, outside the Federal Court House. The article stated in part:

"Purpose of the rally is to "renew dedication to his (Mr. KENNEDY's) plans and hopes for the future of our world," and those attending will be able to contribute toward a JOHN F. KENNEDY Memorial Scholarship Fund for Seattle high school students who might otherwise be unable to attend college.

"The rally is sponsored by a youth committee representing the following organizations:" (Listed are various groups, including University of Washington, Young Democrats, Student Peace Union, and the church groups.) The article noted that Rev. MINEO KATAGIRL, Campus Minister of the United Church of Christ, was planning the program. Speakers included:

> "The Rev. JOHN A. ADAMS of the Central Area Coordinating Committee; FRANK HANAWALT, principal of Garfield High School; FRANK DOOLITTLE of the UW Young Democrats, and EDDIE GIVENS of the Central District Youth Club."

Of the above, [redacted] is noted as an active member of the KCYC of the CP who was reported by [redacted] as in attendance at the November 22, 1963, meeting.

SE 100-25998

Attached hereto is a Bureau-approved characterization of the Central District Youth Club (CDYC).

Above rally was held on 11/26 as scheduled with no violence or other acts of significance reported.

APPENDIX

CENTRAL DISTRICT YOUTH CLUB

On June 19, 1963, a source advised there was held a meeting of the King County Communist Party Youth Club (KCCPYC) in Seattle, on June 16, 1963. During the meeting, it was stated [redacted] had helped organize an Ad Hoc Committee which, at its last meeting, had decided to call itself the Central District Youth Club (CDYC). On July 9, 1963, this source named [redacted] as members of the KCCPYC who were also members of the CDYC.

A second source on September 5, 1963, furnished a leaflet distributed at a CDYC meeting on September 4, 1963, which named [redacted] as Chairman and [redacted] as Vice-Chairman of CDYC.

ASSASSINATION OF
PRESIDENT JOHN F. KENNEDY
NOVEMBER 22, 1963,
DALLAS, TEXAS

On November 26, 1963, [redacted] furnished the following information concerning Lee Harvey Oswald and his wife:

[redacted] does not believe the Soviet Government had any knowledge of Oswald's plans to assassinate President Kennedy; however, he does believe that Oswald and his wife had some connection with the Russian intelligence service. He said the Soviet Government undoubtedly has a file on Oswald and feels that it should be requested to furnish information regarding Oswald's activities while in the Soviet Union. Normally, when an individual leaves the Soviet Union and has been working for the government, he would be furnished some clothes and transportation expenses to his destination. Since this was not done, [redacted] feels that Oswald's departure from the Soviet Union was planned by the intelligence service. Oswald must have been investigated upon his arrival in the Soviet Union and probably lived in Moscow while he was undergoing investigation prior to his going to Minsk. Also, [redacted] feels that Oswald must have been indoctrinated into the Soviet system prior to his being permitted to return to the United States, or he was considered unstable and allowed to leave as an undesirable. He said Oswald's wife must have been an uneducated peasant type and considered safe to leave the Soviet Union or had connections with the Soviet intelligence service.

[redacted] believes that the wife of Oswald should be observed closely and thoroughly interrogated. [redacted] suggested that among others, the following questions should be asked:

ASSASSINATION OF PRESIDENT JOHN F. KENNEDY

1. When was it that she first met Oswald and the details concerning such circumstances. [redacted] said that if she was not working for intelligence service at the time of the meeting, she would have been contacted within two days.

2. Where they lived in Minsk and details regarding the type of apartment.

3. Details regarding Oswald's activities while in Minsk during non-working hours.

4. Where did he go and how long was he gone during the evenings.

5. How well did he learn the Russian language.

6. Was she a member of the Komsomol, and were any of her family members of the Communist Party.

7. What station in life did they occupy and were any of them officials of the Soviet Government.

8. Details regarding their securing permission to leave the Soviet Union.

9. Details concerning events leading to their marriage.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

On 11/23/63 a U. S. Information Agency (USIA) employee, Bernard Weisman, furnished the Bureau a four-page memorandum concerning the Fair Play for Cuba Committee (FPCC) in which Weisman raised a question as to whether Communist China was possibly involved indirectly in the assassination of President Kennedy by Lee Harvey Oswald. Weisman indicated he was making copies of his memorandum available to USIA and State Department.

The memorandum contained public source data regarding Oswald; Vincent Theodore Lee, National Director of the FPCC; Richard Gibson, former head of the FPCC; Conrad Lynn, communist attorney who has made trips to Cuba; Bureau fugitive Robert F. Williams who fled to Cuba and visited Communist China this fall; William Worthy, the controversial Negro newspaperman who has appealed his conviction for violating United States regulations pertaining to Cuban travel; and Milton Rosen, who was expelled from the Communist Party for disruptive activities which included following some Communist Chinese ideologies. It showed that some of them had associated themselves with the Communist Chinese "line" as regards race relations in the United States.

Referring to Oswald's disillusionment with the Soviet Union, his recent activities in connection with the FPCC and the fact that he still reportedly held Marxist ideas, the memorandum indicated that President Kennedy's assassination could have at least advanced the interests of Communist China.

While there is no question that some of the individuals named are sympathetic to Communist China, Weisman's document contains nothing but speculation concerning the possibility that Communist China was behind Oswald's act. It appears he was interested in getting his theory down on paper as quickly as possible and was attempting to attract some attention to himself during a crisis.

ASSASSINATION OF PRESIDENT KENNEDY
11/22/63
DALLAS, TEXAS
ASSAULT ON A FEDERAL OFFICER

In connection with the information we have received that Lee Oswald, alleged assassinator of President Kennedy, had corresponded with communist functionaries in New York City and specifically with Arnold Johnson, Public Relations Director, and Elizabeth Gurley Flynn, Chairman, Communist Party, USA, I talked to ASAC Roney and instructed him to locate copies of any such correspondence that might be in the New York files. I told Roney that at least some of these letters reportedly had been written from New Orleans.

Roney later called back and stated that had New York picked up any correspondence which related to an individual in New Orleans the correspondence would have been forwarded directly to the New Orleans Office and would not have been indexed in the New York Office.

After discussing this matter with you, I called our New Orleans Office and talked with SAC Maynor and ASAC Sylvester. I told them what we were looking for and asked them to check their files. ASAC Maynor stated that the New Orleans Office had already been through its file on Oswald and on the Fair Play for Cuba Committee of which Oswald was a reported member. However, ASAC Maynor stated that in light of this more specific information he would have the files gone through again just to make certain nothing had been overlooked.

ACTION:

I told him he should immediately advise the Bureau in the event any additional material is discovered. He said this would be done.

The following investigation was conducted by SA HAROLD H. CROSSETT:

AT REYNOSA, TAMAULIPAS, MEXICO:

On November 26, 1963, [redacted] advised he had previously checked all travel permits issued during the month of September, 1963, under the names LEE HARVEY OSWALD and H. O. LEE but not under the name HIDELL, nor had he checked the names of OSWALD's wife or mother.

[redacted] stated he would immediately cause a check to be made of his records pertaining to persons entering and leaving Mexico from August 10, 1963, to November 22, 1963, under the true name and known aliases of OSWALD, as well as the name of his wife and mother.

[redacted] pointed out that his office covers an area encompassing the towns of Camargo and San Miguel de Camargo, Tamaulipas, Mexico, where Mexican Immigration sub-offices are located and that copies of permits issued at those points of entry are maintained in his office, thus precluding the necessity of checking Mexican Immigration records at those places.

[redacted] subsequently stated no record identifiable with OSWALD, his wife, or his mother was located in the Mexican Immigration files at Reynosa.

JUDGE FLORENCE KELLY, ADMINISTRATIVE JUDGE, FAMILY COURT, CITY OF NEW YORK, ADVISED THAT SHE HAD INFORMATION PERTAINING TO LEE OSWALD AND THAT THE PRESIDING JUSTICE OF THE APPELLATE DIVISION HAD INSTRUCTED THAT IT BE FURNISHED ONLY TO THE SAC, NYO. ON THIS DATE, AT ELEVEN AM, JUDGE KELLY MADE AVAILABLE CASE NUMBER TWO THREE NINE SEVEN NINE CAPTIONED " LEE OSWALD , EIGHT TWO FIVE EAST ONE SEVENTY NINTH STREET BRONX, NEW YORK". JUDGE KELLY ADVISED THAT THE FILES OF CHILDREN'S COURT, PROBATION BUREAU, ARE STRICTLY CONFIDENTIAL BY LAW. SHE STATED THAT THE LAW HOWEVER DOES PERMIT UNDER EXTRAORDINARY CIRCUMSTANCES TO DIVULGE THE CONTENTS OF THESE FILES. SHE STATED THAT SHE HAS CONFERRED WITH HER SUPERIOR JUDGES IN UPPER COURTS AND IT WAS DECIDED THAT AN EXCEPTION WOULD BE MADE IN THIS CASE AS A MATTER OF NATIONAL INTEREST.

JUDGE KELLY PERMITTED REVIEW OF FILE IN HER CHAMBERS IN HER PRESENCE. SHE ALSO PERMITTED NOTES TO BE TAKEN ON PERTINENT POSTING AND WOULD NOT PERMIT FILE TO BE REMOVED FROM OFFICE OR ANY PARTS COPIED.

CITY OF NEW YORK, CHILDREN-S COURT, PROBATION BUREAU, BECAUSE OF BEING EXCESSIVELY ABSENT FROM SCHOOL, AS FOLLOWS. FORTY SIX FULL DAYS AND TWO HALF DAYS FROM OCTOBER FIRST, FIFTY TWO TO JANUARY FIFTEENTH, FIFTY THREE. A WARRANT WAS ISSUED FOR OSWALD ON MARCH TWELFTH, FIFTY THREE AND IT WAS EXECUTED ON MARCH NINETEENTH , FIFTY THREE. CASE CAME UP IN COURT ON APRIL SIXTEENTH, FIFTY THREE, AT WHICH TIME OSWALD WAS REMANDED TO THE BRONX YOUTH HOUSE, TWELVE TWENTY ONE SPOFFARD AVENUE, BRONX, NYC, FOR PSYCHIATRIC STUDY. " LEE OSWALD IS A SERIOUSLY DETACHED, WITHDRAWN YOUNGSTER OF THIRTEEN. LACONIC AND TACITURN, HE ANSWERS QUESTIONS BUT VOLUNTEERED ALMOST NOTHING HIMSELF, SPONTANEOUSLY. DESPITE THE FACT THAT HE IS VERY HARD TO REACH HE SEEMS TO HAVE SOME ABILITY TO RELATE WHICH IN VIEW OF SOLITARY EXISTANCE HE HAS BEEN LEADIN IS SOMEWHAT SURPRISING. THERE IS A RATHER PLEASANT APPEALING QUALITY ABOUT HIS EMOTIONALLY STARVED, AFFECTIONLESS YOUNGSTER, WHICH GROWS AS ONE SPEAKS TO HIM, AND IT SEEMS FAIRLY CLEAR THAT HE HAS DETACHED HIMSELF FROM THE WORLD AROUND HIM BECAUSE NO ONE IN IT EVER MET ANY OF HIS NEEDS AND LOVE. EXPRESSION OF UNDERSTANDING FOR HIS LONELY SITUATION BUT HE DENIED THAT HE REALLY FELT LONELY. HE FEELS ALMOST AS IF THERE IS A VEIL BETWEEN HIM AND OTHER PEOPLE THROUGH WHICH THEY CANNOT REACH HIM, BUT HE PREFERS THIS VEIL TO REMAIN INTACT. WHEN INQUIRY WAS MADE INTO HIS FANTASY LIFE, HE RESPONDED" THIS IS MY OWN BUSINESS". HE AGREE TO ANSWER QUESTIONS IF HE WANTED TO, REJECTING THOSE WHICH UPSET HIM AND ACKNOWLEDGED FANTASIES ABOUT BEING POWERFUL AND SOMETIMES HURTING OR KILLING PEOPLE BUT REFUSED TO TALK ABOUT THE DREAMS, OTHER THAN TO ADMIT THAT THEY SOMETIMES CONTAINED VIOLENCE BUT HE INSISTED THAT THEY WERE PLEASANT. OSWALD HAS A VIVID FEELING OF FANTASY LIFE TURNING AROUND THE TOPICS OF OMNIPOTENCE AND POWER THROUGH WHICH HE TRIES TO COMPENSATE FOR HIS PRESENT SHORTCOMINGS AND FRUSTATIONS. OSWALD CLAIMS THAT HE CAN GET VERY ANGRY AT HIS MOTHER AND OCCASIONALLY HAS HIT HER PARTICULARLY WHEN SHE RETURNS HOME WITHOUT HAVING BOUGHT FOOD FOR SUPPER. HE DID NOT ENJOY BEING TOGETHER WITH OTHER CHILDREN AND WHEN ASKED WHETHER HE PREFERS THE COMPANY OF BOYS TO ONE OF GIRLS, HE ANSWERED " I DISLIKE EVERBODY" HIS OCCUPATIONAL GOAL WAS TO JOIN THE ARMY". HE HAS TO BE SEEN AS AN EMOTIONALLY QUITE DISTURBED YOUNGSTER WHO SUFFERS UNDER THE IMPACT OF REALLY EXISTING EMOTIONAL ISOLATION AND DEPRIVATION, LACK OF AFFECTION, ABSENCE OF FAMILY LIFE AND REJECTION BY A SELF INVOLVED AND CONFLICTED MOTHER. ALTHOUGH LEE DENIES THAT HE IS IN NEED OF ANY OTHER FORM OF HELP OTHER THAN REMEDIAL ONE, WE GAINED THE DEFINITE IMPRESSION THAT LEE CAN BE REACHED THOUGH CONTACT WITH AN UNDERSTANDING AND VERY PATIENT PSYCHOTHERAPIST AND IF HE COULD BE ~~[illegible]~~ DRAWN AT THE SAME TIME INTO GROUP PSYCHOTHERAPY. THE REPORT CONTINUED THAT LEE CAME TO NEW YORK FROM FORT WORTH, TEXAS WITH HIS MOTHER AND HAS NOT BEEN ABLE TO MAKE A NEW YORK [illegible] ADJUSTMENT. THE ROOT OF HIS DIFFICULTIES WHICH PRODUCED WARNING SIGNALS SEEMS TO BE IN HIS RELATIONSHIP WITH HIS MOTHER. THERE WAS NO ONE IN THE FAMILY TO MEET HIS NEEDS FOR LOVE AND INTEREST SINCE HIS FATHER DIED OF A HEART ATTACK TWO MONTHS BEFORE HE WAS BORN AND HIS TWO OLDER BROTHERS, JOHN AND ROBERT, TWENTY ONE AND EIGHTEEN, WERE INVOLVED WITH THEIR OWN FRIENDS AND ACTIVITIES AND REPULSED HIS ADVANCES. LEE BECAME A SECLUSIVE CHILD WHO WAS THROWN UPON HIMSELF AND HIS OWN RESOURCES AND HE NEVER MADE FRIENDS WITH OTHER CHILDREN. HIS MOTHER WHO WORRIED AND WHO WHEN HE WAS AN INFANT DEMONSTRATED HER NEED TO SHIFT RESPONSIBILITY FOR HIM BY LEAVING HIM WITH HER SISTER AND THEN PLACING HIM FOR A SHORT WHILE IN A HOME, APPEARS TO BE A RIGID SELF INVOLVED WOMEN WITH STRONG IDEAS AND SHE HAS LITTLE UNDERSTANDING OF

BY WAY OF FAMILY BACKGROUND, THE FILE REFLECTS THAT OSWALD-S MOTHER, MARGUERITE, MARRIED HIS FATHER, ROBERT LEE, ON JULY NINETEENTH, TWENTY NINE AT NEW ORLEANS. OSWALD-S FATHER DIED OF A HEART ATTACK IN NINETEEN THIRTY NINE AT THE AGE OF FORTY FIVE TWO MONTHS BEFORE LEE OSWALD WAS BORN. OSWALD-S FATHER WAS AN INSURANCE AGENT AND ACCORDING TO MRS. OSWALD PROVIDED A GOOD LIVING FOR THE FAMILY PRIOR TO HIS DEATH. THEY OWNED THEIR HOME. BESIDES LEE, THERE WERE TWO OTHER SONS JOHN AND ROBERT, WHO WERE TWENTY ONE AND EIGHTEEN YEARS OF AGE, RESPECTIVELY, IN NINETEEN FIFTY THREE. IN NINETEEN FORTY FIVE MRS. OSWALD MOVED HER FAMILY OF THREE BOYS FROM NEW ORLEANS TO FORT WORTH, TEXAS WHERE SHE LIVE. UNTIL AUGUST OF NINETEEN FIFTY TWO AT WHICH TIME SHE MOVED TO NEW YORK TO LIVE WITH HER MARRIED SON, JOHN , WHO WAS THEN IN THE COAST GURAD. RELUCTANT TO LET THEM KNOW THAT THEY SHOULD FIND A PLACE OF THEIR OWN TO LIVE. MRS. OSWALD WORKED AT MARTIN-S DEPARTMENT STORE, BROOKLYN, NY AT FORTY FIVE DOLLARS A WEEK. THE FILE MENTIONS MRS. OSWALD AND HER SON LIVED AT FOURTEEN FIFTY FIVE SHERIDAN AVENUE PRIOR TO MOVING TO EIGHT TWO FIVE EAST ONE SEVENTY NINTH STREET IN THE BRONX. THE FILE HOWEVER DOES NOT INDICATE WHETHER ORNOT THIS WAS HER SON JOHN-S ADDRESS AT THAT TIME. IT IS FURTHER REFLECTED THAT MRS. OSWALD AND HER SON MOVED AWAY FROM NEW YORK PRESUMABLY TO NEW ORLEANS SOME TIME IN JANUARY FIFTY FOUR EXACT DATE UNKNOWN.

THE COURT DEEMED IT UNADVISALBE AT THIS TIME TO PLACE OSWALD IN AN INSTITUTION AND HE WAS PLACED ON PROBATION TO RETURN TO SCHOOL AND LIVE WITH HIS MOTHER. OSWALD RETURNED TO PUBLIC SCHOOL NUMBER FORTY FOUR IN NYC ONMAY SEVENTH, FIFTY THREE AT WHICH TIME HE ENTERED NINTH GRADE. HOWEVER, A PROGRESS REPORT OF OCTOBER TWENTY FIRST , FIFTY THREE FROM PUBLIC SCHOOL FORTY FOUR SHOWED THAT ALTHOUGH OSWALD-S ATTENDANCE WAS GOOD HIS CONDUCT WAS UNSATISFACTORY. HE HAS CONSISTENTLY REFUSED TO SALUTE THE FLAG DURING EARLY MORNING EXERCISES. HE SPENT MOST OF HIS TIME SAILING PAPER PLANES AROUND THE ROOM AND REFUSED TO WORK.

PAGE EIGHT.....

HIS ATTITUDE WAS BELLIGERENT. HOWEVER, THE PROGRESS REPORT OF NOVEMBER NINETEENTH FIFTY THREE REFLECTS THERE HAD BEEN CONSIDERABLE IMPROVEMENT IN OSWALD. HE IS NOW GETTING ALONG VERY WELL IN SCHOOL AND SALUTES THE FLAG. HE HAS SHOWN A GREAT DEAL OF IMPROVEMENT AND IS NO LONGER CONSIDERED A BEHAVIOR PROBLEM. HOWEVER, DESPITE THE FAVORABLE REPORT IT WAS FELT THAT OSWALD SHOULD RECEIVE PSYCHO-THERAPEUTIC TREATMENT . MRS OSWALD OBJECTED IN VIEW OF THE PROGRESS HE WAS MAKING. MRS. OSWALD CONSISTENTLY REFUSED TO CONTACT OSWALD-S PAROLE OFFICER BECAUSE OF HER EMPLOYMENT. IN JANUARY, NINETEEN FIFTY FOUR, SHE WROTE A LETTER TO THE PAROLE OFFICER INDICATING THAT SHE INTENDED TO MOVE TO NEW ORLEANS. ON MARCH ELEVENTH , FIFTY FOUR, OSWALD-S CASE WAS DISCHARGED BY THE COURT IN VIEW OF THE FACT THAT HE WAS NO LONGER IN NEW YORK.

Although the data in attached FD-302 is purely speculative without a shred of fact relating to LEE HARVEY OSWALD, it is nevertheless made available to Dallas and New Orleans inasmuch as Cincinnati is not familiar with details concerning the activities of the persons involved in these allegations.

[redacted] requested that in the event interview of JOSEPH D. VINSON is necessary that VINSON not be made aware his identity was furnished FBI by [redacted] because he fears this would compromise his position. [redacted] states VINSON has worked with him closely for several years in connection with "Communist activities in Southern United States" and their relationship has always been on a personal confidential basis.

FEDERAL BUREAU OF INVESTIGATION

Date 11/29/63

[redacted] Circuit Riders, Inc., 110 Government Place, Cincinnati, Ohio, advised on November 29, 1963, that on Tuesday, November 26, 1963, he had occasion to be in New Orleans, Louisiana, on personal business and entered into conversation with JOSEPH D. VINSON, a private detective who resides at Metairie, Louisiana. LOWMAN advised he has known VINSON several years and has had many conversations with him during this period. [redacted] advised during the conversation with VINSON on November 26, 1963, he inquired if VINSON knew of any possible connection between LEE HARVEY OSWALD and the Southern Conference Educational Fund. VINSON replied he had no evidence of any such connection. VINSON added he had recently received information that sometime during the period when LEE HARVEY OSWALD was arrested at New Orleans, Louisiana, after passing out circulars concerning the Fair Play For Cuba Committee (FPCC) it was reported to VINSON that a number of FPCC circulars were found on the street in the 1100 block of Pine Street, New Orleans. VINSON advised [redacted] that in connection with these FPCC circulars, he learned that the night before the circulars were found, a person believed to be a lady living in the 1100 block of Pine Street, New Orleans, became suspicious of a Ford automobile parked on this street near her home. This person reportedly took the license number of the Ford automobile. The following morning this person noted the Ford automobile had been removed from the space it occupied and that there was found on the street in this space a small pile of FPCC circulars.

VINSON speculated that the FPCC circulars had either fallen out of or been thrown out of the Ford automobile that occupied this space. VINSON also speculated that one LEONARD REISSMAN described by VINSON as a "liberal", resides at 1121 Pine Street, New Orleans, and that FORREST E. LA VIOLETTE resides at 1307 Pine Street, New Orleans. [redacted] and VINSON discussed the fact that LA VIOLETTE is listed on Page 532 of the book entitled "6000 Educators" published by [redacted] as having public record affiliation with the Southern Conference

Educational Fund. [redacted] stated neither he nor VINSON knew of any association or connection between OSWALD and REISSMAN or LA VIOLETTE but speculated on the possibility that OSWALD may have been using the Ford automobile which was parked in the 1100 block on Pine Street for transportation in the distribution of FPCC circulars. [redacted] stated he and VINSON discussed the coincidence that REISSMAN and LA VIOLETTE reside in this neighborhood where the small pile of FPCC circulars were found during the period when OSWALD was arrested at New Orleans for circulating FPCC leaflets.

Mrs. ESTHER GOLDMAN, Secretary, Anti-Defamation League, B'nai B'rith, 291 Delaware Ave., Buffalo, N. Y., made available attached hand printed anonymous letter received by that office on 11/26/63.

Letter reads as follows:

"I wish to solicit your help in an investigation to determine the assassin of our late president. My reasons for turning to you rather than orthodox federal investigative agencies will become more evident as I proceed.

"Let us first turn to the 'facts' of the case as reported by the commercial mass media of communication. These 'facts' when analysed tend to cast a shadow of doubt in my mind as to Oswald's being the killer.

"1 The Fair-Play-for-Cuba organization and the Marxists have everything to lose by the assassination of Kennedy. The late president was as conciliatory toward Cuba and toward the U.S.S.R. etc. as political circumstances permitted. Fascist type groups on the other hand have everything to gain by the death of the late president especially if the guilt can be pinned on a leftist extremist. It does not appear that Oswald was so ignorant as not to realize the inevitable hardening of attitude that would occur should the president be assassinated.

"2 Unlike the ordinary martyr fanatic Oswald ran from the scene of the crime. He consistently maintained his innocence in the face of overwhelming evidence of his guilt. The traditional martyr-fanatic boldly admits his act. He wants his identity known. He craves death. He fancies himself the hero in tomorrows history books.

"3 By virtue of Oswalds employment in the very building where the shooting took place, his (illegible) record of dubious patriotism and his purchase of a strange foreign rifle make him the obvious suspect. One is tempted to wonder why he bothered to run at all. Detection would be bound to occur.

"4 The shooting occurred in Dallas, a center of reaction in a state of reaction. Why would the assassin chose such a place to kill the president? To make jurors and law enforcement officials more sympathetic to his cause?

"5 Why did not the head of the F.B.I. convey his suspicions to the local police dept? Especially if he knew the suspect possessed a telescopic rifle and worked in a building overlooking the parade? As a great red chaser it would seem Mr_ Hoover would be delighted to have the suspect given capital punishment as a red under Texas law.

"These facts seem to hint that an elaborate frame up by rightists may have caused the death of President Kennedy and also the pointing to a suspect who was not guilty. Such an elaborate frame up would require, probably the cooperation of persons who have access to Mr_ Oswalds doings - such as, say, security officers of the government itself.

"6 Any why would Oswald run? Because he was the logical suspect and realized he was being framed by preponderant evidence.

"7 That the Federal Bureau has used testimony of perjurers to convict persons of Communist and leftist leanings as a well known fact. See for instance Matusows book - False Witness Bertrand Russells comments about federal perjurers, Corliss Lamonte's - Freedom As Freedom Does. As for Mr. Hoovers personal record see Rebel in Paradise by Drinnan. His case against Emma Goldman therein, in which case he uses incomplete and misleading testimony to indicate Emma Goldman of instigating the murderer of McKinley.

"For these reasons I solicit your help rather than that of the federal enforcement agencies to unravel this case. The case for civil liberties hangs in the balance and hinges on the outcome of this case. Hysteria will otherwise make short shrift of civil liberties and rights_

"Now, gentlemen, I have a possible suspect in mind as to the real perpetrator of this heinous deed.

"His name is 'Sarge' and he is well known in El Paso, Texas. A discrete investigation by your local there may throw light as to his whereabouts during the shooting.

"He is a retired Army man, a sargeant, hair grey to white_ medium build, used to be a boxer, has extra long arms, is about 65 years old, knows judo, an expert, must be regarded as highly dangerous if crossed. He has many links with important local businessmen and other important men business and military, served in intelligence work, border patrol for dope, medics, was officer after and during WW I, pharmacist. Has had lots of money at various times in life. Born in Indiana, lived in San Antonio. Excellent war record incl personal commendation by Lyman Lemnitzer etc. Very patriotic, smells subversion in the slightest pinkness, a Texas chauvinist. No paunch, good shape for age.

"His location - stays about half the time in El Paso. Rooms on San Francisco Street. Knows barber across from Greyhound Bus Station, frequents two bars across street from Greyhound. Both bars have Japanese waitresses. Know retired stroke victim from Alaska - pals and chums with him. His room in apartment hotel. This hotel away from main plaza about four blocks down San Francisco and three blocks from bus station. Hotel old and all on the upstairs, bottom being occupied by store. Only wooden steps long flight of these.

"Must be regarded as highly dangerous if crossed, very fearless.

"The following are some of his statements as best I can recall.

"1 I wish Hoffa would come to Dallas. I'd kill him. No jury in Texas would convict m e.

"2 I have 'Q' clearance (security clearance)

"3 Abraham Lincoln was assassinated by the members of his own cabinet. In the building burned John Wilkes Booths purported body wasnt his. The skeleton was three inches (taller? shorter?) than that of Booth.

"4 Secret government files indicate the C.I.O. is run by communists.

"5 We dont like labor agitators and politicians stirring up the Mexicans. U. S. will have to go down in Mexico sometime and kill all the Mexicans.

"This man known as 'Sarge' is a rifle expert. He explains in detail gun mechanisms, he knows all about custom made guns, where to order them, how long it takes to become a gun engraver, etc. He often hunts, claims to be a remarkable shot. He has killed many/in war and many dope traffickers
men

"along the Texas border. I. seems to greatly relish killing.

"6 He doesn't care whether he lives or dies. He's going to die of a disease in a couple of years anyway (liver trouble or something). If he kills somebody and they kill him what has he lost?

"7 He has many contacts with wealthy businessmen all over the country - bankers, corporation heads, Texas ranchers, realtors etc. considers himself a great patriot and deplores the modern course of history.

"Please keep this letter a secret. I will have more information - his specific address."

The letter has been handled by Mrs. GOLDMAN and by SA JOHN JOSEPH MULHERN, to whom it was furnished. The anonymous correspondent promises therein to furnish name and address of suspect in subsequent communication, and Mrs. GOLDMAN has been instructed as to proper method of handling.

Laboratory is requested to examine enclosure for latent prints, search same through anonymous letter file, and retain letter for comparison with subsequently expected letter. Elimination prints of Mrs. GOLDMAN can be secured if deemed desirable by the Laboratory.

Re Dallas let 2/28/61.

A review of ONI 8th Naval District Records United States Naval Station, Algiers, Louisiana on April 18, 1961 reflected the following information which may be of assistance in connection with instant investigation.

File on OSWALD reflected an ONI Report by SA JOHN T. COX dated January 27, 1961, File 33-476, captioned JOHN EDWARD PIC (DOB 17, Jan. '32 S Sgt. AF 11313239 USAF Hospital TACHIKOWA, APO 323 Communist Matters). In brief this report reflected information concerning PIC'S reporting to ONI, that LEE HARVEY OSWALD was his half brother. Basis for PIC inquiry was that he had heard that OSWALD had turned in his United States Passport to the American Embassy at Moscow with intentions of removing his American Citizenship. This report containing some background information with respect to OSWALD and his family. There was only one copy of this report available in the file; however, it was noted that a copy had been furnished to Carswell Air Force Base, Fort Worth, Texas.

Also in this file was a photostatic copy of a telegram from the Department of State, Moscow, Russia dated October 31, 1959 at 7:59 AM carrying Control Number 20261 and another number 1304, which stated in part "LEE HARVEY OSWALD unmarried, age 20 PP 1733242 issued 9/10/59 appeared at Embassy to renounce his American Citizenship applied in Moscow for Russian Citizenship following entry USSR from Helsinki 10:15. Mother's address and his last address in United States 4936 Callinwood Street, Fort Worth, Texas; Says, I have contemplated last two years. Main reason "American Marxist"; attitude - arrogant, agressive; recently discharged Marine Corps. Says, has offered Soviets any information he has acquired as Enlisted Radio Operator." This dispatch was signed FREES and apparently directed to the State Department, Washington, D. C.

The file also disclosed a photostatic copy of a memorandum report dated November 2, 1959 which was signed EDWARD F. FREES Charge d'affaires, ad iterim, American Embassy. This

RUC
2 - Dallas (RM)

105-82555-54

report reflected an interview with OSWALD at the American Embassy at Moscow October 31, 1959; however, the quality of the photostatic copy was so poor that it was impossible to review.

Also in ONI'S file was a memorandum dated October 26, 1959 bearing a Control Number [redacted] concerning [redacted] This memorandum which was a photostat furnished information concerning [redacted] who appears to have defected to the Russians at about the same time as OSWALD. This individual was identified as having been discharged from the United States [redacted] Serial Number [redacted] Here again the photostatic copy was impossible to review because of the poor quality.

There appeared a photostatic copy of a November 3, 1959 article which appeared in a Fort Worth, Texas newspaper, which showed it was a UPI dispatch. It related to an interview with ROBERT L. OSWALD brother of LEE HARVEY OSWALD. Also was an autostatic copy of a newspaper story from the "Washington Post", Washington, D. C. newspaper dated November 16, 1959 which indicated that subject had been informed by the Russians that he would not be granted Russian Citizenship but would be allowed to live in Russia as an resident alien. A picture of OSWALD accompanied this brief article. There was another photostatic copy of a story from the "Washington Post" dated November 1, 1959 in which had been dispatched by UPI and which related to the defection of subject.

A photostatic copy of a "Washington Evening Star" article dated November 26, 1959 appeared in this file entitled "U. S. Defects to Reds Determined Maxist at 15". This story related to subject and had been written by PRISCILLA JOHNSON for the "North American Newspaper Alliance". This article mainly reflected an interview with subject.

There was also found in ONI'S file a photostatic copy of a "Speed" letter dated March 8, 1960 to the Commander Marine Air Reserve Training Command, Naval Air Station, Glenview, Illinois from Commandant of the Marine Corps Headquarters United States Marine Corps, Washington, D.C. and signed A. LARSON was stated as follows:

"Arrangements being made with a Federal Investigation Agency to furnish you with report which relates to PFC LEE HARVEY OSWALD, Number 1653230 USMCR inactive, CMN, a member of your Command X, upon receipt CMM. You are directed to process PFC for discharge IAWPARA.10277.2.f MARCORMANX."

NO 100-16601

In reviewing this file it appears that much of the above material had been furnished to ONI 8th Naval District by ONI 9th Naval District.

Since New Orleans does not have any background information with regards to this investigation, nor is aware of what investigation is contemplated, no leads are being set forth in this communication, other than it is suggested that Dallas at Fort Worth may desire to review ONI'S files at Carswell Air Force Base concerning subject.

The above investigation was conducted by Special Agent JOHN L. QUIGLEY.

Re New Orleans airtel to NY dated 9/12/63, requesting a characterization of CORLISS LAMONT.

Characterization of CORLISS LAMONT

On September 28, 1953, LOUIS F. BUDENZ testified before the United States Senate Permanent Investigations Subcommittee that EARL BROWDER, as head of the Communist Party (CP) in the United States, had referred to CORLISS LAMONT as one of the "four prides" of the CP because CORLISS LAMONT was ready to cooperate with any Communist front or any Communist cause. BROWDER made this reference at a National Committee meeting of the CP in the early 1940s. BUDENZ also recalled that LAMONT was a member of the CP when he, BUDENZ, was a member.

"Rights", self-identified as a publication of the Emergency Civil Liberties Committee (ECLC) April - May, 1962 issue, reveals CORLISS LAMONT is Vice-Chairman of the ECLC.

EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. * * * The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

'To defend the cases of Communist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the * * * Emergency Civil Liberties Committee. When the Communist Party itself is under fire these fronts offer a bulwark of protection.'

Dear Sir,

As a long time subscriber to the Worker I'd know I can ask a favor of you with full confidence of its fulfillment.

I have formed a "Fair Play for Cuba Committee" here in New Orleans, I think it is the best way to attract the most people to a popular struggle.

I ask that you give me as much literature as you find possible since I think it would be very nice to have your literature among the "Fair Play" leaflets like the one enclosed I pamphlet in my office.

Also please be so kind as

I called Legat Anderson, Mexico City, at 3:55 p.m., today, with reference to his cable advising that Ambassador Mann would like to have a Bureau representative come down from Washington to Mexico City to fill him in on the full scope of the case and make suggestions for investigation in Mexico.

I told Anderson that Alexis Johnson of State Department had called over relative to this, and the Bureau had taken the position that it is not necessary to send a man down from here inasmuch as Anderson was handling the matter fully for us in Mexico City at this time. I told Anderson that apparently CIA is sending a man down from headquarters.

Assistant Director Courtney A. Evans called at 10:25 p.m., and advised he had just received a call from Deputy Attorney General Katzenbach concerning the whereabouts of Mrs. Oswald. Katzenbach indicated that it was his thinking that if anything should happen to Mrs. Oswald it would create more talk concerning the possibility that this entire matter was foreign inspired. Mr. Evans was told that during the day SAC Shanklin advised that the police had stated that they had taken Mrs. Oswald out of the area shortly after Oswald was shot.

SAC Shanklin of the Dallas Office was contacted again and he advised that now the Secret Service, Dallas, have taken over the mother and the wife of Oswald and have them in some locale, the whereabouts was unknown by the office at this time. In order to be certain, Dallas was going to verify this again with Secret Service and establish the whereabouts of Mrs. Oswald and Oswald's mother.

Immediately after receiving this information from Dallas, Assistant Director Evans was contacted and this information given to him.

INTERNAL SECURITY - R - CUBA

SAC Harry Maynor at New Orleans called at 3:20 p.m. He said the Immigration and Naturalization Service (INS) had been in touch with him. INS in New Orleans has a man in its office who identifies himself as Chester T. Bowling, ID Card 451, Special Investigator, Department of Defense. Bowling is asking INS for copies of INS reports on the wife of Oswald. His wife, of course, is an alien.

SAC Maynor mentioned that there is FBI data summarized in these INS reports, principally on the basis of a 7/3/61 report in the Oswald case. Also therein is information to the effect that INS checked with FBI, Dallas on 10/27/63 to see if it was all right to proceed with an inquiry regarding the wife. The Dallas Office indicated its approval.

Since FBI data is contained in the INS report, INS checked with the FBI, New Orleans. In order to affirm the identity of this man and to enable the agency for which he worked to be certain his actions were in keeping with his responsibilities in this matter, I had a check made by the Liaison Section.

Special Agent Graham Day was advised by William Hunt, Director of Security Services, Office of Secretary of Defense, that Bowling is in fact who he says he is. He indicated that Bowling is making inquiries in connection with CIA's inquiries regarding Oswald's activities abroad.

I contacted SAC Maynor at 4:15 p.m. and told him that Bowling was as he represented himself and that Bureau had no objections to any action INS desired to take. He said that in the meantime, INS had discovered that it was under instructions to clear with INS Headquarters before releasing any data on the Oswald matter and undoubtedly this will be done.

I told SAC Maynor that he should be certain that the FBI in New Orleans has all pertinent data from the INS file and that it has been furnished the Bureau, if not, it should be done at once in connection with the security inquiries being made re Oswald.

ACTION: For information.

REC 30

Federal Bureau Of Investigation,
Washington,D.C.

Gentlemen:

We, the American People, are angry !

We want to know, what in the name of God, all the Secret Service Police, whom we are supporting, were doing while somebody drew a bead on our beloved President and assassinated him ?

We want to know why in this land of freedom and natural resources cannot someone design a bullet proof cupola for the President's limousine to prevent such an outrage ?

We also want to do everything possible to help bring the perpetrators of this terrible crime to justice and in this respect give you the follwing information:

We are of the opinion that the assassination was a well-planned, premeditated plot by an organized group of such people as "The Fair Play For Cuba".

We demand that all persons who were present at the dinner for President Kennedy on Monday night,Nov.18th. at Miami Beach Fla. be questioned.

We ask this because a certain gentleman,Senor Canel, who works for the Pan American Airways during the day and teaches Spanish at the Miami High Adult Education classes at night, attended the aforementioned dinner and later, on Wednesday evening,November 20th. made several remarks in Spanish to our class, which in view of what has happened, may be significant.

Sr. Canel said, for instance:
That there were many officials from various Latin American countries at the dinner who felt that Kennedy had let them down by not getting into a war with Castro over Cuba.

REC 30

105-82555-

That Kennedy talked but said nothing.

That he had started out in office with great promises to help the Cubans and done nothing.(I wonder what all the money , jobs,shelter,etc. we have given them is,if not help ?)

That Kennedy had made the statement that if the Cubans overthrew their government we would help them.(And Sr. Canel added,"They wouldn't need help then.)

That we ought to get rid of Kennedy,(at the time we thought he meant by elections) and put some else in office who would be more favorable to their cause.

That he,Sr. Canel, had seen Kennedy the previous Saturday at Cape Canaveral but not within shooting distance, he said this as a joke ! And what was Sr. Canel doing at Cape Canaveral at that time ?

That at the dinner there were more Secret Service Police than "invitados", and that during "Grace" one could tell who were the police because they did not bow their heads but were on the alert.

Sr. Canel also said a friend of his who owned a profitable business in Cuba had had his property confiscated by Castro.

We think the assassination of the President was planned by American Industrialists whose properties were seized by Castro and who have been paying out huge sums of money to bring so many Cubans in to this country and for spreading propaganda and trying to incite a war. These people are the logical suspects.

We ask your office to investigate these possibilities.And we do not imply that Sr. Canel was implicated but that he may know of something in this respect as he has lived in Cuba,speaks the language,and has many friends in the Latin American countries.

Please do not give my name out as I am writing this for a group and would like to live to see justice in this horrible crime.

Yours truly,

E.L. Montgomery

Although the Dallas police have closed the case on Oswald, I hope you haven't closed the case on Oswald and the Dallas Police Department!

Such gross negligence makes us wonder about many things such as:

Rubenstiens' connections with the police, his connections with Chicago gangsters and Los Angeles "friends" who plan to defend him. Why Oswald was seen in Ruby's Club recently. If Oswald was silenced by Ruby on orders, etc.

I also believe the President owes an obligation to the nation to maintain security at all times and to always appear in public with protection, making mandatory the full use of bullet proof glass covering on cars and wherever else practical.

I have received your letter of November 28th and understand your concern over the brutal assassination of President Kennedy.

Immediately following the assassination the full resources of the FBI were made available to the Secret Service and local law enforcement agencies. The President has now instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past.

The office of the District Attorney, New Orleans arrested one David William Ferrie and two associates for vagrancy on the basis of information indicating Ferrie taught Lee Harvey Oswald how to use a telescopic rifle sight. This has been disproven.

David William Ferrie is employed as a research man for New Orleans attorney G. Wray Gill. Mr. Gill reportedly stated that Oswald when arrested at Dallas possessed a library card bearing the name of David William Ferrie. This is not true as the card which Oswald possessed was in his own name.

Gill also reportedly said that Ferrie had stated in the presence of one Jack S. Martin that the President should be killed and had outlined plans to accomplish this.

[redacted] on interview, advised Agents he had witnessed a television program November 23, 1963, on which several individuals reported an association of Lee Oswald and David Ferrie. [redacted] said as he knew that Ferrie was a former commander of the Civil Air Patrol (CAP) and had been active in training members of the CAP, he surmised that Ferrie may have trained Oswald in the use of a telescopic rifle. He reported this suspicion to the District Attorney's Office, New Orleans, and on this basis members of that office proceeded to Ferrie's residence and in his absence arrested two associates and subsequently arrested Ferrie, charging all with vagrancy. [redacted] denied he had ever said that Ferrie made a statement that the President should be killed.

Memorandum to Mr. Belmont
RE: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY

Edward Voebel, New Orleans, was the person who in a television appearance on November 23, 1963, stated he knew Oswald as a former member of the Civil Air Patrol in New Orleans. During this same television presentation it was mentioned that David William Ferrie was a former commander of the CAP, however, there was no mention of any association between Ferrie and Oswald.

Edward Voebel, on interview, said he had been a member of the CAP, New Orleans, for approximately one year, 1955-1956. David William Ferrie took over as commander of the CAP unit during this time. Voebel took Oswald to one of the meetings and stated Oswald attended several meetings, possibly four meetings at the most. According to Voebel, Oswald lost interest as he disliked the authority and discipline in connection with the CAP activity.

David William Ferrie upon interview acknowledged he had been a member and past commander of the CAP unit in New Orleans. He said he does not know anyone named Lee Harvey Oswald and could not identify a photograph of him. Ferrie said he had never instructed Oswald or anyone else in the use of American-made or foreign-made firearms. While in the CAP he assisted in firearms instruction for range safety only. Ferrie denied ever having made a statement that the President should be killed. He said he was associated with the Cuban Revolutionary Front in New Orleans, which is an anti-Castro organization. Ferrie at the time of the Bay of Pigs invasion of Cuba said he was very much concerned at the lack of air cover provided and at that time criticized President Kennedy both in public and in private. He said he may have used a offhand or colloquial expression, "He ought to be shot," in connection with his feelings about the Cuban situation at that time. Ferrie said he has also been called a worshiper of Kennedy because he is a strong believer in many of the programs of the Kennedy administration.

RECOMMENDATION:

Above for information. New Orleans Division vigorously pursuing investigation and development of all possible information concerning the activities of Lee Harvey Oswald in that area.

A memo from Mr. Belmont to Mr. Tolson 11-22-63 advised that the files were being reviewed concerning Lee Harvey Oswald, a suspect in captioned matter.

Oswald first came to our attention on 10-31-59 when a news clipping indicated that he had held a press conference in his room at the Metropole Hotel, Moscow, in which he advised he had applied to renounce his American citizenship and become a Soviet citizen. He was described as a 20-year-old former U.S. Marine and received considerable publicity. We checked with the Office of Naval Intelligence (ONI) and were advised that Oswald had entered the Marine Corps at Dallas, Texas, 10-24-56 to serve 3 years, was released to inactive duty on 9-11-59 but had obligated service until 12-8-62. We had an Identification Division record on his service fingerprints which showed no criminal arrests and placed a stop against the prints so that any subsequent arrest in the U.S. would be brought to our attention.

State Department advised 11-22-59 that Oswald had applied at the American Embassy 10-31-59 advising he wished to renounce his American citizenship and gave as the principal reason for his decision, "I am a Marxist." He stated that he had been a radar operator in the Marine Corps and had told Soviet officials that if he was granted Soviet citizenship, he would make known information concerning the Marine Corps which was in his possession. He again got publicity on 11-15-59 when the United Press reported that he had said that Soviet authorities would not grant him citizenship although he could live in Russia as a resident alien.

ONI advised 11-15-60 that Oswald had been given an undesirable discharge from the Marine Corps Reserve on 8-17-60.

On 5-17-62 State Department advised that it had been determined that Oswald was still an American citizen, was married to a Soviet citizen and that both had exit permits to leave Russia; the State Department had given approval for their travel with their infant child to the U.S. On 5-31-62 the Bureau instructed Dallas to interview Oswald in detail upon his arrival. He returned to Ft. Worth, Texas, on 6-14-62 and was interviewed by Bureau agents on

6-26-62. He was very curt and short in answering many questions and gave the impression of being cold and arrogant. He advised that he was not willing to take a polygraph test. He declined to answer the question as to why he had made the trip to Russia and stated he did not care to relive the past, then added that he went to Russia to see the country. He said that he had been given a job as a sheet metal worker in a television factory and denied that he had gone to Russia because of admiration of the Russian system. He stated that he had read books by Karl Marx because of interest in his economic theories but denied that he had ever been a member of the Communist Party. He also denied that he had renounced his U.S. citizenship and stated that he did not seek Soviet citizenship. He advised that the Soviets never attempted to obtain information from him concerning the Marine Corps; that he was not recruited at any time by Soviet intelligence and made no deals with the Soviets to obtain permission to return to the U.S. He said that he had not given the Soviets any information which could be used against the U.S. He also denied that he had offered to reveal any information to the Soviets obtained as a result of being a radar operator in the Marines.

Oswald was reinterviewd on 8-16-62 and advised that he had made contact with the Soviet Embassy in Washington, D. C., to advise the Embassy of his wife's current address which was required by Soviet law. He said she would report subsequent changes of address to the Embassy. He stated that he had never enjoyed his service in the U.S. Marines but had not enjoyed his trip to the Soviet Union any more than his Marine service. He again denied requesting revocation of his U.S. citizenship and stated that he had never affirmed allegiance to the Soviet Union. He denied that he had made any deals with Soviet intelligence organizations and that he had been assured by the U.S. Embassy that Embassy officials were aware of no evidence which would warrant prosecution of him should he return to the U.S. He advised that he might have to return to the Soviet Union in about 5 years to take his wife to see her relatives. He declined to answer questions as to why he went to the Soviet Union and stated that he considered it "nobody's business." At the end of the interview he agreed to contact the FBI if any person ever contacted him in the U.S. under suspicious circumstances.

An article in "The Times Picayune" New Orleans, Louisiana, 8-13-63 indicated that Oswald had been sentenced to pay a fine of $10 or serve 10 days on a charge of disturbing the peace as a result of distribution of a pamphlet for "Fair Play for Cuba." New Orleans by letter 8-21-63 was instructed to ascertain the facts concerning

Memo for Mr. Sullivan
RE: ASSASSINATION OF THE PRESIDENT

SECRET

Oswald's distribution of the pamphlet and determine if he was engaged in subversive activities.

Investigation in New Orleans disclosed that Oswald had been arrested as reported in the newspaper (it is noted that this is the only arrest disclosed in the Identification Division records). He claimed to be a member of the "Fair Play for Cuba Committee" (FPCC) and became involved in an argument with 3 Cuban emigrants while passing out circulars. He entered a plea of guilty and elected to pay the fine of $10. The 3 other persons arrested with Oswald were discharged. The arrest took place on 8-9-63.

Oswald was interviewed on 8-10-63 by agents of the New Orleans office and advised that he was unemployed and had come to New Orleans about 4 months previously. There he began to read literature distributed by the FPCC which he considered was not a communist or communist-controlled group. He had sent a letter to the headquarters of this Committee at 799 Broadway, New York City, with $5 advising that he wished to join the Committee. During the latter part of May, 1963, he received through the mail a card made out in his name and signed by V. L. Lee which showed that he was a member of the national organization. A short time later he received a white card which made him a member of the New Orleans chapter. This card was dated 6-6-63 and was signed A. J. Hidell. He had not seen Hidell but talked to him on the phone and had attended meetings of the local committee but did not know any of the other persons who attended because they were known only by their first names.

Investigation also disclosed that on 8-21-63 Oswald appeared on a radio program called "Conversation Carte Blanche" on radio station WDSU in New Orleans with Edward Scannell Butler, staff director of the Information Council of the Americas which organization specializes in distribution of anticommunist educational material to Latin American countries. During the program, Oswald stated that the FPCC is not communist-controlled and that he, Oswald, is a Marxist.

OBSERVATIONS

Other than the connection with the FPCC investigation developed no subversive data regarding subject except that during September, 1962, a confidential informant advised that Oswald was a subscriber to "The Worker" an east coast communist newspaper. Another informant advised that in June, 1963, Oswald wrote a letter to "The Worker," 23 West 26th Street, New York City, claiming to be a long-time subscriber and advising that he was forming an FPCC in New Orleans. He requested some of "The Worker's" literature and forwarded honorary membership cards for "those fighers for peace, Mr. Gus Hall and Mr. B. Davis." Hall is general secretary of the Communist Party, USA, and Davis is the national secretary. U

The investigation disclosed no threats by Oswald against the President but did indicate that he drank to excess while residing in Ft. Worth, Texas, after his return from Russia and beat his wife. U

SUBJECT:

ASSASSINATION OF THE PRESIDENT

SAC Shanklin advised at 3:50 p.m. that the man arrested by the Dallas police is LEE HARVEY OSWALD. Shanklin said that Oswald is believed to have killed a police officer with a hand gun in the 500 block of East 10th Street, which is not too far from the building where the rifle was found. The police are questioning Oswald and have his gun.

Upon getting this name from the police, the Dallas office checked the files and found that Oswald is the subject of an Internal Security-R-Cuba case. This file shows that Oswald works in the Texas School Book Depository building, 411 Elm Street, which is the building where the rifle and the spent shells were found.

The file shows that three years ago Oswald left the U.S. and went to Russia. In Moscow he went to the American Embassy and tried to renounce his American citizenship. He returned to the US at New York City 6/13/62, and brought with him a Russian bride whom he married in Russia.

Agents have interviewed him twice regarding his stay in Russia and why he went to Russia, and whether he was given an assignment by the Russians and sent back to the US. He was completely uncooperative. He said he came back to the US because he wanted to; denied being given any assignment by the Russians; and said why he went to Russia was his own business.

He has lived in Ft. Worth, Dallas, New Orleans, and is currently back in Dallas. He is employed by the Texas School Book Depository, which is the principal tenant and owner of the building at 411 Elm Street. He was arrested in New Orleans in 8/63 on charges of creating a disturbance by passing out leaflets on the street which were published by the Fair Play for Cuba Committee. He drinks, has a violent temper, and has beaten his wife, who has just recently had a baby.

REC 7 10 -77

DEC 8 1963

I asked Shanklin whether the files show Oswald has ever made a threat against the President or a public official. He said the files do not show this. He said the agents who interviewed him have the

22 DEC 8 1963

Mr. Tolson

impression he may be a mental case, as he withdraws within himself when being questioned.

Shanklin said that this information has been furnished to the Dallas PD and he has agents at the PD where Oswald is being questioned. He said the Secret Service is not at the PD. I told Shanklin to get this information to the Secret Service. I also told him to arrange for our agents who questioned Oswald to sit on the questioning of Oswald as they might be helpful to the police. He said the agent who handled the case is at the police station and will attempt to arrange this.

Shanklin said that Vice President Johnson was sworn in as President at 2:39 p.m., Dallas time, at Love Field, by US District Judge Sara T. Hughes, and that Johnson is accompanying the President's body back on the plane.

We are making a full file on Oswald.

AFTER READING IN THE MORNING PAPERS THAT THE RUSSIANS HAVE TURNED OVER TO YOU THE "CONSULAR FILE" ON Lee Harvey OSWALD, THE EVENTS ORIGINATING IN RUSSIA AND THOSE IN ADDITION HAVING CHARACTERISTICS MAKING THEM APPEAR AS POSSIBLY RUSSIAN CONNECTED, I HAVE BEGUN TO FEEL A FAIRLY STRONG SUSPICION THAT THERE IS MORE TO THE OSWALD-RUBY CASE THAN SIMPLE INDIVIDUAL ACTS ON THE PART OF THE TWO MEN.

105-82555-ONREC.

CERTAINLY, WE CAN AGREE THAT THE RUSSIANS HAVE MADE THE CASE A BASIS OF A PROPAGANDA CAMPAIGN. I REALIZE THAT A SUGGESTION THAT THE ASSASSINATION MAY HAVE ORIGINATED IN RUSSIA SOUNDS FAR-FETCHED AND IN FACT, IF IT DID NOT, I WOULD PROBABLY NOT BE WRITING YOU THUS. AT ANY RATE, THE SUSPICION IS IN MY MIND, AND I CAN BE RELIEVED ONLY BY COMMUNICATING IT TO YOU.

IF THERE IS ANYTHING AT ALL TO MY SUSPICIONS, THERE WILL BE MORE DEVELOPMENTS IN THE RUSSIAN CAMPAIGN TO GET MAXIMUM OF PROPAGANDA VALUE FROM THE CASE. IT WOULD SEEM TO ME THAT, AT SOME POINT, THEY WILL WANT TO BRING THE WIDOW OF OSWALD TO RUSSIA SO THAT STATEMENTS CAN BE ATTRIBUTED TO HER DISPARAGING THE UNITED STATES. ALSO, IT WOULD SEEM TO ME QUITE LIKELY THAT THEY WILL, IN THE EVENT THAT RUBY BECOMES AVAILABLE, TRY TO BRING HIM TO RUSSIA FOR A SIMILAR REASON.

PLEASE KEEP IN MIND THAT I HAVE NO KNOWLEDGE OF THE CASE EXCEPT FROM NEWSPAPERS, TELEVISION AND RADIO. ALSO, I AM SOMEWHAT EMBARRASSED TO BE SO PRESUMPTIVE IN PASSING THIS ON TO YOU, BUT I FEEL THAT I MUST DO IT.

IF THE DOCUMENTS PLACED IN YOUR HANDS BY THE RUSSIANS PURPORT TO BE ORIGINALS, THE SCIENTIFIC DETERMINATION OF THE AGE OF EACH ENTRY, IF POSSIBLE, WOULD PROBABLY PROVIDE USEFUL CLUES.

I WILL DESTROY MY COPY OF THIS COMMUNICATION AS WELL AS THE TAPE USED IN TRANSMITTING IT AND IT WILL NOT BE NECESSARY AS FAR AS I AM CONCERNED, FOR YOU TO ACKNOWLEDGE IT OTHER THAN THAT I WOULD LIKE AN ASSURANCE NOW THAT THE TRANSMISSION WAS LEGIBLY RECEIVED BEFORE DESTROYING THE TAPE. GA PLS

Mr. J.Edgar Hoover, Director
The Federal Bureau of Investigation
Washington, D.C.

Dear Mr. Hoover:

Enclosed you will find my personal check, made out to "Mrs. Lee Harvey Oswald, Dallas, Texas", in the amount of Ten Dollars ($10.00)

I should very much appreciate it if you would forward this check to Mrs. Oswald for me. I desire that it should be used for food for herself and the children - a Thanksgiving gift sent to a woman in trouble from one fortunate enough to be an American citizen.

Should your office feel any necessity to "investigate" me, let me set forth the following facts: I am, as I said, a woman, and an American citizen. I am also a birthright Californian, and a resident of the city of Pasadena in that State. Because I daily study, and mediate upon, and try to put into practice the words and works of Christ Jesus, the Mayshower, I think I am entitled, also, to call myself a Christian.

Anything else you should needfully know can be ascertained by contacting me at my home, the address given above.

Thank you for attending to this Thanksgiving for me.

Sincerely yours,

Elinor Scofield

This is to advise that SA Joseph Loeffler, Dallas Division, contacted Extra Duty Supervisor Stephen F. McInerney telephonically at 1:25 a.m. on 12/3/63 and advised that OSWALD-IS-R-CUBA reports were being dispatched by air to Division Five and that Division had been requested to make copies of same available to the General Investigative Division.

In answer to a question previously submitted by SA John W. Burns concerning the correct application date as mentioned in RUBY-CR report, as set out on page 705 of questioned report. Dallas Office advised that in order to verify date in question it will be necessary to check records which are unavailable until the morning of 12/3/63. When same has been handled the Bureau will be advised immediately.

TO : Mr. Conrad

DATE: 12/2/63

FROM : W. H. Jevons

SUBJECT: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY

My memorandum of 11/23/63, set out additional information relating to the sale and distribution of the Western manufactured 6.5 mm Mannlicher-Carcano ammunition used in the assassination. That memorandum was written in response to Mr. Belmont's instructions that every effort be made to trace the ammunition on the possibility that some of it may be traced into Oswald's hands.

The Springfield Office has advised that they have obtained, through contact at the Western Cartridge Corporation, East Alton, Illinois, copies of that Corporation's records relating to the manufacture of this ammunition. Western manufactured four million rounds of this ammunition for the United States Marine Corps during 1954.

Attached is a two-page copy of the records of Western relating to the complete manufacture of this order of ammunition which was authorized under Government contract DA-23-196-ORD-27.

The interesting thing about this order is that it is for ammunition which does not fit and cannot be fired in any of the USMC weapons.

This gives rise to the obvious speculation that it is a contract for ammunition placed by CIA with Western under a USMC cover for concealment purposes.

There seems to be much talk about the Dallas Police Department. Various persons have said that it "needs an over-hauling," that everyone from Chief Curry to Homicide Captain Will Fritz should resign. On the other hand, the Mayor of Dallas and others have commended the Police Department. One official said that should the Chief of Police hand in his resignation, it should not be accepted. • Well, is the Dallas Police Department lax or isn't it? When it comes to events of this scope, no one of us in this entire land can be completely impartial. I'm sure you all have your opinions and these are mine, regarding the Dallas police:

• • •

For one thing, neither the Dallas Police Department nor any other municipal police department is completely responsible for the protection of the President or the internal security of the nation. These are the prime responsibilities of the Secret Service and the FBI. This is the way it is in Washington and this is the way it is in Dallas. (In Washington, as a matter of fact, the Metropolitan Police are not responsible even for the protection of the White House and its environs. This is handled by special White House police.)

• • •

This is not to say that a police department is not expected to do everything humanly possible to protect the President. It is. The FBI, according to Dallas Police Chief Curry, talked to Lee Harvey Oswald before the President's visit. Either the FBI decided that Oswald was harmless or it simply failed to inform the Dallas police about him; or the fact that he worked at a building on the parade route. Every other questionable character that the FBI mentioned to the Dallas Police was staked-out carefully, the Dallas Police Chief said. People are quick to point out that Adlai Stevenson was roughed up by a Dallas crowd. Some say that the Dallas Police failed to protect him.

• • •

But, according to our sources in Dallas, Adlai Stevenson was so baffled by the reaction of the crowd in Dallas during his visit, that, over police objections, he went beyond their protective ranks and attempted to reason with what actually was an unruly mob. Was it the fault of the police or of Mr. Stevenson that he was assaulted? • After the President was shot, it was not the Secret Service nor the FBI that captured the man to whom all evidence points as the killer. It was the Dallas Police and one Dallas policeman was killed doing it. Another one might have been killed, but the presumed assassin's gun jammed.

Then, however, Oswald was killed in the basement of the police garage, despite elaborate precautions taken to prevent that. He was killed by a man who "hung around" the police station and was generally accepted by police and the press alike as "all right." Darn near every police station in America has people like that. So do most newspapers. These people just are there; they like to be where the action is; they'll go for coffee, they'll run errands. Nobody knows who they are; everyone thinks somebody else knows. It was inexcusable that Jack Ruby was in the police garage at that critical time, but there he was and it could happen in almost any police station at any time.

• • •

But aside from the aspects offered above, one other thing made it easier for Mr. Ruby to be on the scene; the press and TV. Remember, the Dallas police, much as Dallas itself, had a tremendous guilt feeling about the events of the preceding Friday. The police could have spirited Oswald to the city jail at 4 a. m., without telling anyone. But the police didn't want to offend the press. "The American people have a right to see this killer," more than one reporter reminded police. So there was the garage, filled with police, filled with reporters and cameramen, many of them complete strangers (out-of-town press) to the local authorities.

• • •

The unknown reporters were "all right," the strange cameramen were "all right," the anonymous TV technicians were "all right." So why shouldn't Jack Ruby, who had been hanging around for years, be "all right"? • This is not the first time that the press has contributed its full share to the confusion of a major event. • Jack Ruby, too, should not have gotten into the garage. The Dallas Police Department WAS lax in allowing him to do so. • But before we demand that it be "over-hauled," for "mistake after mistake," perhaps we should think again and [illegible] the facts.

Judge Milton Kronheim called and stated he thought he should tell me of a conclusion he has reached. He noticed that Oswald lived in the house of some people who belong to the American Civil Liberties Union (ACLU) and they took him to a meeting; that when Oswald was on television he called for Abt, the ACLU attorney. Judge Kronheim stated that for many years he has sat in these cases where the attorney for the defendant has been a civil liberties attorney and he has noticed consistently that they do not approach the problem with any pertinency; that they have represented Nazis, communists, peace people, the Madam Nhu pickets; and he thinks their basic gambit, basic philosophy, is one of just fighting all authority.

I told Judge Kronheim that I share that view myself.

The Judge continued that he thought the whole situation becomes logical when you fit it into the ACLU viewpoint.

I told the Judge that I was glad to have his viewpoint; that Oswald was in communication with them for membership which had not been given; that he was a member of the Fair Play for Cuba Committee and was the secretary of that at New Orleans with the result that he had a very bad background; and that the first lawyer he wanted was John Abt who appears in all the communist cases we have.

Judge Kronheim stated the point is that Castro, Khrushchev and all the rest, except the ACLU, have disowned Oswald; that the FBI has to make a report and he thinks the report can focus on those people.

SUBJECT: LEE HARVEY OSWALD
ASSAULTING A GOVERNMENT OFFICER

This afternoon I advised SAC Shanklin in Dallas that we are sending down Supervisors Rogge and Thompson for the purpose of going carefully over the written interview and investigative findings of our Agents in the Oswald matter so that we can prepare a memorandum to the Attorney General, attaching exhibits such as photographs, et cetera, to set out the evidence showing that Oswald is responsible for the shooting that killed the President. We will show that Oswald was an avowed Marxist, a former defector to the Soviet Union and an active member of the FPCC, which has been financed by Castro. We will then show the background of Oswald, when and where he was born, et cetera, and then the story of what happened when the President was shot and subsequently until Oswald was picked up in the theatre. We will set forth the items of evidence which make it clear that Oswald is the man who killed the President.

Shanklin said results of the investigation have been reduced to written form and consequently the information will all be available for these two Supervisors.

Supervisors Rogge and Thompson are leaving the night of November 24 for Dallas (by AIR FORCE PLANE)

I told Shanklin that he should contact the Chief of Police and arrange to be sure that any evidence such as the rifle, gun casings, paper bag containing Oswald's fingerprints, et cetera, be locked up in custody of the Chief so that no souvenir hunters or other persons would destroy or take away the evidence. Despite the fact that Oswald is dead, this evidence will be necessary to back up any statement that Oswald was the man who killed the President.

I also alerted our Laboratory to retain the bullets that were compared with the rifle and to hold on to any other evidence pertaining to this case.

I told Shanklin that Deputy Attorney General Katzenbach is reportedly sending Assistant Attorney General Miller of the Criminal Division down to Dallas to speak to the Mayor to see if he can keep the Chief of Police and Lieutenant Fritz off television and radio.

UNITED STATES GOVERNMENT

Memorandum

TO: Mr. Belmont

DATE: November 26, 1963

FROM: C. A. Evans

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

Deputy Attorney General Katzenbach called with reference to the report which is to be submitted by the FBI in relation to the circumstances surrounding the assassination of President Kennedy.

He noted that a tremendous responsibility had been placed on the FBI in this instance by President Johnson because this report, which is to be publicized, is for the purpose of assuring the American public and the world as to what the facts are in Kennedy's assassination and setting to rest the many, many rumors that have been circulating and speculation both in the United States and abroad.

Katzenbach noted in this regard that we are being called upon to, in many instances, prove the negative. For example, he observed that there has been considerable speculation in the press in the United States and in Europe that the assassination was part of a communist or Castro conspiracy. There have also been allegations that Oswald and Ruby were known to each other and were part of a conspiracy. It has been further alleged that Oswald was killed to silence him.

Katzenbach noted that it is, of course, more difficult to prove that something did not occur than to prove what actually happened. As a consequence, it is his belief there might have to be some so-called editorial interpretation. He noted that the report will be subjected to the closest scrutiny by the world-wide press and foreign governmental representatives, as well as by the American people. He knew that we were keeping this in mind in preparation of the report.

As Katzenbach understands it, the report is to be reviewed by the Justice Department and transmitted to the White House. In this regard, he feels it is his responsibility to do this personally for the Department. To this end, he said if it would be helpful he would be glad to review and discuss any preliminary drafts, since time is of the essence.

ACTION BEING TAKEN:

From the facts disclosed in our investigation, there is no question but that we can submit in our report convincing evidence beyond any doubt showing Oswald was the man who killed President Kennedy. The problem is to show motive and this, of course, is a condition of Oswald's mind and can be, at best, a speculative conclusion predicated upon circumstantial evidence. Oswald has admitted he was an avowed Marxist. The facts are not clear cut as to his relationship with organized communism, either the Communist Party or the pro-Castro organizations. The Domestic Intelligence Division has been reviewing this very matter so that our report may reflect the factual information we have in this regard. While neither the White House nor the Department should be able to contend that our report does not meet the required purpose, we must be factual and recognize that a matter of this magnitude cannot be fully investigated in a week's time.

So how long [illegible] Visibility.

FROM: C. A. Evans

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

Deputy Attorney General Katzenbach telephoned at 10:50 a.m. He said he had just completed talking on the telephone with Alexis Johnson, Deputy Under Secretary of State. Johnson told Katzenbach that insofar as the investigation of this matter in Mexico is concerned, the State Department felt this should be coordinated and directed by the FBI. State took the position that the President's directive to the FBI extended to any activity outside of the United States, as well as within the country. Insofar as the Ambassador in Mexico is concerned, Johnson believed he should be kept informed of any pertinent developments but that the Ambassador should not be running the investigation.

As to current developments, Katzenbach said that the last thing he would want would be for the FBI to take Agents away from their investigative duties to prepare reports. He requested, however, that if there were any pertinent developments he be orally briefed.

With further reference to his conversation with Alexis Johnson, Katzenbach said he had been asked whether the State Department should make a formal inquiry of the Soviet Government for information concerning Oswald and his wife, particularly as to their activities in Russia. He asked that this question be considered by the Director, as Katzenbach felt his views most important.

In thinking about the matter himself, Katzenbach noted if we did not ask the Soviets for information there would be no answer should the question of Oswald's stay in Russia be raised, other than to admit we had made no inquiry. On the other hand, he observed that we could not place any reliance on anything the Soviets said.

following recommendations are submitted with reference to the points raised by Mr. Katzenbach:

1. Insofar as making a formal approach to the Soviet Government, we believe this undesirable. Such a formal request from the United States will enable the Russians to put out an official statement entirely favorable to them. The United States will have to accept this, since it is in response to our formal request, and we won't be in a position to disprove it. The State Department has responsibility here and we should not dictate the position they are to take, but our views should be stated.

2. In connection with the investigation in Mexico, it is recommended Katzenbach be informed that the State Department and Central Intelligence Agency (CIA) have jurisdiction in dealing with foreign governments and in getting investigative results and intelligence coverage abroad; that while we are cooperating fully with State and CIA in Mexico, the responsibility in this matter should rest with State and CIA.

If approved, Katzenbach will be so advised.

O.K. The Ambassador in Mexico is expressing [illegible] as indicated in the letter received this morning.

SUBJECT: ASSASSINATION OF THE PRESIDENT
Lee Oswald

Relative to the Director's question as to how long we estimate the investigation in this matter will take, we plan to have the report on this matter, and on the Jack Ruby matter, this Friday, 11/29/63.

The investigation in both cases will, however, continue, because we are receiving literally hundreds of allegations regarding the activities of Oswald and Ruby, and these, of course, are being run out as received. I think this will continue, and in the absence of being able to prove Oswald's motive and complete activities, we must check out and continue to investigate to resolve as far as possible any allegations or possibility that he was associated with others in this assassination. Likewise, we have to continue to prove the possibility that Jack Ruby was associated with someone else in connection with his killing of Oswald.

All leads are being handled telephonically or by teletype, as they arise. We are continuing to work on the report today and tomorrow, and will have it to the Director on Friday.

Inspector Malley called from Dallas late 11-27-63 to advise that Mrs. Oswald had been entirely uncooperative during attempts to interview her but on 11-27-63 had indicated that she might be willing to cooperate if she had some concrete assurances she could remain in the U.S. Details are as follows:

Mrs. Oswald is a citizen of the Soviet Union, having married Oswald while he was in the USSR and having come to the U.S. as his wife in 1962. She speaks very little English. She is now in the protective custody of Secret Service and a Russian-speaking Secret Service agent assisted in the attempted interview on 11-27-63. Mrs. Oswald was entirely uncooperative during the interview and after two and one-half hours, requested that the interview be halted.

While she has indicated some hostility toward the Bureau, it is very possible that part of her reluctance to talk is because of a reported sale by her and Oswald's mother of their story to a magazine. In this connection, Oswald's mother was also uncooperative during an attempted interview 11-27-63 and refused to furnish any more information.

Inspector Malley advised that Bureau Agents are of the opinion (and this opinion is shared by Secret Service) that subject's wife is a cool, poised, intelligent, well-disciplined individual and perhaps as a result of having grown up in a totalitarian state is used to adversity and can stand up under it. She did, however, during the interview express keen interest in money, an indication that she most certainly would have no desire to go back to Russia. She also indicated that she might be willing to cooperate with the Bureau if some concrete assurances could be given to her that she would be permitted to remain in the U.S.

MEMORANDUM FOR MR. SULLIVAN
RE: LEE HARVEY OSWALD

After checking with you, Liaison Agent Haynes contacted Associate Commissioner Mario Noto, Immigration and Naturalization Service (INS) and according to Mr. Noto, Mrs. Oswald has done nothing to subject herself to deportation and she is a permanent resident in the U.S. He said she could be advised that her cooperation with the Bureau will be made a matter of record with INS with regard to her citizenship application if she desires to make such an application. Mr. Noto also said that he would be glad to have an INS representative present during an interview with Mrs. Oswald if she so desired and the INS representative would advise her of the above, answer any questions she might have, attempt to secure her cooperation and then, of course, would withdraw from the interview. Noto in effect said INS would be glad to do anything that they could to assist the Bureau.

After this matter was further discussed with you and Mr. Belmont, arrangements were made to have Anatole E. Boguslav, an extremely well qualified Russian-speaking Agent from New York flown to Dallas today by the Air Force to interview Mrs. Oswald. Arrangements were also made by Liaison through Associate Commissioner Noto to have an official of INS available in Dallas who would be present at the outset of the interview to explain her rights and privileges as to U.S. residence to Mrs. Oswald and assist in securing her cooperation. This INS representative will only be present during this portion of the interview and then withdraw. He will, however, remain in Dallas for a period of time to be available if Mrs. Oswald should raise further questions re her citizenship or residence in the U.S.

Inspector Malley and SAC Shanklin in Dallas were advised of the arrangements made for Boguslav and the INS representative to be in Dallas this evening for the attempted interview, and to make necessary arrangements so that Mrs. Oswald would be made available by Secret Service. Malley and Shanklin pointed out that subject's mother has appointed herself an unofficial attorney and guardian for subject's wife and she would probably attempt to be present but I told Malley and Shanklin it should be worked out so that Bureau Agents would be the only ones present during the interview after the INS representative has completed his part. Malley and Shanklin were advised I would be in touch with them as soon as possible after the definite time of arrival of the Air Force plane was determined

so that definite arrangements could be made by them for the interview. I also went over with them briefly the highlights that should be covered during the initial stages of the interview and said that if Mrs. Oswald did agree to the interview and was cooperative, they should attempt to secure as much as possible tonight and if she insisted the interview be concluded, to make arrangements for it to be continued as soon as possible tomorrow.

ACTION:

Liaison stressed with INS the necessity for this to be kept confidential and I also stressed this with Inspector Malley and SAC Shanklin.

You will be advised of additional developments.

We as a family should like to learn whether Mrs. Lee Harvey Oswald and her children are in need of financial aid, and, if so, through what channels such help could be sent to her. We have no knowledge of Mrs. Oswald except what has become common knowledge in the last few days, in relation to the crime of her husband. Our one concern is to help one who may be cut off from compassion because of a crime of another.

While we would not be able to contribute any large amount, we should be glad to learn to learn if they need help and what, in your judgment, might be done, and through what channels. We should be willing to send whatever we could, either with or without our names being known to the recipients.

Re Detroit teletype to the Bureau dated December 2, 1963.

Enclosed for the FBI Laboratory are eleven pieces of cardboard with yellow chalk samples and one piece of paper with chalk traces.

It is noted the following was printed in yellow chalk on New York Central Box Car #124475, on the inside:

LEE OSWALD
Dallas, Texas

Future Man of Destiny Apr. 4, 1963.

On the opposite side of the inside of the box car were two diagrams consisting of intertwined triangles also written in yellow chalk.

Outside the car, also written in yellow chalk, were the following notations:

Q-2002) Samples from man of destiny.

Q-2013) Samples from LEE OSWALD, Dallas, Texas.

Q-2024) Samples from Apr. 4, 1963.

Q-2035) Sample from word future.

Q-2046) Samples taken from all words and figures after all other words taken from OSWALD notation.

Q-2057) Samples taken from both sides NYC #124475 boxcar.

K-458) Samples outside boxcar #124475, NYC.

K-469) Sample outside of car #124475, NYC.

K-4710) Samples outside car #124475, NYC.

K-4811) Scrapings from east side of car NYC #124475 diagram.

Q-20612) Samples obtained after use of cardboard from OSWALD notation (scrapings on paper).

It is noted photos were obtained and it was impossible to scrape flakes of chalk from the wood.

The Laboratory is requested to ascertain, if possible, whether or not the chalk had recently been used to put on the notation; whether or not the samples of the chalk are the usual railroad chalk used to mark a boxcar; compare chalk samples 1 through 5 with chalk number 11 to determine if the same chalk was used to make both notations; compare chalk samples number 1 through 5 with samples 7, 9 and 10 to determine if the chalk used to make OSWALD notation is identical with the chalk used to make notations on the outside of the boxcar; and also compare samples 1 through 5 with number 11 to determine if the same chalk was used to make the OSWALD notation that made the diagram

For the assistance of the Laboratory, sample number 7 contains chalk from both the OSWALD notation and the symbol inside the boxcar and examinations of this sample may assist in determining if the same chalk was used for both notations.

Sample number 12 consists merely of additional scrapings of chalk from the OSWALD notation in the event further samples are needed.

Also for the assistance of the Laboratory are photographs of notations made in chalk on the inside of the car.

Samples and photographs need not be returned toDetroit.

Miss Wanda Gore, 1725 19th Street, Northwest, Washington, D. C., telephoned the Bureau. She said that over the Thanksgiving weekend she had been visiting in the vicinity of Sparta, North Carolina. While there, she heard commonly discussed a story that Lee Oswald was said to have been in Sparta, North Carolina, about three weeks ago. It was reported that he cashed a check there at the local bank.

Miss Gore professed not to know the identity of any person there who would be familiar with this story but said it was a small town and the local banker would know whether there was any truth to it.

The official United States Marine Corps (USMC) Service record for Oswald contains a notation relating to Oswald's weapons qualifications to the effect that Oswald qualified in December, 1956, on the M-1 rifle with a score of 212. A notation after this score has been inserted which qualifies Oswald as an "mm" (Marksman).

Colonel Oscar T. Jensen, Jr., Military Secretary to the Commandant, USMC, advised Liaison on December 4, 1963, apparently there is an error in the conclusion that Oswald's score of 212 qualified him as a Marksman. Colonel Jensen stated that since 1953 a qualification score on the M-1 rifle over 210 results in the awarding of a Sharpshooters' badge. Colonel Jensen called the Marine Corps at San Diego, where Oswald underwent his basic training and was advised records for the pertinent period have long since been destroyed. Colonel Jensen researched dead files in the Washington Marine Corps Headquarters and verified that a score of over 210 in Course "A" for the M-1 rifle in 1956 would qualify the recruit for Sharpshooter rating.

On the basis of his research, Colonel Jensen concluded that there was an administrative error in the entry in Oswald's Service jacket indicating that for a score of 212, he was awarded recognition as a Marksman when in reality Oswald apparently earned the rating of Sharpshooter.

Reference is made to information furnished by Mr. Howard Osborne on November 24, 1963, regarding a telephone call from Valdo Ragash of Cleveland, Ohio, who alleged that the captioned subject and his wife were trained Soviet spies and cautioned that full protection should be afforded Mrs. Kennedy.

For your information, Ragash, who is also known as Jonas Zemaitis and Valdo Ragas, residing at 11389 Deborah Drive, Cleveland, Ohio, was interviewed. He claimed to be a member of an anticommunist Lithuanian underground which was sent to the West to maintain liaison with the U.S. Government and determine if the U.S. will assist Lithuania in the event of an internal uprising in Russia. He claimed to have had last contact with the underground 7 months ago in Cleveland but refused to furnish additional information. He claimed the underground personnel did advise him that some of the persons coming out of the Soviet Union have been assigned to kill U.S. Government officials but he did not know the identities of any particular persons and could not identify any of the individuals who had been given such assignments. He did not know whether the captioned subject had been given such an assignment but speculated that subject and his wife are Soviet spies and that the wife is the motivating force. He could furnish no information to substantiate this opinion.

Ragash also speculated that subject's killer is a part of the communist underground apparatus and had been given the specific assignment to kill subject. He speculated

that subject's killer in turn will be killed by the communist underground apparatus. He could furnish no information to substantiate his conclusions.

Ragash advised that he was born in Lithuania January 17, 1918, and entered the U.S. January 2, 1952. He served in the British Eighth Army from 1944 - 1948, was demobilized in England and worked in that country until December 23, 1951 when he came to the U.S. arriving in Buffalo, New York. His wife, Joan Frances Cousin Zemaitis, is of British nationality and they have a 14-year-old son, Anthony. Ragash advised that he had received head injuries as a result of an exploding hand grenade during World War II for which he was hospitalized. He was again hospitalized in Cleveland in 1961 for back injuries occasioned by an automobile accident. He was a boxer until 2 years ago and a former employer has described him as being "punchy."

On May 9, 1960, Ragash in an interview at the Cleveland office of this Bureau was critical of the U.S. for permitting the U-2 plane to be shot down by the Russians. On February 28, 1962, he appeared at the Cleveland office and advised that astronaut John Glenn is Hitler in disguise.

The above is for information.

CLYDE DAVID BUMGARNER;
DAVID HART;
RICKY KYLE

On November 23, 1963, the Boston Office of the FBI furnished the following information to the Jacksonville Office:

On November 23, 1963, CLYDE DAVID BUMGARNER, age 18, 94 Chatham Street, Worcester, Massachusetts, advised that he had arrived in Worcester about three weeks prior to that date from Jacksonville, Florida and claimed to have received a telegram on November 23, 1963, from a friend, DAVID HART, Jacksonville, Florida, whose telephone number was 356-9251, requesting BUMGARNER to call him at that number.

BUMGARNER called DAVID HART at 6:00 PM on November 23, 1963, and HART told BUMGARNER that a friend, RICKY KYLE, of Orlando, Florida, had mentioned to HART two or three weeks ago that President KENNEDY would be killed. HART told BUMGARNER he through KYLE might be able to furnish pertinent information but HART wanted to send KYLE outside the State of Florida to give the information to the FBI.

BUMGARNER further advised the Boston Office that he, together with DAVID HART and RICKY KYLE are members of the "Royal Order of Ica" which BUMGARNER joined in 1960 in Orlando, Florida, and is an organization which is anti-integration and anti-National Association for the Advancement of Colored People (NAACP). He said DAVID HART and his associates frequent the Blue Circle Drive In Restaurant off Summer Street, Jacksonville, Florida.

BUMGARNER further advised that he attempted to call DAVID HART again at 9:20 PM on November 23, 1963, but was told by the operator that Jacksonville telephone number 356-9251 had been disconnected. He said this number was formerly listed to Ray's Paint and Body Shop, 246 Riverside Avenue, Jacksonville, Florida. BUMGARNER could not furnish an address for HART or KYLE.

JK 89-10

The following investigation was conducted by SA RICHARD E. CASEY at Jacksonville, Florida:

A review of the files of the Jacksonville Office of the FBI failed to disclose any information concerning the "Royal Order of Ace" or individuals by the name CLYDE DAVID BUMGARNER, DAVID HART, or RICKY KYLE.

The 1963 telephone and city directories for the city of Jacksonville and vicinity failed to disclose any information concerning DAVID HART, RICKY KYLE or CLYDE DAVID BUMGARNER and no listings were found for telephone number 356-9251, Ray's Paint and Body Shop or the Blue Circle Drive In Restaurant.

On November 23, 1963, JK T-1 advised that Jacksonville telephone number 356-9251 has been disconnected for over 5 months and no telephone calls could have been received at that number on November 23, 1963.

On November 23, 1963, JK T-2 advised that no records could be located of a telegram being sent from Jacksonville, Florida, to CLYDE DAVID BUMGARNER, Worcester, Massachusetts, on November 21, 22, or 23, 1963.

The following investigation was conducted by SA EDWARD H. BAHLOW, JR., at Jacksonville, Florida:

Mr. W. G. PATTERSON, Clerk, United States Post Office, Jacksonville, Florida, advised on November 23, 1963, that he could not locate any information concerning the Blue Circle Drive In Restaurant in the Jacksonville area.

On the same date SA EDWARD H. BAHLOW, JR., attempted to locate a drive in restaurant on Summers Street and in the vicinity of Summers Street, in the city of Jacksonville, Florida, with negative results.

The results of the Jacksonville investigation were furnished to the Boston Office of the FBI on November 23, 1963. On the same date, the Boston Office advised that when BUMGARNER was recontacted concerning this matter he could not give a clear explanation for the inconsistencies in his original information, became extremely excited, and gave indications of being emotionally disturbed.

The Boston Office also advised that no record could be located to indicate that BUMGARNER had received a telegram on the date indicated by him and that he had been dismissed from his employment on November 23, 1963 by his employer for falsely claiming he had fallen from a roof and due to indications that BUMGARNER was mentally disturbed.

FRANKLIN A. BOWER

The following investigation is predicated on information received from JK T-3 on November 25, 1963, that on November 12 - 14, 1963, F. A. BOWER, Post Office Box 552, Jacksonville, Florida, registered at the Ponce De Leon Hotel, Roanoke, Virginia. While at the hotel, BOWER drank heavily and when the management attempted to make him check out he reportedly made remark that he was going "to Washington and kill 10,000 Negroes." The informant said that BOWER was possibly a gun salesman as he was observed in possession of several rifles in his car. He was described as a white male, approximately 50 years old, 5' 10" tall, weighed 180 pounds, and had grey hair combed straight back.

The July, 1963, telephone directory for Jacksonville, Florida, shows that F. A. BOWER resides at 2515 Pineridge Road and that the F. A. BOWER Distributing company, Cutlery, is at 1704 Hendricks.

JK 89-10

On November 25, 1963, JK T-4 advised that Post Office Box 5522, Southside Station, Jacksonville, is listed to F. A. BOWER, 2515 Pineridge Road, Jacksonville, Florida.

On November 25, 1963, FRANKLIN A. BOWER, 2515 Pineridge Road was interviewed by SAs WALTON O. CONE and JOSEPH M. BURKE.

Mr. BOWER advised that he is the owner of the F. A. BOWER Distributing Company located at 1704 Hendricks and that he mainly operates as an importer of cutlery. He said that he also imports small arms and on occasions buys second hand rifles which he sells.

BOWER said that he was born at Williamsport, Pennsylvania, September 27, 1909, and that his wife was born and reared in Germany. He said that he had been a resident of Jacksonville at the above address since 1939.

BOWER said that he was in Roanoke, Virignia, for two days in the middle of November, 1963, and stayed at the Ponce De Leon Hotel. He said that he travels over much of the country in connection with his business including Texas and California. BOWER said that he did do some drinking while at the Ponce De Leon Hotel, but that he made no wild statements to the effect that he intended to kill anyone. He said that he knows that such action is not the way to settle America's problems of today and he feels that it was a tragedy that the President of The United States was assassinated.

BOWER said that he was in Georgetown and Charleston, South Carolina on November 22, 1963, and returned to Jacksonville, Florida, by way of Brunswick, Georgia, on Saturday, November 23, 1963. He said that he made all of this travel by automobile.

JK 89-10

GEORGE PARR

JK T-5 telephonically furnished the following information to the Pensacola, Florida, Resident Agency of the FBI on November 25, 1963:

The source formerly resided in Alice, Texas, until 1949. One GEORGE PARR was a "Political Boss" there at that time. PARR was then a strong supporter of President LYNDON JOHNSON and allegedly "padded" the election box the first time President JOHNSON was elected to the United States Senate. PARR reportedly resides on a ranch in San Diego, Texas.

In 1948 PARR allegedly had one BILL MASON, Editor of the Alice Chronicle Newspaper, killed in order to keep political control. MASON was reportedly killed by a sniper. One SAM SMITHWICK, a deputy sheriff was subsequently convicted and given a life sentence for killing MASON. SMITHWICK later killed himself in jail.

Also in 1948, PARR was rumored to have tried to have (first name unknown) FLOYD killed. FLOYD was the owner of a radio station in Alice and was allegedly attempting to connect PARR with the murder of MASON. FLOYD's son was reportedly killed by a sniper by mistake.

JK T-5 expressed the theory that since MASON and FLOYD were killed by a sniper's bullets and since PARR was rumored to have been connected with these killings that PARR also may have been behind the assassination of President KENNEDY. JK T-5 futher expressed the opinion that PARR would possibly benefit politically by this turn of events in view of his acquaintance with President JOHNSON.

JK T-5 advised he had no knowledge whatsoever concerning the assassination of President KENNEDY and no first-hand knowledge concerning the above mentioned rumors and allegations involving PARR.

JK 89-10

JK T-5 advised that he was merely furnishing the foregoing information as a theory and had no concrete information to support his theory.

CHARLES CONLEY LYNCH, aka
CONNIE LYNCH

JK T-6 and JK T-7 advised on November 27, 1963, that CONNIE LYNCH had been residing at 107 East 1st Street, Jacksonville, Florida, and speaking at Klan rallies sponsored by The Ku Klux Klan for the past couple of months. The sources advised that they have received no information indicating that LYNCH had any contacts in Texas or had recently traveled outside the Jacksonville, Florida, area.

The foregoing sources advised that The Ku Klux Klan was a new klan organization which was recently formed in Jacksonville, Florida. According to these sources The Ku Klux Klan was formed by a number of members of the United Florida Ku Klux Klan who split away from that organization. A characterization of the United Florida Ku Klux Klan is included in the appendix section of this report.

EUNICE GROVER FALLAW, also known as GENE FALLAW, officer of The Ku Klux Klan, 12500 Camden Road, Oceanway, Florida, furnished the following information to SAs HARLAND D. SHAW and WILLIAM JOHNSON on November 27, 1963:

CONNIE LYNCH was in Jacksonville, Florida, during the time President KENNEDY was assassinated. LYNCH is an ardent segregationist and was opposed to many policies of President KENNEDY, however, he had nothing to do whatsoever with President KENNEDY's assassination to FALLAW's knowledge. Also LYNCH had no current contacts in Texas to FALLAW's knowledge. FALLAW advised that LYNCH was planning to leave Jacksonville to return to his home in San Bernardino, California, in the next week or so.

JK 89-10

JACK L. RUBY

On November 25, 1963, the Atlanta Office advised they have information from AT-1 to the effect that a (first name unknown) RUBIN had possibly operated in the vicinity of Daytona Beach in the latter 1940s. Photographs of RUBY appeared similar to RUBIN, according to AT-1. Informant suggested the following people should have complete knowledge of RUBY if identical with RUBIN:

MATTIE TRACY, [redacted] Daytona, Florida

JOHNNIE WALKER, Daytona, Florida.

M. T. BROWNING, Police Department, Daytona, Florida.

TOM JOHNSON, former Chief of Police, South Daytona Police Department. FLA. MEXICO

PITT COLE, Deland, Florida.

(First name unknown) KITCHIN, former Deputy Sheriff Deland, Florida.

AT DELAND, FLORIDA.

The following investigation was conducted by SA FRED E. GORDON:

MATTIE TRACY was ascertained to be residing and operating out of West Palm Beach, Florida.

TOM JOHNSON, former Chief of Police, Daytona Beach, presently traveling in Mexico.

JAMES T. KINCHEN, former Chief Deputy Sheriff is deceased.

RUBIN is not known to JOHNNIE WHALEN, M. T. BROWNING or former Sheriff of Volusia County, ALEX LITTLEFIELD.

Investigation further reflects RUBIN is not known to the present police officials at Daytona Beach and not known to Constable F. R. GALBREATH (NA) or GENE PETRONE (NA), both former Deputies under LITTLEFIELD and residents of Volusia County for the past 40 years.

PITT COLE, former Volusia County Commissioner has not been located to date.

AT PALATKA, FLORIDA.

CHARLES STUART, brother of ROBERT JEROME STUART, also known as BUDDY KING, was located at the William Penn Motel, Palatka, Florida, by SA JOHN PAGE.

STUART stated he has not seen his brother since 1957 when his brother worked as a comic in a New Orleans, Louisiana, night club, name unrecalled. He said ROBERT went to Dallas from New Orleans and that he has not been heard from since. He said he has no idea of the current location of ROBERT who would be unable to suggest logical associates for contact who could furnish this information.

It is to be noted that ROBERT STUART was reportedly a former employee of JACK L. RUBY.

MISCELLANEOUS

All logical informants and sources in the Jacksonville Division having knowledge of Racial, Security, Criminal, and Gambling matters were contacted concerning LEE HARVEY OSWALD, JACK L. RUBY and the assassination of President KENNEDY. None of the informants or sources were able to furnish any information relating to these matters.

JK 89-10

A review of the files of the Jacksonville Office failed to reveals any information concerning LEE HARVEY OSWALD and/or JACK L. RUBY.

APPENDIX

UNITED FLORIDA KU KLUX KLAN (UFKKK)

A source advised on August 20, 1955, that a new organization known as the Florida Ku Klux Klan (FKKK) had been formed at Macclenny, Florida, on August 14, 1955, by former members of the Association of Florida Ku Klux Klan (AFKKK).

The objectives of this group, according to a second source are to oppose integration in the schools and to fight communism.

Regarding AFKKK, a third source advised that a former official of the Association of Georgia Klans (AGK) formed an organization on July 7, 1953, known as AFKKK. The "Morning Tribune" Tampa, Florida newspaper, in its August 11, 1955, issue revealed AFKKK disbanded on that date.

A fourth source advised on October 25, 1956, that AFKKK operated under the same principles and by-laws as the AGK. The AGK has been designated by the Attorney General pursuant to Executive Order 10450.

A fifth source advised on February 17, 1958, that the FKKK is operating and maintaining the same objectives as set forth above.

The sixth source advised on June 28, 1961, that at a meeting held in Orlando, Florida, on June 25, 1961, the FKKK and the United Klans, Knights of the Ku Klux Klan, Inc., in Florida, consolidated and the new organization is known as the UFKKK.

On May 17, 1962, the sixth source advised that the UFKKK is still in existence in Florida and maintains the same objectives as set forth above.

REC 37

At 12:20 a.m., 12/3/63, Walter A. Koopman, 2204 Parallel Lane, Silver Spring, Maryland, called Midnight Supervisor William E. Assmus to report that he believed that he had seen Lee Harvey Oswald in Bethesda, Maryland, in about February, 1963.

Koopman said that he had been studying the photographs of Lee Harvey Oswald appearing in the U. S. News and World Report magazine and was convinced that it was either Lee Harvey Oswald or an amazing "look alike" who had visited him at his place of business, W. A. Koopman and Company, Inc., 4922 Cordell Avenue, Bethesda, Maryland, in about February, 1963.

Koopman said he runs an automobile dealership and this individual, whom he believed used the last name of Pelligrino, came in allegedly to trade in a Volkswagon which bore license tags of a southern state, exact state not recalled by Koopman, the individual indicated he had been employed by an aircraft company in Southwestern United States but had lost his job and was en route to New York. No deal was made by Koopman with this individual.

Sometime later Koopman stated he received a package from this individual from New York City. The package contained subversive literature of a communist nature and also dealt with the Cuban situation. Koopman said that he believed this literature and possibly the full name and address of the above individual had been retained by him in his desk in his place of business. He indicated a desire to furnish this information to an FBI Agent for whatever value and significance it might be.

SUBJECT: ASSASSINATION OF PRESIDENT

On the afternoon of 11-30-63 Deputy Attorney General Katzenbach telephonically advised that the Department had received some information indicating suggestions had been made in Dallas for the possible cremation of Oswald. He stated he had no further facts concerning this but in the event such was being advocated he would feel very strongly against such action. He stated he, therefore, intended to discuss the matter with United States Attorney Barefoot Sanders since he felt that any such action prior to the trial of Ruby would be something else for wide speculation.

We have also enjoyed friendly relations with this newspaper and Mr. Charles Moss, Vice President and Executive Editor is on the Special Correspondents' List. The editorial "Red Plot Clearly is to Destroy From Within" puts forth argument that the assassination of President Kennedy was not the work of Lee Harvey Oswald only but rather was a plot sponsored by the communists in which Oswald was merely a tool. The editorial points out that subsequent investigation by the FBI of the assassination of President Kennedy and murder of Oswald will confirm the views espoused in this editorial.

At 3:20 p.m. today, SA Fred B. Caldwell, San Antonio, telephonically contacted Supervisor E. B. Reddy regarding a request by the Dallas Office for San Antonio to review a file on Oswald allegedly maintained by the Texas Department of Public Safety (TDPS). According to SA Caldwell, the New York "Journal American" of November 29, 1963, carried an article stating that the TDPS had a "voluminous" file on Oswald.

SA Caldwell stated that the file of the TDPS regarding Oswald merely contains four newspaper clippings, three dated in 1959 relating to Oswald's defection to the Soviet Union, and the fourth dated November 2, 1963, which was an article in the "Fort Worth Press" relating to an interview by a Fort Worth reporter with Oswald's mother.

SA Caldwell said that San Antonio is directing a teletype to the Bureau and Dallas setting out the above information and instructing Dallas to obtain copies of the four newspaper clippings and to send them to the Bureau. The Dallas Office will also be instructed to conduct any investigatio indicated by these news clippings.

SA Caldwell said that Colonel Homer Garrison of the TDPS has no idea where the "Journal American" got the impression that the TDPS had a "voluminous" file on Oswald and he is trying to run down the source of this statement.

DATE: 12/3/63

FROM : R. H. Jevons

SUBJECT: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY....

From the personal effects of Lee Oswald, the Dallas Office submitted several different medical preparations.

The preparations consist of sulfa drugs, antibiotics, antipyretics, laxatives, vitamins, an oral contraceptive, ammonium hydroxide, antacid tablets, nasal decongestant and a medicated skin cream. All of these preparations have been examined chemically and nothing unusual was noted concerning any of the items.

The Dallas Office also submitted several coins and some personal jewelry such as cuff links, tie clasp, stick pins, some of which bear various Soviet inscriptions. There is a lapel button indicating an honorable discharge from the Marine Corps and a pocket watch and a wrist watch. An examination of these items revealed no cavities or secreted material.

These results are being furnished by teletype to the Dallas Office today.

Dear Dick:

The purpose for this letter is two fold. First off I need a small favor, and secondly I have some information for you which may bring to light some very important facts concerning a connection between Oswald the subject who assinated President Kennedy and Captain David W. Ferrie.

First. There is a crack-pot employed at the same place my wife is, who is a relief telephone operator whose name is Virgina. This person looks it over the other employees there declaring that she is a Special Informant for the F.B.I. In fact, this screw-ball reported my wife, Paula Mc Martin as being a communist, just because my wife picks up my mail at our post office box everyday and brings it home...because of the fact that a part of this correspondence comes from outside the U.S., like Canada, England, and even from ...ssr, Rome (Vatican), et cetera.

This D-S ... nearly caused my wife to loose her job...In-search-of, an inquirish ...y-bone-top-butt'n-deff, question and answer session followed.

Furthermore, I had qualified as a candidate for the offices (both position Member of the Democratic State Central Committee; as well as for Member, Orleans Parish Democratic Executive Committee; to be brought to vote, during the December 7th, Democratic Primary Election here in Louisiana. However, because of this...or primarily because of this, so-called big investigation, and the stinking talk it has caused in political circles, I have had to withdraw from the election. I would like to know, since when, has our Covenent Agency, the F.B.I. become the Bureau of Inquisition !

Well, Dick, I'm certain that you know much better than this...as do I. Although, both my wife and I have suffered needlessly over this, ... as well known as I am...I feel that such a thing should have been discarded as non sense at once...which it was not. Since, it is that there should be a good old hard-rolling...and some should come from top-staff echelon...in this case the office of J. Edgar Hoover. Will you put in a word on this for me...to have this matter cleared at once...Because, if they won't do it themselves I'm going to be forced to have the Federal Courts take action on it to Clear The Air, as it were, because of the gravity of its nature....To say nothing of the damages involved.

(b) (1) - 134

Secondly, in reference to Ferrie. Don't your case records on Ferrie show

Dick Mobley, Sunday, 26th November, 1963, cont-

Perhaps you will also remember...Ferrie had a bunch of these foreign rifle that he used to train his cadets with...Furthermore, I understand that Ferrie had been getting mail from these Cuban people Oswald was connected with...at least this is what Mr. Perdy Davis tells me...he says the FBI raised hell with Ferrie over having this type of propaganda at his office.

We might also take it into consideration that Ferrie was a professional hypnotist...That he used postlypnotic suggestion on his so-called cadets and also in the private practice of psychology here, when he advertised himself as a "Ph.D."...

Moreover...difficult to say, I am also told that Ferrie had been in and out of town on several occasions just prior to this shindy business... There was he...

We might also remember Ferrie's connection with the Cubans. And that the people blamed him because of his certain pro-Castro activities...Who has shown Ferrie's Cuban airplane flights, and the time he loaned his plane to Cubans... If you remember correctly...Sergio Arcacha, of the Cronte, drop-ped Ferrie like a hot brick...and Carlos Bringa of that group of anti-Castro people always refered to Ferrie as no-good...red...et cetera.

At least Ferrie could have taught this subject Oswald how to use such a weapon, and he could have also told this person just how to acquire such a gun...its simplicity of purchase, et cetera.

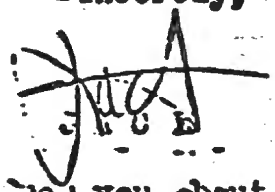
Furthermore...Was not this the person (Oswald) that Ferrie helped to get into the Marine Corps....

As you know...Ferrie is the kind of a person who could have planned such a thing as this...and he is very capable...of such a terrible thing...

Dick, at least...These facts bear investigation...and I hope this reminder may lend some small part to uncovering the dastardly facts behind what has happened.

Thanking you in advance, I remain respectfully your friend-

Sincerely,



PS: Let's hear from you about this business regarding my wife, if you have the time...And let me know if I can get you any additional info, or do you any favor in the future...JG

ATTENTION: Agent Lohr, Assistant, to Hon. J. Edgar Hoover-

Dear Sirs: Re: Lee Oswald

I have been informed that a person named Virgina (no last name known), employed at the Equitable Equipment Company here in New Orleans as a relief telephone switchboard operator is running about acqknowledging the fact that she is working for the F.B.I. as an anti-communist agent.

The reason I have personal knowledge of this, is that a few weeks or months ago your agents questioned many persons about the city and else where about my wife (Paula Mae Martin), as well as myself.

Frankly the result of this has nearly ruined my reputation...what little I have...and has almost cost my wife her job...and it may yet cost her this position...She had been due a promotion at her place of employment, and this INQUISITION has killed that it seems.

As well known as I am...it seems to me that such a statement from a known mental case as Virgina, should have been taken as a grain of salt in the first place.

However, because of the prejudicial conduct upon the part of your local office, and/or agents here, I withdrew from candidacy for office in the December 7th, Democratic Primary Election here in Louisiana, and my wife may loose he job.

Because of this, we demand that this person who made these statements be exposed as a fraud, and that your Agent In Charge here personally apologize to my wife, her working associates, and above all her employer, Captain Neville Levy president of Equitable Equipment Company.

I am certain, that neither Mr. Hoover, nor those in top authority condone such activities as these, and I sincerely hope you shall bring us both remedy and relief to this situation at once before matters get worse at my wife's place of employment.

Attached hereto is a carbon of a letter which I sent a friend of mine there in Washington, who may cast light upon some of the background of this subject Lee Oswald, may I suggest you read same, and then contact Agent Robey of the Office of Compliance & Security, FBI, JOrdan-7-4523, Washington.

Respectfully yours,

Memorandum

TO : MR. W. C. SULLIVAN DATE: December 2, 1963

FROM : MR. D. E. MOORE

SUBJECT: LEE HARVEY OSWALD
IS-R
(ASSASSINATION OF PRESIDENT KENNEDY)

Supervisor Warren Marchessault, NYO, called at 5:05 PM today to advise that John Abt, attorney for the Communist Party, had contacted the New York Office to advise that Arnold Johnson (Legislative Secretary of the Communist Party) who is his client, had located copies of correspondence Johnson had sent to Oswald. Abt stated that Johnson wanted to make these copies available to the FBI if we wanted them.

Abt also advised that in addition, Johnson had received a letter today (12-2) from Oswald which was dated 11-1-63 and which he also wants to make available. Abt said that he would be tied up until 3 PM on 12-3, but that he would be glad to make them available at his office at 3 PM on 12-3-63.

While we have copies of some letters sent by Johnson to Oswald, it is believed that the Bureau should accept these letters.

ACTION:

Supervisor Marchessault was advised that unless advised to the contrary, New York should accept these letters from Abt, make no comment other than to thank him for the letters, determine if he wanted them returned and, if necessary, sign a receipt for them. New York will advise as to the contents.

CAPTION.. INFORMATION CONCERNING OSWALD ACTIVITIES FOLLOWING RETURN FROM SOVIET UNION.

ALEXANDRA TAYLOR, CARE OF YENO, DOVER PLAINS, NY AND EMPLOYED AS ATTENDANT AT HARLEM VALLEY STATE HOSPITAL, WINGDALE, NY, ADVISED SA LOWELL W. BARTON ON NOVEMBER THREE ZERO, ONE NINE SIX THREE AS FOLLOWS..

IN ABOUT SEPTEMBER, ONE NINE SIX TWO, HER FATHER, GEORGE DE MOHRENSCHILDT, WHO IS OF RUSSIAN ORIGIN, CALLED HER AND ASKED IF SHE AND HER HUSBAND COULD PUT UP MARINA OSWALD FOR A SHORT WHILE. HE TOLD ALEXANDRA THAT MARINA AND HER HUSBAND, LEE HARVEY OSWALD, HAD JUST RETURNED FROM RUSSIA, WERE WITHOUT FUNDS, AND THAT LEE OSWALD WAS SEEKING WORK IN DALLAS. AT THIS TIME, ALEXANDRA WAS MARRIED TO GARY TAYLOR AND THEY WERE RESIDING AT ONE FIVE ONE TWO FAIRMONT ST., DALLAS.

END PAGE ONE

5-88

DEC 6

60 DEC 10 1963

LEE OSWALD DID NOT STAY WITH THE TAYLORS, BUT IS BELIEVED TO HAVE HAD A ROOM AT THE YMCA. MARINA WAS HAVING WORK DONE ON HER TEETH AND HAD A SMALL BABY ABOUT THE SAME AGE AS THE TAYLORS BABY.

ALEXANDRA BECAME FRIENDLY WITH MARINA, BUT BECAUSE MARINA SPOKE NO ENGLISH, COMMUNICATION WAS DIFFICULT. ALEXANDRA BELIEVED MARINA HAD MARRIED OSWALD MAINLY TO GET OUT OF RUSSIA. LEE OSWALD OCCASIONALLY CAME TO THE TAYLOR HOUSE AND ALTHOUGH MARINA STAYED THERE ONLY ABOUT TWO WEEKS, HE CONTINUED TO VISIT ON OCCASIONS FROM NOVEMBER, ONE NINE SIX TWO , WHEN ALEXANDRA LEFT DALLAS.

LEE OSWALD AND THE TAYLORS HAD FREQUENT DISCUSSIONS MOSTLY POLITICS AND GARY TAYLOR OFTEN ENGAGED IN HEATED POLITICAL DISCUSSIONS WITH OSWALD, WITH WHOM HE DISAGREED. IN HIS DISCUSSIONS, OSWALD EXPRESSED DISLIKE FOR THE US, BUT ALSO WAS CRITICAL OF RUSSIA. HE CONSIDERED HIMSELF A SOCIALIST, BUT IN ALEXANDRA/S OPINION, DISLIKED ALMOST EVERYTHING. HE WAS WIDELY READ, READING BOOKS OF A SERIOUS NATURE AND WITH POLITICAL IMPLICATIONS.

END PAGE TWO

ONE BOOK RECALLED BY ALEXANDRA WAS "THE ANIMAL FARM." SHE WAS UNABLE TO RECALL ANY OTHER TITLES.

LEE HAD NEVER EXPRESSED ANY DISLIKE FOR PRESIDENT KENNEDY, BUT HAD EXPRESSED A PERSONAL DISLIKE FOR GOV. CONNOLLY, ALTHOUGH ALEXANDRA DID NOT KNOW OF ANY REASON. OSWALD CLAIMED NEVER TO HAVE RENOUNCED HIS AMERICAN CITIZENSHIP, BUT CLAIMED RUSSIA HAD TRIED TO FORCE HIM TO TAKE RUSSIAN CITIZENSHIP IN ORDER TO PERMIT HIM TO WORK. HE CLAIMED THAT AFTER HE HAD MARRIED MARINA, HE HAD DIFFICULTY IN RETURNING TO THE US, REQUIRING ELEVEN MONTHS OF EFFORTS ON HIS PART AND HE CLAIMED HE WAS GLAD TO GET OUT OF RUSSIA.

OSWALD GAVE ALEXANDRA A PAMPHLET OF ABOUT THREE ZERO PAGES HE HAD PREPARED ABOUT RUSSIA WHICH DEALT MAINLY WITH HOW THE PEOPLE LIVED AND WORKED IN RUSSIA. SHE BELIEVED THE PAMPHLET TO BE FACTUAL, NOT PROPAGANDA, BEING NEITHER COMPLIMENTARY NOR DEROGATORY IN NATURE. ALEXANDRA ENCOURAGED OSWALD TO HAVE THE PAMPHLET PUBLISHED, BUT HE DECLINED. SHE CLAIMS SHE RETURNED THE PAMPHLET TO OSWALD IN NOVEMBER.

END PAGE THREE

OSWALD WAS STRONGLY ANTI DASH RELIGIOUS AND SERIOUSLY BERATED HIS WIFE FOR HAVING THEIR CHILD BAPTIZED IN THE RUSSIAN ORTHADOX CHURCH. MARINA WAS DESCRIBED AS NOT BEING POLITICAL MINDED, BUT VERY RELIGIOUS. SHE IS BELIEVED TO BE A PHARMACIST BY TRAINING.

OSWLAD IS DESCRIBED AS BEING VERY SHARP AND BRIGHT AND WOULD ARGUE LOGICALLY AND PURSUASIVELY. HE WAS POSITIVE IN HIS IDEAS AND STRONG IN HIS CONVICTIONS. ALEXANDRA BELIEVED HE COULD NOT BE BRIBED TO CHANGE HIS IDEAS OR TO CIMMIT ANY DEED NOT IN KEEPING WITH HIS THINKING. ALEXANDRA FOUND IT HARD TO BELIEVE HIS THINKING WAS SUCH THAT HE WOULD WANT TO KILL THE PRESIDENT. ALEXANDRA STATED OSWALD HAD A QUICK TEMPER AND ALLEGEDLY BEAT HIS WIFE ON OCCASION. HE NEVER THANKED THE TAYLORS FOR CARING FOR HIS WIFE. ALEXANDRA DID NOT KNOW IF THE PERIOD OF HER ASSOCIATION WITH OSWALD WAS PRIOR TO OR AFTER HIS STAY IN NEW ORLEANS. HE HEVER HAD MENTIONED NEW ORLEANS TO HER.

ALEXANDRA HAD NO KNOWLEDGE OF ANY RELATIONSHIP BETWEEN OSWALD AND JACK RUBINSTEIN.

ALEXANDRA STATED OSWALD LIKED TO ASSOCIATE WITH THE RUSSIAN SPEAKING ELEMENT IN DALLAS AND HER FATHER, GEORGE DE MOHRENSCHILDT, AND HIS WIFE, JEANNE, WOULD KNOW OSWALD BETTER THAN SHE. SHE BELIEVES HER FATHER AND HIS WIFE PRESENTLY ARE IN HAITI WHERE HE IS MANAGING A PLANTATION. HE IS A GEOLOGIST AND HIS ADDRESS PROBABLY WOULD BE KNOWN TO THE PETROLEUM CLUB IN DALLAS. SHE BELIEVED HER FATHER PREVIOUSLY HAD RESIDED AT COOPER AVENUE IN DALLAS, SPECIFIC ADDRESS UNKNOWN. HER STEPMOTHER, JEANNE, HAD A DAUGHTER, CHRISTIANA BOGOVALLENSKIA DASH KIERNAN, WHOSE HUSBAND IS RAGNAR KIERNAN, WHO MAY OR MAY NOT BE WITH HER FATHER. ALEXANDRA HAS NOT COMMUNICATED WITH HER FATHER SINCE APRIL OF THIS YEAR. THE ONLY EMPLOYMENT ALEXANDRA RECALLED FOR OSWALD WAS WITH AN ADVERTISING PROCESSING IN OAK CLIFF, DALLAS, NAME OF WHICH WAS UNKNOWN TO HER. OSWALD WAS KNOWN TO A NATASHA AND EVALINA, LAST NAMES UNKNOWN TO ALEXANDRA, BUT KNOWN TO HER FATHER. SHE BELIEVES HER EX DASH HUSBAND, GARY TAYLOR, WOULD ALSO KNOW OSWALD BETTER THAN SHE AND KNOW OF HIS EMPLOYMENT.

ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY, November 22, 1963
Dallas, Texas

At approximately 6:30 P.M., November 23, 1963, three boys and one girl entered the store of Mr. CECIL BALES, Kyle, Texas, and asked if they could watch Mr. BALES' television as they had been hunting near New Braunfels, Texas, and had just heard about the assassination. As they were watching television, the girl asked if the person who had done the shooting had been caught and Mr. BALES said that the police were holding a person from Fort Worth who was supposed to be a member of the Fair Play for Cuba Organization. The girl then remarked that this sounded like a person she knew by the name of OSWALD. Then Mr. BALES told her that was the name of the person who was being held and the girl remarked that she did not think OSWALD had the guts to do a thing like this. Another boy then mentioned that he has seen OSWALD in Fort Worth passing out literature for the Fair Play for Cuba Organization. Another boy said he was the grandson of former Vice President JOHN NANCE GARNER. All four said they were presently students at the University of Texas.

Dear Mr. Hoover,

Disbelief and grief have shrouded our Country since the inhuman assassination of President Kennedy. I am no different from the millions of Americans who are mourning.

Several pertinent questions have been raised by others and myself in regard to the part the FBI should have played in the arrest and questioning of the alleged assassin, Lee Oswald-- perhaps overting the double tragedy of Oswald's murder.

These are the questions that deserve an answer:

1. Was the assassination's investigation in the jurisdiction of the FBI as an act of treason?

2. Why was the Dallas police allowed to conduct the investigation of Oswald's guilt with no direction by the FBI and apparently without the benefit of the excellently trained FBI men.

3. Why was evidence released to the public? (re Oswald's guilt)

4. Why was the time and place of Oswald's change of jails announced publicly; and further why was someone like Ruby, not a member of the press and known not to be so by the Dallas police, allowed in the jail basement?

This is a grave situation and I seriously wonder if the FBI, under your direction assumed it's proper responsibility and duty.

Sincerely

Mrs. Leah Grand

Dear Mrs. Granof:

I have received your letter of November 24th and understand your concern over the brutal assassination of President Kennedy.

Immediately following the assassination the full resources of the FBI were made available to the Secret Service and local law enforcement agencies. The President has instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past.

Since we do not disclose developments in connection with pending investigations, I will not be able to answer your questions.

Sincerely yours,
J. Edgar Hoover

[redacted] who has furnished reliable information in the past, on 12/2/63 made available a copy of a mimeographed flier entitled "Who Really Murdered Pres. Kennedy?" which was issued by "The Communist Party of Illinois, Room 806, 36 W. Randolph St., Chicago, Illinois." Source informs that this document was being distributed by personnel of the Illinois CP on 12/1/63 in the Chicago area. Urging that "only the Ultra-Right and the Southern Racists" had something to gain by killing "a president pledged to Negro equality," this document stresses that "Dallas is a stronghold of the Ultra-Right" and the "John Birch Society" and raises questions as to whether the murder of the alleged assassin LEE OSWALD was not brought about by local Texas authorities to silence him. In this connection emphasis is laid on the point that "Oswald (was) kept for two days without the right to see counsel."

105-82555 UNREC

Concerning OSWALD's background, the document continues: "The police say he was a member of the Fair Play for Cuba Committee and of the American Civil Liberties Union. Yet both of these organizations deny such membership. The police say he was pro-Communist, yet the anti-Castro Cubans in this country say that he offered to work for them. The police say that he applied sometime back for Soviet citizenship, and been denied. Who really was he? An adventurer who was made the 'fall guy' by higher ups? A dupe? Or an innocent victim? What is the truth?"

In concluding, it urged that the recipient demand a full and impartial investigation by an independent citizens committee in order that the truth may be ascertained.

For the information of the Bureau, the English translation of the enclosed letter prepared by SA ANATOLE A. BOGUSLAV at Dallas is as follows:

1. This is the key to the mail box which is located in the main post office in the city on Ervay Street. This is the same street where the drug store, in which you always waited is located. You will find the mail box in the post office which is located 4 blocks from the drug store on that street. I paid for the box last month so don't worry about it.

2. Send the information as to what has happened to me to the Embassy and include newspaper clippings (should there be anything about me in the newspapers). I believe that the Embassy will come quickly to your assistance on learning everything.

3. I paid the house rent on the 2nd so don't worry about it.

4. Recently I also paid for water and gas.

5. The money from work will possibly be coming. The money will be sent to our post office box. Go to the bank and cash the check.

6. You can either throw out or give my clothing etc. away. Do not keep these. However, I prefer that you hold on to my personal papers (military, civil etc.).

7. Certain of my documents are in the small blue valise.

8. The address book can be found on my table in the study should you need same.

DL 69-43
DJ 100-10461

9. We have friends here. The Red Cross also will help you. (Red Cross in English)

10. I left you as much money as I could, $60.00 on the second of the month. You and the baby (apparently) can live for another 2 months using $10.00 per week.

11. If I am alive and taken prisoner, the city jail is located at the end of the bridge through which we always passed on going tothe city (right in the beginning of the city after crossing the bridge).

ENCLOSURE

SECRET

Is there a possibility that Peking was involved at least indirectly in the assassination of President Kennedy?

The question is raised on the assumption that Oswald was in fact linked with the Fair Play for Cuba Committee, some members of which have had associations with China as well as Cuba and some of which are anti-Moscow Marxists. Coupled with the intensity of the Mao-Khrushchev conflict, the assassination of Kennedy might have appeared to some at least to advance the interests of Peking.

Oswald is said to have returned to the U.S. from the USSR in the summer of 1962, alleging disillusionment there but still holding Marxist ideas. He was allowed an exit visa and to take his Russian wife with him. On June 25 1963 he applied for a passport to visit the USSR and other countries. In July he apparently tried to infiltrate an anti-Castro grbup. In August, he was arrested for trying to break up an anti-Castro demonstration in New Orleans; on Aug.21 on a radio program he identified himself as secretary of the New Orleans Chapter of the Fair Play for Cuba Committee. He then transferred to Dallas where he soon was employed in a building on the announced route of the Kennedy procession. Such are the facts as reported on the wires.

(FPCC Acting Director Vincent Theodore Lee denies that there is any FPCC chapter in New Orleans or Dallas.)

Following are possible indications of links between the FPCC and Peking, in addition to the recent indications that Castro has been playing up KKK to Peking.

1) Vincent Theodore Lee of FPCC reportedly has become a distributor of the Peking-financed, new propaganda magazine Revolution, published in Lausanne. He visited Cuba at least once this year.

2) Richard Gibson, once CIS in Cuba, was the organizer of the FPCC with offices at 799 Broadway, in March 1960. President and one of the

In 1961, he was accredited as UN representative for the Cuban paper Revolucion

In Sept., 1962, he went to Algeria as correspondent "for several papers".
In June, 1963 he was described as correspondent for Revolution Africaine published in Paris and Algiers and with NY office at 244 E 46 th (YU6-5939)
(Feb 1963 issue publicized Robert F Williams and reproduced FBI poster on him)
Currently listed as US editor for Pekings publication in Lausanne, Revolution
Note also was said to have been an organizer of the Monroe Defense Committee in October, 1961 involving Williams, Mae Mallory and others.

3) Conrad Lynn, NY lawyer:

X CP member 1934-37 and then expelled, acc. to his testimony at HUAC, May 6, 1963. General Counsel and a major activist in Committee to Combat Racial Injustice, ca. Dec 1958 when he was sent by the Young Socialist Alliance (or Socialist Workers' Party) to investigate facts in "Kissing Incident" in Monroe, North Carolina which Robert Williams was agitating. Williams became chairman, Committee used Lynn's office.

Visited Cuba with Williams in 1960 (and 61?) describing self as counsel for Williams. Has spoken at meetings of FPCC, addressed at least one Black Muslim meeting, served as moderator of the Sept 1963 Student Travel Committee meeting in NY (see below under Rosen)

FBI on a publicity move and
An organizer of the "Freedom Now" political party, he visited/J. Edger Hoover interviewd his group.

4) Robert F Williams described as schizophrenic and dangerous in a poster issued by FBI as a fugitive from an indictment in Monroe, NC, for alleged August kidnaping of a white couple during a racial disturbance there in/1961.
Given "refuge" in Cuba where he had visited twice before and been utilized in anti-American propaganda, Williams has conducted a violently emotional anti-US and anti-Kennedy program on the Cuban radio aimed at the US and Central America

Mao's August 8, 1963 attack on US "racism" was keyed to alleged requests that he had received from Williams. This opened a major propaganda gambit against the US and to a less marked degree against the deviationists(Moscow) for associating with the US. On Sept 25 Williams and his wife arrived in China to be featured in a series of anti-American/and pro-Chinese speeches and demonstrations continuing into November.

Author of Negroes with Guns (Marzani &Munsell, NY. 1962), Williams is publicized as a former NAACP leader although he was suspended by Convention action for advocating meeting violence with violence. Book contains a 20 page article by Truman Nelson in which he is compared with Martin Luther King and praised as if he might replace the latter as a leader of American Negroes.

5) William Worthy In addition to his publicized visits to China and Cuba he has been a speaker in California before FPCC and Committee to Aid the Monroe Defendants. Claims he had in October 1960 exposed CIA preparations for Cuban invasion. Also claims he conceived idea for Freedom Now Party. Has contributed to Revolution(Leningrad-Peking)

6) Milton Rosen Together with Mort Scheer edits Progressive Labor . Both were expelled by CP NYState in Jan. 1962 for disruptive activities ...for "Chinese Communist ideology". Organiser of the "security force" at the meeting of the Student Committee for Travel to Cuba in September 1963, which Conrad Lynn moderated and which was addressed by Truman Nelson, Albert Maher of Texas, and several members of the Progressive Labor Movement. NYTimes quoted Rosen as saying that he had been assisting the racial integration measures in Monroe, NC. The Monroe defense groups have been publicized in the WCPFEP and have been manipulate in various cities as a front group, attacking the Administration as well as the NC authorities.

As some indication of the possible connections among the Marxist elements listed above with Castro and Mao and the common element of anti-Kennedy and possible anti-Khrushchev factors, the following may be mentioned: Williams has been used by both Castro and Mao for violently emotional attacks and Williams has been associated with these local Marxists in either the FPCC or Monroe committees. Presumably Castro must have consented to have Williams go to China in September when the Peking-Moscow feuding was well advanced. Williams contributed to the latter. On Nov. 1 NCNA-English he said "We hear people who should be supporting us complaining before the world, not about the savage deeds against Negroes but attacking Chairman Mao who is appealing to the people of the world, of all colors, of all races, to support us in our just struggle". On Oct 4, Peking Domestic in Mandarin quoted him as saying "Only those who remain undaunted before the military and wealthy power of the racists and the US imperialists have the courage to raise high a flag of revolution and leadership."

Mao on Aug 8 pointed out that " the racial problem is actually a class problem"; and expressed belief that the Negroes would join the proletariat and overcome their common class enemy, the US monopoly capitalist group. He has been calling upon Marxist-Leninist groups to support the national liberation movements whereas the "modern revisionists are pictured as siding with the imperialists and colonialists.

CPUSA has been criticised recently as having been so dominated by whites that it has failed to win the Negro Americans or to mark support the correct elements. Hence perhaps the connection with among the Progressive Labor Movement with Castro at least.

On 12/2/63, EDWIN J. CATES, sergeant, Matron Squadron, 343rd Fighter Squadron, U. S. Air Base, Duluth, Minnesota, advised that on 12/2/63, he observed an individual closely resembling LEE HARVEY OSWALD, in a pizza restaurant, Duluth, Minnesota. This individual, whose name he did not obtain, mentioned among other things that he had been in Chicago, New York, and Birmingham. While in Birmingham, he was engaged in teaching passive resistance and judo to the demonstrators and had stayed at a motel or residence owned by (FNU) GASTON, a well known Birmingham individual.

This individual also stated in passing, that he had been in the U. S. Marine Corps, that he was an expert in judo and karate, was a sociologist, and a member of the NAACP. He also indicated that he was pro-KENNEDY and was in favor of KENNEDY's civil rights action in the South.

CATES described this individual as white male American, age 27, 5' 6" tall, 150 pounds, wearing small thin mustache on upper lip, and had definite facial resemblance to the photos of OSWALD appearing in the papers and on television.

It is requested that Birmingham attempt to locate (FNU) GASTON and obtain from him the identity of this individual, with the remote possibility that this stranger was in fact LEE HARVEY OSWALD.

This memorandum contains a review of the Soviet Consular file on Lee Harvey Oswald turned over to the State Department by the Soviet Embassy 11/30/63. The file shows correspondence between the Soviet Embassy and Mr. and Mrs. Oswald concerning her registration as a Soviet citizen and the return of both to the Soviet Union.

Background

On 11/30/63 Anatoli Dobrynin, Soviet Ambassador to the United States, turned over to the Secretary of State a file alleged to be the complete consular file on Lee H. and Marina Oswald maintained in the Soviet Embassy, Washington, D. C. The contents of this file have been translated into the English language.

Classified by 2040
Exempt from GDS, Category 2-3
Date of Declassification Indefinite

Review of File

The first item in the file is a letter dated 7/6/62 from Marina Oswald to the Embassy for the purpose of registering as a Soviet citizen in the United States. By letter 7/9/62 the Embassy requested her to send her Soviet Residence Permit in for registration. She evidently did so as on 8/15/62 she asked the Embassy what had happened to her permit. On 8/28/62 the Embassy advised her the document had been received and that her passport would be sent to her soon.

The file contained a New Year's greeting card from Marina and Lee Oswald addressed to "All Russian Employees of the Soviet Embassy."

By letter 2/17/63 Marina Oswald requested information on how she could return to the Soviet Union and she asked for material aid to do so. She said her husband would remain in the United States since he was an American citizen. By letter dated 3/8/63 the Soviet Embassy instructed her to fill out an application, furnish a detailed biography and request permission to return to the Soviet Union. She was told the processing of this application would take five to six months.

On 3/17/63 she submitted a request for a visa to re-enter the Soviet Union and submitted a one-page autobiography of herself and a two-page questionnaire filled out as an individual requesting a visa. In this questionnaire she stated that her name was Marina Nikolaevna Oswald and that she was born 7/17/41 in Severo-Dvinsk, Arkhangelskaya Oblast. She stated that she was a Soviet citizen and that she was a housewife ~~and~~ she had a small child and did not understand the English language. She stated that until June, 1962, she had lived in Russia and worked as a pharmacist. In her autobiography she stated that she lived with her mother and stepfather in Leningrad and had graduated from secondary school and attended the Leningrad Pharmaceutical School.

By letter dated 4/18/63 the Soviet Embassy informed her it would be desirable if she could come to Washington and, if she could not do so, furnish the Embassy the reasons which caused her to start proceedings to enter the Soviet Union. By letter dated 6/4/63 this request for such information was repeated.

A three-page, undated letter from Marina Oswald furnished her reasons for requesting repatriation. She gave as the main reason homesickness and unemployment on the part of both herself and her husband. In this letter she also stated that her husband "expresses a sincere wish" to return to the Soviet Union.

On 7/1/63 Lee Oswald wrote to the Soviet Embassy and requested expeditious handling of his wife's request for a visa and asked that his visa be handled separately. On 8/5/63 Mrs. Oswald was advised that her request had been forwarded to Moscow for processing.

The last item in the file is a letter written by Lee Oswald * DATED 11-9-63 from Post Office Box 6225, Dallas, Texas, in which he reported that he had contacted the Soviet Embassy in Mexico City. He pointed out that he was unable to remain in Mexico indefinitely. He stated that he had not planned to contact the Soviet Embassy in Mexico and, if he had been able to reach the Soviet Embassy in Havana as planned, that Embassy would have had time to complete their business. In this letter he also mentioned that the Federal Bureau of Investigation had visited his wife and himself in Dallas, Texas, on November 1 and suggested to his wife that she could remain in the United States.

He stated that he and his wife strongly protested these tactics. Of course, our Agents in Dallas did not interview Mr. and Mrs. Oswald on 11/1/63. On that date an Agent from the Dallas Office interviewed Mrs. Ruth Paine, landlady of the subject, to ascertain the location of Oswald. Mrs. Paine was friendly and cooperative and advised that Oswald was working at the Texas School Book Depository and had a room in Dallas, the address of which she did not know. During the interview, Marina Oswald entered the room and upon learning the identity of our Agent showed some alarm. She was assured through Mrs. Paine that the Agent was not there to molest her in any way. She was not interviewed nor was an approach of any kind made to her. (S)

To Mr. J. E Hoover. F. B. Investigation

Dear Sir.

As one of the many millions of Americans who are grieved, shocked, and outraged, by the willful, and premediated murder of our beloved President, John F. Kennedy, I am at a loss to know why some simple precautionary measures were not taken to insure his absolute safety. Oswald was very well known to the F. B. I and other agencies of the Federal Government. A letter that he had written to the Sec of the Navy was on file in Washington. In this letter he promised to right a wrong that he felt was committed against him while he served in the U. S. Marines. He was also known as a communist sympathizer and a supporter of Fidel Castro.

According to reports that I listened to on television. Oswald was questioned by the U. S. Secret Service a short time ago. In view of all these things. I would like to know the following. Why was this man allowed to remain at large during the time our beloved President was visiting Dallas Texas? Had Oswald been locked up or at least kept under constant surveilance I feel that he would not have the oppurtinity to fire the fatal shot, that has taken the life of a great President and an outstanding world leader.

Respectfully Yours,

Dear Mr. McKeever:

Your letter of November 26th has been received, and I want you to know my associates and I certainly share your concern over the brutal assassination of President Kennedy.

With regard to your comments, I would like to point out the protection of the President and his immediate family is the responsibility of the Secret Service. Nevertheless the full facilities of the Federal Bureau of Investigation were immediately deployed to assist that agency, and the President has instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past.

Sincerely yours,

J. Edgar Hoover

Inspector Malley called from Dallas with respect to interviews we are currently conducting of Mrs. Oswald. He stated the Secret Service in Dallas advised today that they had been informed by James Martin, apartment owner, who has out of sympathy offered an apartment to Mrs. Oswald, where she is presently staying, has stated he feels Mrs. Oswald now needs an attorney to handle her affairs. Martin indicated to the Secret Service that he did not foresee any difficulty insofar as interviews of Mrs. Oswald by the FBI or the Secret Service is concerned but noted that she had apparently had several offers of a financial nature and should have legal advice before acting on same.

According to information reported by the Secret Service, John M. Thorne of Grand Prairie, Texas, has been engaged as Mrs. Oswald's attorney.

Dallas files show that [redacted] It was further indicated in Dallas files that [redacted] From what Dallas can ascertain thus far, Thorne is a civil lawyer and is not engaged in criminal practice. He allegedly conferred with Mrs. Oswald today.

Interviews with Mrs. Oswald will continue under the present arrangement and the Bureau will be advised should Thorne make any contact with the FBI. Miss Smith advised that sometime during August, 1963, she met an individual in Atlanta believed to have been Lee Harvey Oswald during a period when the late President John F. Kennedy was scheduled to give a talk in that area. Miss Smith advised that the individual she believes to have been Oswald informed her that he had just arrived in town and was from Dallas, Texas. She stated that her conversation with this person was not too lengthy but she would appreciate being contacted by an FBI Agent to discuss same at which time she was informed that an Agent of our Atlanta Office would contact her in the immediate future.

Mr. J. Edgar Hoover
F.B.I. Director
Washington, D. C.

Dear Sir:

With regard to the killing of Lee Oswald by Jack Ruby, I am curious as to an interview which was broadcast on T.V. right after the killing.

Shortly after Ruby killed Oswald, a man (Mr. Sol, Mr. Senator, or some such name) was interviewed and he stated his belief that Ruby had shot Oswald in the heat of emotion and a group, including himself (he happened to be in the bonding business) wanted to get Ruby out on bond and were prepared to put up ANY amount to secure his release on bond.

Who are these people who are, so soon after the shooting, ready to put up "any amount" for Ruby's bond considering the probability they must have read how Soblen jumped his $100,000 bond and fled to England? Few people, it would seem, would be able to secure such backing (especially an operator of a strip tease joint) so soon .

Also, Oswald's first choice of a lawyer to represent him was John Abt. Mr. Abt's refusal to represent Oswald on the basis that "it would not be fair to his other clients" seemed flimsy. One wonders if this was the signal that Oswald was being deserted by his idealogical colleagues and to foreclose the possibility that Oswald might "talk" he had to be silenced.

Ruby's seemingly easy access to the jail in view of his record puzzles many people. This is especially puzzling in view of the universal knowledge that Ruby was an unpredictably hot-tempered, emotional person. His offer of "free drinks" to newsmen, at his bar, (which was closed) does not give the impression of a man deeply sorrowful and emotionally upset over the assassination.

In view of the tragic event which took place, one can't help remembering the appearance of a spiritualist named Stella on the Jack Carson show a few weeks ago. She foretold that the Communists would, in the not too distant future, make a power move from a place not too far from our shores. She stated that no people would be killed but there would be panic and all lights would go out and Jack Carson would not be able to broadcast. As it coincidentally happened, all the lights on Broadway were turned out and Jack Carson wasn't able to broadcast for several days. I realize this is just an unusual fluke coincidence, but in view of what happened, I'll wager a lot of people recall it.

It took 50 years for a John Chancellor to report that British archives contained a list of the guns the Lusitania carried when sunk. We may never get the full truth about President Kennedy's assassination.

MARINA SAID SHE THOUGHT OSWALD USED TO SHOOT AT GENERAL WALKER THE SAME RIFLE WHICH HE HAD AT THE NEELEY STREET AND THE PAINE HOUSES. SHE SAID HE DID NOT TAKE THE RIFLE WITH HIM TO HER KNOWLEDGE WHEN HE LEFT THE HOUSE THE EVENING THAT HE SHOT AT GENERAL WALKER, NOR DID HE BRING IT BACK WITH HIM. SHE QUESTIONED HIM THE NEXT DAY, AND HE TOLD HER THAT HE HAD HIDDEN THE RIFLE IN THE BUSHES OR IN THE GROUND. SHE ASKED HIM HOW HE HAD GOTTEN AWAY FROM THE WALKER HOUSE, AND HE REPLIED THAT HE COULD RUN VERY FAST, AND HE HAD COME HOME ON THE BUS. HE SAID THE POLICE THOUGHT THAT THE WOULD BE ASSASSIN HAD AN AUTOMOBILE.

END PAGE TWO

DL 89-43

MARINA STATED THAT FOR A PERIOD OF A MONTH BEFORE THE ATTEMPT OF WALKER-S LIFE, OSWALD HAD BEEN VERY AGITATED AND HAD CLOSETED HIMSELF IN HIS ROOM, READING AND WRITING.

MARINA STATED SHE HAD KEPT THE LETTER WRITTEN IN RUSSIAN BY OSWALD, WHICH WAS EVIDENTLY A FAREWELL LETTER, IN ORDER THAT SHE COULD USE IT AGAINST HIM IF HE EVER HAD ANOTHER ~~CRAZY~~ CRAZY ~~SCHEME~~ SCHEME. SHE THREATENED OSWALD WITH GOING TO THE POLICE WITH THE LETTER IF HE WERE TO HAVE ANOTHER SUCH SCHEME.

MARINA ADVISED OSWALD HAD NOT MENTIONED GENERAL WALKER IN HER PRESENCE BEFORE THE NIGHT OF THE ATTEMPTED ASSASSINATION, AND THEY DID NOT SPEAK OF THE INCIDENT AGAIN AFTER THE SECOND NIGHT FOLLOWING THE ATTEMPTED ASSASSINATION. SHE ADVISED THAT

SHE HAD INSISTED THEY MOVE FROM DALLAS FOLLOWING THIS EVENT, BECAUSE SHE THOUGHT IT MIGHT HELP IF THEY MOVED TO ANOTHER CITY.

END PAGE THREE

DL89-43

ON NOV. TWENTYTWO, LAST, MARINA WAS LOOKING AT THE KENNEDY MOTORCADE ON TV WITH MRS. PAINE AT THE LATTER-S HOUSE. IT WAS ANNOUNCED ON TV THAT THE PRESIDENT HAD BEEN SHOT. MRS. PAINE WAS TRANSLATING FOR MARINA. MARINA ASKED MRS. PAINE SEVERAL TIMES WHO HAD SHOT THE PRESIDENT, BUT MRS. PAINE COULD NOT TELL HER. MRS. PAINE SAID THAT THE SHOTS HAD SUPPOSEDLY COME FROM THE TEXAS SCHOOL BOOK DEPOSITORY. THE THOUGHT ENTERED MARINA-S MIND THAT PERHAPS HER ~~QUOTE~~ CRAZY ~~UNQUOTE~~ ~~MAREN~~ (OSWALD) ~~PAREN~~ HAD SHOT THE PRESIDENT. SHE WENT TO THE GARAGE WHERE SHE KNEW OSWALD KEPT THE RIFLE AND LOOKED AT THE BLANKET WHICH SHE KNEW THE RIFLE WAS KEPT IN. THE BLANKET APPEARED TO HAVE THE SAME SHAPE AS ALWAYS, AND SO SHE THOUGHT THAT THE RIFLE WAS STILL IN IT. SHE SAID THAT WHEN THE POLICE CAME TO PICK HER UP, SHE WAS IN A STATE OF NEAR COLLAPSE AND HOPED THAT OSWALD WAS MERELY A SUSPECT.

END PAGE FOUR

DL 89-43

MARINA STATED THERE HAD BEEN MANY ARGUME[illegible] AND SCENES BETWEEN HER AND OSWALD BECAUSE OF HIS INSTABILITY AND BECUASE SHE KNEW THAT HE WAS NOT A STUPID MAN AND COULD MAKE SOMETHING OUT OF HIMSELF.

VARIOUS PHOTOGRAPHS SEIZED BY POLICE FROM OSWALD-S EFFECTS AND NOW IN POSSESSION OF THIS OFFICE WERE EXHIBITED TO MARINA, AND SHE IDENTIFIED VARIOUS PERSONS IN RUSSIA, AS WELL AS SOME LAND MARKS, INCLUDING THEIR APARTMENT HOUSE.

INTERVIEW WILL BE CONTINUED TOMORROW.

Lee Oswald

Reference is made to memo Mr. C. D. DeLoach to Mr. Mohr dated 11/23/63, setting forth information received from Robert Manning, Assistant Secretary of State for Public Affairs, who advised that a Foreign Service Officer named John Victor McVickar, dealt with Oswald when Oswald attempted to turn in his U. S. passport and gain Russian citizenship.

At 2:35 p.m., 11/23/63, John Shay, Duty Agent, WFO, was instructed to arrange interview of McVickar concerning his knowledge of Oswald. Interview to be conducted this date.

SAC Gillies, WFO, subsequently advised that Jack Lynch, Security Officer, State Department, had advised that one Priscilla Johnston and Mrs. G. Stanley Brown also had contact with Oswald in Russia. Both these women were formerly State Department employees at the American Embassy and their contact with Oswald was official business.

According to Gillies, Priscilla Johnston is no longer with the State Department and now reportedly resides at Cambridge, Massachusetts, no further address available. Mrs. G. Stanley Brown now resides at Alexandria, Virginia, and her home telephone number is 768-2472.

ACTION:

WFO is now arranging for interview of McVickar and leads are being set forth by WFO to interview Johnston and Brown concerning their knowledge of Oswald.

Assistant Secretary of State for Public Affairs, Robert Manning, called at 12:15 p.m. today. He advised that he had in his office, at the present time, a young Foreign Service Officer whose name was John Victor McVickar. Manning stated that McVickar was assigned to the American Embassy at the same time that Lee Harvey Oswald had attempted to turn in his U. S. passport and gain Russian citizenship. He stated that McVickar knew the case well and had identified Oswald's picture as the same person that had previously been in Moscow, USSR D.C.

Mr. Manning stated that perhaps the FBI might desire to interview McVickar. If so, his home telephone number is 332-1997, Washington, D. C.

Memphis Policeman Recalls Knowing Accused Assassin

By JAMES KINGSLEY

Lee Harvey Oswald, charged with the murder of President Kennedy, yesterday was described as a "man mad at the world" by a Memphis policeman.

"I remember him as being abusive on occasions, withdrawn on others and a troublemaker all the time," Patrolman J. E. Pitts of 2508 Brookmeade said.

Sitting in the living room of his Frayser home, Patrolman Pitts recalled an incident in 1958 that brought about one of two court martials for Oswald while stationed at Atsugi, Japan, in 1958.

"He had a private-owned derringer and dropped it in the barracks. The weapon discharged and the shot just missed the head of my friend Peter Connor of Connecticut. Pete told me that he was almost killed when the pistol fell," Mr. Pitts said.

For the incident Oswald was court martialed on April 11, 1958, on the charge of violating a regulation requiring the registration of a privately-owned firearm. Oswald was reduced from PFC to private after his conviction. He was court martialed a second time on June 18, 1958, for using provocative words to a non-commissioned officer. His service record does not show disposition of the charge.

The 27-year-old Memphis policeman, with four years on the force, said he was stationed in Japan with the Marine Air Control Squadron of the First Marine Division. At that time Oswald was a radar technician.

"One night Oswald passed out drunk in a parking lot next to the barracks. Even though he fought several of the Marines who tried to help him he was not reported.

"We were trained to work as a team but Oswald seemed to be different. He was always separate from most of the men and didn't have any close personal friends that I remember," Mr. Pitts said.

"He had an intense hate for anyone that called him by the nickname of 'Harve' or by his middle name of 'Harvey' and wanted to fight anyone that did it. He wanted everyone to call him by his first name of 'Lee'," Mr. Pitts said.

"I don't recall anyone that went outside of camp with him. He was in the radar division and I was in supply."

I don't recall being close to him at all. He was always acting strange and kept mostly to himself."

Oswald, 24, was described as being "very young and skinny" while stationed in Japan. "I guess he didn't weigh more than 130 or 140 pounds at that time," Mr. Pitts said.

JAHRES- UND FERIENKURSE

ALBERT SCHWEITZER COLLEGE

CHURWALDEN (GRAUBÜNDEN)
SCHWEIZ

Warum das College ins Leben gerufen wurde

In unserer Zeit des inneren und äußeren Widerstreites drohen überlieferte Werte der Kultur und des Glaubens unwiederbringlich zu versinken. Neue Mächte fordern gewaltsam und verwirrend Anerkennung. Es ist allen Denkenden klar geworden,

daß die geistig-religiösen Werte, auf denen unsere Kultur ruht, nicht von selber weiter leben werden: daß wir uns vielmehr in jeder Weise für ihren Weiterbestand einsetzen müssen.

Vor mehr als 30 Jahren schon hat Dr. Albert Schweitzer diese Lage erkannt und in seiner Schrift «Verfall und Wiederaufbau der Kultur» deutlich darauf hingewiesen. In Erkenntnis dieser Gefahren und in der Absicht, ihr durch das Mittel der Erziehung zu begegnen, gründete im Jahre 1950, unter Leitung von Prof. H. Casparis in Chur, eine Gruppe von Schweizern eine Vereinigung zur Errichtung eines internationalen Erziehungszentrums. Das Denken und Wirken Dr. Albert Schweitzers wurden als Vorbild und Wegleitung genommen. Dr. Schweitzer schrieb uns dazu aus Lambaréné:

«Die Idee, ein College auf den von Ihnen geplanten Grundlagen zu schaffen, finde ich ausgezeichnet ... Von Herzen bin ich bei Ihrem Unternehmen und bewundere den Mut, mit dem Sie es in Angriff nehmen. Daß das Institut meinen Namen tragen soll, ist ein Zeichen einer großen Sympathie und eines großen Vertrauens, das Sie mir entgegenbringen.»

Die Aufgabe des College

Wir stellen uns die Erziehung des ganzen Menschen, und zwar als freie Persönlichkeit und als verantwortliches Glied der Gemeinschaft als Aufgabe. Dies umfaßt die Erziehung

zur Klarheit und Selbständigkeit des Glaubens und Denkens
und
zur Freiheit und sittlichen Verantwortung des Handelns.

Beides sehen wir in einer religiösen Grundhaltung verankert.

Ein Geist der Weltherzigkeit ist uns selbstverständlich, und wir wollen mitarbeiten am Aufbau einer freien und friedlichen Welt der Zusammenarbeit aller Rassen, Religionen und Nationen.

Als Christen ist unsere Arbeit ausgerichtet auf das Reich Gottes im Vertrauen auf die Gottebenbildlichkeit, die uns als Gabe und Aufgabe geschenkt wird, und als Richtlinie unseres Handelns gilt uns die Ehrfurcht vor dem Leben, die in der Liebe Gestalt gewinnt.

Zu uns kommt,

wer um geistige und religiöse Klarheit ringt, um seinen Lebensweg deutlicher zu sehen und zuversichtlicher gehen zu können;

wer nach einer gründlichen und umfassenden Bildung strebt, um für seinen Beruf oder sein Fachstudium besser vorbereitet zu sein;

wer nach einer gründlichen Beherrschung der englischen, deutschen oder französischen Sprache und deren Kultur und Geisteswelt trachtet;

wer am Erleben einer echten demokratischen Gemeinschaft teilhaben möchte;

wer seinen Teil zum Aufbau einer freien, brüderlichen Gemeinschaft aller Völker und Nationen beitragen will;

wer in einer herrlichen, gesunden und ruhevollen Bergwelt körperliche und seelische Stärkung sucht.

Was wir bieten:

1. Jahreskurse, die unter das Gesamtthema «Verfall und Wiederaufbau der Kultur» gestellt sind, und zwar über:

   das Wesen der Religion im allgemeinen, das religiöse Leben im Alten und Neuen Testament und seine Bedeutung für uns,

   Grundfragen der Weltanschauung,

   Grundfragen der Psychologie,

   Kultur- und Geistesgeschichte,

   das Problem der Ethik,

   das Problem der modernen Naturwissenschaft und ihre Beziehung zum allgemeinen Geistesleben,

   die sozialen und wirtschaftlichen Probleme der Gegenwart.

2. Sprachstudien, gründliche Erlernung des Englischen, Deutschen und Französischen und Einführung in deren Literatur und Kultur.
3. Förderung der allgemeinen Charakter- und Geistesbildung.
4. Veranstaltungen zur Bildung des ästhetischen Geschmacks durch Musik und Kunst.
5. Veranstaltungen zur körperlichen Ertüchtigung (Skifahren, Bergtouren, Schwimmen, Tennis etc.).
6. Am Schluß erhält jeder Teilnehmer ein Sprachdiplom und ein Gesamtzeugnis, das über seine Leistungen und seine Fähigkeiten Auskunft gibt.
7. Unterricht in einzelnen Bildungsfächern auf besonderen Wunsch (siehe Beilage).

Phot. A.T.P. Zürich

Wie wir arbeiten und leben

Von jedem Einzelnen muß ein hohes Maß von Selbstdisziplin und freiwilliger Mitarbeit in der Gemeinschaft verlangt werden. Um dies zu ermöglichen, ist das College als demokratische Gemeinde gestaltet, die sich aus einzelnen Gruppen (von je 8—10 Personen), als den «Familien» dieser Gemeinde, aufbaut. Zudem gehört jeder einer Studiengruppe an.

Die Erziehungsmethode ist in keiner Weise starr dogmatisch oder autoritär:

Es wird von jedem Studenten erwartet, daß er sich, einzeln und in seiner Gruppe, selbständig um das Studium bemüht.

Eigentliche Vorlesungen sind auf ein Minimum beschränkt. Sie zeigen gegensätzliche Auffassungen über behandelte Probleme und sehen im einzelnen von dem ab, was ebensogut in Büchern gelesen werden kann. In der Regel werden täglich zwei solche Vorlesungen gehalten.

Innerhalb des allgemeinen Rahmens der zu behandelnden Gebiete ist jeder Student, bzw. jede Studiengruppe gehalten, sich über ein bestimmtes Problem durch Lektüre, Diskussion und eigenes Nachdenken Klarheit zu verschaffen und einen schriftlichen Bericht auszuarbeiten, über den dann mit dem Studienleiter oder dem zuständigen Dozenten in bestimmten Zeitabständen Aussprache gehalten wird.

Zur Förderung des gegenseitigen Verständnisses ist jeder Student verpflichtet, sich unter Anleitung eines Fachlehrers einem bestimmten Sprachstudium zu widmen, und zwar dem Englischen oder dem Deutschen (Französisch kann zusätzlich studiert werden). Dafür ist täglich eine bestimmte Stunde festgesetzt.
Die geistige Arbeit wechselt ab mit körperlicher Betätigung, besonderen Arbeiten im Hause (wie es sich in jeder Familie ergibt) und mit Sport. Dies dient neben der geistigen Erholung der körperlichen Ertüchtigung und der Stärkung der gegenseitigen Verantwortung in der Gruppe.
Abendveranstaltungen und besondere Anlässe dienen der künstlerischen und musikalischen Betätigung und der ästhetischen Geschmacksbildung im allgemeinen, wobei die Organisation und Durchführung bestimmter Veranstaltungen einzelnen Familien anvertraut wird.
Für die Durchführung aller dieser Aufgaben und Betätigungen wird die Verantwortung so weit wie möglich unter die einzelnen Studenten verteilt, um so auch die Ausbildung zur Führerschaft in der Demokratie zu fördern.

Kurstermine

Die Jahreskurse beginnen anfangs Oktober und schließen Ende Juni des folgenden Jahres und werden in 3 Trimester von je 10—11 Wochen unterteilt. Jedes ist so geplant, daß es eine Einheit bildet. Darum können Studenten, die nicht den ganzen Jahreskurs mitmachen können, auch nur ein oder zwei Trimester im College studieren.

14tägige Ferien- und Studienkurse nach besonderem Programm werden im Februar, März, Juli und August durchgeführt.

Eintrittsbedingungen

Wir haben keine festen Eintrittsbedingungen oder Aufnahmeexamina. Jeder Kandidat wird auf Grund seiner besonderen Vorbildung berücksichtigt. Immerhin muß eine gewisse Allgemeinbildung vorausgesetzt werden. Altersgrenze ist keine gesetzt; wir nehmen aber nur ausnahmsweise Studenten unter 18 Jahren auf.

Kosten

Da das Albert Schweitzer College ein gemeinnütziges Unternehmen ist, können wir den Preis sehr niedrig halten (siehe Beilage).

Ferienkurse

In den Monaten ~~Februar, März~~, Juli und August werden unabhängig von den Jahreskursen kurzfristige Ferienkurse abgehalten. Diese dauern jeweils 14 Tage und stellen sich grundsätzlich dieselbe Aufgabe wie die Jahreskurse (siehe Hauptprospekt). Das Programm bietet neben den Vorlesungen der Dozenten und den anschließenden Diskussionen in erster Linie auch körperliche Erholung, Sport, Bergwanderungen und nicht zuletzt frohe Geselligkeit.

Voraussetzungen zur Teilnahme sind die gleichen wie für die Jahreskurse, d.h. jedermann ist uns willkommen, der sich mit uns um weltanschauliche und religiöse Klarheit bemüht und am Aufbau einer echten Gemeinschaft mithelfen will. Eine besondere Vorbildung ist nicht nötig. Das Durchschnittsalter unserer Studenten stand in den letzten Jahren zwischen 20 und 35 Jahren. Wir freuen uns aber auch immer, eine Anzahl älterer Teilnehmer unter uns zu sehen. Sie tragen durch ihre Reife und Erfahrung zu den Diskussionen Wesentliches bei. Bisher kamen unsere Studenten hauptsächlich aus den USA, aus Kanada, England, Holland, Schweden, Frankreich, Deutschland, Italien und der Schweiz.

Anmeldetermin. Um eine wirkliche Gemeinschaft zu ermöglichen, nehmen wir in jedem Kurs nicht mehr als 35 Teilnehmer auf. Darum empfehlen wir dringend eine möglichst frühzeitige Anmeldung. Diese wird nach der Reihenfolge ihres Einganges berücksichtigt.

Sprache: Deutsch und Englisch. Juli und August führen wir keine eigentlichen Sprachkurse, sind aber bestrebt, die Förderung in den verschiedenen Sprachen durch intensive Konversation zu erreichen. Es wird jeweils von einer Sprache in die andere übersetzt. Die Referate sind zweisprachig; so profitieren nach unserer Erfahrung die Teilnehmer mehr als durch gewöhnliche Sprachstunden.

Das Tagesprogramm der Kurse. Der Tag beginnt in der Regel mit einer kurzen Morgenfeier. Die Vorlesungen der Dozenten und die Diskussionen nehmen in der Kursdauer etwa 7 Tage in Anspruch. Die übrigen Tage sind frei zur körperlichen Erholung. Im Sommer kann man Tennis spielen, das Schwimmbad besuchen oder Bergwanderungen, allein oder als Teilnehmer organisierter Touren, unternehmen. Im Winter bietet die Umgebung von Churwalden Möglichkeiten zum Wintersport, die sich mit denen der berühmten Kurorte vergleichen lassen. Das Programm wird je nach dem Wetter gestaltet. Zur Teilnahme am geplanten Programm

ist niemand verpflichtet; wir erwarten aber eine geistig und religiös freie und aufgeschlossene Einstellung, wie es der Geisteshaltung des College entspricht, das sich an der Gedankenwelt und der Einstellung von Dr. Albert Schweitzer orientiert.

Kosten. Da wir ein gemeinnütziges Unternehmen sind, können wir den Pensionspreis sehr niedrig halten. Für Unterkunft, Verpflegung (3 Mahlzeiten, einfach, aber gut und reichlich), Kurtaxe und Studiengeld verlangen wir pro Kurs

Fr. 150.—

Für Teilnehmer, die einen ganzen Kurs nicht mitmachen können, machen wir gewisse Reduktionen. Für Extratage über die Dauer eines Kurses hinaus verrechnen wir für Kost und Logis pro Tag

Fr. _____

Es stehen in der Regel Zweier- oder Dreierzimmer zur Verfügung. Ganz ausnahmsweise können wir ein paar Einzelzimmer für einen Zuschlag von Fr. 2.— pro Tag bieten.

Für die Bedienung wird nichts berechnet, dafür werden die eigenen Zimmer von den Teilnehmern selbst in Ordnung gehalten, und bei Tisch ist Selbstbedienung. Von jedem Teilnehmer wird ferner erwartet, daß er seinen Anteil am allgemeinen Hausdienst (Gemüserüsten und Geschirrwaschen) leiste.

Das Reisegeld für Exkursionen geht zu Lasten der Teilnehmer.

Anreise. Auf Grund der Teilnahme an unseren Ferienkursen ist in der Schweiz keine Fahrpreisermäßigung möglich. Im Ausland sind verschiedene Möglichkeiten vorhanden. Auskunft erteilen die Reisebüros.

Es ist am besten, ein Ferienbillett der SBB (Schweiz. Bundesbahnen) durch ein Reisebüro bis nach Churwalden zu lösen. Man fährt mit der SBB bis nach Chur und von Chur bis Churwalden im Postauto. Das letzte Postauto nach Churwalden verläßt Chur Bahnhof um 19.25 Uhr. Das College liegt in Churwalden an der Hauptstraße, Richtung Lenzerheide, 5 Minuten von der Post entfernt.

DAS ERZIEHUNGS- UND BILDUNGSPROGRAMM

Unser Ziel ist die Bildung des ganzen Menschen. Der Ausrichtung auf dieses Ziel dient ein möglichst umfassendes Erziehungs- und Bildungsprogramm intellektueller, aesthetischer und religiöser Art im Sinne eines Studium generale. Dies gliedert sich A) in einen theoretischen Teil, und B) in dessen praktische Anwendung im Sinne der Charakter- und Gemütsbildung. Wesentlich ist ausserdem die Gestaltung einer Gemeinschaft, die sich einer bestimmten Disziplin einordnet und in welcher der Geist gemeinsamer und ernster Studienarbeit lebendig ist. Wir erwarten von jedem Studenten, dass er sich persönlich um all das bemüht und am gesamten Programm des Albert Schweitzer College teilnimmt.

A) Theoretische Studien.

Diese umfassen die verschiedenen Aspekte des Hauptthemas "Wesen und Wandel der Weltanschauung" und gliedern sich in Vorlesungen, Diskussionen und persönliche Studienarbeit. Zur Unterstützung und Vertiefung der Studienarbeit sowie zur Förderung individueller Interessen hat jeder Student in der Regel wöchentlich einmal eine Besprechung mit seinem Studienleiter. Dies geschieht anhand der Durcharbeit einzelner Werke innerhalb des Hauptthemas und in der Abfassung schriftlicher Arbeiten, die sich auch um eine eigene kritische Stellungnahme bemühen.

Dozenten und Studiengebiete:

Pfr. Dr. Wolff, Malix:
Wesen und Wandel der Weltanschauung (Philosophie, Psychologie, Kulturmorphologie).

Prof. Dr. Victor Maag, Universität Zürich:
Die Religion in ihren Erscheinungsformen und in ihrer Soziologie.

Pfr. Dr. Jakob Amstutz, Frauenkappelen/BE und Universität Bern:
a) Religionsgeschichtliche Einführung in das Neue Testament.
b) Religiöse Probleme der Gegenwart im Spiegel moderner deutscher Dichtung.
c) Kunstgeschichtliche Grundbegriffe.

Prof. Hans Casparis, Chur und Churwalden:
a) Religiöser Liberalismus - Gegenwart und Zukunft.
b) Entstehung der deutschen Sprache und Literatur.

Prof. Dr. Guido Schmidt, Chur:
Einführung in die Psychologie.

Prof. Dr. Rowland Gray-Smith, Gastdozent, Emerson College, Boston, Mass., USA:
Ethik.

Ausserdem werden von Zeit zu Zeit Gastdozenten zu Vorlesungen über die einzelnen Fachgebiete herangezogen.

Sprachstudium (Leitung: Frau Prof. M.T. Casparis, B.A., London)

Ein systematischer Sprachunterricht wird für Englisch und Deutsch erteilt. Die Erlernung dieser beiden Hauptsprachen des A.S.C. wird ausserdem ganz wesentlich dadurch gefördert, dass alle Vorlesungen und Diskussionen in diesen zwei Sprachen geführt werden. Gewissenhaft arbeitende Studenten vermögen darum nach unserer Erfahrung am Ende eines Jahreskurses zum mindesten eine dieser beiden Fremdsprachen gut zu beherrschen. Zusätzlichen Unterricht im Französischen können ausserdem diejenigen Studenten erhalten, die bereits eine ausreichende Kenntnis des Englischen und Deutschen besitzen. Um Vorlesungen und Diskussionen von Anfang an folgen zu können, ist es notwendig, wenigstens eine der Hauptsprachen des A.S.C. (d.h. Deutsch oder Englisch) zu verstehen und anwenden zu können.

B) Praktische Anwendung.

1. Das religiöse Leben

Das A.S.C. vertritt nach Tradition und Zielsetzung eine freie, bewusst religiöse Glaubenshaltung, und zwar in der Ueberzeugung, dass eine ethisch-religiöse Grundeinstellung im Sinne Albert Schweitzers im Zentrum einer tragfähigen Sinndeutung des Daseins stehen muss. Darum soll durch gemeinsames Suchen und Fragen die eigene Glaubenshaltung geklärt und gestärkt und das Verständnis für andere religiöse Erfahrung, wo immer sie uns begegnet, gefördert werden.

Dem dient, ausser den unter A) genannten Studien und dem gemeinsamen Zusammenleben, die "Besinnung", die jeden Morgen vor Arbeitsbeginn stattfindet. Diese wird abwechslungsweise von den Studenten selber gehalten, wobei der freien Gestaltung Raum gelassen wird. Dadurch sollen auch Wert und Ziel der Gemeinschaft immer wieder zum Bewusstsein gebracht werden. Ausser den allsonntäglichen Gemeindegottesdiensten kommt jeden zweiten Sonntag die Collegegemeinde zu einer Abendandacht zusammen.

2. Studium der Kunst

Mit diesen Studien (praktische Uebungen) versuchen wir, das Bewusstsein der symbolischen Dimensionen und der Möglichkeiten menschlicher Ausdrucksformen zu fördern und zu erweitern. (Leitung: Miss Jane Volkert, A.S.C.)

3. Sport- und Freizeitprogramm

Weil wir uns die Bildung des ganzen Menschen zum Ziel setzen, gehört auch eine systematische körperliche Betätigung zu unserem Programm. Geographische Lage und Klima von Churwalden bieten das ganze Jahr durch Gelegenheit für sportliche Betätigung: Schwimmen, Tennis, Bergtouren im Sommer, Skifahren im Winter. (Leitung: Jacques Casparis, Chur, Ski-Instruktor u. eidg. dipl. Turn- und Sportlehrer.)

KOSTEN

Pro Trimester SFr. 1250.-. Dies umfasst Kost, Logis, Studiengeld, Krankenversicherung und Aufenthaltsgebühr. Wenn Ihre Anmeldung angenommen wird, ist ein Depot von SFr. 100.- zu entrichten. Dieses wird am Ende des dritten (resp. 1. oder 2.) Trimesters zurückbezahlt unter Abzug für event. verlorenes oder beschädigtes Schulmaterial.

Zusätzliche Ausgaben: gemeinsame kulturelle Exkursionen (gewöhnlich einmal pro Trim., Kosten ca. Fr. 50.-), Material für Kunstunterricht (ca. Fr. 20.- pro Trim.), Skimiete (Fr. 35.- für die ganze Saison).

JAHRESKURS : LEKTOREN UND VORLESUNGEN

1. Pfr. Dr. Joachim Wolff, Pfarrer in Malix, Graubünden;
Hauptlektor für Philosophie am Albert Schweitzer College.

Thema der Vorlesungsfolge: "Wesen und Wandel der Weltanschauung (Philosophie, Psychologie, Kulturmorphologie)"

1. Trimester: Neuere Philosophie.
(durchschnittl. 22 Vorlesungen und 2 Abenddiskussionen)

Die Vorlesungsreihe befasst sich mit der neueren Philosophie seit Descartes in der Weise, dass nicht schematisch eine Geschichte der Philosophie dieser Epoche geboten wird, sondern so, dass die Studierenden in die Weltanschauungskrise eingeführt werden, die für die westliche Zivilisation der letzten Jahrhunderte charakteristisch ist, und die als eine dreifache aufgezeigt wird: 1) als Krise des Denkens; 2) als Krise des ethischen Handelns; 3) als Krise der Existenz.

Unter 1) werden die erkenntnistheoretischen Probleme aufgezeigt, deren Lösung die Philosophie von Descartes über Locke, Berkeley, Hume bis Kant versuchte, bis endlich das 19. Jahrhundert im sog. wissenschaftlichen Materialismus einen Tiefpunkt des Denkens erreichte.

Unter 2) wird dargestellt, wie diese Aporie, in die das Denken geriet, eine Krise auf ethischem Gebiet involvierte, in welcher zunächst Leibniz und Kant den Versuch unternahmen, den Glauben an einen gerechten und gütigen Gott mit der Sittlichkeit in einen unlöslichen Zusammenhang zu bringen. Mit der Preisgabe des Gottesglaubens überhaupt kamen Systeme auf, die entweder, wie es Schopenhauer tat, das menschliche Handeln auf den uneingeschränktesten metaphysischen Pessimismus gründeten, oder aber nach der Eliminierung jeglicher Metaphysik dem Menschen das Recht der unbegrenzten Handlungsfreiheit zusprachen, als deren Subjekt entweder das Individuum oder das Kollektiv erscheinen kann. Dies wird aufgezeigt an Stirner, Nietzsche, Marx und an den politischen faschistischen und kommunistischen Systemen, wobei auch Hobbes als Vorläufer des amoralischen Staatskollektivismus eingehend behandelt wird.

Unter 3) werden, beginnend mit Kierkegaard, die existentialistischen Denker Heidegger, Sartre und Karl Jaspers behandelt und insbesondere untersucht, wie sie die bisher für die Philosophie massgeblichen Schemata, zumal die bisher für alles Denken konstitutive Subjekt-Objekt-Spaltung, zu sprengen versuchen.

2. Trimester: Geschichtsphilosophie. (22 Vorlesungen, 2 Abenddisk.)

Neben die Anfänge der Geschichtsschreibung im Altertum wird der Versuch des Judentums und des Urchristentums gestellt, eine Gesamtdeutung der Geschichte zu geben, eine Entwicklung, die in Augustin ihren vorläufigen Abschluss findet. Mit dem Weichen der religiösen Grundlagen im Zeitalter der Aufklärung macht sich erneut das Bedürfnis geltend, den Ablauf der äusseren Geschehnisse einen Sinn beizulegen, durch den sie alle befriedigend erklärt und gedeutet werden. Dieses Unternehmen gipfelt nach Versuchen Lessings, Herders und Schillers in der Geschichtsphilosophie Hegels mit ihrem Optimismus, demzufolge das, was ist, auch gut ist. Ein später, vielleicht auch verspäteter Nachfahre Hegels in unserer Zeit ist der vorsichtigere Karl Jaspers.

Im Laufe des 19. Jahrhunderts machen sich kritische Stimmen gegen den Geschichtsschematismus im Sinne Hegels bemerkbar, darunter Ranke, Nietzsche

105 -82555-206

und ver[illegible] Jacob Burckhardt. Mit Oswald Spen[illegible]ritt die Geschichtsmorphologie in Erscheinung und eröffnet der Geschichtsphilosophie vollständig neue Gesichtspunkte; Toynbee hat, was Spengler begann, in gemässigterer und sachkundigerer Weise, wenn auch keineswegs immer unbefangen und untendenziös, fortgesetzt und zu berichtigen gesucht.

Die Probleme des parallelen Geschichtsablaufs, der kalendarischen und der sachlichen Gleichzeitigkeit in der Geschichte, die Periodizität der Kulturen und der Voraussagbarkeit der Ereignisse werden erörtert. Es zeigt sich, dass, wie die Geschichtsphilosophie seinerseit von einer religiösen Fragestellung ausging, sie auch zu einer solchen wieder hinleitet.

3. Trimester: Religionsphilosophie. (22 Vorlesungen, 2 Abenddisk.)

Es werden die diesbezüglichen Versuche im Altertum aufgezeigt, in welchen eine grosse Zahl von Fragestellungen begegnet, die dann in der Moderne wieder in den Mittelpunkt des Interesses getreten sind. Die bedeutendsten religionsphilosophischen Versuche seit dem Zeitalter der Aufklärung werden besprochen. In der Gegenwart erscheinen sie teils als unzureichend, teils werden sie von der theologischen (neo-orthodoxen) und von der existentialistischen Seite mit Heftigkeit zurückgewiesen. Auch gemässigte Wortführer der gewandelten Weltansicht des 20. Jahrhunderts (Rud. Otto, van der Leeuw, die Psychologen um C.G. Jung) lehnen die objektivistischen religionsphilosophischen Versuche des 18. und 19. Jahrhunderts ab, zumal die Anwendung des Evolutionsprinzips auf die Religionsgeschichte, dem zufolge auch die Religion sich von "niederen" zu "höheren" Formen entwickelte. Das religiöse Urphänomen scheint keiner Entwicklung fähig oder bedürftig zu sein und kann sich grundsätzlich mit gleicher Wirklichkeitsnähe oder Wirklichkeitsferne in primitiven wie in sog. Hochreligionen ausdrücken. In einem Querschnitt wird gezeigt, wie das neue phänomenologische Verständnis der Religion sich auf die grossen Problemkreise auswirkt, in deren Mitte je Gott, die Erscheinung des Unsichtbaren in der Sichtbarkeit (Epiphanie und incarnatio), die Heilsvermittlung und die Jenseitswirklichkeit stehen. Endlich wird die Religion auch als gemeinschaftsbildende Kraft gewertet.

2. Prof. Dr. Victor Maag, Professor Ordinarius für Altes Testament und Religionsgeschichte an der Universität Zürich; Lektor für Religionsphänomenologie am A.S.C.

Thema der Vorlesung: Ethik. (9 Vorlesungen pro Trimester)

Diese Vorlesung ist inhaltlich nach folgenden Gesichtspunkten aufgebaut:

Im 1. Teil hat das Ziel, beim Studenten das Verständnis für das ethische Denken zu wecken. Das Anliegen der Ethik wird hineingestellt ins philosophische Denken, und die Ethik stellt sich dar als Zweig der Philosophie, einbezogen in das philosophisch-religiöse Suchen des Menschen nach Wahrheit. Die Unterschiede zwischen religiös und philosophisch fundierter Ethik werden hervorgehoben. Beispielsweise tun wir auch einen kurzen Einblick in die Ethik des Alten und Neuen Testamentes und klären die Zusammenhänge zwischen Schöpfungsordnung, biblischer Anthropologie und der daraus resultierenden Ethik. In diesem Zusammenhang sehen wir auch die Unterschiede zwischen der gesetzlich begründeten Ethik und dem Doppelgebot der Liebe als Zeichen des wiedergeborenen Menschen. Dann gehn wir über zur philosophischen Ethik, machen uns die verschiedenen Stufen des ethischen Denkens klar und beschäftigen uns mit den beiden Hauptrichtungen: der naturalistischen und idealistischen Ethik, unter Berücksichtigung der verschiedenen ausgleichenden Kompromisslösungen.

Den 2. Teil unserer Vorlesungen widmen wir dem ethischen Denken Albert Schweitzers. Wir stellen seine Gedanken anhand seines Werkes "Kultur und Ethik" hinein in die weltanschauliche und damit auch ethische Not unserer Zeit. Dabei verfolgen wir den Weg, den der Autor als Lösung vorschlägt. Unsere heutige Kulturkrise hat ihre Wurzeln in einer weltanschaulichen Leere und Ratlosigkeit. Im Gang der Philosophie-Geschichte wurde immer wieder versucht Lebens-Anschauung von einem weltanschaulichen System abzuleiten. Schweitzer kehrt die Reihenfolge der beiden Begriffe um. Er geht aus von der Lebensanschauung als natürlicher, gegebener Grundlage für Sein und Denken. Von hier aus gelangt er zum ethischen Zentral-Gedanken der Ehrfurcht vor dem Leben. In diesem Zusammenhang setzen wir uns auseinander mit der ethischen Mystik Albert Schweitzers und setzen sie in Kontrast zur mittelalterlichen Mystik.
Wir folgen weiter den Gedanken des Urwalddarztes und stellen die praktische Bedeutung und die ethischen Konsequenzen fest in Bezug auf die persönliche Lebensgestaltung und die Zukunftsfrage der Menschheit. Das Problem der Weltanschauung wird durchreflektiert auf dem Fundament der Lebensanschauung. Bewusst stellt Schweitzer kein geschlossenes weltanschauliches System auf, sondern weicht der Gefahr des philosophischen Subjektivismus aus, indem er betont, dass ein Teil der Fragen offen bleiben muss.

Für das 3. Trimester werden drei Problemkreise ins Auge gefasst, die voneinander inhaltlich unabhängig sind - im Gegensatz zur Vorlesung über Schweitzers Ethik, wo es immer wieder darum ging, die grosse Linie festzuhalten und bereits Behandeltes in neuem Zusammenhang wieder aufzugreifen. Wir beschäftigen uns mit folgenden Fragen:

1. Abhängigkeit der Sittlichkeit von geographischen Verhältnissen.
   Nördliche und südliche Mentalität - ethischer Relativismus -
   die europäische Seele - Sittlichkeit und Klima usw.
2. Selbstbehauptung und Selbstverleugnung als Problem der christlichen Ethik.
3. Gedanken über das Phänomen des menschlichen Gewissens:
   das Gewissen in unserer Zeit -
   das Gewissen im politischen und wirtschaftlichen Leben -
   das Gewissen im Lichte von Religion und Psychologie.

6. Dr. Guido Schmidt: Professor an der Kantonsschule Chur, Graubünden.

Memorandum

TO : Mr. Mohr

DATE: November 26, 1963

FROM : C. D. DeLoach

SUBJECT: LEE HARVEY OSWALD

We have obtained from the Senate Internal Security Subcommittee (SISS) this morning a copy of the transcript of testimony given by one Edward Scannell Butler in Executive Session on Sunday, November 24, 1963. Butler is the Executive Vice President of an organization called the Information Council of the Americas.

Butler told the SISS that he met Lee Harvey Oswald on August 21, 1963, as a result of Butler being invited to appear on a panel debate with Oswald. Butler said he was invited to be on this panel by the moderator of the debate, Bill Stuckey. The debate was held at the studios of WDSU, Radio Station, 520 Royal Street, New Orleans, Louisiana.

Butler told the SISS that his impression of Oswald was that he was a rational and wholly indoctrinated pro-communist individual. He said Oswald exhibited absolutely no outward manifestation of any sort of psychotic activity that a layman like himself might associate with insanity. Butler said Oswald did, however, in the debate that he had with him, and in a previous tape that he heard that Oswald had made with another interviewer, exhibit a tremendous capacity to repeat by rote communist propaganda.

There is attached the original copy of the transcript furnished to us by the SISS along with a Photostat of this transcript. The original transcript should be returned to my office so that it may be returned to the SISS.

Re memorandum DeLoach to Mohr 11-26-63 which furnished copy of transcript of Executive Session testimony of Edward Scannell Butler of New Orleans, Louisiana, official of organization known as Information Council of the Americas. Butler's testimony was given before Senate Internal Security Subcommittee (SISS) on 11-24-63.

Butler testified he met Oswald 8-21-63 as result of his being invited to appear on panel debate with Oswald by Bill Stuckey the moderator. Debate was held at studios of WDSU, New Orleans Radio Station.

Butler stated his impression of Oswald was that he was a rational and wholly indoctrinated procommunist individual who exhibited no outward manifestation of any kind of psychotic activity. Oswald in the debate with Butler and in a previous tape which Butler had heard exhibited a tremendous capacity to repeat by rote communist propaganda.

Butler produced two tapes which he made available to SISS. One dealt with the debate Butler participated in on 8-21-63 and the other was the one he had heard dealing with Oswald's interview by Bill Stuckey which was taped about August 17, 1963. (These tapes discussed here appear identical with the two tapes Butler furnished Assistant Director W. C. Sullivan on 11-26-63. These tapes have been reviewed and results set forth in memorandum Wannall to Sullivan 11-27-63 concerning Oswald.)

Butler then recounted what he had learned about Oswald. He stated Oswald first came to public notice through altercation he had had on Canal Street in New Orleans with Cuban exiles. Before altercation, Oswald had apparently offered his services to Carlos Bringuier, leader of the "Cuban student director" (Students Revolutionary Directorate, anti-Castro organization) in New Orleans, but no action was taken on Oswald's offer. Bringuier later learned Oswald was distributing pro-Castro literature. Butler stated Oswald was fined ten dollars for disturbing the peace apparently in connection with this distribution.

Butler was asked if he was personally familiar with any propaganda put out by communists, Cuban communist sources primarily, that might have excited a person like Oswald, an emotionally unstable person, who believed this propaganda, to go out and assassinate the President of the United States.

Enclosure

Butler stated he had knowledge of such communist propaganda. He noted, however, that he was not making the assumption in his statement that Oswald was emotionally unstable. He stated he knew of communist propaganda which would tend to have such an effect, in his opinion, on an emotionally unstable person. Butler stated his organization kept a clipping morgue which he believed contained several thousand clippings, many of which contained incendiary statements by communist leaders some of which were directed personally against President Kennedy. Butler then apparently furnished some examples of this type of propaganda to SISS but they are not specifically named in the testimony.

Butler stated it seemed to him that the fact that many of the materials that Oswald had available to him were originally sponsored by official communist sources, placed the blame for Oswald's actions on the authors or the disseminators of that material.

At 10:45 a.m. today, SA Jack Wood, New York Office, telephonically advised Supervisor E. B. Reddy that Guy Richards of the "New York Journal American" had just called regarding a headline story in today's issue of the "New York Post" regarding the psychiatric and truancy record of Lee Harvey Oswald maintained in the files of the Bronx, New York, Children's Court.

SA Wood made no comment to Richards. SA Wood then obtained a copy of the "New York Post" and determined that it did carry such a headline story. SA Wood said that from the following noted excerpts from the story it is apparent that Justice Florence M. Kelley of the Bronx County Family Court, who gave the Bureau the information in the strictest confidence, is actually the source of the story in the "New York Post."

"Lee Harvey Oswald, accused assassin of President Kennedy, has a psychiatric and truancy record in Bronx Children's Court, the 'New York Post' has learned exclusively.

"The FBI has been given the details, Florence M. Kelley, presiding justice of the Family Court, confirmed to the 'Post.'

"She confirmed the 'Post's' information that there was a psychiatric report on young Oswald but refused to discuss the nature of it.

"Our records are always confidential and we never reveal them to anyone, Justice Kelley said. I did give some of the information to the FBI as an exception and contrary to our regular rules for the simple reason that Oswald is dead and if this kind of report could cast light on what kind of person he was, that would be in the national interest."

LEE HARVEY OSWALD

STANLEY MOCZYGEMBA, 330 Wilkins, San Antonio, furnished the following information:

MOCZYGEMBA said on or about October 5, 1963, as he was leaving San Antonio en route to his farm in Leming, Texas, via Highway 281, he picked up a hitchhiker who he believes may have been OSWALD. He said he picked the man up about 7:00 a.m. on the outskirts of San Antonio and drove him to Leming, a trip of about 28 miles. MOCZYGEMBA stated that the hitchhiker said very little during the trip, but did indicate he had come to San Antonio from Laredo, Texas, and was returning to Leming.

MOCZYGEMBA advised that he did not take a good look at the face of the hitchhiker but looking at a profile view of OSWALD makes him think they were the same. He said the hitchhiker was about the same age as OSWALD, about 5'8", 150 pounds, with dark hair. He also stated the hitchhiker was wearing a hat and heavy coat. He said the coat was much too heavy for the warm weather and the hitchhiker had the coat closed almost up to the neck.

Employees at Krause Cafe, 148 South Castel Avenue, and Ma's Cafe, 138 North Castel, New Braunfels, Texas, were interviewed and shown photographs of LEE HARVEY OSWALD. None of the employees were able to recall seeing anyone resembling OSWALD in their cafe.

7 COPIES DESTROYED

LEE HARVEY OSWALD

On November 28, 1963, Mr. BILL PENKER, 1010 John Page Drive, San Antonio, telephonically advised the San Antonio Office of the FBI that one of his employees in the Social Security Office, JAMES R. KELLEY, told him a janitor in the courthouse in New Braunfels, Texas, told him he had been talking with a service station operator in New Braunfels, Texas, that said he had changed the oil in OSWALD's car. PENKER said he did not know the name of the station of what day the oil was supposed to have been changed.

JAMES R. KELLEY, 5222 John Page Drive, San Antonio, advised on November 29, 1963, that he was advised of the above incident by a colored janitor in the New Braunfels Courthouse named "LEMON." He said the janitor told him the service station operator had reported the incident to the Comal County Sheriff at New Braunfels.

Comal County Sheriff WALTER FELLERS, New Braunfels, Texas, furnished the following information:

Sheriff FELLERS advised that W. C. JOHNSON, a resident of New Braunfels, came to his office on Saturday after the President's assassination with a newspaper showing the picture of LEE HARVEY OSWALD. He said JOHNSON told him he had seen OSWALD a few days earlier at Bock Ford Motor Company, New Braunfels having the oil changed in his car.

Sheriff FELLERS stated at the time OSWALD was in custody of authorities in Dallas, therefore, he did not consider it of great importance. He added that he did not recall the information given him by JOHNSON.

WALTER C. JOHNSON, 265 North Walnut, New Braunfels, Texas, furnished the following information:

JOHNSON said he is almost positive he saw LEE

LEE HARVEY OSWALD

HARVEY OSWALD in New Braunfels November 14, 1963. He said he was at Bock Ford Motor Company about 9:30 a.m. on that date having his car inspected and noticed a young man instructing the service manager to lubricate his car and change the oil. He said the man was in his early thirties, about 5'6", 155 pounds, with dark wavy hair, wearing a dark suit. JOHNSON stated the young man told the service manager he wanted his car by 11:00 a.m. as he was in a hurry to get to Dallas. JOHNSON described the car driven by the young man as a white 1962 Dodge or Plymouth, extremely dirty on the outside.

JOHNSON further advised that shortly after leaving Bock Motor Company he met the young man on San Antonio Street, New Braunfels, and the man asked him if there was a good place to eat around there. JOHNSON said he pointed out Krause Cafe and Ma's Cafe, both on Castel Avenue. He said he mentioned to the man that he must be new in town and the man explained that he had stopped en route to Dallas from the East around New Orleans, Louisiana. JOHNSON said he did not see the direction the young man took when leaving and did not know if he had gone to either of the cafes mentioned above.

JOHNSON stated he had seen the picture of OSWALD in the paper the day after President KENNEDY was killed and recognized it as the man he saw a week earlier in New Braunfels. He said he took the paper and went to Bock Motor Company and asked them to check their records for November 14, 1963, but was told that they were too busy to check. He said he then went to the Sheriff and told him about seeing OSWALD in town and the Sheriff told him it did not make any difference as authorities in Dallas had OSWALDin custody.

CHESTER PEHL, Service Manager, Bock Ford Motor Company, New Braunfels, Texas, furnished the following information:

LEE HARVEY OSWALD

PEHL advised that he did not recognize the photograph shown him of LEE HARVEY OSWALD as that of anyone he had seen in New Braunfels. He said he recalled W. C. JOHNSON having his car inspected there but did not recall the day.

PEHL checked his service records for November 14, 1963, and located the record of W. C. JOHNSON. He advised that he recognized all service records for that day and personally knew everyone except a D. L. FARRELL, Dallas, Texas. He said he recalls FARRELL was a young man and that there was an older man with him but he was unable to describe them further. PEHL stated the car driven by FARRELL was a 1959 White Ford and it was extremely dirty on the outside. He added that FARRELL told him it was leaking oil and the repair bill indicated a valve cover gasket was replaced.

PEHL advised that his records do not reflect a street address for FARRELL nor motor number of license number of the automobile.

PEHL added that he recalled FARRELL telling the mechanic working on the car, MARVIN HEITKAMP, that he was going to Medina, Texas, hunting.

MARVIN HEITKAMP, mechanic, Bock Ford Motor Company, New Braunfels, Texas, furnished the following information:

HEITKAMP advised that he recalls repairing a leaking valve on a 1959 Ford approximately three weeks ago. He said there were two men in the car, one young about 30, and the other much older, maybe 55 or 60. He stated they told him they were going to Medina, Texas, hunting and he noticed what appeared to be camping equipment in the car. He added that he did not pay

much attention to the equipment and could not recall if there were any guns with it.

Mr. HEITKAMP said he did not recognize the photograph of OSWALD as resembling the young man driving the car he had repaired. He said he could not say for sure as he had no reason to try to remember the man at that time.

Re: Raymond Reford Sands

On December 3, 1963, PFC Leroy Harvey Phillips, Army serial number AR 19697022, Fort Eustis, Virginia, advised that on November 21, 1963, he met one Raymond R. Sands in downtown Newport News, Virginia. He stated that he and Sands were together from about 9:00 a.m. until 2:30 p.m. During that time, they visited different bars in Newport News and had several drinks together. The man gave him a small card with the following written on it: "Raymond R. Sands, care of Helen T. Whitehead, P. O. Box 51, Hazen, Arkansas."

Sands told him that he had been to Washington, D. C. for about seven days and had just arrived in Newport News. At one time during the conversation, Sands made the following statement: "Washington is going to fall. It is inevitable. It may be years. It may be months. It may be days." Sands made a number of statements which were in disagreement with some policies of the United States Government; however, Phillips was unable to recall his specific remarks. Sands also remarked that President Kennedy would have been better off if his brother had not been killed during World War II.

Phillips stated that Sands quoted several passages from the Book of Revelation in the Bible and Sands gave him the impression of being a religious fanatic.

Phillips also related that Sands told him that he was staying at the Tidewater Hotel in Newport News and had a brother who was a Lieutenant Colonel at Fort Eustis, Virginia. Sands also related to him that he would not be around the area very long.

Re: Raymond Reford Sands

On December 4, 1963, Mr. David Justice, Manager, Tidewater Hotel, Newport News, Virginia, advised that his records reflect that one Raymond R. Sands registered at the hotel at 6:50 p.m. on November 20, 1963. Sands checked out of the hotel on November 22, 1963, but the time was not recorded. The registration card reflects the name of Raymond R. Sands, care of Bessie E. Youngkin, care of Lieutenant Colonel J. N. Sands, Quarters 2768, Fort Eustis, Virginia, representing White Store, Incorporated. On November 20, 1963, Sands made a telephone call to number 5034 at Hazen, Arkansas.

On December 4, 1963, Lieutenant Colonel Joseph N. Sands, 2768 Fergusson Circle, Fort Eustis, Virginia, advised that Raymond Reford Sands is his brother. He said that his mother, Bessie E. Youngkin, resides with him at Fort Eustis.

Colonel Sands stated that his brother telephoned him on November 20, 1963, and at that time he told Raymond that he did not want him to visit him under any circumstances. Sometime prior to that date Raymond had passed through Newport News stating that he was en route to Washington, D. C. He said his brother had been discharged from the Veterans Administration Hospital, Little Rock, Arkansas, where he had received treatment as a [redacted]. Prior to that time he had been a patient in a [redacted] in Norman, Oklahoma, following his return from overseas duty with the United States Marine Corps in 1945.

Colonel Sands related that Raymond had stayed at the Tidewater Hotel in Newport News on his last visit to this area. Prior to coming to Newport News, Raymond had called from Memphis, Tennessee.

He related that Raymond frequently telephoned him and recently his brother had told him that he had some poems he wanted to sell and that on a visit prior to the one on November 20, 1963, Raymond said he was going to Washington, D. C., to see President Kennedy and the then Vice-President Johnson. Raymond had told him that he had met Vice-President and Mrs. Johnson while he (Raymond) was employed in Austin, Texas, at which time Johnson was a Senator. Colonel Sands stated, however, that he actually does not know whether his brother is acquainted with President and Mrs. Johnson.

Re: Raymond Reford Sands

Colonel Sands related that on the last occasion of Raymond's visit to Newport News beginning November 20, 1963, Raymond telephonically advised him that while in Washington he had a telephone conversation with Mrs. Johnson but was not able to see President Johnson.

Colonel Sands described Raymond as a religious fanatic and one who is disturbed mentally. Raymond told him that he had extra sensory powers and had been in direct communication with higher powers; that he had knowledge so great that if he revealed it, it would mean instant death to him. He related, however, that he has never known Raymond to commit any act of violence or have any firearms or knives on his person.

Colonel Sands further stated that his and Raymond's home is in Wichita Falls, Texas, and that his brother has worked in Wichita Falls and Austin, Texas, as well as in Albuquerque, New Mexico, and possibly in and around Dallas, Texas. The last job he knew that his brother had was with Sears, Roebuck, and Company in Lubbock, Texas, and prior to that was employed in a furniture store in Albuquerque, New Mexico. The job he held the longest was with White's Auto Stores, Austin, Texas. These stores are operated by one Earl White, who resides in Wichita Falls, Texas.

He recalled that in July, 1962, his brother was in the Midland, Texas, jail and since that time has been in jail in Duval, Arkansas.

He related that Raymond has been married at least three times and that his first wife, Helen Stuart, now resides at 1825 Eleventh Street, Wichita Falls, Texas. Another former wife, Mozelle Steele, now resides at 1051 Fair Meadow Circle, Duncanville, Texas.

Colonel Sands and his mother, Mrs. Bessie E. Youngkin, who was present during the interview, advised that the last address they had for Raymond as of October, 1963, was in care of Mrs. Leah Bridge, 2822 South Broadway, Little Rock, Arkansas. His address prior to that time was in care of W. Milan, 1522 West Third Street, Little Rock, Arkansas. Raymond has also kept in touch with an aunt, Mrs. Foy Fitzpatrick, 2424 Southwest 20th Street, Oklahoma City, Oklahoma.

Re: Raymond Reford Sands

On November 24, 1963, Colonel Sands and his mother met Raymond at the Greyhound Bus Station in Newport News, at which time they gave him $50 cash and did not carry on any conversation with him. He had told him that he wanted money to return to Little Rock, Arkansas. Colonel Sands felt that if Raymond did not actually go to Little Rock, Arkansas, he might possibly be somewhere around Memphis, Tennessee.

Colonel Sands advised that if he ascertained the whereabouts of his brother, he would notify the Federal Bureau of Investigation. He furnished the following description of him:

Name	Raymond Reford Sands
Race	White
Sex	Male
Birth data	February 2, 1920, at Wichita Falls, Texas

LEE HARVEY OSWALD

On December 4, 1963, JOHN GARNER CURRIE, WAYNE ARNOLD WARREN, and PERRY WARREN HARDWICK, all residents of Goodall-Wooten Dormitory and ANNE PENN CHEW BORN, 2207 Rio Grande, all of Austin, Texas, and all freshman students at The University of Texas, advised a Special Agent of the FBI as follows:

CURRIE, WARREN, and BORN all accompanied JODIE LYNN PHILLIPS, presently a student at Abilene Christian College at Abilene in PHILLIP's car from Austin, Texas, to New Braunfels, Texas, on the afternoon of November 23, 1963, where HARDWICK was to go on a deer hunt.

While in New Braunfels, all five students entered an unknown grocery store and observed a newspaper with headlines about the assassination of President KENNEDY; they all make remarks indicating this was the first news they had of the event and tried to get employees in the store to discuss the assassination with the intention of misleading them into believing that they knew LEE HARVEY OSWALD personally. The persons in the store at New Braunfels declined to discuss the event.

HARDWICK was then left in New Braunfels to proceed with his deer hunt.

The other four students then started back to Austin, Texas, in PHILLIP's car and en route planned to try

6 COPIES DESTROYED

to play a joke at some store at Kyle, Texas, indicating they had been hunting and were learning of the assassination for the first time, then pretending they were all well acquainted with LEE HARVEY OSWALD. They had agreed among themselves that if they could get the store owner to mention the name OSWALD to them, that they would again all pretend to know him.

In Kyle, Texas, they entered a general store handling mostly grocery items and observed a TV set with news of the assassination. They then expressed in various type phrases to the owner of the store, their preconceived plan.

BORN claimed to know OSWALD personally and to have known him to hand out Fair Play for Cuba literature. CURRIE, WARREN, and PHILLIPS also allegedly pretended to know OSWALD to a lesser degree. CURRIE, WARREN, HARDWICK, and BORN all admitted the entire incident was joke thought up by them just for fun and they deny ever having heard of LEE HARVEY OSWALD or the Fair Play for Cuba literature mentioned above. None of them could identify a photograph of OSWALD as being anyone known to them.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

"Friend Lee:

One time more I write you since the last time that we saw each other in Miami. The Spanish books that you took from the hotel and I have hardly anything. I told you of the man who was thinking of visiting here shortly and you ought to close the business as soon as possible, like I told you before in Miami, I recommend much prudence and do not be foolish with the money I gave you. So I hope you will not defraud me and that our dreams will be realized. After the affair I am going to recommend much to the chief that he certainly will have much interest in knowing you as they need men like you. I told him you could put out a candle at 50 meters and he did not want to believe me, but I made him believe it because I saw you with my own eyes and the chief was astonished. Good Lee, practice your Spanish for when you come to Habana for Habana is the land of the free, of the beautiful women and the rich Habana tobacco. Don't forget to do all I told you to the very letter and leave nothing that could lead to your trail and when you receive my letters destroy them as always. After the affair I will send you the money and we will see each other in Miami where always.

"Sincerely always

In summary, the information, if true, would establish RUBY as a confidence man and with extensive gambling activities. Such has not been established through hundreds of interviews with persons in all sections where RUBY has resided.

Two copies of the FD-302 and two copies of an accompanying insert relative to HALL are enclosed to Bureau, Las Vegas, El Paso, Chicago, and San Francisco, in view of alleged activities. Two copies of each are being retained in Dallas file but are not being included in a Dallas report unless some information is developed to confirm allegations.

FD-302 (Rev. 1-25-60)

FEDERAL BUREAU OF INVESTIGATION

1

Date 11/30/63

On November 11, 1963 HARRY HALL, an inmate at the Federal Correctional Institution (FCI), Terminal Island, California, was contacted in view of his request to the Secret Service at Los Angeles, California on November 29, 1963 that he be contacted inasmuch as he felt he had information of value concerning JACK RUBY of Dallas, Texas. Present at the interview was Special Agent in Charge GUY H. SPAMAN of the Secret Service, Los Angeles, California.

HALL advised that his reason for contacting law enforcement was that he desired to get out of FCI and before he gave any information, he wanted some assurance of this fact.

HALL was advised that no such assurances could be given to him and if he had information it should be given to the FBI immediately in view of the fact that to conceal valuable information would in effect be obstructing the current investigation with regard to JACK RUBY. HALL was advised that the fact that he did furnish information would be made known to the U. S. Attorney at Los Angeles for whatever consideration he might wish to grant to such an act on the part of HALL. He was definitely advised that no promises of any kind could be made to him in this regard.

HALL advised that in about the latter part of 1952 or the early part of 1953 he first met JACK RUBY at Dallas, Texas. HALL was introduced to RUBY by his, HALL's, uncle MARTY FIELD, whose real name is [redacted] and who is currently a dealer at the Sands Hotel, Las Vegas, Nevada. HALL advised that at that time JACK RUBY was operating a club, the name of which HALL could not recall, but he advised that it looked sort of like a shed of some kind and was located in a rather run down neighborhood and RUBY charged admission to get into this particular club.

HALL advised that following his introduction to RUBY, he became friendly with him inasmuch as he, HALL, was busy acting as a "promoter" at that time and JACK RUBY had a Negro entertainer in connection with whom he asked HALL

to see if he could get him a spot on the Ed Sullivan TV Show. HALL advised that he never followed through on his promise to RUBY in this regard.

HALL noted that in connection with his association with RUBY, RUBY apparently had two places of residence, one of which was quite pretentious and where RUBY lived alone. The other residence which HALL also visited, which would be about 1953, was not nearly as elaborate as the first one, but was a place where RUBY apparently kept his files and records. HALL advised that at one time he went with RUBY to this particular domicile and RUBY picked up a manila envelope and took it with him to his club. HALL noted that during this period, RUBY had a gun with him at all times. HALL advised that he has no particular knowledge of weapons and could only identify the weapon that he saw in RUBY's possession at that time as a long-barreled gun.

HALL advised that at this time in the Dallas area he, HALL, had a good thing going. He had gone to Dallas and was utilizing the name of HARRY SINCLAIR, JR. and upon his arrival in Dallas, he had contacted a wealthy individual by the name of DICK ANDRADE, whose background HALL knew from contacts that HALL had in Los Angeles. HALL, posing as a member of a wealthy oil family, was able to strike up an association with ANDRADE and through him was able to go to the Petroleum Club in the Baker Hotel, Dallas, Texas. HALL advised that he developed this association because of the fact that ANDRADE had a reputation as a heavy bettor and through his association with ANDRADE he was able to be introduced and vouched for to ANDRADE's bookmaking source at Montreal, Canada. This then enabled HALL to place extremely large bets without utilizing any money.

HALL advised that he took JACK RUBY as his guest to the Petroleum Club on one occasion and explained his set up to RUBY, which impressed RUBY very much. RUBY, when he learned of the scheme that HALL was employing, asked to be cut in on it telling HALL that as a "Jew" he would have no chance at all in Dallas if he were arrested. RUBY,

however, according to HALL, claimed that he, RUBY, at that time had "plenty of juice" going with the Dallas Police Department and could take care of any squawks that might come up from HALL's operation. HALL advised that he cut RUBY in on a 60-40 split with RUBY providing a bank roll of some several thousand dollars that could be utilized to flash around in the presence of DICK ANDRADE.

HALL advised further that in connection with DICK ANDRADE, RUBY advised him that he could get a couple of guys from Chicago and they could set ANDRADE up which would mean a good score for all of them. HALL claims that he declined RUBY's offer in this regard.

HALL advised that at a later time he again was in the Dallas area and stopped in to see RUBY and he was advised by a girl in RUBY's club that RUBY was in Chicago. The girl gave HALL a telephone number where RUBY could be reached, but HALL does not have this number now.

HALL advised that he called RUBY at this number, which was a store selling off-brand merchandise and located on the west side of North State Street about a half block south of Grand in Chicago. HALL advised that the individual who ran this store, whose name he did not recall, had in addition to the material that was on the shelves in front, guns for sale to those individuals desiring them. This individual also had a brother who was an ex-con and who, according to HALL, was running a similar shop some time last year, also in Chicago. In talking with RUBY at this store, HALL advised that RUBY told him he was buying some "schlock", which term HALL defined as a bunch of off-brand junk. He advised further that at this time RUBY was also engaged in the Dallas area in handling gambling action.

It was at this point in the interview that HALL advised that during his association with RUBY over a period of some three years off and on, he became well acquainted with the fact that RUBY was greatly addicted to fried chicken.

He advised further that the original spot that he recalled being operated by RUBY sold fried chicken in a box. He stated that this point came to mind when he saw news coverage reflecting that the spot allegedly utilized by LEE HARVEY OSWALD for his assassination of the President of the U. S. had had chicken remains left behind.

HALL advised that following his original introduction, he was with JACK RUBY for a period of four months straight and RUBY was always raising some issue about what kind of a score they could make.

In this connection, HALL advised that some time in the period between 1953 and April, 1955, he recalled that while he was at the Petroleum Club, JACK RUBY propositioned HALL with a deal concerning H. L. HUNT. According to RUBY, HUNT had a son named "HASSIE", which was not generally known and who at that time was located in Concord, Massachusetts. RUBY wanted to lay a trap for H. L. HUNT through HASSIE utilizing a scheme where HALL would pose as a doctor. HALL advised that this deal fell through for some reason which he could not recall.

HALL also advised that he and JACK RUBY teamed up at that period when HALL was posing as HARRY SINCLAIR, JR. and beat some gamblers in Dallas, Texas for some $70,000 to $80,000, which they split 60-40 to HALL and RUBY respectively.

HALL advised that in order to build up his front, he went into Nieman-Marcus at Dallas with RUBY and bought a thousand dollars worth of clothes, which he paid for by check issued in the name of HARRY SINCLAIR, JR. With his new wardrobe, HALL was able to contact those who had been taken by him and RUBY and secured enough cash to go back to the department store the same date and retrieve the check before it was deposited.

HALL also recalled that he went to Midland, Texas and stayed at a hotel whose name he recalled as the Sharborough (phonetic) with JACK RUBY, at which time he noticed that JACK RUBY had four guns with him. HALL at that time was still utilizing the name SINCLAIR.

He advised that the trip to Midland, Texas was in connection with the scheme to get the $70,000 or $80,000 mentioned above.

Going back to DICK ANDRADE, HALL advised that over a period of some months he and RUBY, utilizing ANDRADE's betting contact at Montreal, were able to build up a $5,000 credit. It was agreed that he and RUBY would go to Montreal to collect and he recalled that he, HALL, proceeded to Montreal and JACK RUBY stopped off at Chicago. HALL recalled that he was paid off by an individual named GORDON at Montreal and also that he, HALL, on several occasions while staying in Montreal contacted RUBY at the store previously mentioned, located on State Street in Chicago. HALL advised that he was able through good betting at Montreal to build up the $5,000 to almost $20,000 and he proceeded from Montreal and met JACK RUBY at the Devonshire Hotel located on Ohio Street in Chicago. He advised that a couple named OLLIE and PETE (LNU) were operating the hotel at that time.

In connection with this particular time he advised that he split the winnings with JACK RUBY and on one occasion he went with RUBY to visit a joint run by BUZZY RIVKIN. He also recalls at that time that JACK RUBY met with one DAVE "DINGY" HALPER, also of Chicago, and thinks that this meeting took place at the club run by BUZZY RIVKIN.

HALL at this time corrected himself by advising that he believed that RUBY met him at the Devonshire Hotel, but was actually staying at the Croydon. HALL advised that he, HALL, stayed at the Palmer House, Chicago.

HALL advised that following this visit to Chicago, he and RUBY flew to Oklahoma City where they registered at the Biltmore Hotel under the name HARRY SINCLAIR, JR. They stayed there a couple of days and rented a car and visited the birth place of WILL ROGERS. He remembered that there was a crap game running in that town that RUBY knew about and between them, they took about $2,000 from the gamblers there. HALL recalled that they won this money through some sort of a scheme. He also recalled there were other games at Shreveport, Louisiana following this visit to Oklahoma where JACK RUBY played gin rummy and lost quite a bit of money and gave the guy a check.

HALL recalls that on another occasion he was staying at the Dallas Athletic Club, utilizing the name of SINCLAIR, as a guest of BUDDY FOGELSON and DICK ANDRADE. He advised that all the expenses for both he and RUBY on this occasion were paid for by either FOGELSON or ANDRADE. He advised that they were there for a period of some two or three days and were entertained by two girls who were models from Nieman-Marcus, who had been introduced to them by ANDRADE. He recalled that he, HALL, gave them $300 a piece and that JACK RUBY in a fit of temper had hit one of the girls.

In recalling some of his contacts with RUBY, HALL advised that some time in about 1954 or just prior to his going to jail in California in April, 1955, JACK RUBY had gone to San Francisco and was going to see him on his way back to Dallas. He recalls that RUBY in going to San Francisco, was going to see one "STONEY", a good friend of MARTY FIELD, HALL's uncle. He advised that STONEY was a bookmaker, well known in the San Francisco area and was also engaged in meeting boats at the docks to buy various smuggled goods from the seamen. Also he recalled that JACK RUBY in the San Francisco area was in contact with either HECKIE or SALLIE SCHUMAN about some deal which HALL did not know about. He advised that HECKIE SCHUMAN is a well-known bookmaker in San Francisco.

Another incident concerning RUBY concerned one BILL BYERS, a friend of ANDRADE's. BYERS usually played gin rummy at the Petroleum Club in Dallas and thinking HALL was a wealthy oilman himself, gave HALL a piece of his action in playing gin rummy to the amount of 25 percent of the winnings.

HALL recalled that when RUBY visited him in Los Angeles, he made a proposition to HALL that BYERS usually carried from $40,000 to $50,000 around with him at all times and if HALL could come up with information showing he was making a trip anywhere alone, if HALL would pass the information along to RUBY, RUBY had a couple of guys who would hit BYERS and split the proceeds 50-50. HALL said he agreed to this deal, but his prison term in 1955 interfered. However, he heard later that BYERS had been held up or burglarized a few years later while staying at the Del Charro at Del Mar, California.

He also recalled a deal which concerned a New Years Day when he, HALL, went to Fort Worth, Texas and posing as ED PAULEY, JR., had contacted H. L. HUNT and bet him $1,000 on five different bowl games. He advised that RUBY was in this scam with him and that he, HALL, won all five games. He advised that he does not recall the exact year, but two of the games that he does recall are Texas-Tennessee in the Cotton Bowl and Michigan-California in the Rose Bowl. He advised that they collected $5,000 from HUNT which they split 60-40.

HALL advised that he has not had any direct contact with JACK RUBY since about 1955, although he visited the Carousel Club last year while in Dallas and was surprised to see the prosperity that was surrounding RUBY since he had previously seen him. RUBY at that time, however, was not in town and HALL did not see him.

HALL advised that it was his opinion from his

contacts and knowledge of RUBY that RUBY had some strong motivation for his shooting of LEE HARVEY OSWALD and that the only motivation that he, HALL, could attribute to RUBY was money or the fear that OSWALD possibly might involve RUBY in the assassination of the President of the U. S. He admitted this was pure speculation on his part and made the offer that he would be willing to go to Dallas, Texas and meet RUBY and was sure that from such a meeting that he could learn from RUBY what motivated him to shoot and kill OSWALD.

For the info of the Bureau, at approximately 9:45 pm., on the night of 11/22/63, ROBERT TABER telephonically contacted the NYO, at which time it was immediately evident TABER had been drinking heavily. He, at first, asked to speak with SAS JAMES A. DAY and FRANCIS I. LUNDQUIST, who had previously interviewed him in both Boston and New York, and then spoke with SA HAROLD A. HOEG. TABER related that he was extremely sorry concerning the assassination of President JOHN F. KENNEDY, and was asked the specific question, "What do you think of your Fair Play for Cuba Committee now?" He replied that he wished he had never heard of the "damned outfit". He was asked specifically as to whether he knew or had ever heard of LEE HARVEY OSWALD, an individual who was then under arrest in connection with the assassination of President KENNEDY, to which he replied that he did not know him, nor ever heard the name.

Throughout the brief interview, it was apparent that TABER was in a barroom of some type by reason of the noise and music in the background, and his mumbling gave every indication of his degree of intoxication. TABER stated that he would like to buy either SA LUNDQUIST or SA HOEG a drink some time, and he was told that any time he wanted to clear his

conscience and tell the truth concerning the formation of the FPCC, and other matters about which he had previously lied, we would be most willing to talk with him. He made some utterances to the effect that he would do just that, if it would do some good, but claimed the only good it would do would be to put him back in jail, and inasmuch as he had four years under his belt, he was not anxious to return. The above represents the sum and substance of the conversation that took place at that time.

On 12/5/63, at 1:50 pm, ROBERT TABER again telephonically contacted SA HAROLD A. HOEG and again appeared, from his conversation, to have been drinking heavily. He stated that this KENNEDY thing was bothering him, and he was told the only way he could clear his conscience would be to come into the office voluntarily and to set the record straight on the Cuban Government's involvement in the formation of the FPCC. He made some utterances to the effect, as set out above, that it would do no good, actually, but he would wind up in jail. It was impressed upon TABER that the time is now opportune for him to come into the office and make a full and honest disclosure; and in so doing, he would render a considerable public service, which would certainly receive every consideration by those individuals responsible for any subsequent prosecution for perjury. DECISION RE

TABER claimed that he had free entre to Cuba and could do this country a lot of good, but was told that in light of his perjured testimony, he could never be trusted in any capacity until this testimony was recanted. The above represents the sum of the conversation, and again, by virtue of the music and noise in the background, it would appear that TABER was calling from a barroom.

The above is being furnished for the info of the Bureau, with a suggestion that perhaps the Bureau may wish to present the situation outlined above to the Dept. of Justice, for their consideration in an offering of immunity to TABER at this time. It is the opinion of the NYO that TABER is deeply troubled emotionally and feels a considerable degree of

responsibility for the assassination of President KENNEDY, as a result of his activities and subsequent perjured testimony concerning the formation of the FPCC and its subsidization by the Cuban Government. It is the opinion of the NYO that, should immunity be granted, TABER would most probably be willing to cooperate, with whose testimony the FPCC could most certainly be forced to register with the Dept. of Justice, and possibly cited pursuant to Executive Order 10450.

Memorandum

TO : Mr. W. C. Sullivan

DATE: 12/5/63

FROM : Mr. D. J. Brennan, Jr.

SUBJECT: LEE HARVEY OSWALD
ASSASSINATION OF PRESIDENT KENNEDY

Assistant Director C. D. DeLoach advised Liaison Agent Bartlett on the morning of 12/5/63, that pursuant to the Director's instructions, Liaison should immediately check with Mr. James J. Rowley, Chief, U. S. Secret Service, and inquire about a proposed interview with the subject's widow. The interview allegedly was to take place with Mrs. Oswald on Friday, 12/6/63, by the team of Huntley and Brinkley. Liaison was requested to determine the facts concerning this and to advise Mr. Rowley that the Bureau considered such an interview unwise at this time.

Mr. Rowley was immediately contacted and he advised that he had not heard about the Huntley-Brinkley interview with Mrs. Oswald; that he too is definitely opposed to any interviews with Mrs. Oswald at this time; that Mrs. Oswald remains in the Secret Service Protective Custody and that the Secret Service Office at Dallas is under the instructions that no interviews are to be had with Mrs. Oswald without approval from his office. Mr. Rowley further advised that he has mentioned the matter of interviews by the press with Mrs. Oswald to Presidential Assistants Jenkins and Moyer who will bring this to the President's attention. Mr. Rowley said he does not have the President's reaction yet, however, he envisions no objection by the President to the order of "no press interviews." Mr. Rowley thanked Mr. Bartlett for bringing this matter to his attention.

TO : Mr. W. C. Sullivan

FROM : Mr. D. J. Brennan, Jr.

SUBJECT: LEE HARVEY OSWALD
IS - RUSSIA

The purpose of this memorandum is to recommend that a letter be sent to the Commissioner, Immigration and Naturalization Service (INS), thanking him for the assistance rendered to the Bureau on 11/28/63, in connection with our urgent investigation of this case.

The subject's wife had been uncooperative with Bureau Agents who attempted to interview her and it was believed that if she could receive assurances as to her immigration status, she would perhaps be more cooperative. On Thanksgiving Day, 11/28/63, the Liaison Agent contacted Mario T. Noto, Associate Commissioner, INS, who offered complete cooperation to the Bureau and made arrangements for Fred K. Harvey, Jr., Deputy Assistant Commissioner, INS, to leave for Dallas aboard a special Air Force plane with less than one hour's notice. Harvey apprised Mrs. Oswald of her immigration status and explained that cooperation with the FBI would be a factor to be considered by INS in the event she later sought a change in her status. Mrs. Oswald did adopt a cooperative attitude with Bureau Agents probably due at least in part to Harvey's efforts.

While the cooperation of INS would certainly be expected, it is believed the speed and enthusiasm with which INS responded, as well as the personal disruption to the families, is such that a letter of appreciation should be sent.

RECOMMENDATION:

That the attached letter be sent to the Commissioner, INS.

In a memorandum dated 12/4/63 captioned as above, you were advised of the fact that Mrs. Oswald had retained the services of John ... Thorne, an attorney who practices law in Grand Prairie, Texas. It was also indicated that the attorney was retained as a result of Mrs. Oswald's possibly coming into financial benefits should she sell her story to a nationally-syndicated magazine.

A search of Bureau files did not reveal any information which can be identified with Thorne.

According to the 1963 edition of Martindale-Hubbell Law Directory, Thorne was born in 1923, did his undergraduate work at ... University, Durham, North Carolina, and received his LL.B. degree from Southern Methodist University, Dallas, Texas.

Mr. TONY MARTINO, JR. was interviewed on December 4, 1963, at his residence, 217 West Johnson Street, San Antonio, Texas, and he advised that sometime during the latter part of September, 1963, exact date not known, he sold an automobile to an individual known to him as GUILLERMO HEVIA VILLAR. MARTINO, JR. advised that he had had this car up for sale for some time and described the vehicle as a 1959 Chevrolet Impala, two-door hard top sedan, red and white in color. The sale was for cash. HEVIA VILLAR stated that he has been residing in California, place not known, for a time but was en route to Mexico City for four or five months to visit friends. MARTINO, Jr. advised that he was of the opinion that HEVIA VILLAR planned to return to the U. S. some time after the first of January, 1964.

MARTINO, JR. advised that since the title to the car had to be changed, HEVIA VILLAR requested that MARTINO, JR. clear it through Austin, Texas, for him and then forward it to him. A copy of the title was given to HEVIA VILLAR by MARTINO, JR. which bore the address of 217 West Johnson Street. MARTINO, JR. advised that after the title had been cleared in Austin he sent it to HEVIA VILLAR in Mexico City at the following address:

GUILLERMO HEVIA VILLAR
Av. Alvaro Obregon 179-13
Mexico 7, D. F.

MARTINO, JR. advised that approximately two to three weeks ago he received a letter from HEVIA VILLAR from the above Mexico City address in which HEVIA VILLAR claims he has never received the corrected Texas title. MARTINO, JR. advised that he answered the letter advising that he had forwarded the title but did not keep the letter.

MARTINO, JR. advised that he knows nothing else regarding HEVIA VILLAR. He does not know if HEVIA VILLAR is a U. S. or Mexican citizen but he speaks English with somewhat of an accent.

This investigation was performed in order to endeavor to identify person entering Mexico on September 26, 1963, or leaving Mexico October 3, 1963, at Nuevo Laredo, Tamps., Mexico.

Mr. TONY MARTINO, JR. was interviewed on December 4, 1963, at his residence, 217 West Johnson Street, San Antonio, Texas, and he advised that sometime during the latter part of September, 1963, exact date not known, he sold an automobile to an individual known to him as GUILLERMO HEVIA VILLAR. MARTINO, JR. advised that he had had this car up for sale for some time and described the vehicle as a 1959 Chevrolet Impala, two-door hard top sedan, red and white in color. The sale was for cash. HEVIA VILLAR stated that he has been residing in California, place not known, for a time but was en route to Mexico City for four or five months to visit friends. MARTINO, Jr. advised that he was of the opinion that HEVIA VILLAR planned to return to the U. S. some time after the first of January, 1964.

MARTINO, JR. advised that since the title to the car had to be changed, HEVIA VILLAR requested that MARTINO, JR. clear it through Austin, Texas, for him and then forward it to him. A copy of the title was given to HEVIA VILLAR by MARTINO, JR. which bore the address of 217 West Johnson Street. MARTINO, JR. advised that after the title had been cleared in Austin he sent it to HEVIA VILLAR in Mexico City at the following address:

GUILLERMO HEVIA VILLAR
Av. Alvaro Obregon 179-13
Mexico 7, D. F.

MARTINO, JR. advised that approximately two to three weeks ago he received a letter from HEVIA VILLAR from the above Mexico City address in which HEVIA VILLAR claims he has never received the corrected Texas title. MARTINO, JR. advised that he answered the letter advising that he had forwarded the title but did not keep the letter.

MARTINO, JR. advised that he knows nothing else regarding HEVIA VILLAR. He does not know if HEVIA VILLAR is a U. S. or Mexican citizen but he speaks English with somewhat of an accent.

This investigation was performed in order to endeavor to identify person entering Mexico on September 26, 1963, or leaving Mexico October 3, 1963, at Nuevo Laredo, Tamps., Mexico.

Dear Mr. Doar:

Professor Russell H. Barrett, a colleague of mine here at the University, suggested I write to you in connection with an item you might be able to check out for me.

Some time ago, a film was shown here in Oxford called "Oxford--U.S.A." prepared by some group in Texas. Copies of this film were sold to the Mississippi Sovereignty Commission for $7,000, I believe. Since I have seen the slayer of President Kennedy on TV, I have the feeling that I have seen Oswald somewhere and all that I can think of is this film.

Perhaps you have checked it out already, but if not, could you do so?

Sincerely yours,

LEE HARVEY OSWALD

On December 4, 1963, LEONARD CASTILLO, identical with LEONARDO CASTILLO, was interviewed at Kelly Air Force Base, San Antonio, Texas, where he is employed. He states that he resides at 2715 Morales Street, in San Antonio, with his wife ALVINA. He advised that he was born November 6, 1920, at New Braunfels, Texas.

CASTILLO states that on September 26, 1963, he drove, with his wife, from San Antonio, Texas, to Monterrey, Nuevo Leon, Mexico, on a holiday. They left San Antonio shortly after noon of September 26, 1963, and crossed the border at approximately 4:00 P. M. He was driving a 1955 Mercury Sedan with 1963 Texas license HE 4162. During the time that he was in Mexican Customs and Immigration Offices at the bridge in Nuevo Laredo, Tamps., Mexico, he saw no Americans, in fact he thought it strange that there were no tourists waiting in line when he arrived. He left Nuevo Laredo and proceeded directly to Monterrey, staying for two days at the Regina Courts located just north of Monterrey on the Laredo Highway. He did not pick anyone up while en route to Monterrey from the border.

Upon being exhibited the photograph of LEE HARVEY OSWALD he stated that he had never seen the person before but thought he bore a resemblance to the person who was arrested in Dallas, Texas, for the murder of a police officer and supposedly involved in the assassination of former President KENNEDY. When asked if he knew anyone by the names of OSWALD, LEE or HIDELL, he advised to the contrary.

NOTE: Marina Oswald and children resided Mrs. Paine's residence for several weeks and a close relationship exhisteed between them. Michael Paine currently separated from his wife had several discussions with Lee Oswald and one one occasion took him to ACLU meeting. When Michael was inducted into Armed Forces he refused to take oath of allegiance. His father and stepmother are presently on Security Index as members of Johnson-Forest Group SWP. Mrs. Paine's sister was investigated in 1956-57 under SGE and resigned from Government employment prior to security determination. Since backgroun of Paines and their connection with Oswalds may become an issue the above action is warranted. Michael Paine currently employed Bell Helicopter with security clearance. 105-82555-

Inspector Malley called from Dallas this morning to advise that Mrs. Oswald has been receiving numerous offers from the press and James Martin, who, out of sympathy, has been furnishing an apartment to Mrs. Oswald, has been acting as her manager.

Inspector Thomas Kelly of the Secret Service in Dallas advised today that Martin has been insistent on being permitted to talk to Mrs. Oswald and of making final arrangements so that she can capitalize on the press offers, one of which is in the amount of $12,000. In view of Mrs. Oswald's difficulties with the English language, Martin is desirous of utilizing George A. Bouhe, a Dallas resident who speaks Russian, in the arrangements. Malley advised that we have previously interviewed Bouhe who was an acquaintance of the Oswalds.

Inspector Kelly feels that Secret Service has no alternative but to agree to this arrangement as they do not feel they can continue to hold Mrs. Oswald for an extended period of time. Kelly asked our Dallas Office if we had any objection to this arrangement.

Malley said that he advised Kelly that this was a matter for the Secret Service to decide and he told Kelly that he thought Kelly should clear this with Secret Service Headquarters in Washington. Malley said he was furnishing the above for information in the event Secret Service should be in touch with us. I told Malley I was in agreement with his action; that this was a matter for Secret Service to handle and resolve.

SUBJECT: LEE HARVEY OSWALD -
Assassination of the President

The Director advised that he had talked to Katzenbach, who had been talking to the White House relative to the report we are to render in the Oswald case. It is Katzenbach's feeling that this report should include everything which may raise a question in the mind of the public or the press regarding this matter, including such things as the return of the passport to Oswald in Moscow, and the furnishing of money to him by the State Department for the purpose of returning to the U.S. If the State Department regulations or law required State to do these things, we should get a copy of the law.

This report will have to contain anything of relevance to the case. We should get from the Defense Department Oswald's record and disciplinary action and discharge. We should cover the angle of Oswald going down to Mexico City, and his contacts down there.

In other words, this report is to settle the dust, in so far as Oswald and his activities are concerned, both from the standpoint that he is the man who assassinated the President, and relative to Oswald himself and his activities and background, et cetera.

At such time as the report is finished, Mr. Katzenbach will go over it, and will furnish it to other officials of the government, such as McCone of CIA, the Secretaries of Navy, Defense, and State, so that they can look it over and make sure they agree and do not have any objections.

The above change will, of course, require more time for the preparation of this report. However, the Director desires that it be out as quickly as possible. Division Six will continue to handle the portion of the report dealing with the assassination attempt and the evidence gathered to show that Oswald is responsible. This means that we will have to carefully check the evidence and Oswald's possessions that the police are now turning over to us, to see if additional information should go into the report from this.

REC-16 243

Division Five will handle the other part of the report, which will show the background, associations, et cetera, of Oswald. We must be certain that anything that is put into the report can be backed up, as it will be subject to minute scrutiny from the press and the public. For Division Five's part of the report we should be certain also that

RECORDED COPY FILED IN [illegible]

Mr. Sullivan

Oswald's passport back to him, et cetera. We should be certain that agents thoroughly go through Oswald's effects to see if they can pick up any correspondence with the Communist Party, the Soviet Embassy, et cetera.

This is a difficult report to prepare, but we will have to concentrate our ~~full attention~~ on it in order to produce the desired results.

At 6:32 p.m. on November 27, 1963, SAC Johnson of Chicago called and talked to Supervisor E.F. Turner in my absence and advised that a former criminal informant [redacted], who has had a recent history of financial difficulties and possible instability, reported to the Chicago Agents who formerly handled him the following information:

He is acquainted with a prostitute of Spanish extraction who is associated on a daily basis with John Rossin, Chairman of the Fair Play for Cuba Committee (FPCC) in Chicago. Rossin, [redacted] has in the past expressed hatred for the Kennedy family, including President Kennedy, and admiration for Castro. Rossin recently, subsequent to the assassination, was interviewed on television and denied knowing Oswald. However, according to the prostitute [redacted] Rossin told her that he does know Oswald and has periodically furnished him money over the past five months.

*UNLESS ADVISED TO CONTINUE BY BUREAU

SAC Johnson advised that Chicago has Agents on the streets looking for [redacted] and when she is found she will be interviewed concerning this matter. He requested authority on a UACB basis to interview her with the use of a polygraph if regular interview did not resolve the matter. He also requested permission on a UACB basis to interview and polygraph Rossin if the interview with [redacted] does not resolve the matter. He advised a written waiver consent would be obtained before the use of a polygraph, and Rossin would not be interviewed late at night.

ST-103 REC-16 100-82555-244

In describing Rossin, Johnson said that he had formerly been a Communist Party (CP) organizer in St. Louis; left the CP in the middle 1950's after the Hungarian uprising; and had been Chairman of the FPCC in Chicago since its inception about 1959. He runs theaters, catering to Latin-American pictures, is boastful and arrogant.

SUBJECT: ASSASSINATION OF THE PRESIDENT

We have been attempting to obtain from the Mutual Broadcasting Company the tape of a broadcast by Serge[illegible] Fleegers, a commentator who on Sunday, 11/24/63, made certain references to the movements of Lee Harvey Oswald in and out of the Soviet Union. He also indicated certain training received by Oswald. His reports were reportedly based upon "Viennese intelligence sources." At Mr. Belmont's request, I got in touch with our contact at the Mutual Broadcasting Company, Bob Hurleigh, President, Mutual Broadcasting Company, on Sunday night, 11/24/63, and asked him to obtain the tape for us and also to identify Fleegers' sources as much as possible.

Having received no word from Hurleigh, I again called him on Wednesday night, 11/27/63, and told him we needed the above information as expeditiously as possible. Hurleigh apologized and stated the tape would be in our hands no later than today, 11/29/63.

I received a call at 12:50 p.m. from Charles King, News Director, Mutual Broadcasting Company, of New York. King stated he had the tape in his possession and would make it available to us immediately. I told him that we would have a representative of the New York Office call at his office immediately in order to procure the tape. He stated it would be left at the reception desk at 1440 Broadway, on the 20th floor.

Mr. King also stated that Fleegers actually received information from Viennese intelligence sources. He stated that Fleegers was en route to Paris, by way of a number of other countries, however, had talked to Mutual Broadcasting Company offices in New York about this matter. Fleegers did not desire to mention his sources on the phone. He stated, however, that he knew the FBI representative in Paris at the American Embassy and that he would contact Mr. Philcox either on Sunday night, 12/1/63, or Monday morning, 12/2/63, and furnish him all information necessary.

DeLoach to Mohr Memo, 11/29/63
RE: ASSASSINATION OF THE PRESIDENT

I called ASAC Roney in New York, who is acting for Mr. Malone and instructed him to have an Agent pick up the tape in question at the Mutual Broadcasting Company's offices immediately. He will put it on a plane and thereafter notify us as to the appropriate plane to meet at National Airport. I will have an Agent of this Division pick up the tape and deliver it to the General Investigative Division. The tape will contain the remarks made by Fleegers in connection with Oswald.

ACTION:

The General Investigative Division should prepare a Cablegram to Legal Attache Philcox alerting him as to the call that will be made upon him by Sergei Fleegers of the Mutual Broadcasting Company.

WHILE OSWALD IN HOSPITAL FOR TEN DAYS, MARINA VISITED HIM EACH DAY AND IT WAS WHILE HE WAS IN HOSPITAL THAT HE ASKED MARINA TO BE HIS FIANCE AND NOT GO OUT WITH OTHER MEN. MARINA AGREED TO MARRIAGE APPROXIMATELY APRIL TWENTY AND WAS MARRIED APRIL THIRTY SIXTYONE. MARINA CLAIMS SHE DISCOVERED OSWALD WAS AMERICAN THROUGH THIRD PARTY ON HER FIRST MEETING WITH OSWALD. SHE QUESTIONED HIM WHEN HE WAS IN HOSPITAL AND HE TOLD HER HE PREFERRED AMERICA TO USSR AND HAD COME TO RUSSIA TO SEE IT, AS IT WAS CONSIDERED THE LEADER OF THE SOCIALIST WORLD. HE LATER EXPLAINED AFTER MARRIAGE, HE HAD BEEN OFFERED SOVIET CITIZENSHIP BUT REFUSED IT. MARINA WAS NOT ASKED, AND VOLUNTARILY FURNISHED INFORMATION SHE HAD MARRIED OSWALD BECAUSE SHE LOVED HIM, RATHER THAN BECAUSE HE WAS AN AMERICAN OR FOR THE PURPOSE OF GOING TO THE UNITED STATES. PARENTHETICALLY, MARINA HAS VOLUNTEERED TWO ANSWERS, ONE AS STATED ABOVE, AND THE OTHER THAT OSWALD TO HER KNOWLEDGE DID NOT PLAN TO GO TO MEXICO IN LATE SEPT., SIXTYTHREE, WHEN IN FACT HE DID. OSWALD WORKED AS NON-SKILLED METAL WORKER IN RADIO FACTORY IN MINSK. HIS PAY WAS EIGHTY OR NINETY RUBLES PER MONTH. HE HAD BEEN SENT FROM MOSCOW TO MINSK FOR WORK. MARINA HAS BEEN RELUCTANT TO FURNISH NAMES OF ASSOCIATES OF HERSELF OR OSWALD IN RUSSIA. CROSS EXAMINATION IN THIS REGARD HAS NOT BEEN CONDUCTED, BUT LATER FURTHER INQUIRIES THIS REGARD WILL BE PRESSED. SHE CONTINUES TO ANSWER QUESTIONS RATHER FREELY AND A GOOD WORKING RELATIONSHIP HAS BEEN ESTABLISHED BETWEEN INTERVIEWERS AND HER. CONDITIONS OF INTERVIEW ARE NOT OF THE BEST IN VIEW OF THE PROBLEM WITH THE CHILDREN AND, THEREFORE, AT TIMES INTERVIEW PROCEEDS SLOWLY. AT THIS TIME OVER A THOUSAND LETTERS, MOSTLY COMPLIMENTARY, HAVE BEEN RECEIVED BY MARINA FROM CITIZENS THROUGHOUT UNITED STATES. CHECKS AND CASH OF OVER TWENTYFIVE HUNDRED DOLLARS HAVE BEEN COUNTED AND MANY LETTERS REMAIN UNOPENED. CORRESPONDENCE AND MONEY GIFTS BEING HANDLED BY MARTIN IN WHOSE HOME SHE RESIDES. MARINA ALTHOUGH NOT CLOSELY QUESTIONED IN THIS REGARD, HAS SHOWN REAL INTEREST IN THE MONEY AND THIS HELPS IN THE INTERVIEW. INTERVIEW WILL BE CONTINUED APPROXIMATELY ONE PM TOMORROW.

LEE HARVEY OSWALD

On December 3, 1963, JEANNE ALLRED, 5346 Morningside Avenue, Dallas, Texas, presently in Laredo, Texas, advised that she was divorced May 5, 1963, from JAMES D. ALLRED, JR., who possesses radical belief concerning Cuba. ALLRED stated that her husband subscribed to the Worker newspaper, joined the Youth Freedom Society and was reported to have flown money and guns to Cuba. ALLRED obtained passport and visas for eight Central American countries in New Orleans, December 14, 1962. DAVID STALLINGS reportedly leader of John Birch Society in Dallas, accompanied ALLRED to New Orleans. STALLINGS and ALLRED are former roommates. Mrs. ALLRED thinks she remembers seeing the name LEE HARVEY OSWALD on one of her husbands envelopes. Her husband absconded with $34,000 belonging to Mrs. ALLRED and his present whereabouts are unknown. ALLRED had made frequent trips to Mexico. Mrs. ALLRED is returning to Dallas and can be recontacted at above address.

The "Los Angeles Times" issue of 12/2/63, Part I, page 14, carries an article headlined "Placer of Anti-Kennedy Ad Departs in Mystery." The article carries the byline of RONNIE DUGGER at Dallas. It states that a telegraph delivered in the middle of the night resulted in a man calling himself BERNARD WEISSMAN and his "sidekick" WILLIAM BURLEY, hastily moved out of their apartment on Reiger Street in Dallas the day before Thanksgiving. The article reflects that WEISSMAN is described as a slender, dark eyed, dark haired man. BURLEY is described as a tall, blond man who wore black horn-rimmed glasses. The article reflects that WEISSMAN placed a full-page anti-KENNEDY advertisement in the "Dallas News" for publication the day the President was killed at Dallas. The ad was signed the "American Fact Finding Committee," an unaffiliated and non-partisan group of citizens who wish the truth, BERNARD WEISSMAN, Chairman, P.O. Box 1792, Dallas 21, Texas. He gave the Advertising Department an address at an apartment house on Reiger.

The article reflects that the FBI has interviewed the proprietress of the house where WEISSMAN and BURLEY resided on Reiger Street.

Based on the information available concerning WEISSMAN and BURLEY, the Los Angeles Office is unable to identify any record of either in the Indices.

On 12/3/63, Mr. PAT BOGGS, Assistant Special Agent in Charge, U. S. Secret Service, Los Angeles, Calif., advised SA EDWARD J. KIRBY that his office had received a telephone call 12/3/63 from BALTIMORE VALDEZ who resides c/o his sister, BEATRICE ARAGON, 9137 South Baring Cross, Los Angeles, telephone PL 4-2235. BOGGS said VALDEZ made reference to the above-mentioned article and said he felt that WILLIAM BURLEY mentioned in the article, may be identical with a WILLIAM BURLEY whom he met at Fort Ord, Calif., while both were taking basic training in 1948. VALDEZ said he made the association by the places named in the article. VALDEZ reportedly continued that if the BURLEY he has in mind is identical with the BURLEY mentioned in the article, BURLEY is from Ponca City, Oklahoma. VALDEZ said he coresponded with BURLEY until 1951. About a year ago, he heard from an unrecalled source that BURLEY is still in Ponca City, Oklahoma.

BOGGS said that according to VALDEZ, BURLEY was a very nice individual but he had very strong political leanings and political philosophy. BOGGS was unable to elaborate on this latter statement.

The foregoing is submitted for the information of the Bureau and Dallas and no action is being taken by Los Angeles, UACB.

Newsmen have been calling my office this afternoon stating they understand that the attempted shooting of General Edwin A. Walker in Dallas on April 10, 1963, was done by Lee Harvey Oswald.

Reporters have said they understand that Oswald bought a rifle on March 20, 1963, from the Chicago Mail Order House, that attempts were made on Walker's life on April 10, 1963, and that the Dallas Police Department has a slug from the Walker shooting which is to be compared with slugs fired from the assassination weapon. The newsmen asked for comment. They were told we had no comment.

Dear Friend:

Thank you for your prompt reply. Enclosed are your card and receipt, along with our thanks and welcome.

Your interest in helping to [illegible] FPC chapter in New Orleans is gratefully received. I shall try to give you some basic information now so that you may have a better picture of what this entails.

For one thing, I am enclosing a copy of our Constitution and By-Laws for all Chapters and Student Councils. You will note that there is considerable autonomy for an organization our size. We try and let all Chapters operate according to the local requirements. Naturally, there are basic regulations which must be met.

(All Chapters can receive literature in bulk at a discounted rate and resell at the retail price and use the proceeds for further Chapter activities.) Credit is extended and payment is not required with the order. We do expect payment within a reasonable period so that we may continue our end of the operation.

It would be hard to conceive of a chapter with as few members as seem to exist in the New Orleans area. I have just gone through our files and find that Louisiana seems somewhat restricted for Fair Play activities. However, with what is there perhaps you could build a larger group if a few people would undertake the disciplined responsibility of concrete organizational work.

We certainly are not at all adverse to a very small Chapter but certainly would expect that there would be at least twice the amount needed to conduct a legal executive board for the Chapter. Should this be reasonable we could readily issue a charter for

FAIR PLAY FOR CUBA COMMITTEE

799 BROADWAY NEW YORK 3, N. Y. Cl 4-4397

a New Orleans Chapter of FPCC. In fact, we would be very, very pleased to see this take place and would like to do everything possible to assist in bringing it about. We feel that the south-east is a very difficult area to work because of our lack of contacts. Our only southeastern Chapter right now is that in Tampa, Florida which I originally organized before coming up to work in the National Office.

I for one am convinced of the possibility of such an enterprise but know from experience that it is quite a problem and requires some sacrifice on the part of those involved.

You must realize that you will come under tremendous pressures with any attempt to do FPCC work in that area and that you will not be able to operate in the manner which is conventional here in the north-east. Even most of our big city Chapters have been forced to abandon the idea of operating an office in public. The national office here in New York is the only one in the country today and the New York City Chapter uses our office too so it is the only Chapter with an office. Most Chapters have discovered that it is easier to operate semi-privately out of a home and maintain a P.O. Box for all mailings and public notices. ((A P.O. Box is a must for any Chapter in the organization to guarantee the continued contact with the national even if an individual should move or drop out.)) We do have a serious and often violent opposition and this procedure helps prevent many unnecessary incidents which frighten away prospective supporters. I definitely would not recommend an office, at least not one that will be easily identifyable to the lunatic fringe in your community. Certainly, I would not recommend that you engage in one at the very beginning but wait and see how you can operate in the community through several public experiences.

We will be able to give you some assistence from here, but not much. It is up

FAIR PLAY FOR CUBA COMMITTEE

to a mimeo machine to prepare public material if you are going to operate. A good typewriter is essential and above all people that will carry out the million and one mechanical functions necessary to make it a going operation.

(Note: when you contact people by mail we recommend that only first class be used and that no full name go on the return address on the outside of the envelope.) You will notice how we work our's here on the national level. Many people will respond better with this type of protection against nutty neighbors and over curious postmen. These may sound like small things to you, but I can assure you that we have gone through this a thousand and more time the length and breadth of the country and have learned a great deal over the last three years through some bitter experience.

Naturally, I would like to communicate with you a great deal more concerning yourself so that we can get to know you and possibly be of some assistence to you as we get more information.

We hope to hear from you very soon in this regard and are looking forward to a good working relationship for the future. Please fell free to discuss this matter quite thoroughly with me.

Dear Mr. Oswald:

We have your clipping requesting application for membership in the Socialist Workers Party.

We are sorry for the delay in answering your letter.

Our constitution requires that there must be a minimum of five members before a branch of the Socialist Workers Party can be formed and it is not our practice to take in individual members where no branch yet exists. Unfortunately we don't have any branches at all in Texas.

We very much appreciate, however, your request for membership in the party and wish to continue on a basis of close sympathetic relation with you until such time as a branch of the SWP can exist in Dallas. Pending the necessary basis for such a local structure, we suggest that you concentrate on seeking subscribers to the Militant and promoting the sale of socialist literature obtainable through Pioneer Publishers. Through contacts you may be able to develop on this basis let us hope it will be possible before too long to welcome a Dallas, Texas branch into the party.

In line with the above I am taking the liberty of sending a number of subscription blanks to the Militant so that you can have full advantage of our introductory offer of 4 months for only $1. We have had great success nationally with our subscription campaign. Also, you yourself should be sure to subscribe to both the Militant and International Socialist Review as you will find them excellent sources of socialist literature and information.

Please keep in touch with us.

With best wishes,

Sincerely,

Dear Mr. Oswald:

Your letter and reproductions were turned over to me by the SWP office.

I am familiar with reproductions and offset printing processes. It is clear from your work that you are skilled at blow-ups, reversals and reproduction work generally. Do you do any other phases of the process as well as photography? What about layout and art work?

We have access to a small offset shop here in New York. Generally, when we need any copy work done we have taken it there directly. However there might very well be occasion when we could utilize your skill for some printing project. It would, of course, necessarily have to be a project in which we would have flexibility as to time. It is not easy to do anything in which there is pressure to get a job out immediately through correspondence between New York and Texas. Such work must be done locally, out of necessity. However, for a longer term project it might be possible to ask your aid.

Could you write to me directly at the above address? I would like to know what size camera you have; how large a paper print you can make; how large a negative; and any other technical information that you can give us that would help us judge how your aid could be most effective. If you have any questions please feel free to write me and I will try to respond promptly.

With best wishes for a year of progress

Your letter of August 28th to Elizabeth G. Flynn was turned over to me for reply. Since I received your letter of September 1st indicating that you are moving to Baltimore, I suggest that when you do move that you get in touch with us here and we will find some way of getting in touch with you in that city.

While the point you make about your residence in the Soviet Union may be utilized by some people, I think you have to recognize that as an American citizen who is now in this country, you have a right to participate in such organizations as you want, but at the same time there are a number of organizations, including possibly Fair Play, which are of a very broad character, and often it is advisable for some people to remain in the background, not underground. I assume this is pretty much of an academic question now, and we can discuss it later.

Reference is made to United Press International release of 11/22/63 which stated in part that this year Oswald applied for another passport. He told the State Department he wanted to visit England, France, Germany, Holland, Finland, Italy, Poland, and the Soviet Union. He said he planned to make the trip between October, 1963, and December or January, 1964. The passport was issued at New Orleans on June 25, 1963. It is not clear, however, if Oswald ever repaid for his passage back to the United States or his first trip. If he did not, a new passport should not have been issued.

In connection with the above release, the Director made the notation: "Check as to this."

A review of the records of the Passport Office, Department of State by the Washington Field Office on 11/22/63 disclosed that Oswald was last issued Passport D-092526 at New Orleans, Louisiana on 6/25/63 for proposed travel as set out above. The passport was good for travel to all countries except Albania, Cuba, and those portions of China, Korea, and Vietnam under communist control.

A review of the files of the Office of Finance, Department of State on 11/22/63 disclosed a copy of a promissory statement signed by Oswald on 6/1/62 in Moscow. This statement outlined the total obligation for transporting Oswald and his family back to the U.S. amounting to $435.71. Oswald agreed to repay this sum with the understanding that he would not be furnished a passport for foreign travel until his obligation to reimburse the Treasurer of the United States was liquidated. Oswald's loan record account discloses that the obligation was liquidated in several payments, the final payment on 7/7/63, at which time his residence was listed as Post Office Box 2915, Dallas, Texas.

WASHINGTON--THE PRIME SUSPECT IN PRESIDENT KENNEDY'S ASSASSINATION IS A SELF-ADMITTED "MARXIST" WHO SPENT THREE YEARS IN RUSSIA TRYING TO RENOUNCE HIS AMERICAN CITIZENSHIP, BUT GOT A U.SM GOVERNMENT-PAID PASSAGE HOME WHEN HE HAD A CHANGE OF HEART.
THE ONE TIME DEFECTOR WAS IDENTIFIED AS LEE H. OSWALD, 24, A FORMER MARINE, AND CHAIRMA OF A "FAIR PLAY FOR CUBA COMMITTEE."
OSWALD WAS BORN IN NEW ORLEANS OCT. 18, 1939. TWENTY YEARS LATER, ON OCT. 30, 1959, HE APPEARED AT THE AMERICAN EMBASSY IN MOSCOW, TELLING OFFICIALS THAT HE WANTED TO RENOUNCS HIS AMERICAN CITIZENSHIP. AT THE TIME, HE WAS REPORTED TO HAVE TOLD OFFICIALS THAT "I AM A MARXIST."
THE FBI CONFIRMED THAT OSWALD DID GOTO TUSSIA AND HAD ASKED FOR SOVIET CITIZENSHIP. HE HAD RECENTLY BEEN DISCHARGED FROM THE MARINE CORPS.
IN FEBRUARY, 1962, HE APPARENTLY HAD A CHANGE OF HEART. HE WROTE THE EMBASSY ASKING FOR A PASSPORT TO THE UNITED STATES. IN THE MEANTIME HE HAD MARRIED A RUSSIAN WOMAN, MARINA NICHOLAEVNA, A HOSPITAL EMPLOYE IN THE CITY OF MINSK. THEY HAVE ONE CHILD.
EMBASSY OFFICIALS REVIEWED HIS CASE. SINCE HE HAD NOT BEEN GIVEN SOVIET CITIZENSHIP, IT WAS DECIDED TO GIVE HIM A PASSPORT TO THE UNITED STATES.
GOVERNMENT RECORDS SHOW HE LEFT MOSCOW AT THE END OF MAY, 1962. THE EMBASSY ADVANCED HIM $435 TO DEFRAY THE COST OF HIS TRIP, A CUSTOMARY PRACTICE IN THE CASES OF AMEICANS STRANDED IN A FOREIGN NATION. IT IS NOT CLEAR IF HE EVER REPAID THE LOAN.
THIS YEAR OSWALD APPLIED FOR ANOTHER PASSPORT. HE TOLD THE STATE DEPARTMENT HE WANTED TO VISIT ENGLAND, FRANCE, GERMANY HOLLAND, FINLAND, ITALY, POLAND, AND THE SOVIET UNION. HE SAID HE PLANNED TO MAKE THE TRIP BETWEEN OSCTOBER, 1963, AND DECEMBER OR JANUARY, 1964.
THE PASSPORT WAS ISSUED AT NEW ORLEANS JUNE 25, 1963. IT IS NOT CLEAR, HOWEVER, IF OSWALD EVER REPAID THE MONEY LOANED FOR HIS PASSAGE BACK TO THE UNITED STATES OR HIS FIRST TRIP.
IF HE DIDNOT, A NEWPASSPORT SHOULD NOT HAVE BEEN ISSUED.

SUBJECT: LEE HARVEY OSWALD
INTERNAL SECURITY - RUSSIA

SYNOPSIS:

My attached memorandum 11/25/63 discussed the advance made by State in Moscow to Oswald to enable him to return to the U.S. As another passport was later issued to him at New Orleans on 6/25/63, the Director instructed that we secure all details.

State files show Oswald, residing Minsk, Russia, in correspondence with U.S. Embassy, Moscow, in February, March, and May, 1961, finally appearing in person 7/8/61. He held Soviet "stateless" passport which Embassy stated was prima facie evidence he was not regarded as Soviet citizen. As he had not legally renounced U. S. citizenship, his U. S. passport was returned to him, valid only for return to U. S. He was unable, however, to secure Soviet exit visas for self and wife until 1962.

State records indicate Oswald signed promissory note in Moscow on 6/1/62 for $435.71 for transportation Moscow to New York. State advised Oswald's mother that he and family would leave Moscow 6/1/62 for Rotterdam, Netherlands, en route to New York City where they would arrive 6/13/62. State records further indicate the note was repaid in installments as follows: 8/7/62 - $10; 9/1/62 - $9.71; 10/6/62 - $10; 11/14/62 - $10; 12/7/62 - $190; 1/5/63 - $100; 1/25/63 - $106; account posted paid in full 2/7/63. All payments but first (which was cash) were made by postal money orders mailed from various points in Texas. It was at first reported by State that the final payment had been credited to his account 7/7/63; however, examination of the actual records has disclosed a copy of the receipt which was issued on 2/7/63 for the final payment, which had been remitted 1/25/63. Xerox copy of this receipt obtained and attached.

Under the terms of the promissory note signed by Oswald, he would not be furnished a passport for foreign travel until his obligation had been fully repaid. Inasmuch as the next passport was issued

Memorandum to Mr. Sullivan
RE: LEE HARVEY OSWALD

to him at New Orleans, Louisiana, 6/25/63, it appears that State did not exceed the terms of this agreement. State has informed us that as a matter of routine procedure, it advances return passage to the U.S. to U.S. citizens who find themselves destitute abroad. There is no statutory authorization for this but a confidential item is included in State's appropriation annually to cover these advances. State's Foreign Affairs Manual sets out criteria for such advances, and specifically authorizes loans to U. S. nationals in "a situation which is damaging to the prestige of the U. S. Government" without requiring that the individual's loyalty to the U. S. be beyond question.

ACTION:

For information.

Memorandum to Mr. Sullivan
RE: LEE HARVEY OSWALD

DETAILS:

My attached memorandum 11/25/63 referred to press comment indicating Oswald had received another U.S. passport at New Orleans, Louisiana, on 6/25/63. We noted that prior to this State had advanced Oswald his passage back to the U.S. from Russia and that this had been repaid in installments. The Director asked that we secure all details concerning this.

Files of the Department of State disclose on 2/28/61 American Embassy, Moscow, informed Department of State it had received 2/13/61 undated letter from Oswald postmarked Minsk, 2/5/61, and Moscow, 2/11/61. Letter requested return of his American passport and stated desire by him to return U.S. if they could agree to dropping of any legal proceedings against Oswald. He felt if he could show Soviet authorities his American passport, they would give him exit visa. Oswald stated Soviets had at no time insisted he take Russian citizenship and he was living there with nonpermanent papers for a foreigner. He stated he could not leave Minsk without permission so was writing instead of calling in person. He maintained his American citizenship in letter.

On 3/24/61 Embassy, Moscow, notified State it had received letter from Oswald 3/20/61 postmarked Minsk March 5, and Moscow, March 17, stating he found it inconvenient to come to Moscow solely for interview; he did not think it appropriate to seek permission to leave Minsk; he did not intend to abuse his position there and saw no reason why preliminary inquiries could not be sent to him by questionnaire. Embassy stated it had written Oswald it was Soviet Government's position to interpose no objection to visits to Embassy by American citizens in Soviet Union and in order for Embassy to determine his citizenship status, personal interview required so pertinent statements could be taken under oath.

On 5/26/61 Embassy, Moscow, informed State it had received undated letter from Oswald postmarked 5/16/61 stating in part he desired full guarantees he would not under any circumstances be prosecuted for any action pertaining to this case should he return U.S. Letter stated Oswald married to Russian woman who would want to accompany him to U.S. Letter stated his status was "without citizenship." Embassy pointed out that if Oswald's designation as "without citizenship" in Soviet internal passport accurate, this was prima facie indication Soviet Government did not regard him as Soviet citizen. Embassy stated it thus appeared he had not yet expatriated himself under Section 349(a)(1) Immigration and Nationality Act of 1952. Embassy cautioned against idea of mailing passport to Oswald and informed State it would request instructions before granting him passport or certificate of identity.

Memorandum to Mr. Sullivan
RE: LEE HARVEY OSWALD

Embassy, Moscow on 7/11/61 reported to State Oswald appeared at Embassy 7/8/61 re desire return to U.S. with wife. Communication stated he executed questionnaire re possible expatriative actions. Embassy stated in lengthy questioning no evidence was revealed of any action which might have caused loss of U.S. citizenship. Oswald exhibited Soviet internal "stateless" passport 311479 issued Moscow 1/14/60 which Embassy stated is prima facie evidence Oswald not regarded as Soviet citizen. Oswald claimed never to have applied for Soviet citizenship; related had been employed since 1/13/60 at radio and television factory, Minsk, as metal worker in research shop, earning 90 rubles (approximately $18). Oswald claimed took no oath and signed no papers for employment; did not join Trade Union Organization; had not been called upon to make radio, press, or personal statements re decision reside Soviet Union; and had been interviewed briefly third day after arrival by radio Moscow but only few routine comments made, no political significance.

Communication reported Oswald stated he had never been subjected to questioning or briefing by Soviets re life before entering USSR and never provided such information to any Soviet organization. On this occasion Embassy informally advised Oswald it did not perceive on what grounds he might be prosecuted leading to lengthy imprisonment, but he was clearly informed Embassy could give no assurance regarding prosecution which he understood.

Embassy advised Oswald's passport was returned to him valid only for return to the U.S. to enable him apply for exit visa in Minsk. Communication continued: "Twenty months of the realities of life in the Soviet Union have clearly had a maturing effect on Oswald. He stated frankly that he had learned a hard lesson the hard way and that he had been completely relieved of his illusions about the Soviet Union at the same time that he acquired a new understanding and appreciation of the United States and the meaning of freedom. Much of the arrogance and bravado which characterized him on his first visit to the Embassy appears to have left him."

On 10/12/61 Embassy, Moscow, detailed letters written by Oswald between July and October outlining his difficulties in obtaining Soviet exit visas for himself and wife, noting they were subjects of increasing harassment in Minsk. He requested Embassy inquire officially re visas but Embassy informed him it had no way of influencing Soviet action.

Memorandum to Mr. Sullivan
RE: LEE HARVEY OSWALD

On 1/16/62 Embassy, Moscow, advised State Oswald had been issued new Soviet resident's permit until 7/5/62 and had been assured by Soviets of exit documentation upon request valid for 45 days. Embassy was notified by Soviets of issuance of foreign passport to Mrs. Oswald with exit visa good until 12/1/62. Oswald desired delay departure until wife's U.S. visa in order for departure together. Embassy stated Oswald raised question of repatriation loan and Embassy requested advice. State told Moscow about 2/1/62 loan not approved pending receipt of application for same per regulations.

State files contain copy of promissory note signed by Lee Harvey Oswald 6/1/62 at Moscow, witnessed by Winifred Williams, at American Embassy. Statement outlined cost of transporting family as $418 plus 105.94 rubles. Oswald contributed 90 rubles toward price of rail tickets so total obligation to him was $435.71. Oswald agreed to repay this sum and agreed with understanding he would not be furnished passport for foreign travel until his obligation to reimburse Treasurer of U.S. was liquidated. In statement he also authorized repayment of loan from any moneys due him from Veterans Administration or any other U.S. Government agencies.

State advised Oswald's mother that her son and his family were leaving Moscow 6/1/62 for Rotterdam, Netherlands, where they would board the SS "Maasdam" arriving New York City 6/13/62.

State Department Office of Finance records contain loan account number 38210 for Lee Harvey Oswald with original debit of $435.71 and shows following details concerning the repayment of this advance:

Remittance dated 8/7/62, received 8/13/62, $10 cash from Oswald, 7313 Davenport Street, Fort Worth, Texas.

Remittance dated 9/1/62, received 9/5/62, $9.71 by money order, serial number 11-56,417,562, from Oswald, 2703 Mercedes Street, Fort Worth, Texas.

Remittance dated 10/6/62, received 10/10/62, $10 postal money order, serial number 11-56,418,866, from Oswald, 2703 Mercedes Street, Fort Worth, Texas.

Remittance dated 11/14/62, received 11/19/62, $10 postal money order, serial number 11-58,380,709, from Oswald, Box 2915, Dallas, Texas.

Memorandum to Mr. Sullivan
RE: LEE HARVEY OSWALD

Remittance dated 12/7/62, received 12/11/62, $190 in postal money orders for $100 and $90, serial numbers 11-58,384,596, and 11-58,384,597, respectively, from Oswald, Box 2915, Dallas, Texas.

Remittance dated 1/5/63, received 1/9/63, $100 postal money order, serial number 2,202,000,060, from Oswald, Box 2915, Dallas, Texas.

Remittance dated 1/25/63, received 1/29/63, $106 in two postal money orders, serial numbers 2,202,003,534 and 2,202,003,535, from Oswald, Box 2915, Dallas, Texas.

Account posted paid by Office of Finance, Department of State 2/7/63. It was originally noted by State that the final payment had been posted on 7/7/63, but when ledger sheet examined and original records consulted, it was determined that the payment had actually been posted 2/7/63. A Xerox copy of the final receipt was secured and is attached.

State's Foreign Affairs Manual, Volume 7, Special Consular Services, sets out rules under which financial assistance loans may be made for the repatriation of destitute U.S. nationals. One of the criteria for such loans is that the recipient's loyalty to the U.S. Government must be beyond question. An exception to this is, however, provided for an individual who "is in or is the cause of a situation which is damaging to the prestige of the U. S. Government or which constitutes a compelling reason for extending assistance to effect his return." At the Director's request, we have asked State if it is their practice to allow individuals who have renounced their citizenship to return to the U.S. Our inquiry has been discussed on a high level within State and State's Legal Adviser is now preparing a response. This is being followed separately by Liaison.

Senator Jim Eastland (D-Miss.) called at 5:30 p.m., 11-26-63. He referred to the United Press item (attached) dated 11-26-63 reflecting that Dallas Police had uncovered Communist Party letters mailed to Lee Harvey Oswald.

Senator Eastland, who is Chairman of the Senate Committee on the Judiciary and with whom we have very favorable relations, stated that he would deeply appreciate any copies of these letters that are available being loaned to his Committee if at all possible.

I told the Senator that it might be necessary to make such letters a part of the report that is being prepared in this matter and I frankly didn't know whether we could make them available to him or not. He stated that after the report was issued that perhaps we could give him copies. I told him the matter would be considered.

Internal Security - R
ASSASSINATION OF THE PRESIDENT

Deputy AG Katzenbach called me at 11:30 a.m. today to advise that Andreas Lowenfeld, Special Assistant to the General Counsel of the State Department, had called him. Lowenfeld said a Priscilla Johnson, of the North American Newspaper Alliance, was in his office. Johnson said she had spent a long time in Russia as a newspaper correspondent; that she knew Oswald in Russia very well, and knew his wife.

* Lowenfeld told Katzenbach that, according to Priscilla Johnson, the FBI had talked to her. Lowenfeld thought Johnson had some interesting information. Priscilla Johnson suggested that, as she is fluent in Russian and knows Oswald's wife, it might be desirable for her to interview Oswald's wife; that she might be able to get information that others could not get.

I told Mr. Katzenbach that we, of course, were interviewing Mrs. Oswald; that we had no difficulty as we have Russian-speaking agents, and it would be very undesirable for any outsider to attempt to interfere at this time. I told him that if, in the future, we felt it was desirable to contact Miss Johnson, we would get in touch with her direct. Miss Johnson indicated that she was interested in knowing how it was that Mrs. Oswald was sent down to Minsk.

ACTION:
We are checking to see if we did interview Miss Johnson and what she had to say. It would appear, of course, that Miss Johnson is merely looking for a way to get a story by interviewing Mrs. Oswald.

Dear Mr. Hoover:

In reading reports of the activities of Lee Harvey Oswald, I have seen no mention of his possible presence at a "Ban the bomb" rally in Canada. Because you would probably want to investigate any association of his with that group and find out where he would attain funds to make another long trip from Texas, I am writing to give you the little information I have.

On the morning following the assassination of our beloved President (or it may have been on Sunday, but I think not) I listened to a short-wave program from the Canadian Broadcasting Corporation in the CBC International Service. On Saturdays and Sundays I try to hear the broadcast in Russian from 9:30 to 10:30 A.M. for I am studying Russian in an evening class at a local high school. The entire hour that morning was devoted to President Kennedy and the incident, was mentioned then as nearly as I could understand the Russian. During the following program, a summary of the news in English, the announcer told that a policeman recognized a picture of Oswald as of a person he had seen at a "Ban the bomb" rally in Montreal. Unfortunately that is all the information I can give you.

You are doing fine work in conducting the investigation. I hope this lead will be of help.

The address of the CBC is the Canadian Broadcasting Corporation, P.O. Box 6000, Montreal, Canada. Let us hope they can put you in touch with the officer.

Very truly yours,

On referral from the Director's Office, a call was received by Night Supervisor J. L. Startzell at 8:41 p.m., this date, from Wayne Durnal, 306 W. Madison, Casey, Illinois. Durnal was calling from Terre Haute, Indiana, telephone number Crawford 9145, and alleged he had information re "Lee Oswald."

Durnal said he had been drinking a lot recently and about three weeks before the assassination of the President he was taking a Greyhound bus ride from St. Louis to New Orleans to sober up. He met "Lee" on this bus and "Lee" told him he was going to shoot the President. Lee was carrying a rifle and a pistol. Durnal did not report it because he did not want to get involved.

OBSERVATIONS:

Durnal admitted he has been drinking a lot recently. Background noises would indicate his current call was from a pay phone in a bar or grill. We know Oswald was continuously employed from 10-15-63, on in Dallas and could not therefore have been in touch with Durnal when alleged. Bureau indices negative regarding Durnal.

None. For information.

Assassination of the President

Inspector Peterson of Secret Service called the office of Mr. DeLoach with reference to the pressure the press is applying to Secret Service to talk to Mrs. Oswald. He was referred to me.

Inspector Peterson said that Herb Kaplow and representatives of the NY Times were down in Dallas trying to set up an interview with Mrs. Oswald, and the press was taking the position with Secret Service that if Mrs. Oswald was not being charged with anything why was she being held and kept from the press. Inspector Peterson said that he knew Secret Service had been in touch with Mr. Katzenbach, who suggested that the press be told it would impede the investigation if they interviewed Mrs. Oswald now.

I told Inspector Peterson this matter had been taken up with Mr. Rowley last night and it was pointed out that a press conference would expose Mrs. Oswald to possible danger, the same as when Oswald was exposed to the press media, supposedly on a restricted basis, and that it was undesirable to have her interviewed by the press at this time; that Mr. Rowley had thoroughly agreed and had instructions issued in Dallas to his men that she was not to be giving any press conferences.

Peterson said he understood this, but he wanted us to know that Secret Service was getting considerable pressure from the press. I told him I thought he could point out that this is a highly important matter, as they all know, and they should have patience and should give Secret Service their cooperation until the appropriate time. I told Inspector Peterson that, confidentially, we had instructed our agents not to interview Mrs. Oswald today, as it was clear she was tired out, had a sick child, and had been under considerable strain. I told him it would seem to me that if this matter was approached from the standpoint of patience and cooperation, he ought to be able to get along all right with the press, but I reiterated that it was undesirable for her to be contacting the press at this time. He said he would play it this way.

Dear Mrs. Wagner:

Your letter of November 23rd has been received.

I would like to point out that, as a Federal investigative agency, it is our obligation to disseminate information coming to our attention which indicates potential danger to the President or his family. The Secret Service is charged with protecting the President and the FBI promptly advises that agency of any data within our possession pertinent to this responsibility. However, the data we had from investigations of Oswald and from interviewing him gave absolutely no clue indicating he was a potential assassin.

The record of the FBI speaks for itself. Because of our reputation for competent and thorough investigations, we are sometimes criticized for failing to prevent a crime even though the crime was not within our jurisdiction and we had no opportunity to take preventive action. We hope that all citizens take into consideration the complete facts to avoid unjustifiably charging the FBI with failing to discharge its responsibilities.

Sincerely yours,

J. Edgar Hoover

Memorandum

TO : Mr. Mohr

DATE: December 6, 1963

FROM : C. D. DeLoach

SUBJECT: ASSASSINATION OF THE PRESIDENT

At 9:30 a.m. today, Miss Jean Campbell, a correspondent for the "London Evening Standard" who maintains an office in Carnegie Hall in New York City (LT 1-3680), came in to see Wick. Miss Campbell is English and has covered for her paper all activities in Dallas for the past 8 days. She said she wanted to advise the FBI of the following:

Miss Campbell, during her stay in Dallas, interviewed a Mrs. Edith Whitworth who has a shop on East Irving Boulevard (possibly number 145) in Irving, Texas. Mrs. Hunter resides at 141 South Hastings, Irving, Texas, and her telephone number is BL 3-2938. These two ladies are friends.

Mrs. Whitworth has a sign "Gun Shop" over her door. Mrs. Whitworth told Miss Campbell that Oswald came to her place between 2:30 and 3:00 p.m. on Thursday, November 6 or 7, 1963, followed by Marina, his Russian wife who was holding a baby and his little girl. Marina wore an orchid color coat.

According to Mrs. Whitworth, Oswald asked, "Is this a gun shop?" Mrs. Whitworth said no, it used to be. Oswald then said, "I want a plunger for my gun." Mrs. Whitworth said, "Why don't you go to the Irving Sports Shop (back toward Dallas about two blocks)." Oswald said he would do so. Mrs. Whitworth said she used to run a gun shop but now sells only second-hand furniture. Oswald said he would look at some furniture because he intended to move soon. He was interested, he said, in a bedroom suit. He did look at the furniture but bought none. Mrs. Oswald took no part in this. Mrs. Whitworth commented on the two little girls, his daughters. Oswald said, "I wish I'd had a boy." Upon leaving the shop, Oswald and his wife got into a 1956, two-tone Ford, blue and white. Mrs. Whitworth said she thought Oswald drove. He turned around in the middle of the street. Mrs. Hunter ran out the door and said to him, "Don't do this. It's a one way street." Both Mrs. Hunter and Mrs. Whitworth said the people were a curious couple principally because Mrs. Oswald took no part in looking at the furniture, etc, and Oswald himself seemed strange. The couple was in the shop about ten minutes.

DeLoach to Mohr 12-6-63
Re: ASSASSINATION OF THE PRESIDENT

Miss Campbell said later, in talking with Mrs. Paine where the Oswald couple stayed and where presumably Oswald lived only week ends, the matter became still more confusing. Miss Campbell said it was confusing because Mrs. Paine "vowed up and down" that Mrs. Oswald never went anyplace either in a car or walking. Miss Campbell asked Mrs. Paine if Mrs. Oswald had been out of the house with the children the first part of November or the 6th or 7th. Mrs. Paine said absolutely not. Miss Campbell asked if Mr. Oswald had a car and she said, "Of course he doesn't. He doesn't know how to drive," and he never came to get her during the day at any time. Miss Campbell said Mrs. Paine was flustered when she said this because Miss Campbell pressed the point hard and Mrs. Paine would not talk with her any more.

Miss Campbell said she then talked to Frazier who has a black Chevrolet. He was the man, she said, who took Mr. Oswald to Dallas the morning of November 22, 1963, with the package containing the rifle. She said Frazier told her that Oswald came home only on week ends. Miss Campbell said this does not jibe with what Mrs. Whitworth and Mrs. Hunter said because November 6 and 7 was on a Wednesday and Thursday. Miss Campbell said maybe Oswald borrowed the car and drove back to Irving and then picked up his wife.

Miss Campbell was thanked for this information. She said she understood that Mrs. Whitworth and Mrs. Hunter did not want to get involved with anybody and, therefore, had not told their story to law enforcement officials.

RECOMMENDATION:

That this memorandum be referred to the General Investigative Division for whatever action is deemed appropriate.

Reurep of SA Robert P. Gemberling dated 11-30-63, captioned as above.

Reurep has been reviewed at the Bureau. Based on this review certain suggestions, instructions and observations will be set forth below. These suggestions, instructions and observations are by no means to be considered all inclusive, but are being set out to aid you in making corrections to Reurep, insure all logical investigation is conducted and to remind you this matter must continue to receive very close investigative and supervisory attention. It is recognized there are numerous avenues of investigation suggested as a result of investigation reflected in Reurep, however, it will be your responsibility to insure that each of these avenues are logically explored and resolved.

In order to facilitate your handling of the following items each item will be numbered followed by a page reference to Reurep with the observation set out after it. It is desired you promptly handle the matters mentioned and furnish the Bureau a prompt airtel reply indicating the action taken with regard to each itemized statement.

(1) Page 17 - James Robert Underwood during interview on 11-25-63 stated in addition to others he was with in the Presidential motorcade was James Darnell of WBAP, Fort Worth. If not already done, Darnell should be interviewed.

(2) Page 22 and 23 - Arnold Louis Rowland, both in interview on 11-23-63 and in a signed statement on 11-24-63, indicates he observed an individual with a rifle on the 6th floor of the Texas School Book

Depository Building." He describes the location of this individual as the "southwest corner." You should insure this information is correct or that appropriate photographs are displayed to Rowland so that he has a clear picture of where he observed this individual. As you are aware investigative developments generally indicate the individual observed on this floor was in the southeast corner of the building."

(3) Pages 36 and 37 - Mary Brennan Curling interview 11-22-63, indicated she furnished a photograph to Secret Service Agents John Joe Howlett and Bill Patterson on 11-22-63. It is not clear whether this photograph was reviewed by Bureau Agents to determine its pertinency to this case. Advise.

(4) Page 46 - Mr. Jack Franzen was interviewed on 11-22-63, and indicated he was in close proximity to the Presidential motorcade when the President was shot. It is noted Mr. Franzen's wife was with him at that time, but it does not appear she was interviewed. If not already done, she should be interviewed.

(5) Page 45 - Mr. Charles Foster was interviewed on 11-24-63, and indicated he was close to the Presidential motorcade when the President was shot. If not already done his wife Beatrice who accompanied him should also be interviewed.

(6) Pages 69 and 71 - Roger Craig, Deputy Sheriff, has furnished information which does not appear to fit in with other developments in this case, particularly with regard to his "positive" identification of Oswald getting into a white Nash Rambler immediately after the shootings. It would appear that some statement as to Craig's reliability would be in order inasmuch as his earlier identification of the driver of this vehicle was "a Negro" and was later changed to a white male. If necessary he should be reinterviewed to clarify his statements.

RE: LEE HARVEY OSWALD, AKA

(7) Page 93 - Records of local board 114 were checked, however, it is not clear whether there is a local board number 400 and whether this was checked against the subject and his aliases. If so the records of this board should be appropriately reviewed for information on Oswald.

(8) Page 94 - In the items recovered from the subject upon apprehension, a Dallas library card was obtained containing the name Jack L. Bowen. If not already done, Bowen's connection with subject and his case should be ascertained.

(9) Page 95 - The currency reportedly recovered in subject's possession should be checked through National Stolen Property Indices if not already done.

(10) Page 102 - Oswald's address book reportedly contains names of various Russian emigrants many of whom have been interviewed in this investigation. Further he allegedly attended various social functions in which he engaged in conversations with individuals identified in Europe. Insure if these individuals are appropriately interviewed where desirable and feasible, particularly with reference to their knowledge of the assassination.

(11) Pages 129 and 165 - It would appear the SAC prepared on Lieutenant Carl Day dated 11-30-63, contains an inaccurate statement. Line 10 indicated the paper from the Texas School Book Depository Building when compared with the brown paper bag by our Laboratory was found to be identical. As you are aware our Laboratory did find it similar as shown on page 165. Handle accordingly.

(12) Pages 317 and 318 - Buell Wesley Frazier indicated on the morning of 11-22-63, when Oswald was waiting for him outside his residence, his mother, Mrs. Essie Mae Williams and nieces Patricia Ann and Dianne Lynn Randle were present at the time and observed him at the kitchen window. It is possible these individuals may have observed Oswald placing the brown paper bag in Frazier's car. If not already done consider advisability of interviewing these people in this connection. You should also look into the possibility of other neighbors having observed Oswald place this package in the car.

Airtel to SAC, Dallas
RE: LEE HARVEY OSWALD, AKA

(13) Page 338 - Mr. O. V. Campbell during interview on 11-26-63, in part stated that while he did not observe anyone fire any shots from his building there was an individual wearing a construction-type hat who indicated he had seen an individual fire from the building and that this individual was being interviewed by a police officer who was apparently taking his name. If not already done efforts should be made to locate and interview this construction worker.

(14) Pages 362, 363 and 364 - Your attention is directed to the interviews of Frank Piasa, Mel Audrey and particularly Albert O. Bogard. As you are aware investigation fails to indicate Oswald had any ability at driving a motor vehicle or that he had a license. The statements attributed to Bogard indicate the subject was capable of driving at speeds of 75 to 85 miles per hour. It would be in complete disagreement with the known facts. The purpose of these individuals furnishing this information is not known, however, the possibility should not be overlooked that they furnished false information to the FBI for some devious reason. Reinterview with Bogard should be conducted, a signed statement obtained and the possible use of the polygraph considered. It is possible a violation of Title 18, U. S. Code, Section 1001 exists.

(15) Page 371 - Mr. William W. Shelley during interview states on the morning of 11-22-63, Oswald appeared at work as usual. Insure your investigation establishes whether he or any other individual arriving at work at about that time observed Oswald carrying the brown paper bag believed to have contained the rifle used in the assassination. Further, you should determine whether there is any set manner of signing in by employees and insure that individuals signing in at about the same time as Oswald are appropriately interviewed. It would appear logical that all employees working at the Texas School Book Depository Building on 11-22-63, should be interviewed, therefore direct your investigative efforts accordingly.

(16) Page 395 - In connection with the information furnished by Mr. Dial Ryder of the Irving Sport Shop you should insure appropriate checks are made to determine if there are any other individuals in the Irving, Texas, or Dallas, Texas, area with the last name of "Oswald" who could have sought the services of the Irving Sport Shop. If so, they should be interviewed so as to resolve this information.

(17) Page 417 - The information furnished by Ralph Leon Yates does not appear to be completely truthful. You should consider polygraph examination of Yates, the obtaining of a signed statement from him and the possibility of a violation of Title 18, U. S. Code, Section 1001.

(18) Page 439 - Logical investigation should be conducted to resolve the information furnished by Mr. Frank Rigney on 11-25-63, specifically you should determine the number called in Indiana by the individual in question from Mr. Rigney's business.

It is very possible this referenced report and other subsequent reports may be disseminated outside of the Bureau and it is, therefore, essential that all details contained therein be accurate. You should insure that this report is thoroughly reviewed as to content and structure and any changes necessitated promptly handled.

NOTE: The possible violations of Title 18, U. S. Code, Section 1001 would appear to be necessary investigative action to preclude the receipt of other false or misleading information which necessitates other necessary investigation on our part.

When this information was received in the Norfolk office, it was furnished to Special Agent L. M. FARMER, U.S. Secret Service, on 12/5/63.

The Bureau may desire to disseminate both memoranda on SANDS to the Secret Service.

Inasmuch as no information has been developed linking SANDS to OSWALD, no lead is being set forth for the Memphis Division to interview SANDS, NACB. This appears to be a matter of primary interest to the Secret Service at this time inasmuch as SANDS had remarked that he was acquainted with President and Mrs. JOHNSON.

VERNON H. WILSON, 3609 Potter Street, Eugene, Oregon contacted SA JOHN R. McCULLOCH on 12/3/63 at Eugene, Oregon to ask how he could obtain the address of OSWALD's widow. It was learned from him that he was extremely shocked by President KENNEDY's assassination and then when OSWALD was killed he became even more upset. He said he cannot sleep because of constant worry over what will happen to OSWALD's widow and children; that he can think of nothing else and had finally decided to write to Mrs. OSWALD and offer her the hospitality of his home, financial assistance, or the adoption of her children. He said that he was embarrassed to advise of these plans because they are so foreign to anything he has ever before contemplated; that he is not in good financial condition and has never been particularly generous or public spirited, but he is completely unable to shake the overpowering feeling that he must help the OSWALDS, with whom he has never had any contact whatsoever.

WILSON said he is a house builder and has been in Eugene since 1946. He is married and has two children. He was noted to be in his mid thirties, 5' 6", thin build, curly brown hair, large red nose with pitted scars. He admitted having been under great nervous tension recently because of business problems and to have consulted a physician in that regard prior to the assassination. He said he might not write to Mrs. OSWALD until after he again consults his doctor.

Sgt. DAVID WALLACE RANSBERGER, USMC 1064516, Repair Battalion, Yermo Annex, USMC Supply Center, Barstow, California, furnished the following information to SA HAROLD E. NEWPHER on 12/5/63:

In 1956, RANSBERGER was assigned to Marine Corps Air Facility, Santa Ana and Marine Air Base, El Toro, California. In August, 1957, he was transferred to Marine Air Base Squadron, Atsuga, Japan. He returned to El Toro on 11/15/58.

During the initial tour of duty at El Toro in 1956, RANSBERGER was acquainted with an individual with the last name of OSWALD who possibly is identical to LEE HARVEY OSWALD. The degree of association was not close. RANSBERGER recalled that one of his duties was to furnish repair parts for vehicles and generators to a unit to which OSWALD was assigned.

RANSBERGER recalled that OSWALD was either a private or a PFC, who was "always alone." RANSBERGER said that OSWALD was constantly critical of the Marine Corps. RANSBERGER is unable to furnish any additional information.

BOVEN ADVISED THAT HE DOES NOT HAVE HIS LIBRARY CARD AT THIS TIME AND BELIEVES IT IS IN THE POSSESSION OF EDDIE REDDELL, TWO ZERO ONE SOUTH LANCASTER STREET, DALLAS.

END OF PAGE TWO

BOVEN STATED OSVALD NEVER DISCUSSED POLITICAL BELIEFS OR INTERJECTED INTO POLITICAL DISCUSSION AT WORK. BOVEN DID RECALL THAT OSVALD HAD STATED HE WAS FROM NEW ORLEANS AND HAD SERVED IN THE UNITED STATES MARINES. OSVALD ALSO TOLD FELLOW EMPLOYEES HE WAS INTERESTED IN THE RUSSIAN LANGUAGE. BOVEN NEVER MET OSVALD OUTSIDE OF WORK AND THE ONLY OTHER EMPLOYEE THAT DID KNOW OSVALD OUTSIDE OF WORK WAS DENYS OFSTEIN WHO ALSO HAD AN INTEREST IN THE RUSSIAN LANGUAGE. BOVEN BELIEVES THAT OFSTEIN HAD OSVALD AND HIS WIFE TO DINNER ON AT LEAST ONE OCCASION.

BOVEN RECALLED BEING PRESENT IN THE OFFICE OF RAY HAWKINS, FOREMAN OF THE PHOTO DEPARTMENT WHEN OSVALD WAS EXPLAINING RUSSIAN SYMBOLS ON MAPS THE FIRM WAS PREPARING FOR THE UNITED STATES ARMY.

BOVEN STATED THAT HE REMEMBERED OSVALD RECEIVING A FEW OUTSIDE PHONE CALLS BUT COULD REMEMBER NOTHING ABOUT THESE CALLS. ON ONE OCCASION BOVEN RECEIVED A CALL FROM AN UNKNOWN DALLAS BANK INQUIRING

IF THE FIRM WOULD BACK A CHECK OSWALD WAS CASHING WHICH WAS DRAWN ON A NEW ORLEANS BANK. BOWEN TRANSFERRED THIS CALL TO THE SECRETARY TREASURER OF THE COMPANY.

TO : Mr. Belmont DATE: 12/6/63

FROM : A. Rosen

SUBJECT: LEE HARVEY OSWALD
IS - R - CUBA

PURPOSE:

This is to recommend that Governor and Mrs. John B. Connally of Texas be interviewed in connection with their knowledge of the assassination of President Kennedy.

BACKGROUND:

As you are aware, Governor Connally was wounded in the assault which took President Kennedy's life. While initially in critical condition, he was released from the Parkland Memorial Hospital, Dallas, Texas, on 12/5/63. Mr. William O. Stinson, Administrative Assistant to Governor Connally, has advised Agents of our Dallas Office that Mrs. Connally would be available for interview by the FBI if so desired. We refrained from interviewing either Mrs. Connally or the Governor immediately after the assault or during Governor Connally's convalescence since it appeared to be an inopportune time. It is possible Governor Connally and his wife could logically be called by the Presidential Commission as witnesses to the assassination. Therefore, it is felt we would logically be expected to have interviewed both the Governor and his wife, and further it is a logical investigative step.

In order to round out our investigation it is recommended these interviews be conducted at this time, provided our Dallas and San Antonio Offices are not in possession of any information which would preclude such interviews.

ACTION:

If you approve, the attached teletype will be sent to our Dallas and San Antonio Offices instructing these interviews be conducted.

FBI Seeks Films Of Assassination

DALLAS, Dec. 4 (AP) — The Eastman Kodak processing laboratory in Dallas is instructing its processed film returned to customers simply as reading:

"President's assassination. Should this film contain pictures taken of President Kennedy's assassination, call your local FBI office immediately."

The notifications were put in film packets beginning November 22 and will be included through this week end.

Kodak officials said it was done at "very strong request" from the FBI, although they said they were glad to co-operate in any manner.

Memorandum

TO : Mr. Mohr

DATE: December 6, 1963

FROM : C. D. DeLoach

SUBJECT: ASSASSINATION OF THE PRESIDENT
Lee Oswald

Deputy Attorney General Katzenbach called me at 10:45 p.m., 12-5-63. He told me that Sandy Smith of the "Chicago Sun-Times" had called Guthman several times relative to the attempted assassination of General Edwin A. Walker by Lee Harvey Oswald. I told Katzenbach that we too had received a number of calls, however, had refused to make any comment whatever in this matter although we knew the story was getting out. Katzenbach told me that Pierre Salinger of the White House had called him and wanted guidance on what to say in the matter. Katzenbach told Salinger inasmuch as the story was apparently already out that Salinger should go ahead and merely confirm the fact that apparently there was evidence that Oswald had made an assassination attempt upon General Walker's life.

Katzenbach told me that the Associated Press (AP) had picked up a rumor that the FBI report on the assassination of the President and the murder of Oswald was now over in the Department. He wanted to know if we had received any inquiries in this regard. I told him we were deluged with inquiries during the past several days as to when the FBI would complete the report, however, we had made no comment and intended to stick by this. He stated that Senator Russell, at the Presidential Commission meeting yesterday, 12-5-63, had been somewhat sore that information contained in the report was leaked out. Katzenbach stated he told Russell that Director Hoover had assured him that the FBI was not giving any information to the press and that he further stated he would check with the FBI to make certain that this was not being done. I asked Katzenbach if he had any information that facts given to the press were coming from the FBI. He stated he had none and that was not the purpose of his call. He indicated he merely wanted to advise me of Senator Russell's feelings. I told him he should keep in mind that almost every police officer in the Dallas Police Department has been furnishing information to the press. I mentioned that Henry Wade, the prosecutor, the Chief of Police and Captain Will Fritz had had a field day in giving out all available facts. I mentioned there were still a considerable number of reporters in Dallas and that the evidentiary reports which we had furnished the Dallas Police Department were still being quoted on a daily basis. Katzenbach stated he knew all of this but that he had been unable to convince Russell that such was the case. I further told Katzenbach

that before looking at the FBI as to possible "leaks," he should carefully examine his own house. I told him I was quite thoroughly familiar with the way Guthman and Rosenthal dealt with the press and that as he well knew the wire service people stayed constantly in Guthman's private office. I told him it was quite obvious to me how the AP had learned that the report had been sent over to the Department.

Katzenbach reiterated that he had no complaints against the FBI. He stated again that the purpose of his call was to tell me about Senator Russell's feelings.

He added that he had another reason for calling and that was to determine if we could give him any ideas as to how Warren Olney could be dropped as Chief Counsel of the Presidential Commission. I told Katzenbach of our feelings concerning Olney. He stated that he was presently working through Congressman Hale Boggs and he thought he was going to be successful in getting Olney's name removed from consideration. He told me that Boggs was very sympathetic.

Katzenbach mentioned that Waggoner Carr, the Texas State Attorney General, would like very much to see the Director on Friday, 12-6-63. I asked him what for. He stated that Carr had no particular motive in mind other than to indicate to the press later on that he had discussed matters with the Director. I told him I could see no percentage in the Director's seeing Carr, that we were the investigative agency and that Carr's dealings should be with the Department and the Presidential Commission. Katzenbach indicated that the White House might think otherwise. He stated that the President was most anxious for Carr to be given attention in Washington inasmuch as Carr was running for office next year. I told Katzenbach I knew this, however, I still felt that the Director should not be injected into this matter. Katzenbach stated he would attempt to disuade Carr from seeing the Director, however, Carr was quite persistent.

ACTION:

In view of the close friendship which Carr obviously has with the President, the Director may desire to just shake hands with Carr without sitting down and discussing facts concerning our report.

The DeMohrenschildts, described as subject's friends, were interviewed by American Embassy official at Bureau's request at Port-au-Prince, Haiti. Although Mrs. DeMohrenschildt claims she saw the above-described gun in the "fall of 1962", it would appear she is mistaken as to the date since it has been established that the gun used to assassinate President Kennedy was shipped to subject on 3-20-63. Since the possibility exists that another gun was displayed to Mrs. DeMohrenschildt, subject's wife should be interviewed.

Memorandum

TO : MR. MOHR

DATE: 12/10/63

FROM : C. D. DE LOACH

SUBJECT: ASSASSINATION OF THE PRESIDENT

Walter Jenkins called me from the White House at 9:00 P.M., last night, 12/9/63. He stated the President would like to see, this morning, a copy of any correspondence possessed by the FBI in which Lee Harvey Oswald wrote to Senator John Tower of Texas. I told Jenkins there was such correspondence and that I would get it over to him on the morning of 12/10/63.

The correspondence is attached. It has no evidentiary value and as a result has not been included as a part of our report on the assassination. It merely concerns a letter from Oswald to Senator Tower written from the Soviet Union begging the Senator to intercede in getting him out of the Soviet Union. Tower referred the matter to the Department of State after his secretary wrote him a note that he should not get mixed up in this matter. Following the assassination of the President, Senator Tower's office called me and made this correspondence available to us.

I will deliver this correspondence to Jenkins this morning if there are no objections.

Jenkins also asked me last night if our report had been delivered to the Chief Justice. I told him, as he well knew, the report had left the FBI several days ago. I told him also that the Deputy Attorney General had delivered the report to the Chief Justice that afternoon, 12/9/63. I also mentioned to Jenkins that apparently members of the Commission were already leaking the contents of the report inasmuch as I had heard several radio news programs mention items which had not been released to the press before.

Jenkins asked me if a press release had been released by the Department concerning the delivery of the report to the Chief Justice. I told him there had been no release because of a disagreement on policy between Abe Fortas and Ted Sorenson of the White House. Jenkins stated the President did not know this. Jenkins asked for our view point on a press release. I told him confidentially that the Director strongly

felt that the less we said at this time the better off we would be. I told him that the investigation was still continuing, of course, and it would appear far better for the Commission to make a release at the end of their inquiry into the matter. I also mentioned, however, that the sooner a release was made by the Commission the better off we would be. Jenkins agreed.

FROM : A. Rosen

SUBJECT: LEE HARVEY OSWALD
INTERNAL SECURITY - R

MRS. MARINA OSWALD

105-82555

105-New

Inspector Malley at Dallas advised tonight that a telephone call had just been made to the Dallas Office by Mr. Kelly, head of the Secret Service in Dallas. Kelly advised that Mr. Martin, who had befriended Mrs. Oswald with an apartment, had now apparently become her business manager. The Secret Service was advised tonight by Mr. Martin that he was arranging a press conference for Mrs. Oswald to be held tomorrow.

Mr. Kelly explained that while the Secret Service was holding Mrs. Oswald in protective custody, he did not feel they could refuse to allow the press interview and wanted to know if the FBI would object to such a press conference. Mr. Kelly was advised that since Mrs. Oswald was in the protective custody of the Secret Service, it was strictly up to the Secret Service and was their responsibility. The danger of allowing such a conference was pointed out and it was repeated that the decision and responsibility was completely that of the Secret Service who have Mrs. Oswald in protective custody. It was the belief of the Dallas Office that the Secret Service was attempting to have the FBI object so they could blame any refusal to allow such a conference on the FBI.

Immediately upon receiving the above information, it was discussed with Assistant to the Director Belmont, following which he contacted Special Agent Orrin H. Bartlett and related the above information and instructed Agent Bartlett to contact Chief of the Secret Service James Rowley and determine what action Rowley was going to take. Mr. Bartlett called Mr. Belmont back and advised he had contacted Mr. Rowley who agreed that such a conference would be dangerous and was very appreciative of the Bureau calling this to his attention. Mr. Rowley was immediately having instructions issued to Mr. Kelly in Dallas that such a press conference was not to take place at the present time.

Warden K. B. Bailey, Central Prison, Raleigh, N. C., advised the FBI on 12/4/63, that he received an undated, unsigned letter from [redacted] inmate of the Blanch Prison Camp, Tracyville, N. C. In this letter, [redacted] stated that while in prison in Raiford, Florida, he was in a cell with seven men including Jack or John Freeman, aged 32. [redacted] claims Freeman was a communist and a lover of Castro. [redacted] letter also said that when he read about Oswald having been picked up in New Orleans, he recalled that Freeman talked about that and said Freeman made statements that he belonged to "that outfit." [redacted] advised that Freeman stated President Kennedy would be killed before his term was up and that it would be in Texas. [redacted] mentioned other prisoners at Raiford who could furnish information concerning Freeman.

The FBI is attempting to locate and interview these other individuals. The FBI will interview [redacted] for complete details.

NOTE:

Following additional investigation, the Secret Service will be furnished the results.

Memorandum

TO : MR. TOLSON

DATE: November 29, 1963

FROM : J. H. GALE

SUBJECT: LEE HARVEY OSWALD
INTERNAL SECURITY - R

On November 25, 1963, the Director instructed that a complete analysis be made of any investigative deficiencies in the Oswald case and also an analysis made concerning any necessary changes in our procedures re handling cases of this type.

Most of my inquiry concerning the Seat of Government and New Orleans facets of this matter is nearly completed. However, a considerable number of aspects of this matter still remain to be resolved with the Dallas Office. These will involve obtaining detailed explanations from a number of Agents and supervisory personnel which will be time-consuming. Inasmuch as the Dallas Office has been working day and night on the report on the assassination and various other aspects of this case, and in order not to interfere with their making the deadlines on these matters, they have not yet been contacted.

Unless advised to the contrary, close contact will be maintained with Mr. Belmont in order to determine the earliest possible time when it will be feasible to get these explanations from Dallas.

RECOMMENDATION:

None . . . . informative.

SHE STATED OSWALD TOLD HER AFTER THE MARRIAGE THAT HE HAD APPLIED TO THE AMERICAN EMBASSY [illegible] RETURN TO THE U.S. BUT HIS LETTERS HAD NOT BEEN ANSWERED AND HE THOUGHT HE WOULD NOT BE ALLOWED TO RETURN. WERE HER FRIENDS THAT SHE WAS GRANTED PERMISSION TO LEAVE RUSSIA FORTHE U. S.

MARINA DOES NOT KNOW WHAT THE NORMAL PROCEDURE IS CONCERNING DEFECTORS WHO ARRIVE IN RUSSIA. SHE STATED FOREIGNERS ARE GENERALLY TREATED BETTER THAN ARE CITIZENS AND THAT OSWALD RECEIVED PREFERENTIAL TREATMENT, SUCH AS, BEING PERMITTED TO LIVE IN AN APARTMENT RATHER THAN DORMITORY. OSWALD STAYED IN MOSCOW FOR A NUMBER OF WEEKS UPON FIRST ARRIVING IN RUSSIA AND AFTER USING UP HIS MONEY RAN UP A BILL AT THE HOTEL BERLIN. LATER THE RUSSIAN GOVERNMENT PAID OFF THIS BILL AND SENT HIM TO MINSK. OSWALD HAD NO CHOICE AS TO WHERE HE WOULD GO AS SHE UNDERSTANDS IT. OSWALD NEVER SAID HE WAS QUESTIONED BY RUSSIAN AUTHORITIES IN MOSCOW AND SHE DOES NOT BELIEVE THERE WAS ANY QUESTIONING. SHE BELIEVES OSWALD WAS OBSERVED AND HIS NEIGHBORS AND ASSOCIATES QUESTIONED ABOUT HIM. SHE SAID OSWALD HAD NO TROUBLE IN OBTAINING PERMISSION FROM RUSSIAN GOVERNMENT TO DEPART FROM RUSSIA AS WAS THE GENERAL CASE WITH FOREIGNERS. STATED RUSSIAN AUTHORITIES MAY HAVE BEEN UPSET BY HIS DECISION TO RETURN TO U.S. BUT DID NOT TRY TO DISSUADE HIM.

END PAGE TWO

MARINA ADMITTED SHE HAD REQUESTED PERMISSION IN FEBRUARY AND MARCH, NINETEEN SIXTYTHREE, OF THE RUSSIAN EMBASSY IN U.S. TO RETURN TO RUSSIA AND HER REQUEST HAD BEEN ACCEPTED BUT NO ACTION HAS BEEN TAKEN. SHE ASKED WHAT SHE SHOULD DO IF HER PERMISSION WERE FORTHCOMING. SHE SAID SHE DOES NOT NOW WISH TO RETURN TO RUSSIA. SHE WAS TOLD THAT DETERMINATION OF RESIDENCE WAS A DECISION FOR HER TO MAKE. SHE WANTED TO KNOW IF THE RUSSIANS CAN FORCE HER TO RETURN TO RUSSIA. AS MR. FRED HARVEY OF USINS HEADQUARTERS HAD TOLD HER ON NOV. TWENTYEIGHT LAST, IN PRESENCE OF INTERVIEWING AGENTS THAT HER RESIDENCE IN THE US WAS LEGAL AND THAT NO STEPS WOULD BE TAKEN TO DEPORT HER IF SHE COOPERATED WITH THE GOVERNMENT, SHE WAS INFORMED SHE COULD REMAIN IN THE US UNDER THESE CONDITIONS.

MARINA STATED THE TOWN OF MINSK, RUSSIA, HAD A LARGE FOREIGN POPULATION BECAUSE IT HAD ALMOST BEEN DESTROYED IN THE WAR AND WAS NOW BEING REBUILT AND NEEDED PEOPLE AND WORKERS.

MARINA ADVISED, IN ANSWER TO QUESTIONS CONCERNING MAILING PROCEDURES IN RUSSIA, THAT, UNDOUBTEDLY, OSWALD-S MAIL PARTICULARLY THAT TO THE AMERICAN EMBASSY WOULD HAVE BEEN CHECKED BY AUTHORITIES, ALTHOUGH SHE DID NOT KNOW THIS AS A FACT.

CONCERNING HER TRIP TO MOSCOW IN JULY, NINETEEN SIXTYONE, TO HAVE VISA INTERVIEW WITH AMERICAN EMBASSY, SHE SAID OSWALD HAD TAKEN A PLANE TO MOSCOW ALONE AND HAD LATER CALLED HER ON TELEPHONE THAT DAY IN MINSK AND REQUSTED SHE COME TO MOSCOW WHICH SHE DID THE NEXT DAY.

END PAGE THREE

SHE STATED UPON HER RETURN TO MINSK FROM MOSCOW ON THAT OCCASION, HER FIRENDS AND ASSOCIATES AND RELATIVES FOUND OUT SHE HAD REQUESTED PERMISSION TO GO TO U.S. SHE SAID THAT MANY OF HER STRONG COMMUNIST FRIENDS CONDEMNED HER EXIT AND TRIED TO CONVINCE HER NOT TO LEAVE. SOME THREATENED TO WRITE ARTICLES FOR THE NEWSPAPER BUT SHE WAS ADAMANT AND SAID SHE DID NOT CARE. SHE SAID MANY OF HER ASSOCIATES WERE ACTUALLY AFRAID THAT THEY WOULD BE CRITICIZED FOR MARINA-S ACTION IN DECIDING TO GO TO THE U.S.

OSWLAD OWNED A RIFLE IN RUSSIA WHICH HE HAD PURCHASED THERE WITH SPECIAL PERMIT. SHE DOES NOT KNOW WHAT HAPPENED TO THIS RIFLE. HE WENT HUNTING ON ONE OCCASION IN RUSSIA AS BEST SHE CAN REMEMBER. SHE SAID HE DID NOT ATTEND ANY SPECIALIZED SXHOOLS FOR TRAINING IN PHOTO PHOTOGRAPHY OR RADIO OR ANY OTHER SPECIALIZED TRAINING THAT HE HAD NO SECRET WRITING EQUIPMENT OR MICROSCOPES EITHER IN BUSSIA OR U.S.

MARINA ADVISED NEITHER SHE NOR OSWALD TO HER KNOWLEDGE MADE ANY DEAL WITH RUSSIAN AUTHORITIES TO PERFORM ASSIGN-MENTS IN U.S. AS CONDITION OF BEING ALLOWED TO PROCEED TO

Gentlemen:

Because of the deep public concern, and because of at least the possibility of a connection or "clue", in addition to the fact that the matter would be quite simple to check without a lot of needless and probably extravagant expense, I am writing to make a suggestion.

Enclosed you will find a picture of a small private airplane that landed and, I assume, took on a load of fuel here at the Big Piney Airport 25 September 1963. We were at the Airport that day because we (that is, three school boys and I) chartered another plane to fly up to Jackson, Wyoming to see President Kennedy when he visited.

You will note that the identification for the plane pictured is (CFNSC) not that used in the United States ordinarily, (and since we were "Security-minded" that day, a couple of us took pictures of the "foreign" plane,) which we were told simply indicated that it was from Canada. (However, some one had at first said that the numbers indicated Mexican licensure.)

I am sure by now you have guessed what is in my mind, in view of rumors and stories about Lee Harvey Oswald and his attempts to establish a get-away route perhaps through Mexico, after having shot President Kennedy. If Mr. Oswald had any sort of following in connection with his "Fair Play for Cuba" group, I just wondered if perhaps any subversive activity were brewing for a get-away plan as long ago as September 1963 using just maybe other people and the plane pictured.

I should think that a licensure designation of this sort could be easily checked without arousing any suspicion and without causing any embarrassment if it all proves groundless suspicion.

At least one of the boys who had the privilege of shaking the President's hand that day, and I are curious about this plane whether Canadian or Mexican, and I hope that my raising the question and suggesting that a "check-out" be made is in order.

Thank you.

Dear Sir:

In following the news regarding President Kennedy's assassination I have seriously wondered about a possible connection with these recent events and the little publicised attempt on General Walker's life in that area last spring. It seems to me there could be a connection and perhaps a link in the Ruby affair.

Lee Harvey Oswald

I rather hesitate to mention this as I have only the papers and news bulletins to base this on, but it seems the timing, Oswald buying the gun in March, the attempt on Walker's life in April, and Oswald procuring the telescope sits between then and President Kennedy's murder could indicate a previous failure.

Sincerely yours,

E. Carl Jacobson

December 4, 1963

Honorable J. Edgar Hoover, Director
Federal Bureau of Investigation
Washington, D. C.

Dear Sir:

I wish to ask you for information concerning Lee Harvey Oswald, the accused assassin of our late and beloved president of our United States.

Is it possible that this man could have been in the Louisville, Kentucky area on September 6th, 1963 or September 7th, 1963 ?

I was in Louisville, Kentucky from September 6, 1963 to September 10, 1963 at the Sherriton Seelbach Hotel, and have reason to think that after looking at two or three of his pictures in the Courier Journal, a Louisville, Kentucky paper, that I saw a person at night time on a street in Louisville, Kentucky, who looked like this man Lee Harvey Oswald. I believe it was the night of September 7th, 1963.

This man was with two more fellows, approximately the same age, maybe younger. One was carrying three books. The one who looked like Lee Harvey Oswald was carrying a trumpet or cornet musical instrument, and held it with his left hand. He held the instrument with a dignity of pride. He conversed in a foreign language. He was some dark complected with black hair, and had on a brown coat or suit identical to the material and weave in one of his pictures, after being captured.

He conversed with a party I was walking with, and I was told that these boys were "Pick Pockets" But there was something about this fellow that stuck in my mind. His tight pressed lips for one reason and of course the musical instrument. I just thought it strange at the time and still do.

Therefore it would please me if the following information I seek, may be given.

No.1- Where was Lee Harvey Oswald on September 6, or September 7, 1963 ?

No.2- Was he ever known to carry a trumpet or cornet musical instrument, out of the case, on the streets ?

No.3- Was he left or right handed ?

No.4- Was he ever known at any time to pledge or salute in any fashion such as, the right hand, fist closed on the left shoulder above the heart ?

I feel it my patriotic duty to clear my mind of this feeling of identification, and the all due respect for our slain president.

Thanking you for this information I remain 105-82555-3(

Yours very truly,

Joe [illegible] Miller

Re New Haven teletype to Dallas and New York 11/30/63.

Referenced teletype refers to an anonymous telephone call received by MRS. JACK D. TIPPIT, 164 New Town Turnpike, Westport, Conn., 11/30/63, from an unknown woman.

It appears the information provided by that unknown woman does not appear to be of any foundation and it is believed no further investigation need be conducted pertaining to that phase. OSWALD's father, ROBERT E. LEE OSWALD, died at New Orleans about 1939. One uncle, ILYA V. PRUSAKOVA, resides in Russia and apparently has not been in this country. Some other relatives, including one or more uncles, reside in the New Orleans Division.

SUBJECT: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY
NOVEMBER 22, 1963
DALLAS, TEXAS

RE: JOSEPH RODRIGUEZ MOLINA

UPI news indicated that Joseph Rodriguez Molina had been brought in by the Dallas Police Department and was a possible suspect in connection with the assassination of the President. The Dallas Office subsequently advised that Joseph Rodriguez Molina had worked in the same building with Lee Oswald and the police had interviewed Molina last night and searched his home with Molina's permission. They advised that the reason the police were interested in Molina was due to the fact that going back to 1955 he was alleged to have some leftist leanings.

Molina voluntarily came to the Dallas Police Department today and they were interviewing Molina. He has not been arrested and according to the police they have nothing to arrest him on at this time. Dallas is following this matter closely.

DETAILS:

Judge FELIX FORTE, Suffolk Superior Court, Boston, Massachusetts, telephonically contacted SA JOHN P. LARKIN on November 26, 1963 and advised that his wife, after viewing photographs of LEE HARVEY OSWALD on television, felt he was identical with an individual she met while traveling in Russia in March, 1959. Judge FORTE said that his wife conversed with this man, but there was nothing pertinent in the conversation to the assassination of President JOHN F. KENNEDY in Dallas.

Oswald was in USMC in March 1959. [illegible]

FD-302 FEDERAL BUREAU OF INVESTIGATION

DATE 12/1/63

Mrs. FELIX FORTE advised that she is the wife of Suffolk Superior Court Judge, Boston, Massachusetts, FELIX FORTE.

She said that in 1959, she traveled to the USSR as a guest of the KLM Airlines for a planned twelve day period. However, she said she cut her visit short and left the USSR after eight days.

She stated that on the morning of her second day in Moscow, she was in the lobby of the Metropole Hotel where she was staying and was approached by a young man who told her that he was a United States citizen, but did not further identify himself. She said this young man told her he had been in Russia for a short period of time; that he was trying to interest an unidentified Russian official in a business venture, but that he had become disillusioned as a result of the treatment he had received. She said he told her that his passport had been lifted and he was having very little success in making appointments. She said he was generally very critical of living conditions in Russia. She said that inasmuch as she was only a tourist, she was very skeptical about engaging in conversation with him and her replies to any of his statements were innocuous.

She stated that one or two days later, she again saw this young man in the lobby of the hotel and he told her that he had changed his opinion and that now he felt he would stay in Russia and had no plans to return to the United States.

Mrs. FORTE said that because she was suspicious of him, she did not engage in any lenghthy conversation with him. She said he seemed to be a "mixed up" young man and was not certain what he wanted in life.

On 11/25/63, [redacted] advised SA STUART J. CAMERON at Albuquerque, New Mexico, that approximately eleven months ago he met JACK RUBY at the Carousel Club in Dallas, Texas. Informant met RUBY through [redacted], and when the informant mentioned that he was from Albuquerque, RUBY advised that [redacted] at Albuquerque was a good friend. The informant learned through [redacted] that RUBY came to Dallas, Texas, from Chicago and that a "Jewish boy" had the particular section of town where the Carousel is now located "all sewed up." Informant states RUBY had a difficult time breaking into the area, but that he is now quite well off along with the "Jewish boy," who also has a joint located one block from the Carousel in an upstairs location.

[redacted] mentioned to [redacted] that RUBY had a "good in" with the Dallas Police Department. The informant states this would be borne out from his observation by the fact that RUBY had a B-girl operation where drinks were pushed heavily and they had no interference from the Police Department. The informant knew of no specific connections with the Police Department and only personally engaged RUBY in conversation for five to ten minutes. Informant stated he is not aware of any Chicago underworld connections of RUBY or any subversive or extremist connections. He did not know of any relationship between the subject and the Fair Play for Cuba Committee or any association between OSWALD and RUBY.

It is noted that [redacted] is presently a fugitive and the subject of a UFAP - FORGERY investigation of which the Savannah Division is Office of Origin (Bufile: 88-21156).

On 11/25/63, [redacted] Albuquerque, New Mexico, who requested his name be maintained in complete confidence, admitted formerly being a bookmaker in Chicago over fifteen years ago. He advised Special Agent STUART J. CAMERON he is acquainted with JACK RUBY known to him as SPARKY RUBENSTEIN, who lived in [redacted] in Chicago. He did not become too well acquainted with SPARKY until they grew up and [redacted] knew RUBY's father as the "neighborhood drunk."

[redacted] described SPARKY as somewhat emotionally unstable. [redacted] stated SPARKY made his living primarily from "scalping" tickets to sports events in the Chicago area and at one time traveled throughout the country selling punch boards which [redacted] stated was prior to the Senator KEFAUVER investigations. [redacted] described the subject as an extremely stubborn person and a publicity hound; therefore, [redacted] did not think it unusual when newspapers reported that RUBY was more upset over the death of the President than the death of his own father. He stated that he was surprised when SPARKY killed OSWALD, advising that he would think it more proper that RUBY would shoot him in the leg with a .22 in order to get publicity.

[redacted] did not see SPARKY for more than twenty years until [redacted] visited Dallas, Texas, about one and a half years ago. He looked up SPARKY across Carousel Club is across the street from the Adolphus Hotel, and they talked briefly of old times.

[redacted] knew of no specific connections SPARKY may have had with the Dallas Police Department, but stated that many policemen knew him and he was well liked. [redacted] was not aware of any underworld connections which RUBY may have had and knew of no particular reason for RUBY's leaving Chicago. [redacted] states SPARKY, to his knowledge, had no extremist or subversive views whatsoever and had no contact with organized criminal or hoodlum element. [redacted] further advised that he was not personally acquainted with OSWALD and knew of no connection of OSWALD and RUBY, or any connection which RUBY may have had with the Fair Play for Cuba Committee.

DETAILS:

After hearing of the assassination of President KENNEDY, November 22, 1963, over the radio, JOHN G. HARRELL, 816 Indiana SE, Albuquerque, New Mexico, an employee of ACF Industries, advised Special Agent STUART J. CAMERON that he had background information relative to OSWALD inasmuch as he was a former neighbor at Fort Worth, Texas. HARRELL voluntarily furnished the following information:

He met LEE OSWALD and his family in approximately 1948 when they lived at 7412 Ewing Avenue, while HARRELL lived at 7311 Ewing Avenue in Fort Worth. HARRELL and LEE's brother, ROBERT L. OSWALD, JR., were close friends and both joined the United States Marine Corps in July, 1952. They were both discharged from the Marine Corps at the same time. LEE OSWALD entered the United States Marine Corps in 1955 after having minor difficulties with local authorities, such as truancy. LEE was discharged from the Marine Corps in 1959 as a Sergeant and thereupon returned to Fort Worth, Texas, to visit ROBERT for a day or so. At this time he said he was going to New Orleans, Louisiana, to work for an import-export agency; however, approximately ten days later HARRELL learned from the newspaper that LEE OSWALD was in the United States Embassy in Russia and had taken out Soviet citizenship papers.

HARRELL states that OSWALD reportedly lived in Russia from 1959 to 1962, when he returned to the United States with his Russian wife. HARRELL has had no direct contact with LEE since approximately 1955, but through family contacts he learned that LEE had a feeling that there was discrimination and unequal rights of Negroes in the South. HARRELL states this information was passed from one family to the other and has no information concerning specific statements made by OSWALD. HARRELL stated he was furnishing this information because of his "Q" Clearance employment by ACF Industries.

Confidential Informants having some knowledge of subversive activities in the State of New Mexico have advised that LEE HARVEY OSWALD is unknown to them by name or description.

Miss VEREEN ALEXANDER, 101 Montrose Drive, advised that while she attended Sophie Newcomb College, Girls' Division, Tulane University, New Orleans, Louisiana, she met JOHN BASS, 2225 Jena Street, Apartment C; ED CLARK; AL PECCARERO (phonetic); and LIONEL HAMPTION (last name not certain).

On an average of once per week during the past year the above group discussed politics at the University Center at Tulane University. On May 23, 1963, the discussion concerned the attempted assassination of President DE GAULLE of France, with the conversation shifting to the question as to how one would go about the assassination of the President. President KENNEDY's name was not mentioned in the discussion.

Miss ALEXANDER advised that the above listed four individuals have strong Marxist and Pro-Cuban feelings.

Miss ALEXANDER advised that she, along with ROBERT HOFFMAN, published a newspaper called "The Reed", which she described as "a very liberal paper."

She advised that ROBERT HOFFMAN's brother, DAVE HOFFMAN, held a party during the summer of 1963 in his apartment near Slogan's Bar in New Orleans. At his party BASS, CLARK, PECCARERO and HAMPTION were present, along with PATTY HAHN, BEN HOGAN and others. Miss ALEXANDER had the strong belief that LEE HARVEY OSWALD was also possibly present at this party.

She stated that PECCARERO is a leader or a member of a local Socialist group in New Orleans.

STEVE ALLEN BRILL and his wife, ELAINE ESTERMAN BRILL, 710 East Columbia Avenue, College Park, Georgia, advised Special Agents THOMAS M. CORBETT and JOHN J. LANGSFELD on November 26, 1963, that they obtained Mexican Immigration Tourist Permits from Mexican Tourist Bureau, Miami, Florida, in September, 1963, for travel on their honeymoon to Mexico. They traveled to Laredo, Texas, where they parked their car and entered Mexico at Nuevo Laredo on foot on September 25, 1963, where they spent one hour and returned to Laredo, Texas. On September 26, 1963, they again entered Mexico at Nuevo Lardeo where they boarded a bus and traveled to Monterey, Mexico, for one day and returned to Laredo, Texas that same night.

The bus was stopped by Mexican police officers about twenty miles out of Nuevo Laredo on the morning of September 26, 1963, where they were asked to surrender their Mexican immigration tourist permits. They do not recall the numbers of their permits.

As they recall, the names on their Mexican tourist immigration permits were issued as STEVE ALLEN BRILL and ELAINE ESTERMAN BRILL and they state there must have been a mistake in transposition of names and spelling of the surname.

Both Mr. and Mrs. BRILL had observed photographs of LEE HARVEY OSWALD on television and in newspapers and stated they did not see anyone resembling him on either of their entries into Mexico.

Mr. BRILL is employed as Civil Engineer for Federal Aviation Agency, Atlanta, Georgia.

Mr. HAL SUIT, Assistant News Director, Radio and Television Station WSB, Atlanta, Georgia, advised on November 30, 1963, that he received information to the effect that LEE HARVEY OSWALD visited Atlanta in August or September, 1963, following the announcement that President KENNEDY was to visit Atlanta for a speech at Georgia Institute of Technology. SUIT advised that OSWALD allegedly stayed at Holiday Inn Motel, Atlanta, and was reported to have left a gun in his room and later returned to obtain the gun. SUIT declined to reveal his source.

Mr. TRUMAN SLINGLUFF, Desk Clerk - Manager, Downtown Holiday Inn, Atlanta, advised on December 1, 1963, that in April or May, 1963, an individual possibly resembling OSWALD registered at the Northwest Holiday Inn, Atlanta, driving a car, make and license number unknown. Mr. SLINGLUFF believes this individual used the name OSWALD in registering. The individual stayed one night, checked out of the motel, and later that same day the motel received a telephone call from this individual from Birmingham, Alabama, stating he had left a gun under the motel bed and asked that the motel manager retain the gun for a few days. Several days later this individual appeared, furnished identification, including a Texas drivers license and obtained this weapon.

SLINGLUFF described the gun as a .38 caliber S & W four inch barrel, with pearl handle.

Miss ELAINE GLOSSON, former cashier, Northwest Holiday Inn, furnished substantially the same information as Mr. SLINGLUFF, stating she thought the individual resembled OSWALD and distinctly recalls he used the name OSWALD in registering.

Mr. WILLARD BURGER, Innkeeper, Northwest Holiday Inn, advised he recalls the incident, but did not recall the name this individual used. He remembered talking with this individual and he released the gun to this person. Mr. BURGER stated he does not believe this person was identical with OSWALD.

JOHN O'LEARY, Proprietor of Johnny O'Leary Theatrical Agency, Room 422, Loew's Grand Building, advised that JACK RUBY called him on the telephone from Dallas, Texas, about two years ago to book theatrical acts into the Carousel Club in Dallas, which club was managed by RUBY. RUBY said that he had been referred to O'LEARY by one BUDDY KING, a singer and impressionist, who, according to RUBY, had worked for RUBY for many years and was very friendly with RUBY.

RUBY told O'LEARY that he was having trouble booking acts into the Carousel Club because ABE WEINSTEIN, owner of the Colony Club, and his brother, BARNEY WEINSTEIN, owner of the Theater Lounge, both located in Dallas, controlled theatrical booking in the Dallas area and RUBY was unable to obtain good acts for his club.

O'LEARY talked to RUBY several times telephonically, but did not book any acts for him.

O'LEARY never met RUBY in person and knows nothing of his present or past activities or associations. O'LEARY was unable to furnish the identities of anyone in the Atlanta area who might know RUBY.

O'LEARY said that he last heard of BUDDY KING playing in the Dallas area, but has heard that KING also has played in New Orleans, Louisiana, and Kansas City, Missouri.

AT T-2 advised on November 29, 1963, that he formerly owned interest in a club in Miami, Florida. He stated that in the early 1950's, JACK RUBY held interest in the Colonial Inn, a nightclub and gambling house in Hollandale, Florida. He stated that JACK RUBY, known then as RUBENSTEIN, was active in arranging illegal flights of weapons from Miami to the Castro organization in Cuba. According to T-2, RUBY was reportedly part owner of two planes used for these purposes.

T-2 further stated that RUBY subsequently left Miami and purchased a substantial share in a Havana gaming house in which one COLLIS PRIO (phonetic) was principal owner. T-2 stated that COLLIS PRIO was within favor of former Cuban leader BATISTA, but was instrumental in financing and managing accumulation of arms by pro-Castro forces.

T-2 stated that one DONALD EDWARD BROWDER was associated with RUBY in the arms smuggling operation. BROWDER is reportedly incarcerated in the U. S. Penitentiary, Atlanta, after conviction on a U. S. Customs violation. T-2 also stated that JOE MARRS of Marrs Aircraft, 167th Street, Miami, Florida, allegedly contracted with RUBY to make flights to Havana. T-2 further stated that LESLIE LEWIS, formerly Chief of Police, Hialeah, Florida, and now possibly a pistol instructor in Dade County, Florida, Sheriff's Office, possessed detailed knowledge of persons involved in flight of weapons to Cuba and had specific knowledge of RUBY's participation.

He stated during this meeting neither he nor anyone in his presence discussed the assassination of President KENNEDY.

MILTEER stated further that in June, 1963, he went to Dallas, Texas, to attempt to persuade DAN SMOOT, author of the "Dan Smoot Report" to run as Vice-President on the Constitution Party ticket in the election in November, 1964. He stated he had no other business in Dallas.

MILTEER further stated that on October 18-20, 1963, he traveled to Indianapolis, Indiana, with BILL SOMERSETT of Miami, Florida, and LEE McCLOUD of Atlanta, Georgia. They attended the National Convention of the Constitution Party. He stated he attended this meeting as the result of an invitation by CURTIS B. DALL, former son-in-law of the late President FRANKLIN D. ROOSEVELT.

MILTEER described himself as a non-dues-paying member of the White Citizens Council of Atlanta, Georgia, the Congress of Freedom and the Constitution Party.

MILTEER emphatically denies ever making threats to assassinate President KENNEDY or participating in any such assassination. He stated he has never heard anyone make such threats. He also denied making threats against anyone subsequent to the assassination of President KENNEDY. He stated he does not know, nor has he ever been in the presence of LEE HARVEY OSWALD or JACK RUBY to his knowledge.

MILTEER denied any knowledge of the bombing of the Sixteenth Street Baptist Church in Birmingham, Alabama, on November 15, 1963.

MARION HAYES, long distance telephone operator, Southern Bell Telephone and Telegraph Company, Atlanta, advised that approximately three weeks before on a Sunday evening, she placed a long distance call to LEE HARVEY OSWALD at New Orleans, Louisiana, for a person using a credit card with numbers ending in S32. She stated she recalled this call was placed from the Dogwood Motel, Chamblee, Georgia. She requested the information operator in New Orleans to obtain LEE HARVEY OSWALD's telephone number and after obtaining same, she made repeated efforts to contact this number but was unsuccessful. She stated that the caller then gave her a Dallas number for OSWALD and she was unable to reach him in Dallas. The caller then had her contact the New Orleans number again but she was unsuccessful in locating OSWALD.

Miss HAYES added that approximately 10:00 p.m. that same evening, the same person using the same credit card number requested her to call OSWALD in Dallas, Texas, at which time the call was completed.

Miss HAYES stated further that the same caller using the same credit card number then attempted to reach JACK RUBENSTEIN at a number in Dallas, Texas. No one answered this number and the caller then asked her to contact the information operator in Dallas for the telephone number of JACK RUBENSTEIN or JACK RUBY stating everyone in Dallas would know him as he operated a night club. Miss HAYES stated that the information operator gave her a telephone number which number she called but there was no answer. She stated the caller then instructed her to call JACK RUBENSTEIN's sister, MYRTLE, in Dallas, Texas, furnishing the number and this call was completed. ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY
[illegible]63
[illegible], TEXAS

Mr. CRISTOBAL ESPINOSA LANDIVAR, 2505 Rio Grande [illegible] Room 25, Austin, Texas, who is an exchange student [illegible]uador attending The University of Texas, advised that his name is ESPINOSA, that being the name of his father.

ESPINOSA pointed out that he went to Dallas, [illegible] attend the Texas vs. Oklahoma football game on [illegible], 1963, and that he was registered in the Baker [illegible] Room 1238.

ESPINOSA recalls that he was walking on the side-walk in the vicinity of the Baker Hotel at approximately 11:30 p.m. on October 10, 1963, and at that time he met an individual who gave him his name as LEE HARVEY OSWALD and due to the fact that ESPINOSA has difficulty with the English language he asked this individual to write out his name on a slip of paper which OSWALD did.

ESPINOSA explained that after receiving this piece of paper that he later that same night went back to his hotel room and copied the name LEE HARVEY OSWALD opposite the date of October 10, 1963, in a small copy book which he kept the slip of paper on which this name had been written and thought that he might perhaps still have it in his possession, but a thorough search of his apartment at 2505 Rio Grande Street failed to reveal any trace of this piece of paper at this time. Mr. ESPINOSA exhibited his small copy book that has numerous entries therein and appears to be a running chronological account of his activities. It

7 COPIES DESTROYED

was noted that this book contained an entry dated October 10, 1963, and opposite this date appeared the name LEE HARVEY OSWALD. ESPINOSA advised that all of the writing in this copy book is his (ESPINOSA's) handwriting.

ESPINOSA advised that he recalls that when he was approached by OSWALD on the sidewalk near the Baker Hotel that after OSWALD asked him several questions about his native country Equador, he then gave him the slip of paper referred to above. OSWALD asked ESPINOSA of the name of a town in which he was born and ESPINOSA told him that he was born in Cuenca, Equador, and then they discussed the chief products of Equador and ESPINOSA recalls bananas was one of the main products from Equador, and OSWALD also asked him several questions concerning the possibility of an American living in Equador and what the working conditions for Americans was in Equador. ESPINOSA recalls having advised him of the fact that there were numerous Peace Corps workers from the United States in Equador and that there were three Peace Corps members teaching in the school where ESPINOSA had formerly taught school which was the Benigno Malo High School in Equador. He stated that OSWALD seemed to be highly interested in Equador and also expressed an interest in the Peace Corps and the Peace Corps workers whom ESPINOSA had met in Equador.

At no time did OSWALD discuss anything personal concerning himself and all of their conversation was in English. ESPINOSA recalls that his contact with OSWALD lasted from 15 to 20 minutes in duration and that during their conversation they were walking around in the vicinity of the Baker Hotel and covered an area of perhaps four or five blocks in that vicinity. During the course of this walk, they observed a burlesque type show across the street from the Baker Hotel and engaged in a conversation concerning the burlesque shows in that vicinity and ESPINOSA recalls that they passed by the entrance to at least three burlesque type shows and that OSWALD commented concerning these shows and advised ESPINOSA that certain of the shows were better than the others and OSWALD seemed to be well acquainted with the shows in each of the three or possibly four burlesque shows which they passed.

ESPINOSA is sure that neither of the burlesque shows that were discussed by he and OSWALD was known as the Carousel or the Vegas Club.

ESPINOSA likewise advised that he recognized the photographs in the newspapers and on television of LEE HARVEY OSWALD as being identical with the individual whom he met in Dallas, Texas, on the night of October 10, 1963.

ESPINOSA advised that as he recalls at this time the description of the man he met as LEE HARVEY OSWALD is as follows:

Race	White
Sex	Male
Age	In early 20s
Height	5'7" to 5'8"
Weight	140 pounds
Hair	Dark brown, wearing no hat
Wearing Apparel	Khaki pants and a short sleeve sport shirt.

At no time did OSWALD speak concerning his occupation or his marital status and did not in fact furnish any information concerning himself to ESPINOSA but rather was interested in ESPINOSA's opinions concerning Equador and also some comment concerning the burlesque shows.

ESPINOSA advised that he will make a more extensive search in an effort to locate the slip of paper which was given to him bearing the name of LEE HARVEY OSWALD and if he is successful in locating this he will contact the FBI.

This document contains neither recommendations of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Synopsis: Information received, RALPH BRADLEY, in New Orleans, on 11-22-63 when news of President's assassination announced, someone mentioned OSWALD as suspect in crime before OSWALD came to attention of press. BRADLEY stated that after OSWALD was announced as suspect, he noticed OSWALD appeared to be well-known in New Orleans as being a demonstrator and distributor of literature. Never heard anyone mention OSWALD as suspect prior to time of arrest. Records, U. S. Penitentiary, fail to reflect anyone incarcerated who would be identifiable with DONALD EDWARD BROWDER. Captain ROBERT KENNETH BROWN, Fort Benning, Ga., advised was at home of Dr. STANLEY L. DRENNAN, North Hollywood, California, and DRENNAN stated that the National States Rights Party needed a group of young men to get rid of KENNEDY, the Cabinet, and all members of Americans for Democratic Action and possibly 10,000 other people.

DETAILS

LEE HARVEY OSWALD

On November 29, 1963, HUGH JACKSON, Vice-President of the Cartersville Bank, Cartersville, Georgia, advised SA JACK M. WEBRECK that RALPH BRADLEY, owner of Bradley's Service Center, Cartersville, Georgia, was allegedly in New Orleans at the time President KENNEDY was assassinated. BRADLEY supposedly heard someone mention OSWALD as a suspect in this crime possibly before OSWALD came to the attention of the press.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

AT 105-3193

On November 29, 1963, RALPH BRADLEY advised SA WEBRECK that he had been in New Orleans, Louisiana, from November 21 - 24, 1963, with a group of other businessmen on a business-pleasure trip. While there, he stayed at the Royal Orleans Hotel. After President KENNEDY was killed, BRADLEY said he heard a considerable amount of talk among the citizens of that city and over the news media concerning LEE OSWALD. He gathered from this that apparently OSWALD was well-known in New Orleans as being a demonstrator and a distributor of literature. He recalled seeing pictures of OSWALD that were apparently taken in New Orleans by a local TV station. Since returning to Cartersville, he has commented concerning how well OSWALD was known in New Orleans. During his stay in New Orleans, he never met anyone who personally knew OSWALD and never heard of anyone mentioning OSWALD as a suspect prior to the time his arrest was announced through news sources.

JACK LEON RUBY

Information was previously reported that DONALD EDWARD BROWDER, an inmate of the U. S. Penitentiary in Atlanta, was formerly associated with JACK LEON RUBY in Miami, Florida, in smuggling guns to Cuba.

On December 2, 1963, records of the U. S. Penitentiary, Atlanta, Georgia, were checked by SA GEORGE H. TREADWELL. Records failed to reflect the name of any person presently or formerly incarcerated at that institution who would be logically identifiable with the DONALD EDWARD BROWDER, formerly described as being an associate of RUBY.

Cuba

Captain ROBERT KENNETH BROWN, The School Brigade, Fort Benning, Georgia, advised that he has been active in Cuban matters for several years and during the Spring of 1963, in connection with anti-Castro activity, he was in contact with the National States Rights Party in Los Angeles, California.

In connection with this, he contacted Dr. STANLEY L. DRENNAN, 375 Wonderview Drive, North Hollywood, California, who was active in the National States Rights Party. BROWN stated that once while a guest in Dr. DRENNAN's home, DRENNAN stated in general conversation that he could not do it, but what the organization needed was a group of young men to get rid of KENNEDY, the Cabinet and all members of Americans for Democratic Action and maybe 10,000 other people. BROWN stated that he considered the remark as being "crackpot;" however, as DRENNAN continued the conversation, he gained the impression that DRENNAN may have been propositioning him on this matter.

BROWN stated that he is a Reserve Officer and free-lance writer and has been to Cuba several times. He stated that prior to 1960, he was pro-Castro. He stated that he related his conversation with DRENNAN to STEVE WILSON, free-lance writer, Miami, Florida.

BROWN stated that he was again in contact with DRENNAN during the Summer of 1963 and DRENNAN revealed he had been interviewed by the Secret Service concerning his remarks.

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS the Information Director of the NSRP, is the individual who "runs the NSRP."

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by JEROME BAKST entitled "Angry Young Men of Hate." Regarding EDWARD R. FIELDS, the article stated, "FIELDS, 26 years old and a Louisville chiropractor, is a key figure in the National States Rights Party and co-ordinator of all its activities, contacts and liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens,

aided STONER in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week."

A source advised in May, 1961, that Dr. EDWARD R. FIELDS participated in the disturbance at the Trailways Bus Station, Birmingham, on May 14, 1961, involving the "Freedom Riders" and, in fact, caused the fighting there.

Dear Mr. Hoover: Lee Harvey Oswald

All men of good conscience must share the responsibility for the horrendous assassination of our beloved President John Fitzgerald Kennedy.

Perhaps foremost among those who should feel the pangs of guilt should be we in the psychiatric community of our nation, one of whose aims is the early diagnosis and treatment of the mentally ill.

The act of assassination itself being utterly senseless, itself was the symptom of mental derangement; and already the evidence being gathered as reported by the news media points more and more toward a mentally ill Lee H. Oswald.

Alas, our country and our world not only was robbed of our president, but his assassin (who might have shed much light and knowledge on himself and on his act which claimed the fourth president to be assassinated), was himself assassinated.

The primary source (L. H. Oswald) having been eliminated, the next best sources ~~are from those~~ who knew him and particularly those who bore him, raised him, lived with him, educated him, and married him.

As a citizen who has been outraged by the president's assassinat yet who feels wisdom and not unbridled passion should prevail, a particularly as a psychiatrist who is moved by a sense of responsibility and of guilt for what has happened as well as by judicious fear of what might happen still (L. H. Oswald's family might be harmed or assassinated), it is highly recommended that psychiatric observation and study be arranged for L. H. Oswald's mother, wife, and siblings. By psychiatrically observing and studying Oswald's family, his mother particularly, a fairly reliable image of Oswald can be reconstructed.

I further recommend that this psychiatric study be arranged if it is legally possible, through the Public Health Service organs, such as the National Institute of Mental Health or St. Elizabeth's Hospital; or if transfer out of Texas is not possible legally, the psychiatric study might be able to be arranged through Public Health service facilities in Texas; or perhaps through the psychiatric facilities of military or veteran's facilities, since L. Please forgive me if I be presumptious in offering these suggestions. Perhaps you have considered them already.

God speed you in your just and worthy endeavour, and God help us all in eradicating our unworthy ones.

TO : THE DIRECTOR DATE: 12/4/63

FROM : A. H. Belmont

SUBJECT: ASSASSINATION OF THE PRESIDENT

Attached are the two reports we have prepared concerning the assassination of the President and the subsequent killing of the assassin, Lee Harvey Oswald, by Jack Ruby.

ASSASSINATION REPORT

This report, in Part I, briefly relates the assassination of the President and the identification of Oswald as his slayer. Part II sets forth the evidence conclusively showing that Oswald did assassinate the President. Part III is in two sections, the first setting forth what the FBI knew about Oswald prior to the assassination; and the second section setting forth the results of our investigation of Oswald's background, activities, associates, et cetera, subsequent to the assassination.

Three sets of exhibits accompany this report. The first sets out evidence tying Oswald in with the assassination of the President; the other two set out documents relative to Oswald's contacts with the Soviets, the Communist Party, et cetera.

We are continuing to receive leads concerning Oswald, and consequently at the end of the report we state that investigation will continue until every piece of relevant evidence has been developed and examined.

The Dallas Office has read and approved the first two parts of the Assassination report. The third part of the Assassination report was sent to Dallas for reading after completion during the early morning hours of December 5, 1963.

REPORT OF KILLING OF LEE HARVEY OSWALD

The report on the killing of Oswald by Jack Ruby covers the actual killing; the information developed concerning Jack Ruby; the interview of Ruby; Ruby's whereabouts from 11/22 to 11/24/63; and the investigation by the Bureau under the Civil

Rights Statutes to determine whether there was any conspiracy involved in the killing.

Attached to this report are two exhibits, one a photograph of the actual killing, and the other a diagram of the police department building basement where the killing occurred.

Due to the fact that no records were kept of the police officers or news media representatives in the basement at the time of the killing, we have not been able to identify, locate and interview all persons who were present when Ruby killed Oswald. We state in the report that persons identified to us have been or are being interviewed. We have interviewed 88 Dallas police officers, and are attempting to identify any others who were in the basement and interview them. An estimated 150 news media representatives were in the basement. We have been able to identify and interview 36 so far, and leads are set out throughout the country to identify and locate others who may have been present. We have no reason at this time to believe that the stories of these people, when we locate them, will be at variance with the facts developed so far, but we do want to locate them so that all possible questions can be resolved.

We say at the end of this report that the investigation will continue until every possible source of pertinent information has been exhausted.

The Dallas Office has read and approved this report on the Killing of Lee Harvey Oswald.

Memorandum

TO : Mr. Mohr

DATE: December 5, 1963

FROM : C. D. DeLoach

SUBJECT: CONGRESSMAN HOMER THORNBERRY (D-TEXAS)

Bob Waldron, Administrative Assistant to captioned Congressman, telephonically contacted the Bureau on the morning of 12-5-63 and advised that the Congressman had received a letter which dealt with the Oswald case and he would like to turn it over to the FBI.

SA Hanning immediately proceeded to the Congressman's office and picked up this letter which is attached. At the time, Waldron advised that the Congressman felt that the writer of this letter was possibly a "nut" but in view of the importance of this case, he felt he should turn it over to us for whatever action we deemed necessary. The Congressman does not desire that the letter be returned to his office.

Briefly, the letter is from one James Breeding of Corpus Christi, Texas. He advises the Congressman that he is passing on this information which the Congressman, in turn, can pass on to Mr. Hoover. Breeding alleges in his letter that Mr. Hoover did him a favor at one time and he has never forgotten it. Continuing, he stated that he had formerly lived in an old people's home in Liverpool, Texas, run by a Mrs. LeRoy Barsklo. According to Breeding, Mrs. Barsklo's husband was a tugboat captain for the Dow Chemical Company at Freeport, Texas. He states that one day they were all watching the President make a speech on television and Captain Barsklo cursed the President and said he hoped someone would kill him. Barkslo's oldest son, LeRoy, commented he would furnish the gun. According to Breeding, ten days later Mrs. Barsklo asked him to mail a letter and this letter was allegedly addressed to Lee Oswald at some rural route in Dallas, Texas. According to the return address, Breeding is apparently living in a Baptist Mission in Texas at Corpus Christi, the present time. Files have not been checked on Breeding.

Nothing identifiable in 12-10-63 LHO file

RECOMMENDATION:

That this memorandum and the attached letter be forwarded to the General Investigative Division for any action deemed necessary.

Re Butel and airtel 12-10-63 and your tel 12-10-63, requesting reinterview of DeMohrenschildts to verify that DeMohrenschildts took Marina Oswald to hospital for dental treatment. Reinterview of DeMohrenschildts merely to establish this information does not appear warranted at this time. You should carefully review results of the State Department's interview of DeMohrenschildts; and after reinterviewing Marina Oswald concerning Mrs. DeMohrenschildt's statement that she observed gun while visiting Marina Oswald "sometime in fall of 1962," resubmit your recommendations as to whether DeMohrenschildts should be reinterviewed.

WMG:hc
(4)

NOTE:

Retel reported that Marina Oswald had obtained dental treatment at Baylor University, College of Dentistry, in 1962, during course of which she may have been accompanied by a man and woman who acted as interpreters. The address shown for Marina at that time has been determined to be that of Mrs. DeMohrenschildts. DeMohrenschildts were interviewed at Bureau's request by American Embassy official, Port-au-Prince, Haiti, on 12-4-63. Although they did not mention having accompanied Marina for dental treatment, reinterview solely for that purpose does not appear warranted.

SUBJECT: DANIEL JAMES

Rm 619 - 1426 G St. N.W. Wash. D.C.

Mr. James, whose local telephone is 783-7507, called me at approximately 6:45 p.m. this evening. He identified himself as the Secretary of the "Citizens Committee for A Free Cuba." He indicated that his organization had been operating in Washington for some period of time and that the members of his board of directors include Admiral Arleigh Burke and Clare BootheLuce. He stated his organization was strictly an anti-Castro one.

Mr. James indicated that his office would be very interested in receiving any information whatsoever regarding the subject, Oswald, who allegedly killed a police officer in Dallas this afternoon and who also was considered as a suspect in the assassination of President Kennedy. He wanted to know if we could furnish him information from FBI files. I told him we could not, our files were confidential, that I could not be of any assistance to him.

Mr. James stated that he could understand our reasons for maintaining our files on a confidential basis; however, it was possible that his office had information on Oswald. He stated he did not know this to be true, however, merely wanted to let us know of the possibility.

I told Mr. James we would keep his call in mind.

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

The Attorney General's Office made available a letter received today from Ernest Angell, Chairman of the Board of Directors of the American Civil Liberties Union (ACLU), 156 5th Avenue, New York, New York. With this letter Mr. Angell enclosed the original application of Lee H. Oswald for membership in his organization. Also enclosed is a note, reportedly in Oswald's handwriting, asking to be enrolled as an associate member and inquiring as to how he can contact the ACLU group in his area. Oswald's address is listed as Post Office Box 6225, Dallas, Texas, and his occupation as photographer.

ACTION BEING TAKEN:

The original evidence submitted with this letter is being furnished to the FBI Laboratory, as we may have future need for further handwriting specimens of Oswald. The original letter to the Attorney General is being returned to his office with photographic copies of the enclosures, as we have been informed such copies will suffice for handling of the incoming letter in the Department.

With reference to the attached airtel requesting the Bureau to develop certain exposed film which was made at the Dallas Police Department 11-24 and 25-63 of papers and property of Lee Harvey Oswald and possibly his wife and possibly material belonging to Mrs. Ruth Paine, I talked to SAC Shanklin, Dallas, 11-29-63.

I called to SAC Shanklin's attention the fact that the Dallas Office was furnished the original material which was seized by the Dallas Police Department under search warrants executed 11-22 and 23-63 and pointed out that the original material had been photographed here at the Bureau. I inquired to know whether Dallas still desired to have the Bureau develop the exposed film according to their request. SAC Shanklin stated that Dallas had promised to give a copy of the photographs to both the Dallas Police Department and the Secret Service. In view of this commitment, SAC Shanklin stated that they still need three copies of the photographs of the material in Dallas although it did not matter whether these photographs were made from the exposed film submitted by Dallas or the original photographs made at the Seat of Government.

Special Agent in Charge

JANICE HORNSBY, San Antonio, recalled meeting Miss CAMPBELL at San Antonio, International Airport on or about 1/2/63, and was certain that CAMPBELL was on American Air Lines upon return to San Antonio via Dallas, Texas.

American Air Lines representative advised that in January 1963, that line had a flight number 59, which originated in Chicago and stopped at Dallas and San Antonio en route to Mexico City. The flight departed Dallas for San Antonio shortly after 8:00 pm and arrived San Antonio about 9:12 pm. No passenger manifests maintained by American Air Lines at San Antonio on incoming flights; manifests on outgoing flights are destroyed after two or three months. American Air Lines tickets are filed at American Air Lines Treasury Department, 633 Third Avenue New York, New York; however, if ticket not sold orginally by American, but some other carrier, the ticket would be retained in files of original selling carrier, in this case apparently Continental Air Lines, according to referenced teletype.

Continental Air Lines tickets are retained by MATT TRAVIS, Revenue Accounting Office, Continental Air Lines, Los Angeles, California, according to R. E. POWELL, Continental Air Lines, San Antonio Airport.

Letterhead memo and FD 302's being submitted by San Antonio.

Dear Mr. Hoover:

I am not by nature one who writes letters to important officials, but I think the shooting of the late President Kennedy was a disgrace to this country.

I cannot understand why people like Oswald are not watched more carefully; one reads about so many of them in the newspapers, they have long police records but are given suspended sentences most of the time. Why?

We all know what a magnificent job you have done and are doing, but please let the good citizens of this country know what they can do to help you.

Dear Mrs. Schaefer:

Your letter of December 3rd has been received, and I want to thank you for your best wishes and for your generous comments regarding our work.

My staff and I certainly share your concern over the brutal assassination of President Kennedy. In our free society, the extent to which our citizens are subject to surveillance is necessarily limited. Nevertheless, the identity of individuals, known to represent a potential threat, is called promptly to the attention of Secret Service, which has the responsibility to protect the President. We had no information indicating that Lee Harvey Oswald was a possible assassin.

In this regard, all citizens can be of utmost help by referring to proper authorities any information they might have of a subversive or criminal nature. Should you ever receive such data, please feel free to contact representatives of our office located at 201 East 69th Street, New York, New York 10021.

ON INSTANT DATE, MRS. RUTH PAINE, TWO FIVE ONE FIVE W. FIFTH, IRVING, TEXAS, ADVISED SA BARDWELL D. ODUM THAT SATURDAY, NOV. THIRTY LAST SHE GAVE TWO RUSSIAN LANGUAGE BOOKS AND AN ENVELOPE OF LETTERS FOR MARINA OSWALD, TO A UNIFORMED OFFICER AT THE IRVING, TEXAS, PD, WHOM SHE BELIEVES WAS A CAPTAIN, WITH A REQUEST THIS MATERIAL BE GOTTEN TO MRS. OSWALD. SHE WAS SENDING THE BOOKS BECAUSE MRS. OSWALD USED THEM OFTEN WHEN LIVING AT THE PAINE HOME AND MRS. PAINE FELT SHE WOULD LIKE TO HAVE THEM. ONE SHE DESCRIBED AS A GENERAL HOUSEHOLD INFORMATION BOOK AND THE OTHER AS A CHILD CARE BOOK.

MRS. PAINE SAID SHE FIRST KNEW OF INSTANT NOTE WHEN IT WAS SHOWN TO HER AT ABOUT SEVEN THIRTY PM ON THE EVENING OF DEC. TWO LAST BY TWO SECRET SERVICE AGENTS WHOSE NAMES SHE CANNOT REMEMBER.

DEC 15 1963

THESE MEN CAME TO HER HOME AND INTIMATED SHE KNEW OF THIS NOTE AND WAS SENDING IT TO MRS. OSWALD CONCEALED IN ONE OF THE BOOKS. MRS. PAINE SAID SHE VIGOROUSLY DENIED TO THEM AND SHE AGAIN VIGOROUSLY DENIED TODAY TO SA ODUM THAT SHE HAD ANY KNOWLEDGE WHATSOEVER OF ANY SUCH NOTE BEING IN EITHER ONE OF THE TWO BOOKS SHE GAVE TO THE IRVING PD FOR DELIVERY TO MRS. OSWALD.

ON INSTANT DATE, CAPTAIN PAUL H. BARGER, IRVING, TEX., PD, ADVISED SA JARRELL H. DAVIS THAT MRS. RUTH PAINE OF IRVING, TEX., CAME TO THE IRVING PD AROUND NINE OR TEN AM TO HIS BEST RECOLLECTION ON SATURDAY, NOV. THIRTY LAST, AND LEFT WITH HIM TWO FOREIGN LANGUAGE BOOKS AND SOME LETTERS, WITH A REQUEST THIS MATERIAL BE DELIVERED TO MRS. OSWALD.

CAPTAIN BARGER SAID HE WAS RELIEVED BY ASST. CHIEF OF POLICE LEON POWERS AT ABOUT THREE PM ON NOV. THIRTY LAST. AT THAT TIME HE GAVE THE BOOKS AND ENVELOPES TO ASST. CHIEF POWERS AND TOLD HIM MRS. PAINE HAD LEFT THIS MATERIAL AT THE PD TO BE DELIVERED TO MRS. OSWALD.

ON INSTANT DATE, ASST. CHIEF OF POLICE POWERS ADVISED SA JAMES P. HOSTY, JR., HE HAD RECEIVED FROM CAPTAIN BARGER TWO BOOKS AND SOME CORRESPONDENCE WHEN HE /POWERS/ CAME ON DUTY AT ABOUT THREE PM ON NOV. THIRTY LAST. CAPTAIN BARGER TOLD HIM THIS MATERIAL HAD BEEN LEFT AT THE PD FOR DELIVERY TO MRS. OSWALD. CAPTAIN BARGER SAID HE HELD THE MATERIAL OVER THE WEEKEND AND ON DEC. TWO LAST HE SENT

DETECTIVE JOHN LOOPER OF THE IRVING PD TO THE US SECRET SERVICE OFFICE IN DALLAS TO DELIVER THIS MATERIAL TO THEM.

DETECTIVE JOHN LOOPER ON INSTANT DATE HAS ADVISED THAT ABOUT TWO PM ON DEC. TWO LAST HE RECEIVED FROM ASST. CHIEF OF POLICE POWERS TWO BOOKS AND AN ENVELOP WITH SOME LETTERS INSIDE, FOR DELIVERY TO THE US SECRET SERVICE OFFICE IN DALLAS. LOOPER SAID HE TOOK THIS MATERIAL TO THE SECRET SERVICE OFFICE IN DALLAS AND TURNED IT OVER TO A SECRET SERVICE AGENT WHOSE NAME IS NOT KNOWN TO HIM.

ON INSTANT DATE INSPECTOR TOM KELLY, US SECRET SERVICE, DALLAS, TEXAS, TURNED OVER TO SAS JAMES P. HOSTY, JR., AND JAMES J. WARD TWO RUSSIAN LANGUAGE BOOKS AND A RUSSIAN LANGUAGE NOTE IN A CELLOPHANE ENVELOPE. HE SAID THE NOTE HAD BEEN FOUND IN "THE THICKER" OF TWO BOOKS WHICH HAD BEEN RECEIVED BY SECRET SERVICE FROM THE IRVING PD FOR DELIVERY TO MRS. OSWALD. HE SAID THIS MATERIAL HAD BEEN RECEIVED FROM AN OFFICER OF THE IRVING PD ON DEC. TWO LAST.

SAS HOSTY AND WARD BROUGHT THE ABOVE MATERIAL FROM THE US SECRET SERVICE OFFICE TO THE DALLAS FIELD OFFICE.

THE ABOVE RUSSIAN LANGUAGE NOTE WAS TRANSLATED AT THE DALLAS OFFICE BY SA A. BOGUSLAV. THE ORIGINAL AND THE CONTENT OF THE TRANSLATION OF THIS LETTER IS ALREADY AT SOG.

WITH RESPECT TO OBSERVATIONS OF PERSONNEL OF THE DALLAS OFFICE WHICH MIGHT ESTABLISH WHEN THIS LETTER WAS WRITTEN, THE FOLLOWING IS OFFERED.

A REVIEW OF THE ABOVE LETTER REVEALS THE FOLLOWING POINTS WHICH INDICATE IT WAS PROBABLY WRITTEN AT A TIME PRIOR TO ANY PLANS OF FORMER PRESIDENT KENNEDY TO COME TO TEXAS.

/A/ IN ITEM ONE IN THE LETTER, REFERENCE IS MADE TO A POST OFFICE BOX IN THE MAIN POST OFFICE ON ERVAY STREET IN DALLAS. OSWALD HAD PO BOX TWO NINE ONE FIVE AT THIS MAIN POST OFFICE ON ERVAY ONLY FROM OCT. NINE, SIXTYTWO TO MAY TWELVE LAST. POST OFFICE RECORDS REVEALED A SUBSEQUENT BOX RENTED BY OSWALD ON NOV. ONE LAST, THIS BEING BOX SIX TWO TWO FIVE AT THE TERMINAL ANNEX STATION WHICH IS ON HOUSTON STREET, QUITE SOME DISTANCE FROM THE MAIN POST OFFICE. POST OFFICE RECORDS REVEAL NO OTHER BOXES RENTED TO OSWALD. FOR DETAIL SEE PAGE ONE SEVEN SIX OF REPORT OF SA ROBERT P. GEMBERLING DATED NOV. THIRTY LAST AT DALLAS.

/B/ IN ITEM FOUR THE LETTER STATES "RECENTLY I ALSO PAID FOR WATER AND GAS". OSWALD WAS NOT PAYING WATER AND GAS BILLS AT ANY RESIDENCE IN DALLAS FOLLOWING HIS RETURN HERE ON OCT. THREE LAST. SEE CHRONOLOGY ON PAGE THREE ONE EIGHT, ABOVE MENTIONED REPORT.

/C/ THE NOTE IN ITEM TEN STATES "YOU AND THE BABY", ETC. THE OSWALDS HAD A SECOND CHILD BORN OCT. TWENTY LAST / SEE PAGE THREE EIGHT FIVE, ABOVE MENTIONED REPORT / AND "BABY" WOULD PRESUMABLY BE PLURAL HAD THE NOTE BEEN WRITTEN ANY TIME SUBSEQUENT TO OCT. TWENTY LAST.

/D/ OSWALD ARRIVED IN DALLAS ON OCT. THREE LAST AND REGISTERED ON THAT DATE AT THE DALLAS YMCA AS A TRANSIENT GUEST. NOTHING IN THE EXTENSIVE INVESTIGATION THAT HAS BEEN MADE OF OSWALD/S ACTIVITIES INDICATES HE HAD ANY HOUSE ON WHICH HE HAD PAID RENT "ON THE SECOND", AS REFLECTED IN ITEM THREE OF THE LETTER.

MRS. PAINE SAID WITH RESPECT TO DELIVERY OF ABOVE MATERIAL TO THE IRVING PD BY HER, HER RECOLLECTION IS THIS DELIVERY WAS MADE NOVEMBER THIRTY LAST AT ABOUT FOUR THIRTY PM. IT IS NOTED CAPTAIN BARGER OF THE IRVING PD RECALLS THE MATERIAL WAS DELIVERED TO HIM BY MRS. PAINE AT ABOUT NINE OR TEN AM. AN EFFORT HAS BEEN

MADE TO GET IN TOUCH WITH MRS. PAINE TO DETERMINE WHETHER SHE CAN ANY MORE DEFINITELY RECALL WHEN SHE TOOK THE MATERIAL TO THE PD ON NOV. THIRTY LAST SINCE CAPTAIN BARGER STATES IT COULD NOT HAVE BEEN AFTER THREE PM SINCE HE GOES OFF DUTY AT THAT TIME. MRS. PAINE HAS NOT BEEN AVAILABLE FOR REINTERVIEW ON THIS POINT.

Title: LEE HARVEY OSWALD

Character: INTERNAL SECURITY - RUSSIA - CUBA

Synopsis: Record of LEE HARVEY OSWALD at Beauregard Junior High School, New Orleans, reflects attendance from 1/13/54 to 6/10/55. Cumulative record set forth. Former teachers at Beauregard Junior High School, New Orleans, advise they do not personally recall OSWALD. DEAN ANDREWS, New Orleans attorney, claimed contacted by CLAY BERTRAND while ANDREWS in hospital under heavy sedation, that BERTRAND wanted ANDREWS to represent OSWALD at OSWALD's trial in Dallas. ANDREWS subsequently advised that this contact by BERTRAND must have been dreamed by him while under heavy sedation. Male in photographs of OSWALD and CHARLES HALL STEELE, JR., possibly passing out FPCC handbills in front of International Trade Mart on 8/16/63, not identified. CELSO MACARIO HERNANDEZ, who was arrested by NOPD on 8/9/63 when he, CARLOS BRINGUIER and MIGUEL CRUZ became involved in an argument with OSWALD over OSWALD's handing out pamphlets, stated inasmuch as he could not speak English, he had no intelligible conversation with OSWALD. He recalled OSWALD wearing a placard around his waist on which was written "Viva Fidel". DAVID CHARLES MIEHER, JR., News Editor, Radio Station WJDX and WLBT-TV, Jackson, Mississippi, stated he has heard FRED L. BEARD, Manager of these stations, comment in reference to the KENNEDYS to the effect "the only way to get them out of office would be to kill them". MIEHER stated that BEARD has been very critical of the KENNEDYS but considered such comments to be BEARD's way of expressing BEARD's belief that the KENNEDYS would continue to be elected if they ran for office. He has never heard

BEARD say that BEARD was going to kill any of the KENNEDYS or anyone else, and has never known BEARD to do anything physically violent or to threaten anyone with physical violence. Individuals at Jackson who know BEARD do not recall BEARD as ever being involved in any acts of physical violence, nor have they heard BEARD make any statement which would indicate that BEARD would participate or conspire with anyone to assassinate President KENNEDY or anyone else. Contacts at additional Latin American Consulates in New Orleans developed no information that OSWALD contacted these consulates.

FD-302 (Rev. 1-25-60)

FEDERAL BUREAU OF INVESTIGATION

1

Date 12/6/63

New Orleans, Louisiana

Assistant Principal WILFRED O'HEAD, Warren Easton High School, 3019 Canal Street, furnished the following information which he said was an interpretation of LEE HARVEY OSWALD'S individual profile chart for the Cooperative Achievement Test administered to him during October, 1954 by a Mr. LANGFORD, named by HEAD as a former instructor of Beauregard Junior High School, no longer teaching in the New Orleans school system.

HEAD said that normally a student taking this test would exhibit scores in the four test areas of English, Reading, Mathematics, and Vocabulary but explained that in the case of OSWALD, no indication was available that he had taken the English portion of this test. He listed OSWALD'S numerical score ratings as 49 in Reading, as 43 in Mathematics, and as 48 in Vocabulary and offered the following interpretation set out below:

He advised that this particular test had been given to thousands of students in Louisiana and to millions of students on a national level and rated OSWALD'S performance in terms of a percentile scale for the local area of Louisiana in which the test was taken. He stated that when compared with a "local norm" average, OSWALD'S score of 49 in Reading ranked in the 88th percentile, that his score of 43 in Mathematics ranked in the 50th percentile, and that his score of 48 in Vocabulary ranked in the 82nd percentile.

HEAD stated that when these scores were rated in terms of a "national norm" that OSWALD'S score of 49 in Reading ranked in the 86th percentile, that his score of 43 in Mathematics ranked in the 26th percentile, and that his score of 48 in Vocabulary ranked in the 84th percentile.

Date 12/5/63

Assistant Principal WILFRED O. HEAD, Warren Easton High School, 3019 Canal Street, made available to the FBI an entire cumulative record for LEE HARVEY OSWALD revealing his attendance at Beauregard Junior High School from January 13, 1954, until June 10, 1955, as well as for attendance at Warren Easton High School from September 9, 1954, until October 14, 1955, in order that Photostats might be made for use by the FBI. A review of the complete contents of this cumulative record was made, and the following descriptive summary inventory set out below resulted from that review:

One Cumulative Record

It is noted that while one side of this record indicates grades received by OSWALD while in attendance during 8th and 9th grades at Beauregard Junior High School, the reverse of this record bears a notation "incomplete" revealing that this student left Warren Easton High School before the end of the session when grades are regularly awarded. This record lists personal descriptive information as well as the transfer of this student on September 18, 1956, to Arlington Heights Junior High School, Fort Worth, Texas.

It is noted that the following identifying data appears on this record:

Mrs. M. Ebanks

Pupil	LEE OSWALD
Date of birth	October 18, 1939
Name of Parents	MARGARITE OSWALD

Under a general attendance grouping the following attendance for this student at Beauregard was noted:

1953-54 - REPORT 2

Absent	6
Tardy	0
"Re ad"	179

1954-55 - REPORT 6

Absent	12
Tardy	No notation
"Re ad"	168

It is noted that on December 7, 1963, HEAD explained that the abbreviation "Re ad" regularly represented "Re Admitted" and added that his interpretation of the numbers set forth opposite this abbreviation would represent a total listing of the school days for a given school year. He further stated

that regularly 180 days appear in the school year and it was a state law that a number of school days in any given year must not fall below 170. HEAD stated that therefore the numbers listed opposite this abbreviation indicated the number of school days that OSWALD attended for a given school year.

It is also noted that under a heading marked "Total Units", a notation appears for 1953-54, Report 3 of P/71.8. On December 7, 1963, HEAD interpreted the letter "P" to mean that a posting had occurred and that the notation of 71.8 total units represented a numerical academic average for OSWALD covering the period for this student at Beauregard Junior High School from January 13, 1954, until the end of the academic year 1953-54.

It was noted that the reverse side of this Cumulative Record referred to above bears a notation "incomplete" relative to OSWALD's studies at Warren Easton High School; however, the following identifying data appears on this record in the space allotted for "High School Record":

Pupil	LEE HARVEY OSWALD
Date of birth	October 18, 1939
Name of Parents	MARGARET OSWALD
Address	126 Exchange Place
Last School	Beauregard

It was further noted that this cumulative record for OSWALD indicates that he was originally admitted to Warren Easton High School on September 8, 1955, and left on October 14, 1956. It is observed that this notation was interpreted on December 5, 1963, by Assistant Principal HEAD as being "incomplete" and at this time HEAD stated that the notation should have been "October 14, 1955."

One letter dated October 7, 1955, signed Mrs. M. Oswald

It is noted that this letter appears as follows: "To whom it may concern; Becaus we are moving to San Diego in the middle of this month Lee must quit school now. So, please send by him any papers such as his birth certificate that you may have. thank you. Sincerely". A notation appears at the bottom of this letter, "AHH" and "Kreeger's".

A small card bearing the initials "AHH" and dated November 2, 1955, clipped to this letter indicates as follows: "Please put in Lee Oswald's folder (left). Nov. 2, 1955."

One 8th Grade Rating Card for Studies "Reading", "Mathematics" and "English"

It is noted that this card reveals a rating of "poor" for OSWALD's work in mathematics and English during the eighth grade.

One Cooperative Achievement Test Individual Profile Chart (Form 1-STWS)

It is noted that this form reflects scores made by OSWALD on a Cooperative Achievement Test administered by a Mr. LANSFORD during October, 1954. For information on December 5, 1963, HEAD stated that a Mr. LANSFORD was formerly an instructor at Beauregard Junior High School but was no longer teaching in the New Orleans School System. It was further noted that numerical grades were circled as follows on this form:

Under appropriately listed headings the writer of this sheet indicated that he had worked as a retail shoe salesman for a duration of ten weeks for one M~~Y~~ GOODMAN. He further indicated that he liked the subjects civics, science, and mathematics best and liked the subjects of English and art least. He indicated that his first vocational choice was biology and second was mechanical drawing. He indicated that after completing high school he intended to enter military service but likewise indicated "undecided". He stated his general health was good, although he observed that his ear drum in his left ear was abnormal. He listed his recreational activities as reading and out-door sports and further listed a specific interest in football.

It is noted that grades awarded OSWALD are recorded on this record from Beauregard Junior High School, but no grades appear as having been earned at Warren Easton High School.

On one side of this folder the date of entrance of LEE HARVEY OSWALD into Beauregard School was listed as September 7, 1954, and a hand-written notation bearing the name "L. On December 7, 1963, HEAD stated for information that OSWALD was awarded 5½ points and explained that these points were equivalent to credit units and added that in order for a student in a Louisiana high school to graduate from high school, 17 credit units were needed. He stated that the notation 5½ on this record showed that when OSWALD entered Warren Easton High School he had accumulated this amount of credit units, and further explained for information that all students entering this high school after completing the ninth grade in another New Orleans school usually have accumulated 4½ to 5½ credit units.

Mrs. MARY HOFFMAN ELLOTT, residence 832 City Park Avenue, New Orleans, Louisiana, was contacted at Beauregard Junior High School, 4621 Canal Street, and advised that she has been a teacher at this school for more than 11 years. She stated that following the assassination of President JOHN F. KENNEDY, at Dallas, Texas, on November 22, 1963, when the face of LEE HARVEY OSWALD was widely displayed through newspaper and television coverage, she remembered the name of OSWALD as having at one time been a student in one of her classes, at this school, although she stated she did not remember instructing this student, nor did she remember seeing his face around the school.

She stated that Mr. JOHN MARTIN, Principal of this school had informed her that during the academic term beginning in September, 1954 and ending in June, 1955, OSWALD had been a student in her mathematics class and she recalled advising MARTIN similarly as set out above.

She stated that she was unable to furnish any information relative to this student's attitudes, friends, academic ability, general demeanor or school conduct and added that she could only advise that all she could recall from an association with the student by the name of OSWALD was that this person had done satisfactory work in his studies.

She stated that she was somewhat surprised to be informed recently by the principal of this school, Mr. JOHN MARTIN that a review of his records revealed that LEE HARVEY OSWALD had attended her English classes from September, 1954 until June, 1955, and she explained she was at a loss to explain that she had no recollection of either the name OSWALD or identification of his facial characteristics, from representations of his photographs through news coverage with any person who attended this school.

She stated that MARTIN had informed her that this student attended her classes. She stated that she had no reason to doubt the truth of this fact, but explained for information that undoubtedly this student had not called attention to himself by being a disciplinary problem and neither had he distinguished himself in his academic studies.

She stated that of the many students instructed over her 33 year teaching career in New Orleans Public Schools, she was able to recall thousands of children instructed, although she added, in this case she was unable to furnish any information whatever.

FEDERAL BUREAU OF INVESTIGATION

Date December 3, 1963

DEAN ANDREWS, Attorney at Law, Room 628, Maison Blanche Building, New Orleans, Louisiana, advised that he returned to work December 2, 1963, after being seriously ill at Hotel Dieu Hospital, New Orleans, Louisiana. He advised that he had been hospitalized with pneumonia November 20 through 29, 1963, and during the time he was in the hospital he was under heavy sedation.

Mr. ANDREWS advised that on the night of November 23, 1963, between the hours of 6 and 9 p.m. he was awakened by the telephone in his room at Hotel Dieu. He advised he answered this telephone from a sound sleep and an individual who advised his name was CLAY BERTRAND asked him if he would be interested in defending LEE HARVEY OSWALD on the charge of murder of President KENNEDY in Dallas, Texas.

Mr. ANDREWS advised that he told the individual who called him that he would give consideration to defending OSWALD and that BERTRAND told him on the telephone that he would call him back. ANDREWS advised that BERTRAND has never called him back. ANDREWS advised that he was not furnished a telephone number where he could reach BERTRAND or any other identifying information other than the name CLAY BERTRAND. ANDREWS stated that the name CLAY BERTRAND seemed familiar to him and so did the voice.

ANDREWS stated that since he has returned to his office and has been attempting to recall this telephone conversation, "It seems like a dream to him". ANDREWS stated that the principal reasons why he feels that the telephone call was not a dream was because of the action he took in contacting Mr. SAM "MONK" ZELDEN, President of Louisiana the New Orleans Criminal Bar Association and a close personal friend on Sunday, November 24, 1963 by telephone, reaching him at the New Orleans Athletic Club and discussing with him the propriety of defending OSWALD and asking ZELDEN if he would be interested in assisting in the defense. ANDREWS recalls this call and further recalls that it was

Attorney ZELDEN who told him that LEE HARVEY OSWALD had been shot and that this news had just come over the television station.

ANDREWS advised that in addition to talking with ZELDEN, he had discussed receiving this call from CLAY BERTRAND with his investigator, Sergeant R. M. DAVIS, United States Army Retired, and his secretary, EVA SPRINGER, as well as his wife. ANDREWS stated he could not pin point the time he discussed this call with DAVIS or his wife and secretary.

Mr. ANDREWS advised that he has no recollection of calling the Federal Bureau of Investigation or the United States Secret Service on November 25, 1963, but he does recall being interviewed by both representatives of the Federal Bureau of Investigation and the United States Secret Service. He advised that he was under heavy sedation at the time of these interviews and was a very sick man.

Mr. ANDREWS advised that he recalled LEE HARVEY OSWALD coming to his office on three to five occasions on or about the last week of June, 1963, and speaking with him regarding the possibility of ANDREWS assisting him in correcting a Bad Discharge from the United States Marine Corps. OSWALD was also interested in determining his status as a citizen of the United States and determining whether he had disavowed his citizenship in Russia.. He was also interested in the immigration status of his wife in the United States. ANDREWS advised that OSWALD arrived at his office late in the evening after 5 p.m. and before 6 p.m. and as a result his secretary had left and there was no record made of his visit in the appointment book and he, ANDREWS, made no file on OSWALD's visit.

ANDREWS advised that OSWALD on the first occasion that he entered his office arrived at the same time as four other individuals whom he recalls as "gay kids", that is, French Quarter sex deviates. ANDREWS advised that he did not

recall who these individuals were, what connection they had with OSWALD, or any information why they were all in the office at the same time. On another occasion ANDREWS advised that he recalls OSWALD entering the office at the same time a Mexican looking youth, who appeared to him to be "gay", entered the office. This Mexican youth had a "butch hair cut" which is a very short hair cut and while OSWALD was speaking with ANDREWS, he remained in the outer office. ANDREWS advised that he did not know this Mexican looking youth and has not seen or heard of him since this visit from OSWALD and could not identify him even if he should see him again.

Mr. ANDREWS advised that OSWALD was to bring to his office copies of his discharge from the United States Marine Corps, a record of his serial number and any other papers he had as well as the necessary expense money to enable him (as OSWALD's attorney) to write to obtain the necessary records. ANDREWS advised that OSWALD never brought the records or the necessary money to pay for obtaining a copy of the records and therefore no action was taken by him.

ANDREWS advised that OSWALD came to his, ANDREWS', office the last time approximately July 9, 1963. ANDREWS stated that nothing of importance was discussed and OSWALD did not bring his necessary records and did not bring necessary funds to enable him, ANDREWS, to take any action for OSWALD. ANDREWS stated that he next observed OSWALD on Canal Street several weeks or a month later near the Maison Blanche Building passing out some "Friends of Cuba Literature". ANDREWS stated that he stopped and spoke to OSWALD and told him he "must be crazy" to be passing out this literature. ANDREWS said he also asked him in "jive talk" when was he going to bring him the bread or in normal English, when was he going to bring the money to finance his case. ANDREWS

advised that OSWALD could "really dig hep cat talk", that is understand jive talk or the slang expressions used among the sex deviates of the French Quarter. ANDREWS advised that OSWALD indicated that he did not have the money to pay the expenses for the obtaining of his military record and made a remark that passing out these handbills "was a job". ANDREWS stated that at no time did OSWALD indicate for whom he was working or indicate that he was being paid to pass out "Friends of Cuba Literature".

ANDREWS advised that this meeting on Canal Street was the last time he saw LEE HARVEY OSWALD, but from some source he learned that OSWALD had been arrested for getting into a fight. He advised that he did not represent OSWALD in court.

ANDREWS advised that he has carefully searched the various files and records of his office in an effort to identify CLAY BERTRAND and he has been unable to do so. He stated that he has every reason to believe that he has met CLAY BERTRAND before and the name seems to be familiar to him but to date he has been unable to identify CLAY BERTRAND as being identical with any individual he knows. ANDREWS advised that he would make every effort to identify CLAY BERTRAND by searching his memory and files of his office.

ANDREWS advised that he had reviewed a series of still photographs taken from film photographed by WDSU cameraman of LEE HARVEY OSWALD passing out literature in front of the International Trade Mart and in one corner of the photograph shown him by the Secret Service was a picture of CLEMENCIA ALMEIDA, 929 Gravier Street, New Orleans, employed by M. L. QUEEN, 338 International Trade Mart, New Orleans, Louisiana, telephone 523-6995, who is a client of his. ANDREWS advised that none of the other people in these photographs were identical with CLAY BERTRAND and he does not know any of the people in the photographs except OSWALD whom he immediately recognized.

Mr. ANDREWS repeated at the conclusion of the interview that this entire incident could have been dreamed by him in view of the physical condition he was in at the time. He stated however, that he believes he did received a call from an individual that he recalls as CLAY BERTRAND and he feels he will be able to identify CLAY BERTRAND either from material that is in his files or recognize him.

Mr. ANDREWS stated that he has a mental picture of CLAY BERTRAND as being approximately 6'1" to 6'2", brown hair, excellent appearance, well dressed and although a homosexual is not obvious and probably has a good job in the city. ANDREWS stated that this is a mental picture and he cannot in any way recall where the description came from or how he recalls BERTRAND.

Mr. ANDREWS stated that the telephone call he received was in his opinion a local call. He advised he could not determine how the caller was able to locate him at the Hotel Dieu Hospital. He stated that his residence telephone is unlisted and his office was closed on Friday and Saturday, November 22 and 23, 1963. ANDREWS stated he does not have an answering service. ANDREWS advised that prior to entering the hospital it was necessary that he postpone several cases and notify his clients that he was in the hospital and this is the only way that the individual using the name CLAY BERTRAND could have learned that he was in room 202 of Hotel Dieu Hospital.

DEAN ANDREWS, Attorney at Law, 628 Maison Blanche Building, New Orleans, Louisiana, advised that since he returned to his office after a serious illness on December 2, 1963, he has made a serious and conscientious effort to recall and establish as facts, the information he reported on November 25, 1963. ANDREWS stated that he realizes the serious physical condition he was in while he was confined in the hospital and has verified from his physician that he was under extremely heavy sedation for the first four days he was in the hospital, that is from November 20 to November 24, 1963. ANDREWS advised he has talked with his secretary, EVA SPRINGER and his investigator, Sergeant R. M. DAVIS, United States Army, retired, and he has determined that there are a number of variances in his independent recollection of incidents that happened and incidents recalled by his employees.

ANDREWS stated that while confined in Room 202, Hotel Dieu Hospital, it was his recollection he received a telephone call between 6:00 and 9:00 PM, November 23, 1963. His secretary, EVA SPRINGER has stated to him that ANDREWS called her Saturday, November 23, 1963 shortly after 4:00 PM and told her that he was going to represent LEE HARVEY OSWALD in Dallas. His secretary asked him who had contacted him and he said BERTRAND, using no first name or other identification. Miss SPRINGER terminated the conversation at this time by saying she would not go to Dallas with him.

ANDREWS stated he has no recollection of this telephone conversation, cannot understand why he called his secretary and is unable to account for the name BERTRAND in this conversation. He particularly pointed out that he did not mention the first name to his secretary.

ANDREWS advised that when he realized he was in error as to his recollection of the time of the call, he tried to reconstruct the events of November 23, 1963 but could not recall anyone visiting him or being in his room during the afternoon of November 23, 1963. He advised that if the call was received before 4:00 PM, November 23, 1963, it

would have had to have been received after the lunch meal as he seems to recall that his tray was near him when he received the call.

Mr. ANDREWS stated that Sergeant R. M. DAVIS has told him that DAVIS visited him, DEAN ANDREWS, on the afternoon of November 23, 1963 from approximately noon to 3:30 PM or 4:00 PM. During this period DAVIS told ANDREWS that he, ANDREWS, did not receive a call and mentioned nothing to him, DAVIS, about representing OSWALD. Sergeant DAVIS advised ANDREWS that ANDREWS was asleep and awake at various intervals during this visit and he was particularly concerned about the progress of his, ANDREWS', political campaign for a judgeship in Jefferson Parish, during his visit.

ANDREWS advised that he talked to his secretary, who told him the only name he mentioned on November 23, 1963 was BERTRAND. . ANDREWS advised that his investigator, Sergeant DAVIS, recalls that on Sunday, November 24, 1963, ANDREWS asked him about CLAY BERTRAND and told him that CLAY BERTRAND had contacted him to represent OSWALD. ANDREWS asked DAVIS if he recalled BERTRAND, which he did not, but ANDREWS indicated that he knew this individual well. ANDREWS advised that he does not recall this conversation with Sergeant DAVIS and could not recall where he had picked up the name CLAY BERTRAND.

ANDREWS advised that the first independent recollection he has in the hospital was in the evening of November 23, 1963, when he recalls watching a TV program reflecting the life of LEE HARVEY OSWALD in New Orleans, Louisiana. He recalls this program and recalls OSWALD as an individual that had contacted him previously for legal advice.

ANDREWS advised that each Sunday, it is his habit to take his son to the New Orleans Athletics Club where he joins with SAM "MONK" ZELDEN, and his boy in a game of handball. ANDREWS advised that on the morning of November 24,

1963, he recalls calling ZELDEN and asking him to help defend OSWALD. He advised he knew where to call ZELDEN but states that the details of the conversation with ZELDEN , which formerly seemed so clear, are now very hazy and have only been refreshed by his conversation with ZELDEN.

ANDREWS advised that he has been told by Sergeant DAVIS that on November 24, 1963, he called a TV station and told the TV station he wanted to issue a statement and on November 25, 1963, a TV reporter came to the hospital, but he was too ill to see him. ANDREWS advised that he has no recollection of calling the TV station and states that if he did such a thing he was "obviously out of his mind" as he is well aware that he did not have a firm commitment to represent OSWALD. Furthermore, he is a candidate for position of judge in Jefferson Parish and such an announcement on the eve of election, which will be held December 7, 1963, would be equivalent to abandoning the election.

ANDREWS stated that on November 25, 1963, when he furnished information to both the FBI and the Secret Service, that he had been contacted by CLAY BERTRAND, he was positive he knew this individual and positive that he had his name in his records in his office. He advised that after a careful and extensive search of his files he has been unable to locate the name CLAY BERTRAND or anything similar to it in any of his files. ANDREWS stated with regard to the alleged telephone call that he thought he received, it is now obvious to him that the basic details which he would have immediately determined, are not present in the conversation. That is, what authority did BERTRAND have to commit OSWALD as a client, who referred BERTRAND to him, who would handle the finances for the defense, when would he personally see BERTRAND, how could he get in touch with BERTRAND and further that he could locate no notes of this call in his hospital room.

ANDREWS advised that he never calls his secretary, EVA SPRINGER, at home and the fact that he called her is a very unusual incident.

ANDREWS advised that his physician has confirmed to him that he was a very sick man and under extremely heavy sedation and in fact, told him that he was not physically able to use the telephone.

ANDREWS advised that he recalls on November 25, 1963, discussing OSWALD and his possible ability to have actually fired the shots from a bolt action rifle and he recalls claiming to Sergeant DAVIS that OSWALD did not have the ability or "guts" to have actually fired these shots in 3½ seconds as related by a newsman.

ANDREWS advised that based on the discrepancy between his memory and facts as related to him by his employees and further, the fact that he cannot identify CLAY BERTRAND, he can reach only one conclusion, that is, that the call received by him while in Hotel Dieu Hospital under sedation, was a figment of his imagination.

Sergeant R. M. DAVIS, United States Army, retired, employed by Attorney at Law DEAN ANDREWS, Room 628 Maison Blanche Building, advised that his employer was positive that a person named CLAY BERTRAND had called him on the telephone and asked him to represent LEE HARVEY OSWALD in Dallas, Texas prior to December 3, 1963. He advised that he and ANDREWS have spent hours looking through files and discussing with each other and with ANDREWS' secretary, EVA SPRINGER, the various aspects of the call received from CLAY BERTRAND and he has no doubt that ANDREWS is now convinced that the call he received at the hospital was a dream.

DAVIS advised that he was at the hospital most of the afternoon of November 23, 1963, leaving sometime between 3:30 PM and 4:00 PM and ANDREWS did not receive a call during this time. The first occasion that ANDREWS mentioned CLAY BERTRAND to him was on Sunday, November 24, 1963. DAVIS was under the impression at this time that BERTRAND was well known to ANDREWS.

On the afternoon of November 23, 1963, ANDREWS was periodically asleep and awake, but did not want him, DAVIS, to leave and this is the reason why he remained all afternoon. The chief topic of discussion during this visit was the progress of ANDREWS' political campaign for election as a judge in Jefferson Parish.

On November 25, 1963, Sergeant DAVIS stated that when he visited DEAN ANDREWS, he was very much upset over a news item that ANDREWS had received over the TV set in his room at Hotel Dieu Hospital that OSWALD had fired three shots at the President of the United States from a bolt action rifle within three seconds. ANDREWS insisted that this could not be done and wanted to call the FBI and the Secret Service and furnish these agencies with his opinion. Sergeant DAVIS advised he talked ANDREWS out of this action and left the hospital.

Sergeant DAVIS advised that he has extensively searched ANDREWS' office for information which would identify

CLAY BERTRAND and has been unsuccessful in locating any record.

Sergeant DAVIS advised that he recalls in June, 1963, exact date unrecalled, ANDREWS discussed with him the procedure to amend or correct an undesirable discharge from the Marine Corps.

DAVIS advised that he cannot positively state that LEE HARVEY OSWALD was ever in ANDREWS' office, but after viewing numerous photographs of OSWALD on various TV programs, can state that he is vaguely familiar and may have visited ANDREWS' office. In addition, he can recall ANDREWS mentioning to him on various occasions that an individual named OSWALD had been to ANDREWS' office.

EVA SPRINGER, secretary to Attorney at Law DEAN ANDREWS, Room 628 Maison Blanche Building, advised that her employer DEAN ANDREWS, never calls her at home. She stated that on November 23, 1963, he called her at approximately 4:00 PM and told her that he was representing LEE HARVEY OSWALD in Dallas, Texas. She recalled that her only comment was that she was not going to Dallas with him and she wanted nothing to do with the case and asked ANDREWS who had hired him. She advised that ANDREWS told her it was BERTRAND, no first name given. She advised that this name did not mean anything to her and the conversation was terminated. She can fix the time as being approximately 4:00 PM as she had just returned from the grocery store doing her grocery shopping for the weekend. Her last contact with ANDREWS was on Monday, November 25, 1963, about noon time, when ANDREWS called her and asked her to locate any records in the office on CLAY BERTRAND. She advised that since November 25, 1963, she has been searching ANDREWS' office for a record of CLAY BERTRAND and has been unable to locate this name. She advised that CLAY BERTRAND is not known to her.

EVA SPRINGER advised she does not recall LEE HARVEY OSWALD as a client of DEAN ANDREWS and has no record of him at the office. She recalls ANDREWS speaking to her briefly about someone being interested in changing a discharge from the Marine Corps but is unable to associate this conversation with any recollection of OSWALD. She states she leaves the office usually at 5:00 PM and never recalled OSWALD coming to the office.

Mr. L. [illegible]BRIGHT, owner of the New Orleans Printing Company, 811 Camp Street, was recontacted at which time he stated that the two men who had come into his shop several months ago and were highly insensed by OSWALD's passing out literature in front of the International Trade Mart might not have been RAFAEL(LNU) and ROBERTO MARTINEZ MARTINEZ. He said from his recollection he thought the above two men were the men who had come into his shop but he said he sees so many Cubans and Spanish speaking men who are referred to him by the Ozanam Inn, 829 Camp Street, because they cannot speak English, he cannot keep them straight in his mind and he said he may have made a mistake. He said he could suggest no other possibilities as to the identity of the two men who had come into his shop and told him about OSWALD passing out literature in front of the International Trade Mart.

Father ANTHONY, Ozanam Inn, 829 Camp Street, advised on December 5, 1963 that he knew a Cuban mulatto named RAFAEL HUGO FROMETA who came from New York, he thought, and who was a longshoreman and seaman. He said FROMETA was the RAFAEL referred to by Mr. L. BRIGHT of the New Orleans Printing Company because he said he had discussed this matter with BRIGHT. Father ANTHONY said FROMETA always stayed at the Ozanam Inn when he was in New Orleans and said that his records indicated that FROMETA left on May 26, 1963 after saying he was to sail on a ship to Japan. FROMETA returned to New Orleans on October 16, 1963 and on the 16th and 17th of October stayed at the Ozanam Inn. Father ANTHONY said FROMETA had indicated to him that he had a job on some ship in Mobile, Alabama. Father ANTHONY said he had no idea where FROMETA could be at the present time, but said in view of the fact that FROMETA stays at the Ozanam Inn when he is in town, he would not have seen OSWALD at the International Trade Mart as the record shows FROMETA was not at the Ozanam Inn during the time OSWALD was passing out literature at the Trade Mart.

The following investigation was conducted by SA DONALD C. STEINMEYER and RICHARD E. LOGAN at New Orleans on December 5, 1963:

Photographs taken of LEE HARVEY OSWALD and CHARLES H. STEELE, JR. passing out handbills in front of International Trade Mart, New Orleans, on August 16, 1963 were shown to the following persons in an effort to identify an unknown third person who also appeared to have handbills in his hand. It is noted that at the time STEELE was interviewed he advised that an unknown third party was also passing out handbills.

ORESTES PENA, Owner, Habana Bar, 117 Decatur, said the unidentified male with an X over his head on the photograph showing OSWALD passing out handbills at the International Trade Mart was unknown to him but looked a little like a Cuban who was frequently at the Boom Boom Room at 6235 Claiborne and who is possibly a boy friend of the piano player at the Boom Boom Room.

The following persons associated with the Boom Boom Room, 6235 Claiborne, advised that no one they knew, nor any of the patrons at the Boom Boom Room, including the boy friend of the piano player was identical with the unidentified male with the X over his head in the photograph showing OSWALD passing out handbills at the International Trade Mart:

WARREN TOLEDANO
Caretaker who is generally on the premises of Boom Boom Room

MURRAY SOLO
Owner, Boom Boom Room

RUBEN GONZALEZ
Bartender, Boom Boom Room

NANCY GONZALEZ
Wife of Bartender, Boom Boom Room

The above persons said they all knew the boy friend of the piano player at the Boom Boom Room and stated that he was definitely not the unidentified male in the photographs they looked at.

JESSE R. CORE, III, Public Relations Director, Jesse R. Core Public Relations, International Trade Mart, 124 Camp Street, residence - 3022 St. Charles Avenue, was recontacted and advised that, relative to the activity of LEE HARVEY OSWALD, at the International Trade Mart, New Orleans, Louisiana, on August 16, 1963, he stated that he was not aware of the name of the individual passing out handbills on this occasion until after November 22, 1963, when the picture of OSWALD was displayed widely through television and newspaper coverage, at which time he recognized the individual who passed out handbills at the International Trade Mart as identical with OSWALD.

He stated that he was aware of one other individual who assisted OSWALD in passing out handbills on this occasion but added that he did not know the name of this person, who he described as a white male, age approximately 20-21, height 6', weight 185-190, brown hair, suntanned complexion. He stated that he did not recall seeing a third person passing out handbills on this occasion, but added that possibly a third person was present on this occasion, although he had not seen him.

CORE stated, for information, that if an effort was being made to further identify persons represented in photographs taken on August 16, 1963, by a photographer of television station WDSU, that possibly a friend of his named (FNU) DANENHOWER who worked in the Rental Office of the International Trade Mart in Room M-14, might possibly be able to recognize additional persons depicted in these photographs.

ORESTES PENA, Owner, Habana Bar, 117 Decatur Street, advised that LEE HARVEY OSWALD and another man either Mexican or Cuban, came into his bar sometime during the Summer of 1963. He said he could not remember the month or day OSWALD and the other man came into the bar. He said he recalled the incident because OSWALD had ordered a lemonade from the bar tender and the bartender asked PENA what to do about it. PENA said he told the bartender to give OSWALD a glass of water with a little sugar and lemon juice in it and to charge him 25 cents. PENA said the man who was very well dressed, had ordered a Tequila and was charged 50 cents. This man thought 50 cents was too much to pay for a Tequila and requested to see the owner of the bar. PENA told his bartender the price of 50 cents was alright and not to pay any more attention to the man. PENA said he never talked to either OSWALD or the man OSWALD was with. PENA said to his knowledge neither OSWALD or the other man ever came back to the bar although he stated his bartender had told him that he would remember the man with OSWALD should he ever return to the bar.

RE: CELSO MACARIO HERNANDEZ

FD-302 (Rev. 1-25-60)

FEDERAL BUREAU OF INVESTIGATION

1

Date 12/6/63

CELSO MACARIO HERNANDEZ, 519 Adele Street, Apartment E, New Orleans was interviewed in the Spanish language by Special Agent RICHARD E. LOGAN.

Louisiana

Mr. HERNANDEZ advised that on August 9, 1963, he left his home to see a complainant in the business district of New Orleans and as he was passing the International Trade Mart he noticed an individual whom he learned later was LEE HARVEY OSWALD distributing hand bills and was wearing a placard around his waist on which was written "Viva Fidel". He said he was unable to read the hand bills because they were printed in the English language but he got the idea that they had something to do with communism and were no doubt pro Castro. Louisiana HERNANDEZ said he became quite angry and went to a clothing store operated by his friend CARLOS BRINGUIER and told him of this. HERNANDEZ said that BRINGUIER is able to read English and he wanted BRINGUIER to see one of these pamphlets. While in the store he encountered another friend of his MIGUEL CRUZ and the three of them left the store to return to the spot where OSWALD was passing out pamphlets. At this point HERNANDEZ and his friends took some of the pamphlets and tore them in shreds. Subsequently a struggle ensued between OSWALD and these three men. HERNANDEZ said that by this time many persons had gathered on the street and were encouraging the three men to kill OSWALD. At this point the New Orleans police arrived and four men were taken into custody and the crowd disbursed.

Louisiana

HERNANDEZ stated that he had never seen OSWALD prior to this time nor had he ever heard of him. He last saw OSWALD at the time all four were charged for creating a disturbance by New Orleans police. HERNANDEZ stated that inasmuch as he could not speak English, he had no intelligible conversation with OSWALD.

RE: FRED L. BEARD

FD-302 (Rev. 1-21-60)

FEDERAL BUREAU OF INVESTIGATION

Date December 4, 1963

Mr. DAVID CHARLES MIEHER, JR., 5236 Suffolk Circle, New Orleans, Louisiana, was advised of the identity of the interviewing Agents and voluntarily furnished the following information.

He is employed as a news editor for Radio Station WJDX and Television Station WLBT, Jackson, Mississippi. The manager for these stations is Mr. FRED L. BEARD. Mr. MIEHER was advised that information had been received that he had been present on one occasion in March, 1963, at which time Mr. BEARD reportedly made a statement referring to the KENNEDYs to the effect that "We are living under a dictatorship and they are nothing but an Irish Mafia and if they are re-elected, the only way to get them out of office would be to kill them."

MIEHER said he did not recall hearing this statement in March, 1963, or at any other time. He said that BEARD has been very critical of the KENNEDY administration and the KENNEDYs in general, and especially so since the crisis at the University of Mississippi in September, 1962, involving the admission of JAMES R. MEREDITH to the University.

MIEHER said that he has heard BEARD on several occasions make comments to the effect that it looked like the only way to get rid of the KENNEDYs would be to kill them as they were apparently going to be re-elected. MIEHER said he could not recall specifically when these remarks were made and does not know if anyone else was present at the time that the remarks were made. MIEHER said he felt that such remarks must also have been made by BEARD within hearing of other station employees as BEARD's opposition to the KENNEDY administration was well known. MIEHER said he had never heard BEARD say he was going to kill any of the KENNEDYs or anyone else. MIEHER said that any comments similar to those above are considered by MIEHER to be BEARD's way of expressing BEARD's belief that the KENNEDYs would continue to be re-elected if they ran for office. MIEHER said that BEARD was out of the city of Jackson and had left Jackson some time between November 8 and 12, 1963, on a trip to Australia by airline with some other people. MIEHER said that the purpose of the trip as he

understood it was to select a place to live in Australia in the event that President KENNEDY was re-elected. MIEHER said that BEARD was scheduled to return to Jackson during the afternoon of December 3, 1963.

FD-302 (Rev. 1-21-60)

FEDERAL BUREAU OF INVESTIGATION

Date December 4, 1963

Mr. DAVID CHARLES MIEHER, JR., 5236 Suffolk Circle, was requested to advise if in his opinion FRED L. BEARD, Manager of Radio Station WJDX and Television Station WLBT, would be a party to any act of physical violence towards the President of the United States or other Government officials.

MIEHER said that since he was employed by BEARD as a news editor he would not like to antagonize him as BEARD had given him a job when he was unable to obtain work elsewhere. MIEHER is able to move about only through the use of a wheelchair, both at work and at home, and his wife is also physically handicapped. MIEHER said, however, he would furnish his opinion.

He said that BEARD on occasion made comments which showed his dislike for the KENNEDY administration as well as for the members of the KENNEDY family in public office. As an illustration MIEHER said that BEARD returned to Jackson on the afternoon of December 3, 1963, from a trip to Australia and upon seeing MIEHER after BEARD's arrival at the station commented to MIEHER that MIEHER had not done a good job while he, BEARD, had been gone. MIEHER said that BEARD had left Jackson some time between November 8 through November 12, 1963, and returned as mentioned above. MIEHER said he at first thought this remark was from criticism of his work and he asked BEARD how he had done a bad job. MIEHER said that BEARD replied, "You didn't get BOBBY." MIEHER said that BEARD did not say the name "BOBBY KENNEDY" and he, MIEHER, did not ask BEARD which BOBBY he was talking about. MIEHER said that due to the recent death of President KENNEDY, he assumed that BEARD was referring to BOBBY KENNEDY. MIEHER said he did not take this remark as being made seriously as it was obvious to him that he, MIEHER, had nothing to do with the death of President KENNEDY. MIEHER said he related the above to illustrate the type of remark made by BEARD on occasion.

MIEHER said he had never known BEARD to do anything physically violent or to have threatened anyone with physical violence. He said that BEARD was a smart man and that if BEARD should decide to kill anyone it was his, MIEHER's,

opinion that BEARD would not do so personally but would try to hire someone to do so.

MIEHER said that BEARD was a man very loyal to a conservative type American Government as opposed to the so called liberal concept of Government. MIEHER said that in his opinion BEARD would not be a party to any plot to kill the President of the United States or any public official or person unless BEARD felt that he was the last man in the world that could save the United States and that the killing of this official would save the country.

MIEHER said that he did not intend for this to imply that he felt as though BEARD would do this but the above was the only way he knew to answer a question of this kind. MIEHER said he did not believe BEARD had anything to do with the recent slaying of President KENNEDY.

Mr. JAMES SAGGUS, Correspondent, Associated Press, Jackson, Mississippi, advised he has known FRED L. BEARD, Manager of WLBT-TV, Jackson, for about five years. During that period of time BEARD has never said anything to SAGGUS and has never done anything to SAGGUS' knowledge which would indicate that BEARD would in any way participate in or conspire with anyone to assassinate President KENNEDY or anyone else.

SAGGUS said that in his opinion BEARD would not participate in any type of violence and remarked that he felt sure that if BEARD in the past had been involved in any acts of violence it would have come to his, SAGGUS', attention through members of the press in the Jackson area.

Mr. W. C. SHOEMAKER, 232 Manchester Street, Staff Writer, Jackson Daily News, Jackson, Mississippi, advised that he has known FRED L. BEARD, Manager of Radio Station WJDX and Television Station WLBT, Jackson, Mississippi, for at least five years. Mr. SHOEMAKER said that he covers legal news stories in Jackson and does not recall BEARD ever being involved in any acts of physical violence. SHOEMAKER said he has never heard BEARD make any comments concerning former President JOHN F. KENNEDY or any other Government official. SHOEMAKER said BEARD was known to be strongly opposed to Communism and a number of conservative type speakers had appeared on the stations that BEARD manages.

SHOEMAKER said that he considered BEARD to be a smart businessman, interested in operating his stations and not one who would be involved in any violent act.

SHOEMAKER said that in his opinion he did not believe that BEARD would take any violent action against any Government official or other person or would be a party to same. SHOEMAKER said that he would consider it ridiculous to consider that BEARD would be involved in a plot to kill anyone.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960 edition of "The New York Times" newspaper contained a full-page advertisement captioned "What Is Really Happening in Cuba", placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. Charles A. Santos-Buch identified himself and Robert Taber as organizers of the FPCC. He also testified he and Taber obtained funds from the Cuban Government which were applied toward the cost of the aforementioned advertisement.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. However, during the past year this source observed there has been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that today their influence is negligible.

On May 20, 1963, a second source advised that the National Headquarters of the FPCC is located in Room 329 at 799 Broadway, New York City. According to this source, the position of National Office Director was created in the Fall of 1962 and was filled by Vincent "Ted" Lee, who now formulates FPCC policy. This source observed Lee has followed a course of entertaining and accepting the cooperation of many other organizations including the CP and the SWP when he has felt it would be to his personal benefit as well as the FPCC's. However, Lee has indicated to this source he has no intention of permitting FPCC policy to be determined by any other organization. Lee feels the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and support the right of Cubans to manage their revolution without interference from other nations, but not support the Cuban revolution per se.

The CP and the SWP have been designated pursuant to Executive Order 10450.

SCARCELLO states he recalls that early in April, he observed a young man on Rock Island train #16 from Kansas City to Minneapolis, who he believes to have been OSWALD. DETAILS:

On November 26, 1963, JAMES DYGERT, Reporter, "Pontiac Press", Pontiac, Michigan, daily newspaper, advised that he had attempted to interview one DAVID ELSILA concerning the Fair Play for Cuba Committee (FPCC) and concerning whether ELSILA was acquainted with LEE HARVEY OSWALD. DYGERT advised that ELSILA gave some answers that he, DYGERT, considered evasive concerning his knowledge of OSWALD. He advised, however, that ELSILA finally did tell him that he definitely did not know OSWALD personally.

A characterization of the FPCC is contained in the appendix hereto.

APPENDIX

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contained a full-page advertisement captioned "What Is Really Happening In Cuba," placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself and ROBERT TABER as organizers of the FPCC. He also testified he and TABER obtained funds from the Cuban Government which were applied toward the cost of the afore-mentioned advertisement.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. However, during the past year this source observed there has been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that today their influence is negligible.

On May 20, 1963, a second source advised that the National Headquarters of the FPCC is located in Room 329 at 799 Broadway, New York City. According to this source, the position of National Office Director was created in the Fall of 1962 and was filled by VINCENT "TED" LEE, who now formulates FPCC policy. This source observed LEE has followed a course of entertaining and accepting the cooperation of many other organizations including the CP and the SWP when he has felt it would be to his personal benefit as well as the FPCC's. However, LEE has indicated to this source he has no intention of permitting FPCC policy to be determined by any other organization. LEE feels the

FPCC should advocate resumption of diplomatic relations between Cuba and the United States and support the right of Cubans to manage their revolution without interference from other nations, but not support the Cuban revolution per se.

The CP and the SWP have been designated pursuant to Executive Order 10450.

Synopsis: CI T-1 advised GENE DAUGHRETY called JACK PAYTON in Houston, Texas, 11/24/63, and asked, "What do you think about the recent development in Texas?" EUGENE ALPHONSUS O'DOHERTY, 1167 South High Street, Columbus, Ohio, advised 11/25/63 he telephoned JACK PAYTON evening of 11/24/63 at Houston to discuss his possible employment by PAYTON. During course of conversation, he asked PAYTON what he thought of developments in Texas, meaning the assassination of President KENNEDY and the apprehension of OSWALD. He does not recall PAYTON's reply but believes it was along the lines of, "That's the worse thing that could happen to us in Texas." O'DOHERTY never heard of subject or JACK RUBY until their names were mentioned following the assassination. Information concerning miscellaneous telephone calls set out. Sgt. DONALD SWARTZ, Columbus, Ohio, P.D., advised 11/29/63 he received unverified information to the effect that subject attended Antioch College, Yellow Springs, Ohio, in 1957. COLUMBUS, OHIO, TO JACK PAYTON,
HOUSTON, TEXAS

CI T-1 advised on November 25, 1963, that GENE DAUGHRETY made a telephone call from Columbus, Ohio, telephone number 444-7231, which is located in a bar at 1312 South High Street, Columbus, Ohio, to JACK PAYTON, telephone number MA 3-6217, Houston, Texas, at 9:26 P.M. on November 24, 1963. CI T-1 was able to hear parts of the conversation as follows:

DAUGHRETY asked, "What do you think about the recent development in Texas?" PAYTON replied, "It is a good thing they got him before we were implicated."

CI T-1 advised that they then had a conversation about a "group" which was not clear to informant.

PAYTON then stated, "Our next move will be to get behind them so we can overthrow JOHNSON."

At another period in the conversation PAYTON said, "It's a good thing they think of him as an ultra-leftist."

Later PAYTON asked DAUGHRETY "What about the reaction from Moscow?" DAUGHRETY's reply was not heard. DAUGHRETY asked, "What about RUBEN?" PAYTON cut him off in the middle of a sentence, and said, "Remember, we have given our names."

DAUGHRETY advised PAYTON that he could be reached at his home telephone number 443-3491 after 10:00 P.M.

FEDERAL BUREAU OF INVESTIGATION
INTERVIEW REPORT

Date 12/2/63

EUGENE ALPHONSUS O'DOHERTY, 1167 South High Street, was advised that he did not have to make a statement and that any statement he did make could be used against him in a court of law. He was advised he had the right to an attorney. He furnished the following information:

O'DOHERTY advised that he has received education in Ireland, which would be considered slightly higher than a high school diploma in this country. He attended Murlog National School, Lifford County, Donegal; St. Columbs College, Derry City, County Derry; St. Eunans College, Letterkenny County, all Ireland. He advised that he has never been arrested either in the United States or any other country.

O'DOHERTY served in the Irish Army from August, 1934, to August, 1944, SN 74298, and received an Honorable Discharge with the rank of Private. He had held the rank of Sgt., but voluntarily had his rank reduced to private so that he might receive a Compassionate Discharge on the death of his mother. Following his discharge, until about 1946 or 1947, he held odd jobs in Ireland and then became self-employed as a photographer at 65 Sheil Road, Liverpool, England, under the business name of Corrib Photography.

He also was engaged during this period of time on a part-time basis as a driving instructor in Liverpool. He stated that for approximately one year before coming to the United States in 1962, he worked as a driving instructor with the O'Connell Bridge School of Motoring, Dublin, Ireland. Since June, 1963, he has been employed at Columbus, Ohio, as a driving instructor with the Motor Club of Columbus Driving School, 3422 E. Broad Street, and the Grove City School of Driver Education. This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

His only relatives in the United States are: brother, JOHN K. O'DOHERTY, 6611 W. North Avenue, Oak Park, Illinois, an insurance agent; brother, VINCENT JOSEPH O'DOHERTY, Columbus, Ohio; sister, Mrs. ELEANOR GLADYS CORSER, last known to reside at 1700 Kenwood Avenue, Austin, Texas.

O'DOHERTY holds Alien Registration Card No. A13105157. This card reveals that he was admitted to the United States as an immigrant on August 23, 1962 at the Port of New York City. This was his first entry into the United States and he has remained since that time on an immigrant visa issued by the American Embassy, Dublin, Ireland. He holds Ireland passport No. E259653, issued by the Irish Government on 6/26/62. He advised that he intends filing for U. S. citizenship upon the completion of two years required residence.

He stated that upon his arrival 8/23/62 at New York City, he immediately flew to Austin, Texas, to reside with his sister, Mrs. ELEANOR GLADYS CORSER, and he continued residence with this sister until he moved to Columbus, Ohio, in May, 1963, to reside with his brother, VINCENT JOSEPH O'DOHERTY, 1167 S. High Street. He stated that he came to Columbus from Austin for the purpose of finding permanent employment. He further advised that the above sister at Austin, Texas, was employed in a secretarial capacity with the Internal Revenue Service, Austin, but she recently changed jobs.

He further advised that while he was at Austin, he was employed intermittently as a photographer, beginning in October, 1962, and ending May, 1963, for JACK PAYTON, who operated the Rainbow Studios, San Antonio Highway, Austin, Texas. He stated that PAYTON also operated a business at Houston, Texas. O'DOHERTY estimates that he worked from ten weeks to

three months at Austin and approximately three weeks at Houston for PAYTON. He stated that PAYTON contracted with various department stores, such as Montgomery-Ward, on a percentage basis, to take pictures of their customers, principally children. He stated PAYTON's current address is P. O. Box 543, Bellaire, Houston, Texas.

O'DOHERTY described PAYTON as a strongly religious individual, who is a member of the Baptist faith. He stated that PAYTON goes to church twice on Sunday and usually carries a Bible with him at all times. He further advised that he thinks PAYTON is a member of the John Birch Society, but is not certain of this. He stated that PAYTON does possess a copy of the Blue Book of the John Birch Society and has often praised the Society in his presence. He further advised that PAYTON is strongly anti-Communist and once indicated to O'DOHERTY in conversation that he had engaged in picketing at some unknown place for an anti-Communist cause.

O'DOHERTY stated that PAYTON had expressed dissatisfaction with the U. S. policy toward Cuba and thought that this country should force on site inspection for missile sites of that country. He stated PAYTON was certain that President KENNEDY was no Communist but he felt that KENNEDY could have taken a stronger action toward Cuba. He is satisfied that PAYTON has never expressed any animosity whatever against President KENNEDY and has heard him state he would rather have President Kennedy as President than LYNDON JOHNSON. He never expressed any particular reasons for preferring KENNEDY over JOHNSON.

He further stated that PAYTON appeared to favor some of the things done by Major General EDWIN WALKER and other activities of General WALKER were not favored by PAYTON. He remembers that PAYTON expressed dissatisfaction with Major General WALKER making an appearance at Mississippi University, Oxford, Mississippi, during the racial trouble relating to getting Mr. MEREDITH into that school. PAYTON expressed the idea that this

was a foolish act on the part of Gen. WALKER. He does not believe that PAYTON did in anyway financially support Gen. WALKER.

O'DOHERTY further advised that he has never known PAYTON to own any type of firearms except a .22 caliber rifle which he used to shoot squirrels and snakes around his home at Austin. He stated that PAYTON is definitely not a man of violence and he cannot imagine him joining others in any form of violence. He stated he does not have any reason to believe that PAYTON is acquainted with or possesses any information regarding LEE HARVEY OSWALD and/or JACK RUBY. He further advised that he has no reason to believe that PAYTON is in any way connected with the assassination of President KENNEDY.

He stated he last saw PAYTON during May, 1963, when he, O'DOHERTY, came to Columbus. Shortly after his arrival in Columbus, O'DOHERTY wrote PAYTON one letter thanking him for the help which PAYTON had given him in the way of employment. He also telephoned PAYTON shortly after he started working in Columbus, to tell him that he had obtained a job here. He stated that PAYTON appeared to like him and was interested in knowing that he was getting along all right. He further advised that PAYTON had called him about a week ago (11/18/63), to ask if he was still employed and indicated that he was thinking of the Christmas photography business again. O'DOHERTY stated he had worked the previous Christmas season for PAYTON and it appeared to him that PAYTON desired to have him return to Texas to work during this Christmas season as a photographer.

O'DOHERTY volunteered that he telephoned PAYTON during the evening of 11/24/63, after 9:00 PM, to talk with him briefly and principally to let PAYTON know that he would not be coming to Texas for such Christmas employment. He stated that he had called PAYTON from a bar on S. High Street, a short distance from his brother's residence. He stated that he had intended to pay for this telephone call but the charges were reversed duning the call itself. He stated it was PAYTON's idea to reverse the charges when he learned that O'DOHERTY was still a driving instructor and apparently presumed that O'DOHERTY was not making much money. O'DOHERTY recalled that PAYTON brought up the facts that had been in the news regarding the assassination of President KENNEDY and PAYTON remarked that

it was an awful thing that had happened and it was the worse thing that could happen to them there in Texas. He stated that this was all that PAYTON said about the assassination and he talked the rest of the time about their work.

O'DOHERTY then was confronted by information in the possession of SA JOHNSON regarding his telephone call of 11/24/63, to JACK PAYTON at Houston, Texas. On being confronted with this information, O'DOHERTY advised that he asked PAYTON, "What do you think about the recent development in Texas?" He stated that he cannot recall the precise answer given to him by PAYTON but he believes it was along the lines of, "Thats the worse thing that could happen to us in Texas." SA JOHNSON confronted O'DOHERTY with the fact that it was believed that the answer given by PAYTON was, "It is a good thing they got him before we were implicated." O'DOHERTY replied to this by stating that he does not know now whether or not PAYTON made this statement in answer to his question but if he did make such a statement, PAYTON meant to convey the idea that it was a good thing that LEE HARVEY OSWALD was apprehended so that the "extreme right" to which PAYTON identified himself would not be blamed for the assassination of President KENNEDY. Such an answer by PAYTON did not convey the idea that it was a good thing that OSWALD himself had been murdered but rather that it was a good thing he had been apprehended so that it could be brought out that it was not the "extreme right" responsible for the assassination. He stated he is sure that PAYTON was not in anyway condoning the murder of OSWALD. He stated he does not recall any statement made by PAYTON nor himself during this telephone call to the effect that "It is a good thing they picked up him as a ultra-leftist."

O'DOHERTY then was confronted with the apparent statement made during this long distance call that, "Our next move will be to get behind them so we can overthrow JOHNSON." O'DOHERTY does not recall this specific statement having been made but does recall that PAYTON gave him the idea that he would have to get to work for the purpose of defeating President JOHNSON at the polls at the next election. He stated that PAYTON although an "extreme rightist" does affiliate himself with the Republican party during elections. It is his interpretation that PAYTON meant that they, the party, would have to get

moving to defeat JOHNSON at the next election. He is certain that PAYTON in no way intended to convey the idea that any violence or underhanded means would be used to defeat or overthrow President JOHNSON.

O'DOHERTY advised that there was some mention of Moscow papers and he explained that PAYTON had made the statement that the Moscow papers, "weren't long about coming out and trying to put the blame on the right wing." He denied that PAYTON had asked his reaction or the reaction in Moscow regarding this series of events in Dallas.

O'DOHERTY was questioned as to his desire to be informed by PAYTON and he explained that when he indicated he desired to be informed, he was speaking of possible employment during the Christmas season with PAYTON and he merely meant that he would like to be informed of such prospects.

O'DOHERTY admitted that they had discussed the name of RUBY and RUBENSTEIN during this long distance call and it is his recollection that he had asked PAYTON why it was that the paper called the killer of OSWALD by the name of RUBY while other newspapers called him RUBENSTEIN. PAYTON informed him that the newspapers there were using the name of RUBENSTEIN.

O'DOHERTY advised he does not recall during this long distance telephone call that PAYTON had cautioned him about mentioning any names because their own names had been mentioned in this call. He stated that there was no reason to use caution in the mentioning of any names because there was no plot or any other conversation of which they were ashamed. He stated that he gave his own name to the long distance operator at the end of the call and gave her his correct name.

O'DOHERTY advised that he is not connected in anyway with JACK PAYTON or any group with which PAYTON may be affiliated. He stated that you have to know PAYTON to know how he constantly talks anti-Communistic and about his religion.

O'DOHERTY advised that he himself does not belong to any organization of any kind here or abroad. He stated that he does not in anyway support any organization or group of any kind.

He stated he is sympathetic with the Irish Republican Movement, which consists of people who are working for a United Ireland by peaceful means. He stated that this Movement is not identical to the Irish Republican Army. One of the purposes of the Movement was as a charity to assist the dependents of all prisoners, that is political prisoners, including those of the IRA. He stated that he was a member of the Irish Republican Movement while he lived in Ireland for a period of 5 or 6 years, until he resigned shortly before he applied for his American visa to come to this country. He stated that he was a member of the political wing of this Movement known as "Sinn Fein." He stated that his affiliation and resignation relating to this organization is also set forth in his immigration file. He stated he was never involved in any violence regarding such affiliation and never carried any arms or other means of destruction. In fact, the Sinn Fein paper called the "United Irishmen" made clear that they did not support violence. He stated that the activities of the Movement were strictly political in nature. He advised that this was one of the reasons that he came to the U.S. in the first place and that was to get away from political activity in Ireland and also to be with his widowed sister in Austin, Texas.

O'DOHERTY stated that around March or April, 1963, out of curiosity and an interest to meet him, he went alone to see Major Gen. EDWIN WALKER at Dallas, Texas. He stated he was interested to find out why Gen. WALKER had forced integration at Little Rock, Arkansas, as the Commanding Officer of the armed troops and then so strongly opposed integration at Oxford, Mississippi. He stated he could not understand this contradictory stand on the part of Gen. WALKER. He stated he was not a follower or sympathizer of WALKER but was more curious and interested in him as an individual as stated above. He stated that he saw Gen. WALKER at his home during this visit and interviewed him for approximately 1½ hours. He stated that he hoped to obtain a story from Gen. WALKER for publication and that it might even be published in Ireland. He stated that he went to the Columbus Dispatch, Columbus, Ohio, shortly after he arrived in Columbus, in 5/63, and tried to sell the story of his interview with Gen. WALKER. He stated the Dispatch did not buy this story because they insisted on the right to edit the story while Gen. WALKER had insisted that the question and

answer type story go in verbatim.

O'DOHERTY advised that not only does he not consider himself in anyway a supporter or follower of Gen. WALKER, but that he is not a supporter or sympathizer of the John Birch Society and again repeated that he is not interested in any group. He further advised that he is not anti-Negro or anti-Semitic. He admitted that he has stated in conversations that he is against "forced integration" but is in favor of integration itself. He claimed that he has no strong feelings on integration.

O'DOHERTY stated that he has never heard and never knew LEE HARVEY OSWALD and/or JACK RUBY until their names were mentioned following the assassination of President KENNEDY. He stated that he knows nothing whatsoever relating to the assassination except what he has received through the news media. He stated that he has no theories who may be involved with the assassination. He further advised that he and PAYTON never discussed the assassination except after it was committed and as stated above, during their long distance telephone call on 11/24/63. He stated that he was shocked at this action as were other people and that he strongly condemns such action as this. He stated he would never in anyway support such acts of violence and would come forth voluntarily and furnish information to the authorities if he possessed any facts regarding the assassination. He stated that he was never in Dallas, Texas, for any visit, except the one mentioned above during March or April, 1963, for the short visit with Major Gen. WALKER.

O'DOHERTY stated he has never made the statement that President KENNEDY was a Communist and never mentioned that he in anyway favored the assassination of President KENNEDY. He stated that he would not think of saying that he was in favor of assassination of any American President. He stated that he held no animosity toward KENNEDY nor does he hold any animosity towards President JOHNSON.

Colonel WILBUR R. CARTER, United States Air Force Retired, advised SA RICHARD B. INFORMATION REGARDING OSWALD'S POSSIBLE ATTENDANCE AT ANTIOCH COLLEGE, YELLOW SPRINGS, OHIO

Sgt. DONALD SWARTZ, Intelligence Unit, Columbus, Ohio, Police Department, advised on November 29, 1963, he has received the following unverified information from a source he declined to identify:

LEE HARVEY OSWALD allegedly attended Antioch College, Yellow Springs, Ohio, using his true name for a short period of time in 1957 and was dismissed because he was unable to prove his graduation from high school.

OSWALD had lived c/o MICHAEL PAINE and wife, RUTH PAINE, nee HYDE, Irving, Texas. RUTH HYDE is a graduate, Class of 1955, of Antioch College. Her parents were identified as WILLIAM A. HYDE and CAROL E. HYDE.

SWARTZ stated his inquiries at Columbus show WILLIAM A. HYDE, Actuary, Farm Bureau, (now Nationwide) Insurance Company, 246 N. High Street, Columbus, residence 580 N. Park Street, Apartment 105, Columbus, Ohio. A divorce was granted to WILLIAM A. HYDE from CAROL E. HYDE, Franklin County, Columbus, 1961. The couple had three children not identified.

Previous address for WILLIAM A. HYDE is 4400 Glenmawr Ave., about 1961, also 1968 Summit Ave., date not known and 115 Glenmawr, 1940, all Columbus, Ohio.

RUTH PAINE, nee HYDE, reportedly has a brother, CARL D. HYDE, dob 12/30/37, residing 125 E. Davis St., Yellow Springs, Ohio. He is a Doctor at Dayton Hospital, Dayton, Ohio, and is married to LORENA. He previously resided 1198 Selden, Detroit, Michigan.

The November 30, 1963, issue of the "Columbus Citizen Journal" carries a front page story captioned, "Mrs. OSWALD's Pal, Ex-Local Woman."

This article is based on a long distance telephone interview made November 29, 1963, by Reporter JOHN DEPKE with Mrs. RUTH HYDE PAINE, Irving, Texas.

The article states that Mrs. PAINE and OSWALD's wife, Mrs. MARINA OSWALD, were together watching TV in Mrs. PAINE's home on November 22, 1963, when President KENNEDY was assassinated. The article states that Mrs. PAINE was contacted by the police following the assassination, that her home was searched, and the fact that she had furnished authorities with facts of her knowledge of the relationship with LEE OSWALD.

It is stated in the article that Mrs. PAINE graduated in 1949 from University High School, Columbus, Ohio, and later attended Antioch College.

Mrs. PAINE's father, WILLIAM HYDE, is an official of Nationwide Insurance Company, Columbus, Ohio.

SA ROBERT H. BERTKE determined on November 30, 1963, that records of Antioch College would not be available until December 2, 1963.

Mr. WILLIAM WARREN, Associate Dean of Students, Antioch College, Yellow Springs, Ohio, advised SA BERNARD D. MALONEY on December 2, 1963, that review of his records fails to reflect LEE HARVEY OSWALD had ever attended this college, made application, or known to have inquired at the college for application.

Mr. WARREN said that his records reflect RUTH AVERY HYDE attended Antioch College from October 31, 1949, until June 25, 1955, when she received a Bachelor of Arts Degree with major in Education. He explained that Antioch College is a Co-operative School in which the students are on the campus for academic purposes for a period of three months and then are placed at various employments

in conjunction with their academic endeavors. In this way, a student will normally take five years to obtain a degree in a specialized field. His records reflect HYDE was born September 3, 1932, New York, New York, of parents, Mr. and Mrs. WILLIAM A. HYDE, 1986 Summit Street, Columbus, Ohio. During her attendance at Antioch, she was employed as follows:

Jewish Community Center, Indianapolis, Indiana,
January 2, 1950, to March 31, 1950;

Downtown Community School, New York City,
October, 1951, to January, 1952, and
March 31, 1952, to May 29, 1952;

Jewish Center, Columbus, Ohio, and City Recreation,
Columbus, Ohio,
October 31, 1952, to December 19, 1952;

Mad River Township Schools, Dayton, Ohio,
September 8, 1953, to October 23, 1953,
and January 4, 1954, to March 5, 1954;

American Friends Service Committee,
Summer Study Tour,
June 25, 1954 to August 4, 1954;

YMHA and YWHA, Philadelphia, Pennsylvania, and
American Friends Service Committee,
August 23, 1954, to May 31, 1955.

Mr. WARREN said that, according to the school records, RUTH HYDE had married MICHAEL R. PAINE and was last known to be residing at 2515 W. 5th Street, Irving, Texas, as of October 3, 1959. He said he has determined that all mail sent to this address from that date has not been returned and they have received no change of address for her.

REMIGIO AGUILAR is a prominent married businessman in Mexicali and was, according to TUBACH, involved in an extra-marital affair with NORMA GUTIERREZ. It is noted that IRMA GUTIERREZ and MARIA LUISA GARCIA SILVA are also citizens of Mexico and residents of Mexicali. It is not believed that interview of the above Mexican nationals should be conducted at this time in this case. No lead is being set out to conduct any investigation in Mexicali at this time UACB. Investigation in Mexico could result in some possible embarrassment to the Bureau. The Bureau is aware that an interview of this nature in Mexico would require the presence of Mexican Police authorities which might cause considerable embarrassment to the Mexican nationals being interviewed.

Synopsis:

Immigration and Naturalization Service, Calexico, California, made available an anonymous letter indicating that "JACK who killed the assassin of your President" has acquaintances in Brawley, California. EDUARDO TUBACH, mentioned in anonymous letter, considers the letter to be a "spite" letter.

DETAILS: BACKGROUND ON JACK RUBY

On November 27, 1963, ROBERT L. WELSH, Immigration Inspector, Acting Officer in Charge, United States Immigration and Naturalization Service (INS), Calexico, California, advised that an anonymous letter in the Spanish language had been received that morning which indicated that "JACK" had bet with individuals in Mexicali, B. C., Mexico.

Mr. WELCH made available the letter and a translation thereof which had been made by LINDA M. MONTOYA, Clerk-Typist. This translation was as follows:

Lloyd E. Horal

Mexico "Do you want to know who killed your President. Interrogate these persons: REMIGIO AGUILAR, EDUARDO TUBACH, LLOY HORAL. These last ones are from Brawley, California. NORMA GUTIERREZ, MARIA LUISA GARCIA SILVA, IRMA GUTIERREZ. These I think are immigrated. Mexico At the house of Mr. REMIGIO they held their meetings and they are sure that this JACK who killed the assassin of your President for fear that he would talk. above-mentioned held. We hope you will interrogate them. It will be very easy because the girls are threatened with death. All the Mexican names live in Mexicali, B. C., Mexico. REMIGIO AGUILAR is very well known and he can inform you where the rest live. We hope this will serve you some information."

FD-302 (Rev. 1-21-60) FEDERAL BUREAU OF INVESTIGATION

Date December 4, 1963

EDUARDO TUBACH, Rancher, 152 G Street, Brawley, California, advised Agents of the Federal Bureau of Investigation that all persons mentioned in the letter were known to him. He identified REMIGIO AGUILAR as the owner of the major cattle shipping yards in Mexicali, LLOYD E. HORAL as one of his foremen in his ranching enterprises, and himself as a rancher doing business as Edward Tubach Ranches, Imperial County, California.

TUBACH stated NORMA GUTIERREZ was a "girlfriend" of AGUILAR; that IRMA GUTIERREZ was the "girlfriend" of HORAL; and that MARIA LUISA GARCIA SILVA was his "girlfriend". IRMA GUTIERREZ and NORMA GUTIERREZ are sisters.

TUBACH stated that HORAL commenced to visit Mexicali frequently about six or seven years ago. He eventually became acquainted with SILVIA GARCIA VIRGENES in Mexicali and resided with her from time to time in a common-law relationship.

Approximately four years ago, TUBACH commenced visits to Mexicali where he rented an apartment near the corner of Avenida Compuertas and Calzado Justo Sierra. He had met MARIA LUISA GARCIA SILVA, and they resided in the apartment as man and wife. NORMA GUTIERREZ resided in the next apartment, and about a year ago he became acquainted with AGUILAR who visited her with regularity. At about that time, HORAL, through NORMA GUTIERREZ and MARIA LUISA GARCIA SILVA, became acquainted with IRMA GUTIERREZ. He dropped SILVIA GARCIA VIRGENES and commenced a relationship with IRMA GUTIERREZ.

This angered SILVIA GARCIA VIRGENES who threatened to have both TUBACH and HORAL arrested and expelled from Mexico. Both had been visiting Mexicali without proper documents. She also threatened to cause them other unstated embarrassments.

TUBACH said all the above were known, one to the other. On rare occasions, they would all be at the apartments, but not together. He could recall only one occasion when they all dined together. He denied knowing JACK.

On 12/3/63 at Brawley, California File # SD 44-251

SA JAMES W. PRICE and
SA ARNOLD C. BOLDT/pt 12/4/63

TUBACH said he assumed that the JACK mentioned in the letter was JACK RUBY of Dallas, Texas; however, JACK RUBY is unknown to him personally, and the only information he possesses concerning RUBY is that which came to his attention through news media as a result of the President's assassination.

TUBACH specifically denied having ever met with JACK RUBY or having anything whatsoever to do with the assassination of the President or the subsequent killing of LEE HARVEY OSWALD.

SHE ESTIMATED THERE WERE FIVE HUNDRED WORDS TO A PAGE FOR A TOTAL OF FIVE THOUSAND WORDS. HE HAD HIS NOTES IN A MANILLA ENVELOPE ABOUT TEN INCHES BY ELEVEN INCHES IN SIZE. SHE ESTIMATES THAT SHE TYPED ABOUT ONE THIRD OF HIS NOTES. MOST OF THE MATERIAL WAS ABOUT HIS DAY TO DAY EXPERIENCES AND PEOPLE HE MET AND STATEMENTS MADE BY THEM. ALL OF IT WAS CRITICAL OF RUSSIA AND SET OUT SUCH STATEMENTS AS LONG WORK DAY, POOR FOOD AND NO VACATIONS.

OSWALD TALKED VERY LITTLE WHILE IN HER OFFICE AND CONFINED IT MOSTLY TO INTERPRETING HIS NOTES. HE DID MENTION WHILE WORKING IN A FACTORY IN MINSK HE MET AND MARRIED HIS WIFE.

AFTER ABOUT TWO YEARS HE DECIDED TO RETURN TO U. S. AND IT WAS A YEAR BEFORE THE RUSSIAN GOVERNMENT WOULD AGREE FOR HIM TO TAKE HIS WIFE WITH HIM TO THE U. S. HE WAS BITTER TOWARD RUSSIA FOR THIS DELAY. BATES ASKED HIM WHY HE WENT TO RUSSIA. HE STATED HE TOOK AN ELEMENTARY COURSE IN RUSSIAN LANGUAGE AND BECAME INTERESTED IN GOING TO RUSSIA TO SEE WHAT THE ACTUAL LIVING CONDITIONS WERE LIKE IN THAT COUNTRY. AT ONE TIME HE ALSO TOLD HER HE HAD BEEN IN THE U.S. MARINE CORPS FOR TWO YEARS.

AFTER TYPING THE TEN PAGES SHE TOLD HIM SHE HAD TYPED TEN DOLLARS WORTH OF MATERIAL AND WOULD BE GLAD TO TYPE THE REMAINDER OF HIS NOTES ON CREDIT. HE WAS NOT AGREEABLE TO THIS AND PICKED UP HIS NOTES AND TYPED PAGES, PAID HER WITH A TEN DOLLAR BILL AND LEFT. HE NEVER RETURNED.

AFTER TYPING THE NOTES, SHE MENTIONED THIS TO HER FRIEND, CAROLINE HAMILTON, WHO IS A REPORTER FOR THE FORT WORTH PRESS. LATER, HAMILTON TOLD HER HER PAPER HAD TRIED UNSUCCESSFULLY

TO CONTACT LEE OSWALD REGARDING HIS DIARY. AFTER PRESIDENT KENNEDY WAS ASSASSINATED SHE WAS CONTACTED BY CAROLINE HAMILTON. THIS WAS THE FIRST TIME SHE HAD TIED UP LEE OSWALD WITH THE ASSASSINATION.

ON AFTERNOON OF NOV. TWENTYNINE LAST, SHE HAD A RECORDED INTERVIEW WITH THE TV NETWORK IN HER OFFICE. SHE POINTED OUT THE STORY BY CAROLINE HAMILTON WHICH APPEARED IN THE FORT WORTH PRESS ON NOV. TWENTYNINE LAST, IS CORRECT IN EVERY DETAIL WITH THE EXCEPTION THAT LEE OSWALD NEVER STATED HE WAS WORKING FOR THE U.S. STATE DEPARTMENT. SHE EXPLAINED LEE OSWALD STATED THE STATE DEPARTMENT WAS RELUCTANT TO GIVE HIM A VISA AND TOLD HIM HE WOULD BE ON HIS OWN WHILE IN RUSSIA. FROM THIS STATEMENT SHE AT FIRST ASSUMED HE WAS WORKING WITH THE STATE DEPARTMENT BUT LATER REALIZED HER ASSUMPTION WAS WRONG.

ABOUT THREE THIRTY PM, OV. TWENTYNINE LAST, SHE RECEIVED A PHONE CALL AT HER OFFICE FROM A WOMAN WHO STATED SHE WAS MRS. OSWALD, MOTHER OF LEE OSWALD. MRS. OSWALD STATED "I CANNOT TELL YOU WHERE I AM BECAUSE I AM UNDER TIGHT SECURITY.

"I HEARD AN INTERVIEW OF YOU ON THE RADIO REGARDING TYPING LEE/S DIARY. "I REMEMBER HIM SAYING HE HAD A PUBLIC STENOGRAPHER TYPE SOME OF HIS NOTES. "I WISH YOU WOULDN"T TALK WITH ANYONE ABOUT THIS UNTIL I CAN TALK WITH YOU, OTHERWISE YOU MAY HURT HIS WIDOW AND CHILDREN." BATES STATED SHE EXPLAINED TO MRS. OSWALD SHE HAD ALREADY BEEN INTERVIEWED BY TV NETWORK AND HAD RECEIVED ALMOST ONE HUNDRED TELEPHONE CALLS FROM THE NEWS FROM ALL OVER U. S. SHE ALSO POINTED OUT THERE WAS NOTHING OF A DEROGATORY NATURE IN ANY OF HER STATEMENTS TO THE PRESS AND TV PEOPLE. MRS. OSWALD NEVER MENTIONED IF SHE KNEW WHERE THE DIARY MIGHT BE LOCATED.

BATES STATED LEE OSWALD WAS A VERY NERVOUS INDIVIDUAL AND PACED UP AND DOWN IN HER OFFICE. HE MOVED VERY QUICKLY IN ALL HIS ACTIONS AND HE WALKED AT A VERY FAST PACE. HE IMPRESSED HER AS BEING VERY ALERT IN HIS MENTAL PROCESSES. BATES STATED SHE DID NOT KEEP ANY NOTES ON THE MATERIAL SHE TYPED AND EVERYTHING IS FROM MEMORY, EXCEPT THE DATES ON WHICH SHE TYPED THE MATERIAL.

IP 105-3399

DETAILS:

Captain WILL FRITZ, Homicide Detail, Dallas Police Department, Dallas, Texas, advised Lieutenant BOHART, of his detail, received a telephone call from one EDGAR REIBER, 128 South Illinois, Indianapolis, Indiana. REIBER claimed he met OSWALD about two months ago in Indianapolis and that OSWALD wanted REIBER to go to Russia and that REIBER would be well paid.

On November 27, 1963, the following investigation was conducted by SAs THOMAS M. SEASE, JR., and PATRICK J. FLETCHER at Indianapolis, Indiana:

EDGAR JOHN REIBER, also known as JAMES SCHNEIDER, was located at the Langley Hotel, 219½ South Illinois, Indianapolis.

REIBER advised he made a telephone call to the Dallas Police Department November 25, 1963.

REIBER stated OSWALD was in a restaurant near the hotel on South Illinois about one and one-half months ago. He claimed OSWALD asked him to buy him a cup of coffee, which he agreed to, and, further, bought him food and gave him $2 to rent a room in the Hotel Langley. He advised OSWALD rented Room 6 at this hotel.

REIBER advised he was with OSWALD one hour. The only conversation between the two was to the effect OSWALD asked him if he would like to be Communist, to which REIBER replied, "No." REIBER claimed he had no other conversation with OSWALD and did not ask where OSWALD was from.

REIBER was questioned as to how he knew this was OSWALD. He stated pictures in the newspapers of OSWALD look like him; but he advised OSWALD never identified himself to him.

REIBER, during this interview, denied OSWALD asked him to go to Russia.

A check of the register at the Langley Hotel, 219½ South Illinois Street, failed to reveal any registration for OSWALD under his true name or any known aliases.

WILSON DRUM, night clerk at the Langley Hotel, advised Room 6 has been a kitchen for over nine months.

JOHN GOINS, former night clerk at the above hotel, advised he cannot recall OSWALD and denied ever telling EDGAR JOHN REIBER that OSWALD had Room 6.

BOBBY FACCONE, owner of a bar located at 128 South Illinois Street, advised REIBER made a telephone call from his bar on November 25, 1963. He stated REIBER had been drinking heavily at the time he made this call. FACCONE further advised that REIBER is an individual who, if told something is true though false, begins to believe same is true; thereafter, when drinking, REIBER will attribute all the information to himself as the source. According to FACCONE, REIBER made the statement to him after making the above telephone call that he (REIBER) would be on television and in newspapers.

Records of the Indianapolis Police Department reflect that EDGAR JOHN REIBER, born September 9, 1928, was arrested August 12, 1963, as drunk; judgment withheld.

I, Marina Oswald, verify that letter which was shown to me by Agent Levan Ilych Gopadze, who is working for the Secret Service of the Government of the United States of America, is the letter which was written by my deceased husband Lee Oswald. This letter was written on Neely Street, Dallas, Texas, prior to his departure to New Orleans. For the proper understanding the contents of this letter I will try to write in proper Russian language.

"(1) This key for the Post Office Box in the Main Post Office which is located in the city on Ervay Street on the same street where the drug store where we always have met, 4 blocks from the drug store on the same street is located the Post Office. There you will find our box. I paid for the box last month so don't worry.

(2) Send the information to the consulate what happened to me and also get clippings from the newspapers (if the newspapers will write anything about me). I think that the consulate will help you faster if they will learn everything.

(3) I paid for the house on the 2nd, so don't worry about it.

(4) I have recently paid for the water and gas.

(5) Perhaps that my wages from the work also will be forthcoming. They will send it (the money) to our Post Office Box. Go to the bank where you will change the check for cash.

(6) My clothes, etc. you can throw away or give away. Do not keep it. My personal papers (military, working papers, etc.) I prefer that you keep.

(7) Several of my documents located in the small blue suitcase.

(8) My address book is located on my table in my room if you want it.

(9) Here we have friends and Red Cross who will also help you.

(10) I left you money as much as I could, $60 on second and you and June could exist on $10 a week for two months more.

(11) If I am still alive and will be taken to the city prison, the prison is located at the end of the bridge through which we always travel to the city (in the beginning of the city immediately after the bridge)."

This letter was found by me in the evening of the same day when attempted assassination was made on the person by the name of Walker. Late that night when he (Lee) came home he confessed to me that he shot this person, he was very nervous and refused to answer any questions asked by me but said only that this person is head of the fascist organization and

had better be gotten rid of. This letter I did not destroy for the purpose of having evidence in case my husband in the event he will repeat the same thing. He promised me that he would not repeat the same thing. That was the main reason why I insisted for him to go to some other town, for instance in New Orleans. I did not report about this matter to the police on the account of personal feeling toward my husband and also wanted to save my family.

Everything that I have wrote is the truth.

Это письмо написано на Neely Street, Даллас, Техас до его отъезда в Нов. Орлеан. Для правильной передачи содержания этого письма постараюсь написать его правильно по-русски.

1) Этот ящик от почтового ящика на главном почтамте, который находится в городе на улице "Ервай", на той же улице где аптека, у которой мы всегда встречались четыре блока от аптеки на этой улице находится почтамт. 3) Я заплатил за дом на 2 месяца, так что не переживай об этом.

4) За воду и газ тоже платил недавно.

5) Возможно, что деньги с работы будут. Они пришлют на наш счёт на почтамте. Пойдешь в банк и поменяешь так на деньги.

6) Мои одежду и т.п. ты можешь выбросить или сжечь, не сохраняй их.
Но мои личные думаю (военные, заводские и т.д.) я предполагаю, чтобы так держали.

11) Если я жив и взят в городскую тюрьму, ~~которая находится~~ то городская тюрьма находится на конце того моста, через который ты всегда ехала в город. (самое начало города сразу через мост.)

Это письмо было найдено мною вечером того дня когда было совершено покушение на человека по имени Вокер. Тогда вечером, когда он пришел домой, то сознался мне, что он стрелял в этого человека, был очень взволнован и не отвечал на вопросы, предложенные мною. Только сказал, что этот человек возглавляет фашистскую организацию и будет об него избавиться. Это письмо я не уничтожила, чтоб иметь улику против моего мужа, если он он захочет повторить подлость. Он обещал мне, что такое более не повторится и это было основной причиной, почему я настаивала уехать в другой город, например в Нов Орлеан. Я не сообщила об этом полиции из-за моих естественных чувств к мужу, я хотела сохранить семью. Все что я написала здесь — правда.

LEE HARVEY OSWALD

On December 6, 1963, TED C. BLAND, residence address 514 McKenzie Street, Hillsboro, Texas, advised that he left Hillsboro, Texas, on Wednesday, exact date believed by him to be September 25, 1963, in his 1956 yellow and black Cadillac sedan and drove to Laredo, Texas. He advised that on the following day, September 26, 1963, he attempted to cross the border into Mexico but had a .22 rifle in his car at the time and as a result of this he spent from approximately 11:00 a.m. until about 1:00 p.m. on that date, September 26, 1963, in completing his arrangements to cross into Mexico. He explained by stating that he was sent from Mexican Customs to a representative of the Mexican Army in Nuevo Laredo who sent him back across the river to Laredo, Texas, where he contacted the Mexican Consul. He advised that he recontacted American Customs at Laredo, Texas, and finally contacted a gun dealer at Laredo, Texas, whom he paid $2 to ship the rifle back to him at Hillsboro, Texas. He advised that he finally crossed into Mexico about 1:00 p.m. and then drove straight to Monterrey, Mexico. He advised that he remembered being passed on the road by a young man driving a late model red Chevrolet automobile. He advised that he had no further description of this man or the car, however. He stated during the time he was crossing the border and making arrangements to cross, he did not remember having seen any individual who resembled OSWALD's photograph. He stated that in fact he did not recall many people being engaged in crossing into Mexico on that date and had no clear recollection of any individual so involved.

LEE HARVEY OSWALD

R. P. "BOB" SANCHEZ, Attorney at Law, 223 South 17th Street, McAllen, Texas, furnished the following information:

"The recent tragedy which met our President and consequently the entire free world has, I am sure, been the topic of conversation among people of all social, economic and intellectual levels. Curiosity seekers have probably had a field day speculating beyond the published news on how the assassination occurred and how the accused assassin, LEE HARVEY OSWELD, operated. Moreover, many have wondered if OSWALD had accomplices, feeling that while OSWALD apparently met an untimely retribution, those who might have worked with him are apparently still at large.

"A news release, whether accurate or not, reporting that the Federal Bureau of Investigation had announced that OSWALD was operating alone and that he did not have any accomplices, stirred me to contact the FBI to report a very interesting and I might say startling piece of information regarding the assassination.

"A small group of people in an American city of the U.S.-Mexico border have, through the years, originated a so-called 'Institute of Phychorientology.' They have through many painstaking hours developed 'psychic operators' who, through psychic conditioning have developed extra sensory perception or super normal perception whereby they are able to perceive and disseminate information other than through normal or objective senses and yet produce information that has objective reality. They like to call this process 'clairvoyance' although they are aware that such term had a different and much less serious connotation sometime ago.

"using the process I have described above these operators first started to diagnose or

COPIES DESTROYED 44 FEB 1 1973

"perceive maladies, malfunctions or physical faults or injuries contained in the human body. They are now even able to exercise therapeutic functions or processes whereby their work can have a curative effect on the human body. A brother of mine became interested and acquainted with this group of people and when they found out to their dismay that what they were doing was contrary to established medical practice and further found out that the Medical Association was beginning to frown upon their practices, though they were not wide spread, they approached me, through my brother, for legal counseling or orientation.

"About their ability to 'read' the human body there is absolutely no question in my mind or in the mind of any body whom they have actually examined. They were able to tell me the injuries I sustained even when I was a child and all about my present physical condition. I learned some things that I was not entirely aware of myself.

"To add a somewhat more official or formal character to this whole thing I should state here that I personally discussed the work these people are doing with a graduate student in this whole field at Duke University, the foremost cultural center in our country today in this field, and he personally told me that there was absolutely no question in his mind but that these pleope did have the power to do what I have described. He said that only one other human being in the world was able to do what these people are doing. I believe he said this individual lived in North Carolina, but I am not sure. He did say one thing however; he said that the fellow in North Carolina, while able to perform in this manner, was not able to transfer his abilities or his power to someone else and that this group of people apparently is able to do so; therefore they are training others, among their group, to do exactly what they are able to do.

"Recently a Dr. BANERJEE from India, a luminary personality in this field, made a talk in San Antonio, Texas and after conferring with the group of people I represent was alsc convinced that this is the only group of people in the whole world that can do this. I believe he gave them a letter of commendation, and told them, by the way, that the Russians are far ahead of us in this field.

"To take this matter one step further, this group of people is now experimenting on their ability to exercise mental projection in the present and in the past. By such process they are able to recreate past notable events and perhaps even perceive into the future. This process is again carried out by having one of their operators get into a mental state of semi-conscious or semi-sleep whereby the operator, with eyes closed, is still in full control of his faculties and is able to talk and thereby answer the questions of another operator who seeks the information desired.

"It is through this process exactly that these psychic operators have, apparently, been able to turn up with some information leading strongly to the belief that OSWALD had accomplices in the assassination of President KENNEDY. One note of caution should be exercised here and that is, as they have definitely told me, that they are not yet able to tell whether or not their operator, while in the special state of mind or 'trance,' if we may call it that, is from time to time getting in and out of such special state of mind whereby at some times he or she is producing true or concrete information and at other times, while not in the special state of mind, is not producing accurate or true information. They tell me very clearly that they have apparently not reached the state of perfection in their mental process whereby they can produce correct information 100% of the time.

"At any rate I sat in on one of their two experiments on the President KENNEDY assassination and they produced the following information which, to be sure, is largely fragmentary but I am convinced that with further study and better preparation of the operator who is doing the questioning, more concrete and more exact information could be produced. The operator doing the questioning and developing the information that follows was not very well organized in point of developing the story from its proper beginning and in chronological sequence of events. If he had done so they now admit that they could have developed better and more concrete information. Consequently, as I made my notes I found it very difficult to organize a complete picture but I will try to rearrange my notes as I report them here.

"The best starting point, I believe, is back during the period when OSWALD was training. The operator in trance claims that OSWALD trained extensively in Latin America. That he trained to use a rifle and trained to do many other things. If I had been doing the questioning I would have wanted to distinguish between OSWALD's Marine Corps training and the training that the operator was speaking about, but it became pretty clear to me that what the operator was speaking about was not the Marine Corps training but special training with some sort of Communist oriented group in Latin America. As the operator put it, OSWALD became very proficient with a rifle and with other things.

"We will now discuss a meeting which the operator claims was held on the 19th; I presume it was November 19, in New York. The operator claims that OSWALD had to drive for about four hours to a point somewhere north of Dallas to a private landing strip where he was picked up by a private airplane and taken to a place near New York City or just New York, as they put it. On the matter or producing the identification number on the airplane the operator seemed to come out very clearly with it, UN674. The plane

"is said to have landed somewhere in New York away from the city at another landing strip where there was a little garage or some type of garage like building. A long black car took OSWALD to a hotel in the downtown section and the operator had very much difficulty in producing the license number of the car. About the only thing that the operator could do was produce the last two numbers which appeared to be 16. The operator said that four men held a meeting on the 19th in a hotel and the operator had very much difficulty in producing the name of the hotel. In an attempt to read the name from the sign sitting on top of the hotel, they turned up with something like the following 'Calverence Hotel'. Like I say, the operator did not appear to be very exact on this score.

"The leader of the group of four men is a tall man who wears glasses and who has some sort of accent and he has used the name, G. H. WALTER, GEO. WALKER and H. G. WALLER. The operator, after giving all three variations of the name, tnen kept using the name WALLER all along so I am inclined to think that the real name is WALLER. He is said to work in a government building around three miles or more away from the White House. It is a good size building with two sets of steps in front of it but the operator was not able to produce the name of the building or its address. There was also no success in producing the phone number of the building because the operator in trance was not properly questioned on how one could call into the building. The said operator was concentrating on telephones inside the building which apparently have extension numbers rather than the full telephone number. The operator did say that some extension number in the building and in the office where WALLER works, I believe, appears to have the designation, 62. The operator was much more exact and clear on the residence address of WALLER. It appears to be 236 Walnut. The operator also turned up with the information that WALLER is married, was asleep in a fancy

"bedroom at the moment of our experiment, and has a wife and two kids the oldest of whom is a boy and is between 8 and 12 years old. WALLER works for a high government official who is not aware that WALLER is a Communist agent. WALLER gets information from this government official but without the knowledge of the latter.

"The assassination plot was discussed at this meeting on the 19th in New York and OSWALD was said to volunteer for the actual carrying out of the killing. One of the men there went to San Antonio and made a treatening call but the operator did not seem clear on why he made the threatening call in San Antonio. Another man stayed in New York overnight and it is believed that WALLER returned to Washington. OSWALD returned to Dallas and at the proper time took his position in the building from where he fired the fatal shots.

"The operator was made to look through the telescopic sight of the rifle OSWALD used and reported that OSWALD was first aiming at the forehead of the President and that he intended to kill him with one shot. As he fired and missed the head hitting the neck he became angry and then fired at Governor CONNALLY although he at first did not intend to even shoot at CONNALLY. Then the operator says that he fired a third shot at the right temple of the President and hit perfectly well. The operator then reports that OSWALD started to leave the room from where he fired and as he was leaving the room he was rubbing off some wax which he had put on his fingers. OSWALD at first had thought that he would leave through the back exit of the building but then changed his mind thinking that if he should be caught leaving through the back it would cause suspicion so he then decided to leave the building through the front, and did so. The operator reports that OSWALD had some pills with him, apparently some type of sedative pills; that he took one pill before the shooting and four or five after the shooting. The operator described

"some of the scenes and businesses that OSWALD was passing through or passing by as he walked away from the scene of the crime. One of those, I believe, was a pet shop. The operator described OSWALD taking a bus but did not say anything about a taxi. Then the operator traced him to a movie theater and when asked what kind of movie was playing the operator had much difficulty in determining because, as she put it, (the operator in trance was a female), OSWALD was not even looking at the movie. Then the operator did say that it was a movie where there was a lot of shooting going on. Oh yes, when OSWALD found out that the President had not died immediately but had lived half an hour or an hour he became angry. He wanted to hear the report that he had died instantly.

"The operator then reported that OSWALD was not directed from Russia and that 'NIKITA', as she put it, was not connected with the assassination at all and had no knowledge of it. She said that there are many or various groups operating and that many times they just act on their own. Oh yes, the leader of the group, WALLER, and I believe OSWALD too, are said to have been angry at the President because of some sort of congressional bill that the President was backing. There was no further probing into this aspect by the questioning operator.

"As to what WALLER can expect out of all this she reported that he would expect a promotion or even some money along with it but that as of that moment, November 27 in the evening, it was not yet determined whether WALLER would be rewarded because they would have to wait to see whether their plot was a complete success.

"About JACK RUBY, the operator produced the following. Sometime ago JACK RUBY had an anti-American feeling but later had a change of heart and became very much pro-American. OSWALD had some communication with RUBY and was trying to convert RUBY back to his anti-American feeling but without success. The operator further said

"that OSWALD threw little hints about an attack on the President but that RUBY did not take them seriously. The operator was then pretty positive about saying that RUBY was not in any way connected with the plot to kill the President and that after the President was killed he (RUBY) was full of hatred for OSWALD. Oh yes, the operator also appeared to say rather clearly that the owner or operator or manager of the building from where OSWALD fired was not in any way connected with the assassination plot and had no knowledge of it.

"The above and foregoing is about all that has been produced up to the present time. As I say, the operators have run only two experiments on the subject. I have advised them that I have contacted the FBI about this matter and that if there is any basis to what they have produced, the FBI might like to have them cooperate in producing more information.

"The chief operator of the group told me that in the future they might be able to advance this science far enough that they will be able to perceive into the future and determine where and when there is any plot developing to kill the President and thereby be able to upset it.

SANCHEZ stated he has been very active in politics on behalf of the Democratic Party and exhibited telegrams and certificates of appreciation from President KENNEDY and Vice President JOHNSON thanking him for his assistance in their campaigns. He also exhibited autographed photographs of President KENNEDY, Senator RALPH YARBROUGH, Congressman HENRY GONZALEZ, and others.

He described himself as a crusader for the cause of lifting the socio-economic status of Americans of Mexican origin, but one who would like to make his country a better and safer place for all Americans to live in.

Dear Sir:

I feel impelled to write this letter although it may prove to be of no importance.

Has it occurred to any one of the Investigating Officers. that the life of Lee Harvey Oswald parallels the story of the motion picture "The Manchurian Candidate" in many ways.

The facts that keep running through my mind as I hear and read more of the life story of Oswald are as follows:

First, the name. if I remember correctly the name of the leading character in the picture is Laurence Harvey.

The leading character in the movie was in the Army, in the Far East. was brain-washed. and made a tool of the Communists.

Oswald was in the Marines, served in Japan. and in some manner came to embrace Communism.

The leading character despised his Mother.

Oswald must have had some resentment against his own Mother, as I read that he hung up on her personal telephone call to him when he was in Russia.

The leading character had a step-father. Oswald had a step-father.

Oswald had a grievance against a Governor.

The leading character in the Movie had a hatred for a man who aspired to be Governor. and was ordered by the Communists to assassinate a Governor.

He went high up in a cubicle in the top of an auditorium and waited with a rifle to assassinate the aspiring Governor.

Oswald went up to the fifth floor of a building and built a cubicle around him with cases of books and waited with a rifle to assassinate the President and nodoubt intended to do the same to the Governor.

The thought has occurred to me that he saw the moving picture and identified with the leading character, and from that seed came the plan to assassinate the President.

Or could his Communist associates have known his story, seen the similarity, and used him as a tool to accomplish the act?

He took refuge in a Moving Picture Theater after the shooting. It might be interesting to ascertain on what dates this picture was shown in Dallas, and at what theater. and compare the date on which he purchased the rifle. whether before or after the showing of the picture. Also how many of the Communist group to which he belonged saw the picture.

Respectfully.

1 ENCLOSURE

Words of J. Edgar Hoover

In 1919 Mr. J. Edgar Hoover, as a special assistant to the Attorney General of the U.S., prepared a legal brief on the newly formed Communist party. His report concluded:

"These doctrines (of the Communist Party USA) threaten the happiness of the community, the safety of every individual, and the continuance of every home and fireside. They would destroy the peace of the country and thrust it into a condition of anarchy and lawlessness and immorality that passes imagination."

Forty years later, on Page 95 of the Pocket Book edition of his work, "Masters of Deceit," he described the individual Communists who make up the Communist Party USA: " . . . the Communist is not an angel of mercy, ministering to the weak, oppressed, and wounded, but a menacing demon splattered with blood and wielding a hammer and sickle of iron."

Do we need any more proof than we have had recently of the accuracy of Mr. Hoover's analysis of the Communist criminal character?

I certainly do not, and am writing to Cong. Page Belcher today to work for legislation outlawing and destroying the Communist Party USA, for we need no more proof that we are at war with the Communists. Neither in America nor in the rest of the world is peaceful coexistence possible with Communism any more than with a nest of rattlesnakes.

Why Bring Killer Back?

I read in the World that our Embassy in Moscow either gave or loaned Oswald something over $400 to return to the U.S. This, in the face of the following:

1. Oswald had renounced his American citizenship, and turned in his visa;
2. He had lived two years in Russia;
3. He had married a Russian girl;
4. He had been kicked out of the Mrine Corps as an "undesirable".

It would be interesting to learn the reasons that prompted the Embassy to advance the money for such a crackpot to return to this country.

He stated his station did not tape this broadcast since it was carried through the facilities of the Mutual Broadcasting Corporation (MBC), who employes FLIEGERS. He stated that most likely MBC has the tape of that broadcast.

On same date, CHARLES KING, Director of News Service, MBC, 1440 Broadway, NYC, advised SAS TEMPRO and GREALY that on 11/29/63, he had a telephone conversation with Assistant Director DE LOACH, FBI, concerning the broadcast of 11/24/63, by SERGE FLIEGERS, MBC Chief Foreign Correspondent. He advised based on this conversation he could furnish a tape of this broadcast to NYO. This tape was furnished to Bureau on 11/29/63. In addition, KING stated he has instructed FLIEGERS, upon his arrival, Paris, France, 11/1/63, to immediately furnish FBI, Paris all information he has concerning subject.

KING advised he believes FLIEGERS source of information on OSWALD is someone connected with the Austrian Intelligence Service. KING added FLIEGERS, in the past week, interviewed a person, only identified as "Mr. X", who furnished alleged information concerning OSWALD's activities and training while in Russia and this interview was broadcast on 11/29/63 by NBC on the show "World Today." KING furnished a tape of this interview to Bureau Agents, which is being enclosed to you for your information. KING indicated "Mr. X" is probably associated with the Austrian Intelligence Service. He also furnished SERGE FLIEGERS' addresses as Ritz Hotel or Press Wireless, #8 Rue Edward VII, both Paris, France.

ADMINISTRATIVE

This report is marked "CONFIDENTIAL" inasmuch as it contains data from Immigration and Naturalization Service, New Orleans, which was so "classified," namely data obtained by SA JOHN T. REYNOLDS, New Orleans, from [redacted]

On 11/23/63, a photograph of an unknown man was exhibited to MARGUERITE OSWALD at Dallas, Texas, by SA BARDWELL D. ODUM in an attempt to determine if this individual was known to MRS. OSWALD as an associate of LEE HARVEY OSWALD. MRS. OSWALD could not identify the photograph as anyone she knew. This photograph was furnished by CIA and the identity of this individual is not known, although it is definitely not a photograph of JACK L. RUBY.

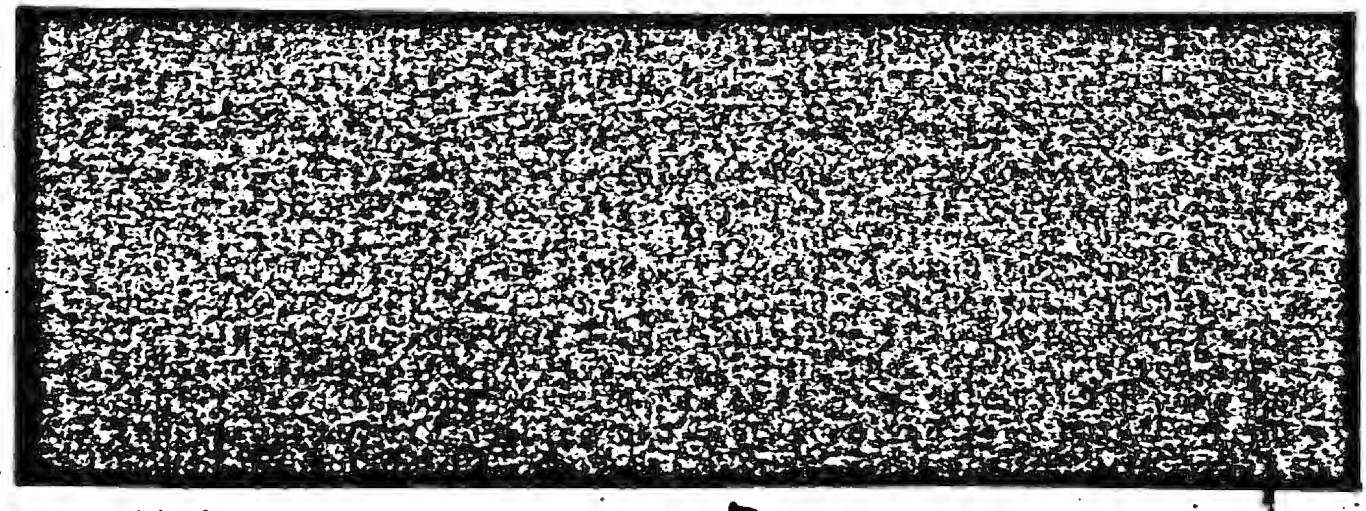
DL 100-10461

ADMINISTRATIVE

Per instructions of the Bureau in teletype to all SACs dated November 30, 1963, at 4:53 PM, this report contains all investigation and allegations regarding OSWALD not previously submitted under instant caption or in the report of SA ROBERT P. GEMBERLING, dated November 30, 1963, under the caption "LEE HARVEY OSWALD, aka; ASSASSINATION OF JOHN FITZGERALD KENNEDY, 11/22/63, DALLAS, TEXAS, AFO."

For the information of the Bureau, New Orleans has submitted to the Dallas Divisin some inserts which were obviously intended for inclusion in a criminal-type report and hence were submitted in Cover Page form. In those instances where it was feasible for the Dallas Division to prepare such information from New Orleans in a form suitable to be included in the body of this report covered by a T symbol, this has been done. Where this was not practical, the inserts from New Orleans have been included among the Cover Pages of this report.

In some instances information received from sources originarily covered by T symbol was submitted on 302s without the identity being covered. The position was taken that the gravity of the situation and the national importance of the President's death warranted acquisition of information from sources whose records were considered confidential and which sources under ordinary situations must necessarily be covered.



COVER PAGE

[redacted]

In this connection, it is noted that the Legal Attache in Mexico City telephonically advised on November 25, 1963, that Mexican Immigration records reflected OSWALD had entered Mexico at Nuevo, Laredo, on September 26, 1963, and had departed Mexico at the same place on October 3, 1963. He was in possession of a Mexican tourist card issued on September 17, 1963, at the Mexican Consulate at New Orleans, Louisiana.

The information concerning the accounts of MICHAEL PAINE and RUTH PAINE was furnished by [redacted] Southwest Bank and Trust Company, Irving, Texas, on November 26, 1963.

The information concerning the account of JACK and GERTRUDE ARNOLD, Hillcrest State Bank, Dallas, Texas, was furnished by [redacted] on November 29, 1963.

All Agents of the Dallas Office and many Agents from surrounding offices participated in this investigation. Appropriate 302s and inserts have been prepared by participating Agents.

Concerning interview of a Miss ARDEN F. GIBBS, 1119 Chartres Street, Apartment 3, New Orleans, Louisiana, by SAs REED W. JENSEN and CLAUDE L. SCHLAGER, November 26, 1963, [redacted] introduced herself as Miss ARDEN F. GIBBS.

Subscriber information from records of Southern Bell Telephone and Telegraph Company, New Orleans, Louisiana, was furnished to SA NATHAN O. BROWN on November 27, 1963, by [redacted]

E

COVER PAGE

DL 100-10461

Records of the New Orleans Office contain no information that BERNARD ALFRED TREGLE, a NORMAN JOSEPH LE BLANC, or a VINCENT JOSEPH MARCELLO have been involved in any hate group activity; further, investigation in this matter at New Orleans as of November 30, 1963, had developed no information that the three aforementioned individuals have ever been associated with LEE HARVEY OSWALD or JACK RUBY.

Information received from Louisiana Department of Revenue furnished by [redacted] Supervisor.

On November 30, 1963, Mr. H. E. HAMPTON, Superintendent of Mails, U. S. Post Office, Shreveport, Louisiana, advised SA DONALD R. BELMONT he was unable to locate any record of a WILLIAM L. CHACE, WILLIAM L. CHASE, or WALTER LEACHMAN receiving mail through that post office. This included a check of the individuals receiving mail through General Delivery. He stated his records failed to reflect an address of 1142 Lee Road in Shreveport or outside the city limits of Shreveport. He stated the nearest thing he could find to a street of this name was Lee Street, which was located outside the city limits, north of town, but consisted of only the fortyfive hundred block.

Mr. HAMPTON stated the Shreveport Post Office does not use a zone number 6. He said Zip Code # 71106 covers the Cedar Grove area of Shreveport, but that a check of the records of the Cedar Grove Sub-Station of that post office disclosed no listing for the above-named persons and no record of a 1442 Lee Road.

[redacted]

Miss OLGA E. FABACHER, Apartment 7, 1514 Prytania Street, New Orleans, Louisiana, advised SAs EUGENE E. BJORN and DEAN S. LYTLE, November 30, 1963, that she was not acquainted with LEE HARVEY OSWALD and had never seen or heard of him until the recent assassination of President KENNEDY.

She informed that she had received literature from the Fair Play for Cuba Committee, but that she had never attended any meetings or associated with any persons who were affiliated with the group. She did not know who was responsible for her being sent the literature, but added that she had been receiving the magazine "The Nation" for many years, and this may be the reason she had received the literature.

The information regarding toll calls to and from Lake Charles Number Hemlock 98793, listed to LONNIE B. MORGAN, was furnished by [redacted], [redacted] of the [redacted] Office of the Southern Bell Telephone and Telegraph Company. Mr. [redacted] advised the records of November toll calls are presently in the New Orleans Office and may be obtained at that office, if necessary.

The New York Office contacted an anonymous source at FPCC Headquarters, New York City, on October 27, 1963, and this source advised that OSWALD had forwarded an undated letter to FPCC Headquarters indicating intentions to form a New Orleans Chapter of the organization. He referred to a circular which might be too provocative but indicated he wanted to attract attention even if it's the attention of the "lunatic fringe". The content of this letter is included in the body of the report under T symbol.

Items mentioned and described in this report as being from among the material of OSWALD seized under search warrant by the Dallas Police Department from 1026 Beckley or 2515 West 5th Street, is based upon an examination of this material at the Dallas Police Department prior to its being turned over to the FBI. The examination was thus somewhat limited and could not thereafter be enlarged upon since the material, when turned over to the Dallas Office by the Dallas Police Department, was immediately taken to the FBI Laboratory per Bureau instructions this should be done. This material is still, as of the date of this report, at Seat of Government.

The data from the records of Southwest Bank and Trust Co., Irving, Texas, appearing in this report were furnished by [redacted]

In connection with the interview of November 1, 1963, of Mrs. RUTH PAINE by SA JAMES P. HOSTY, Jr., Mrs. PAINE at first hesitated to furnish OSWALD's place of employment, stating that OSWALD felt the FBI had been responsible for his losing his job in New Orleans, Louisiana following his arrest for distributing pro-Castro literature and speaking

on television on behalf of Castro and Communist Cuba. It was pointed out to Mrs. PAINE by Agent HOSTY that the FBI could hardly be responsible for OSWALD's losing his job following such public actions and public statements as he admittedly engaged in as above. To this Mrs. PAINE readily agreed. She was friendly and went on to furnish OSWALD's place of employment, although she was unable to provide the address at which he was living in Dallas.

During the course of this interview with Mrs. PAINE, the subject's wife, whose understanding of the English language appears very limited, entered the room and Mrs. PAINE identified SA HOSTY to her. Mrs. OSWALD at first appeared to be worried and alarmed. Through Mrs. PAINE, who is fluent in Russian, Mrs. OSWALD was told it was not the purpose of Agent HOSTY to harass her in any way and that she had nothing to fear from the FBI. It was explained SA HOSTY was there merely to talk to Mrs. PAINE. At this time the interview with Mrs. PAINE was terminated and SA HOSTY left.

The pretext used in the interview on October 29, 1963, by SA JAMES P. HOSTY in contacting the occupants in the home at 2919 West 5th Street, Irving, Texas, was [redacted] In view of the pretext nature of the interview, the name of the party interviewed was not obtained.

Information concerning telephone HUnter 8-4326 was furnished on 11/29/63 to SA NATHAN O. BROWN by [redacted] Metarie District Office, Southern Bell Telehone Company, New Orleans, La.

Gerard F. Tujague

GERARD F. TUJAGUE, owner and operator of Gerard F. Tujague Inc., 442 Canal Street, Third Floor, New Orleans, Louisiana, advised that LEE HARVEY OSWALD was employed by his company as a messenger boy beginning November 10, 1955 until January 14, 1956. He advised that OSWALD's specific duties were strictly messenger type, that he would deliver official papers dealing with the forwarding company business. OSWALD's contacts would be such locations as other forwarding companies, the U. S. Customhouse Export Office, steamship lines and in some cases foreign counsel offices which may have to do with the export or import business. Mr. TUJAGUE was not able to specifically enumerate these foreign counsel offices and there is no definite record to disclose these particular contacts.

Mr. TUJAGUE advised that OSWALD's official duty time was 8:30 AM to 4:30 PM on Tuesday, Wednesday and Friday and 8:30 AM to 5:30 PM on Monday and Thursday. He also worked on Saturday from 8:30 AM to 12:30 PM. Mr. TUJAGUE stated OSWALD's normal lunch hour was between 12:00 and 1:00 PM and he has determined from various employees that OSWALD was a non-social, in that he did not at any time associate with any of the employees either during his lunch hour or after hours. He was a rather quiet type of individual and did not have very much contact or conversation with any of the other employees. He also determined that normally OSWALD would go to his home during the lunch hour to be with his mother which was 126 Exchange Place and is a very short distance from the business office of TUJAGUE. He advised that OSWALD's work hours were usually by time card and that his pay at the end of each period was by check, however, at this time he does not have available either OSWALD's time cards or cancelled checks, however, he advised he will make a diligent search for this material and will advise Agents and make these available.

Mr. TUJAGUE made available the only records he had available at this time on OSWALD which are payroll employee records beginning November 10, 1955 through January 14, 1956 which disclose the name LEE HARVEY OSWALD, 126

Exchange Place, Social Security Number 433-54-3937, listing position as office boy at a rate of $130 per month. This record also listed OSWALD as single. The other available record was the W-4 form, employee withholding exemption certificate. This certificate shows the name of LEE HARVEY OSWALD, 126 Exchange Place, Social Security Number 433-54-3937 dated November 12, 1955 signed in pencil LEE OSWALD. Mr. TUJAGUE advised that this form was prepared in the handwriting of LEE OSWALD and that this was the only document he has at this time which was prepared by OSWALD.

Mr. TUJAGUE advised that to the best of his knowledge he believed LEE OSWALD was recommended to him by one of several employment agencies, enumerating the Louisiana Unemployment Bureau, Apex Employment Service and Bee Robertson's Employment Service. Mr. TUJAGUE advised that he is not sure as to the reason for OSWALD resigning, however, he believes it may have been due to the fact that he was either drafted or joined the armed forces or possibly to obtain a better job as he does recall OSWALD complaining about the fact that this type of work was too strenuous.

Mr. TUJAGUE advised that he will search his records for possible cancelled checks as well as time cards and would contact Agents if same are located. Mr. TUJAGUE requested that the payroll sheets and withholding form be returned to him when no longer needed by the FBI.

Mr. TUJAGUE further advised that he has contacted each of his employees and determined that none of these individuals were friendly with OSWALD either during office hours or after work. He advised that each of them told him they were not able to give any specific details as to the personal life of OSWALD nor were they acquainted with any of OSWALD's friends or associates since they themselves did not associate with OSWALD during this short period of employment of three months either in the office or after office hours.

Mr. TUJAGUE advised he would make available the names of all of these employees and their home addresses so they might be interviewed. Concerning the check of his records for time cards and cancelled checks he will make these available if they can be located.

Date 11/26/63

Mr. GERALD TUJAGUE, 442 Canal Street, owner and president of Gerald F. Tujague, Inc., a forwarding company, furnished additional information regarding the employment of LEE HARVEY OSWALD.

Mr. TUJAGUE made available his employment release form in the name of LEE HARVEY OSWALD dated January 17, 1956 signed by LEE HARVEY OSWALD. He also made available his time punch cards in the name of LEE HARVEY OSWALD, showing the specific dates and time of employment under each date. There are five of these time cards, the first, beginning with November 15, 1955 and ending with January 14, 1956. Mr. TUJAGUE advised that the only writings on these cards by OSWALD are listed under the column "Extra In" on each card which was the numerals "30" over the initials "L O." He stated that this represented thirty minutes in addition to the time shown on the card which was necessary due to the fact that OSWALD at that time would make a trip to the Post Office or some other deliveries and would be allowed thirty minutes extra on these particular dates. All other writing on the card, both on the face and on the back, would have been made by the time clerk.

Mr. TUJAGUE furnished the following list of employees who are either now working for him or were employed during the same period of time that LEE HARVEY OSWALD was employed, that is, between November 15, 1955 and January 14, 1956:

Mr. TUJAGUE pointed out that in his opinion the only ex-employee who may have been acquainted with OSWALD to some extent would have been JESSE ALBERT FULLER, JR., as he recalled that FULLER was approximately the same age as OSWALD and was hired in the same capacity, that is, messenger boy, between October 1, 1955 and December 31, 1955.

Mr. TUJAGUE advised that a check of his employment records failed to disclose an individual ever having worked for him by the name of HIDELL or any variations thereof. Mr. TUJAGUE advised that he will attempt to check his records further for any records which may have been either handled or connected with OSWALD. He further requested that all documents furnished to this Bureau be returned to him upon completion of their use.

SA(A) JAMES E. SCHMIDT, JR. interviewed the following employees of GERALD F. TUJAGUE, INC., 442 Canal Street at this place of employment, who were employed by this company during the same period that LEE HARVEY OSWALD was employed, that is, November 10, 1955 through January 14, 1956:

ROBERT DALMANN, 701 Independence Street;

MAX HEINEMANN, 2308 Audubon Street;

FRANK DiBENEDETTO, 1321 Arabella Street, and

JESUS ASPIAZU, 317 N. Sibley Street, Metairie, Louisiana.

In interview with these individuals, it was determined that each one of them were acquainted with LEE OSWALD while he was employed; however, each pointed out they had no direct contact with OSWALD during working hours or after working hours. None of these individuals could give any details as to friends or relatives or acquaintances of OSWALD during his employment. However, each of them were aware of the fact that OSWALD resided in an apartment on Exchange Place in New Orleans at this time with his mother and that on many occasions OSWALD went home for lunch to be with his mother since this address was just blocks away from the business.

Mr. ABE PEKOVAR, apartment 71, Lake Terrace Gardens, Paris Avenue, advised that he operated the Dolly Shoe Company at 729 Canal Street during the period February, 1955, into some time in 1957, the exact date he does not recall. Mr. PEKOVAR advised that at this time he does not have any records of the employees of this company and that he himself does not recall having an individual named LEE HARVEY OSWALD working for him. He advised that the people who were employed for him were adults as most of them were in the sales capacity and he would not hire individuals in their teens for this particular job.

Mr. PEKOVAR pointed out that perhaps prior employment records could be checked with his accountant, MOSE BRENER, located in the Maison Blanche building, New Orleans, and further that perhaps his former manager, MAURY GOODMAN, now located with Allen Shoe Store on Canal Street, may be able to advise as to whether or not OSWALD had been employed by the Dolly Shoe Store during the period 1955-1956.

He advised messengers are considered temporary employees inasmuch as they usually work for only a few months.

Mr. HARRY LEVEQUE, General Manager and Partner; Pfisterer Dental Laboratory Company, 227 Dauphine Street, advised he did not recall LEE HARVEY OSWALD although his photograph seemed vaguely familiar. LEVEQUE did recall PALMER MC BRIDE as a young man who worked for a period of time as a messenger approximately six years ago. He stated that if OSWALD worked for the company it would have been also as a messenger because he would recall anyone who had worked in the laboratory. He stated messengers usually worked for only a few months and there was a constant turnover of them. He recalled MC BRIDE as being a young man who was very interested in space and astronomy. The messengers were paid in cash and no receipts were obtained from them. The bookkeeper during 1957 and 1958 was EARL WILLIAMSON who died in January, 1961. The present bookkeeper and Office Manager is EUGENE J. YRLE.

Mr. LEVEQUE advised the person who may possibly recall OSWALD is LIONEL SLATER, JR., 1411 France Street, telephone WHitehall 7-4343, who has been a messenger for about ten years. SLATER is a spastic and has crippled hands, and is the only messenger who has worked for more than a short period of time.

Mr. LEVEQUE stated the only other person who may possibly recall OSWALD is Mrs. AMELDA SMITH, who worked as a receptionist and clerk in 1957 - 1958.

Mr. HARRY F. LEVEQUE, General Manager and Partner, Pfisterer Dental Laboratory Company, 227 Dauphine Street, furnished the following information:

The following were partners in the company from about 1954:

FRANK K. CADLE, GEORGE R. BISCHOFF, GEORGE KANEL and LEVEQUE.

He does not recall anyone named KLEIN and this name, he felt sure, was confused with KANEL. KANEL was general manager in 1956 and retired on July 1, 1963. JOHN LAPEZE was then taken in as partner.

FRANK CADLE died two years ago. The company is a partnership and for official matters the name GEORGE L. KANEL, ET AL., doing business as Pfisterer Dental Laboratory Company has been used.

LEVEQUE advised each partner was in charge of a specific department in the laboratory and did not have much contact with the messengers who were supposed to wait in the outer office until a dental plate or other item was ready for delivery to a dentist's office. He advised that since he was contacted on November 23 he has tried to recall LEE OSWALD but was unable to do so. He recalled PALMER MC BRIDE because MC BRIDE was in "outer space" all the time, constantly talking about astronomy and calling attention to himself by his "outgoing manner" and was probably a messenger a little longer than most of those hired.

LEVEQUE advised another messenger who worked for several years and who possibly may remember OSWALD is JOHN ULMER, JR. He stated ULMER is mentally deficient.

The following persons worked in the laboratory and may possibly remember OSWALD:

WARREN MEYER, LOUIS MEISNER and JOHN CAZAUX.

LEVEQUE stated he would immediately advise the FBI should he recall OSWALD or anyone who may possible have known him.

He was a General Manager and a partner of the Pfisterer Dental Laboratory from about 1956 until December, 1961. He retired as a partner on July 1, 1963; however, occasionally he still assists in the laboratory. He observed a photograph of LEE HARVEY OSWALD which was taken when he was a ninth grade student at the Beauregard High School and also observed a photograph of OSWALD which appeared in the newspapers when he was arrested by the Dallas Police Department. He can not recall any former employees who might resemble OSWALD. He said there has been a rapid turnover of messengers; that they are usually hired through newspaper advertisements and that the hiring of messengers was handled by EARL WILLIAMSON the bookkeeper, although he, KANEL, hired them. Any messengers hired by WILLIAMSON would be brought to KANEL for approval. These messengers usually worked for a few months. KANEL recalled PALMER MC BRIDE as being a messenger and said that he worked for a somewhat longer period than the others. He remembered MC BRIDE primarily because he always talks about space, rockets, and astronomy and let everyone know he was interested in these topics. LO

KANEL advised that he would immediately notify the FBI if he recalled LEE HARVEY OSWALD.

He recalled that LEE OSWALD worked as a messenger for Pfisterer in about 1956 for a period of not more than a few months. He recalled that OSWALD used to talk a lot with PALMER MC BRIDE and is of the opinion OSWALD used to go to MC BRIDE's home to listen to a hi-fi set and look through MC BRIDE's telescopes, as MC BRIDE was interested in astronomy. He recalled that OSWALD used to talk to MC BRIDE about Russia but FIORELLO did not know what was said about Russia. FIORELLO did not know where OSWALD lived in New Orleans. When OSWALD quit he told FIORELLO he was going to Texas where he had a job selling shoes. FIORELLO did not recall that any city in Texas was mentioned. FIORELLO knew of no friends of OSWALD other than MC BRIDE.

FIORELLO advised he was employed as a messenger at Pfisterer during the time OSWALD was a messenger there. He recalled the other messengers at this time as being LIONEL SLATER, JR., JOHN ULMER and PALMER MC BRIDE.

Mrs. AMELDA SMITH, 4951 Dreaux Avenue, former receptionist and clerk for Pfisterer Dental Laboratory Company, 227 Dauphine Street, advised she vaguely recalled a young man who worked as a messenger for a short period of time about six years ago who may possibly be identical with LEE HARVEY OSWALD. The only thing she could actually recall was that this young man was surly. She could recall no conversations with him other than in connection with his messenger duties and could not be positive if his name was OSWALD.

Mr. JOHN LAPEZE, Partner, Pfisterer Dental Laboratory Company, 227 Dauphine Street, advised he could not recall LEE HARVEY OSWALD as ever having worked for the company. He stated he did recall PALMER MC BRIDE, who worked as a messenger for a short period of time approximately six years ago. He advised that if OSWALD ever worked for the company it would have been as a messenger. The messengers deliver dental plates to dentists throughout the city.

Mr. LAPEZE stated LIONEL SLATER, JR., is the only person who has worked as a delivery boy for more than a few months, having worked for the past ten years, and he would probably recall OSWALD.

Mr. LYNN COBENA, Manager, Commercial Employment Agency, 1001 National Bank of Commerce Building, was interviewed and made available an application with his agency made by LEE HARVEY OSWALD on May 7, 1963. The application reflected he had been employed from 1962 to 1963 at Jaggers-Chiles-Stoval on 522 Browder Street, Dallas, Texas as a photographer and was laid off because of a cut in the night shift. He was applying for a position as a photographer and gave the following description of his duties with his former employer:

> Development of films on standard commercial modification camera, use of lens, enlargers, etc.; setting up and shooting of "live" and "perspective" photo shots as well as modification shots.

In checking his incoming log sheet for May 7, 1963, COBENA advised that OSWALD had been in his office twice that day. The reason for the second visit was not indicated. COBENA stated the interviewer who talked to OSWALD was Mr. DON PECOT, who is no longer employed by the agency. He furnished PECOT's last known address as 1200 Lowerline Avenue, New Orleans, Louisiana. The application also indicates OSWALD was referred to Darrell DeMoss Company in New Orleans; however, there is no indication on the application as to the results of OSWALD's interview at that company.

COBENA made available both the application and the agency agreement which were signed by OSWALD on May 7, 1963.

Date November 30, 1963

Mr. DONALD PECOT, 1200 Lowerline Street, was interviewed and advised he vaguely recalls LEE HARVEY OSWALD being in the office of the Commercial Employment Agency where he filled out an application with that agency for a job as a photographer. He recalls that OSWALD, in his opinion, had an above average appearance and personality, was well dressed and presented himself well. He advised the only reason there were no references listed on the application was because of an oversight on his part.

PECOT does recall that OSWALD returned to the office the same day and was advised he would be contacted should any job arise for which he was qualified. To the best of his knowledge PECOT stated OSWALD never returned to the Commercial Employment Agency after May 7, 1963 and that he was never called regarding any employment contact. PECOT concluded he could give no further information inasmuch as he only spoke to OSWALD about ten minutes and has not been employed by the Commercial Employment Agency since July, 1963.

He does not recall anyone resembling LEE OSWALD ever coming to his place of business inquiring about a job. He does not recognize the photograph of OSWALD as anyone who has ever come into his shop. He advised he did not request the Louisiana State Employment Office or any other employment agency in May, 1963, to refer any film developers to him. He has in the past requested a laboratory man who is then used to do developing work and the Louisiana State Employment Office apparently is aware he can occasionally use such a person. He has never requested the removal of his request. He advised that if OSWALD had stopped at his shop he would merely have told him he did not need anyone, and would not have taken any information concerning OSWALD.

Mr. BARBE advised that he knew LEE HARVEY OSWALD only while OSWALD was employed by William B. Reily and Company, Inc. He stated he was OSWALD's immediate superior while so employed. He recalled OSWALD as a quiet person who never opened the conversation. He added that OSWALD usually gave no recognition of persons around him and spoke only when spoken to. He recalled that he on one occasion asked OSWALD about his marital status, and OSWALD told him that he was married and had two children. He continued that OSWALD made no further statement concerning his family and did not seem anxious to enter into a conversation with him.

Mr. BARBE advised that at no time while he knew OSWALD did OSWALD make any statements that were un-American in nature or that would indicate an ill feeling toward the President of the United States or other Government officials.

Mr. BARBE advised he knew of no friends, associates or relatives of LEE H. OSWALD.

Mr. CHARLES JOSEPH LE BLANC, 2824 South Romain Street, New Orleans, Louisiana, advised that he is employed as maintenance man for William B. Reily and Company, Inc., 640 Magazine Street, New Orleans, Louisiana. He stated that he knew LEE H. OSWALD only while OSWALD was employed as an oiler-machinist assistant for William B. Reily Company, Inc. He recalled that he "broke OSWALD in on the job". He stated that OSWALD was a man of very few words and usually seemed to avoid conversation. He recalled that on one occasion the exact date of which he could not recall OSWALD asked him, "Do you like it here?" Mr. LE BLANC stated he replied, "I ought to like it. I have been with them ten years". He continued that OSWALD explained that he did not mean whether LE BLANC liked working for the company whereupon LE BLANC stated he asked, "Well, what do you mean?" He stated OSWALD said,"Here", and he asked, "New Orleans?" whereupon OSWALD said, "No, the country". He stated he replied, "Why, certainly" whereupon OSWALD discontinued the conversation and walked away. He advised that he never discussed this matter further with OSWALD and in fact he and OSWALD had very little to say to each other except conversation concerning the oiling of some of the machines.

Mr. LE BLANC advised that OSWALD was not attentive to his job and wandered about the building considerably and was usually gone when he was needed. He continued that he would have to "run OSWALD down" in the building and would ask him where he had been and why he was not on the job whereupon OSWALD would merely shrug his shoulders and state that he had "just been around".

He advised that he recalled that OSWALD had a habit of pointing his finger at someone when he would approach them and make a sound as if he were shooting the person like children do in playing "cops and robbers".

Mr. LE BLANC advised that he has never heard OSWALD make any statements that he would shoot someone nor has he discussed in any manner the shooting of another. He merely attributed the above to an idiosyncrasy.

Mr. LE BLANC stated he knew of no associate, friend or relative of LEE H. OSWALD and could furnish no information as to whether OSWALD owned a firearm. He did recall, however, that he had observed OSWALD looking at gun magazines maintained in the waiting room of the Crescent City Garage located next door to William B. Reily Company, Inc. He explained that employees of the Reily Company would go to the waiting room of the Crescent City Garage for soft drinks on their breaks and that someone in the garage apparently collected guns and maintained gun magazines on a coffee table which were available to employees. He stated he, however, had never discussed guns with OSWALD.

Mr. LE BLANC advised that the only other employee with whom OSWALD would have been in contact was ARTURO RODRIGUEZ, maintenance man.

Mr. ARTURO MENDEZ RODRIGUEZ, 323 Marais Street, Apartment U, New Orleans, Louisiana, voluntarily furnished the following information:

He stated that he recalled LEE OSWALD as a fellow employee at the William B. Reily Company, 640 Magazine Street. He stated that as best as he can recall, OSWALD worked there about three months and he recalled that OSWALD was working there when he, RODRIGUEZ, took his vacation in June, 1963.

He emphasized that he was never closely associated with OSWALD and that his only contact with him was when OSWALD started working for the Reily Company, in that he instructed him how to oil and clean the machines. He also stated that as far as he could tell, OSWALD was not friendly with any of the employees and he described OSWALD as a person who did not talk much, was very quiet and did not associate with any employees.

He stated that when the workers took a break, OSWALD always stayed by himself, sometimes he went to the driveway and smoked a cigarette, and sometimes he just sat in a chair and appeared to stare into space.

OSWALD never discussed his past and RODRIGUEZ knew nothing about his background. Shortly after he began working he did state that he had just gotten out of the military service and came to work for Reily Company. RODRIGUEZ stated that he did not know that OSWALD was married and did not know where he lived. RODRIGUEZ said that to the best of his knowledge, he did not believe that OSWALD had an automobile as he sometimes saw him come to work on a bus.

RODRIGUEZ advised that he has never received any mail from OSWALD and did not know where he went when he quit working for the Reily Company. He stated that he believed OSWALD did not quit his job voluntarily, but was asked to leave by the company. He informed he did not know anyone by the name of HIDELL.

The following description of ARTURO MENDEZ RODRIGUEZ was obtained by personal observation and questioning:

Mr. JOHN C. CLARK, Assistant Vice President in charge of Production, William B. Reily and Company, Inc., 640 Magazine Street, advised that he knew LEE H. OSWALD only while OSWALD was employed by that company and only because he was so employed. He continued that his only contact with OSWALD was to reprimand him a couple of times. He explained that OSWALD was not an aggressive worker and had to be reprimanded concerning this.

Mr. CLARK stated that he had no conversation with OSWALD concerning outside activities and that he did not know any of OSWALD's friends or associates nor any member of OSWALD's family.

Mr. CLARK stated that an inquiry of all employees of the plant revealed that only the following individuals employed by William B. Reily and Company, Inc., had had any conversation whatsoever with OSWALD.

EMMETT CHARLES BARBE, JR., maintenance foreman, OSWALD's immediate superior.

CHARLES JOSEPH LE BLANC, a maintenance man who worked with OSWALD.

ARTURO RODRIGUEZ, a maintenance man who worked with OSWALD.

Miss ROSE SCHAMBRA, a floor lady in the plant.

Mr. CLARK advised that OSWALD was actually employed by ALFRED A. CLAUDE, who was plant manager at the time. He continued that CLAUDE is no longer employed by this company, but he understands CLAUDE is presently employed by the Chrysler Aerospace Division in New Orleans.

He explained that Mr. CLAUDE had not necessarily had conversation with OSWALD.

He advised that the only other person who perhaps would have necessarily had contact and conversation with OSWALD would be JOHN D. BRANYON, 7937 Oak Street, New Orleans.

Miss ROSE SCHAMBRA, 5528 Catina Street, advised she is a "floor lady" at William B. Reily and Company, Inc., 640 Magazine Street, and as such supervises the packaging of coffee.

She stated she has supervision over three coffee packaging machines which machines have to be greased regularly by maintenance men employed by the company. She continued that during the Summer of 1963, LEE OSWALD was employed as a maintenance man and as such would grease the machines under her supervision. She stated she found OSWALD to be a quiet and shy person who never seemed to converse with anyone. She recalled that when he did make his rounds to grease a machine, she would sometimes tell him which machine needed oiling and he would make no reply to anything she said. She recalled that on occasions she would tell him not to put too much oil in the fittings and he merely shrugged his shoulders without comment. Because of this shyness and quiet attitude, she felt sorry for him and one day approached him asking him his name. He merely replied "LEE", and kept walking.

Miss SCHAMBRA said that this more or less seemed to be typical of his attitude while he was employed at that company. She added that his mind seemed to be on something else instead of his work and never about conversation with employees. She stated she did not know any people with whom he might have been in contact and certainly none of his friends, associates, or members of his family. She added that she had had no contact with OSWALD away from the plant where they worked.

Miss SCHAMBRA advised that she knew no one by the name of HIDELL or name similar to that and certainly had never heard OSWALD speak of anyone by this name.

Mr. CHARLES JOSEPH LEBLANC, Maintenance Man, William B. Reily and Company, Inc., 640 Magazine Street, was questioned further concerning his inability to find LEE H. OSWALD on occasion while OSWALD was employed by that company.

Mr. LEBLANC explained that plant employees have two breaks during the day, one at 9:00 AM and the other at 1:30 PM. He continued that on several occasions he had noted that OSWALD would overstay the 15 minute break and would be missing for 20 to 30 minutes at a time. He further recalled that OSWALD was also gone from his employment on other than extended breaks for 20 to 30 minutes and on a few occasions as long as 45 minutes. He added that the extended periods of 45 minutes were not often.

When questioned as to how frequently OSWALD would be gone from his employment during the day, he stated that while it happened several times it was not as often as once a day during his period of employment there but came close to being on the average of once a day.

Mr. LEBLANC could not say where OSWALD had been during periods that he was missing from his place of employment and although he asked OSWALD on several occasions where he had been he had not received an answer to this. He stated that he had never observed OSWALD to come into the plant from the outside except on break periods and had never observed OSWALD leave the plant except to go next door to the Crescent City Garage where employees frequently obtained soft drinks from dispensing machines. He commented that it was at this place where he had observed OSWALD reading gun magazines and thought perhaps OSWALD may have overstayed his break periods to read such magazines.

Mr. LEBLANC advised that OSWALD was a "loner" even at lunch period. He continued that OSWALD usually ate his lunch out and he recalls having seen OSWALD eat lunch at Martin's Restaurant located at the corner of Tchoupitoulas and Girod Streets near the plant.

Mr. LEBLANC advised that he knew no one by the name of HIDELL or names similar to that and that he had never heard LEE OSWALD speak of anyone by this name.
